Dear Mr. Zielinski:

The Health Department is submitting the following grant resolutions for Common Council approval:

Lead Urban Initiatives Grant - Funded by the U.S. Department of Housing and Urban Development, this new funding will assist municipalities with the greatest lead abatement needs in providing lead-safe housing. Additional positions are added with this funding amending the Positions Ordinance.

Alcohol Related STD/HIV Risk Counseling Grant - The Medical College of Wisconsin funds this continuing grant. The project will compare routine sexually transmitted diseases and HIV prevention counseling with an enhanced form of counseling specially designed for people with alcohol-use disorders.

All appropriate paperwork is attached. Thank you for your consideration.
