

February 10, 2016

Honorable Tony Zielinski  
Alderman, 14th Aldermanic District  
Room 205, City Hall

SUBJECT: 14th ALD. DIST. - FILE #151489  
INSTALL NO TRUCKING 3 TONS OR OVER ON  
SOUTH HERMAN STREET AT SOUTH WHITNALL AVENUE  
NORTHBOUND

Dear Alderman Zielinski:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that since this street is strictly residential and trucks are using it as a short cut, we recommend that heavy trucks be prohibited.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.  
City Engineer

JCB/KA:clm

c: City Clerk, Public Safety

February 10, 2016

Honorable Michael J. Murphy  
Alderman, 10th Aldermanic District  
Room 205, City Hall

SUBJECT: 10<sup>th</sup> ALD. DIST. - FILE #151489  
INSTALL STOP SIGN ON NORTH 93<sup>RD</sup> STREET  
AT WEST MT. VERNON AVENUE

Dear Alderman Murphy:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the northwest corner of the intersection in the form of a hill that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.  
City Engineer

JCB/KA:clm

February 10, 2016

Honorable Robert Bauman  
Alderman, 4th Aldermanic District  
Room 205, City Hall

SUBJECT: 4th ALD. DIST. - FILE #151489  
INSTALL STOP SIGN ON NORTH 33RD STREET  
AT WEST PARK HILL AVENUE

Dear Alderman Bauman:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that West Park Hill Avenue acts as a neighborhood collector street, which in turn would then necessitate the need for a stop control on North 33rd Street at West Park Hill Avenue.

We will prepare the necessary legislation for the next Public Safety Committee meeting for the installation of the above-captioned stop control, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.  
City Engineer

JCB/KA:clm
