

May 30, 2006

To the Honorable, the Common Council

Subject: Federal/State Paving Projects

Dear Council Members:

The following streets are included on the Department of Public Works Long-Range Major Street Program:

<u>Aldermanic District</u>	<u>Project Location</u>
11	West Oklahoma Avenue – South 72 nd Street to South 60 th Street
15	West North Avenue – West Lisbon Avenue to North 31 st Street

These streets are eligible for 80 percent Federal/State cost participation for improvements under the Surface Transportation Program. We have requested and received project agreements from the Wisconsin Department of Transportation (WISDOT) to be executed by the City for programming and construction.

We have, therefore, prepared the attached resolution, which authorizes and directs the Commissioner of Public Works to execute the project agreements with the WISDOT for the programming and construction of the improvements to the aforementioned streets with Federal/State Aid. This resolution also directs the City Comptroller to transfer funds and establish the necessary project/grant chartfield values for the preliminary engineering work for each of these projects.

Very truly yours,

Jeffrey S. Polenske, PE
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
