Subject: NO Data Center
Date: Thursday, May 14, 2026 11:30:37 PM

Some people who received this message don't often get email from lainietuggle@gmail.com. [Learn why this is important](#)

It is ridiculous that a data center would even be considered in MKE. We do not want or need a data center anywhere. You KNOW why we don't want data centers and to entertain this is disgusting. I won't waste my time trying to convince you to be better human beings, we know you're bought and paid for if you're allowing this.

Have the day you deserve,
