Subject: Common Council Resolution File Number 060685

Dear Honorable Members:

Returned herewith is Common Council Resolution File 060685, which amends a special privilege for change of ownership to C. H. Coakley & Company, Inc. for building facades, ventilator exhaust ducts, door swings, bay windows, cornices and an electrical wire and grants permission for additional excess door swings, ventilator exhaust pipes, moveable planters and security cameras in the public right-of-way for the premises at 2153 North Dr. Martin Luther King Dr. and 2228 North 4th Street.

Gimbels Midwest, Inc. petitioned for a special privilege to keep and maintain building facades, ventilator exhaust ducts, excess door swings, bay windows, cornices, and an electrical wire. Permission for said items was granted in 1985 under Common Council File Number 83-1945-a. A site visit revealed the presence of five moveable planters, three security cameras, two additional exhaust pipes and two additional excess door swings in the public right-of-way.

We are not aware that the presence of said items has had an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will change the name of the grantee to C. H. Coakley & Company, Inc. and will grant permission for additional excess door swings, ventilator exhaust pipes, moveable planters and security cameras to encroach in the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
