Transcription of statement by neighbor Barb Hoernke, owner of 3720 South Alabama, Milwaukee

Hi, my name is Barb Hoernke and I live at 3720 South Alabama and I'm calling in regards to a tree located in front of my neighbor's home. I had noticed probably a year and a half ago or so that there was something wrong with the tree and it appeared to be deteriorating in limbs and looked like it was dying actually and so I recently called and notified the city that I was concerned myself about the tree falling on my home and probably damaging my porch. So I did call the city in regards to the tree.
