I, Vanessa R. Sanders, who resides at 3838 North 38th Street, Milwaukee, Wisconsin 53216, am filing a claim against the City of Milwaukee.

On July 18, 2022, around 8:00 am at 3838 North 38th Street, a large branch fell from a tree down on my 2016 Ford Fiesta. It caused visible damage and the car is now veering to the right when driving. It was not doing that before this incident happened with the branch.

The back end on the passenger's side has a huge dent. The front of the passenger's side towards

the front right tire is dented.
There are also scratches on
the hood and on the trunk of
the car.

I called the City of Milwaukee
right away. They came out and
removed the large branch and
also pruned the ones that were
breaking and overhanging
towards the house.

Thank you,

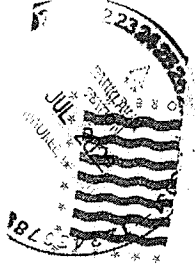

Vanessa R. Sanders
