To the Public Works Committee

Subject: Common Council Resolution File Number 080354

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 080354, which grants a special privilege to Historic Kilbourn Building Redevelopment LLC for a ramp, two door swings and two stationary planters in the public right-of-way for the premises at 2741 West Fond du Lac Avenue.

The applicant is in the process of renovating and restoring the subject building and is requesting permission to construct and maintain a barrier free access ramp flanked by two permanent, stationary planters. The ramp and planters will project up to 2 feet 4 inches into the 13-foot wide southerly sidewalk area of West Fond du Lac Avenue at the main entrance to the building. Two doors will swing open over the access ramp, also projecting 2 feet 4 inches into the public way.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
