

10/29/07

On Monday, July 30th, I arrived at The City of Milwaukee' Central Repair Garage where I am employed as an Auto Body Painter. I was informed that the Body Shop was broken into over the weekend and that some of my personal tools were stolen.

On Monday, August 6th, I arrived at The City of Milwaukee' Central Repair Garage and I was informed that the Body Shop had been broken into again over the weekend and that some more of my personal tools were stolen.

Attached is a copy of both police reports and a list of my tools that were damaged or stolen.

I would like to be reimbursed in the amount of \$11,015.14 so I may purchase replacement tools.

### INVESTIGATION

On Sunday, 08/05/2007 at 12:58pm, while assigned to Squad#9722 I, Detective John Harrington, was dispatched to meet Squad#6121 at 2142 W. Canal Street regarding an entry to a City of Milwaukee Building. Squad#6121 Officer Steven Van Erden and Squad#6123 Officer Sean Burke had been dispatched to an entry at the Municipal Garage at 2142 W. Canal Street. The Officers secured the scene and completed a preliminary investigation. The officers advised me that a similar burglary had occurred on 07/29/2007 (#072100111).

### SCENE OF THE INCIDENT

The entry occurred to the City of Milwaukee Department of Public Works Municipal Garage at 2142 W. Canal Street. Suspects use a piece of steel plate to break a sheet of glass on an overhead garage door. The plate was obtained from a pallet standing near the overhead door containing several similar steel plates. The steel plate used by the suspects was found laying next to the door framing of the overhead door used to gain entry. Suspect crawled through the broken window and opened the overhead door.

## Supplement

Several tool carts and cabinets were ransacked and tools taken. The suspects focused on power tools. Hand tools and consumer electronic items were not taken. The suspects took power tools during the 07/29/2007 burglary. The point and manner of entry was the same as the #07-210-0111 burglary a window was broken on an overhead door.

Glass was broken but no blood evidence was found. Squad#1724 ID TECH Michelle Hoffman examined several tool carts and cabinets but did not recover any latent fingerprints. ID TECH Hoffman took (9) photos at the scene.

The building complex is being remodeled so the alarm and video systems were not operating at the time of the incident.

A complete and detailed inventory of the stolen items will be provided to the police in a few days. This detective will update the loss after the inventory is received from the Fleet Operations Manager for the Municipal Garage.

### INTERVIEWS

The entry was discovered by David C.Ortiz w/m 08/24/1959 an Operations Manager supervising the city cleanup of the Summerfest Grounds. Mr.Oriz had secured the building on Saturday,08/04/2007 at 11:40am after the cleanup of the Summerfest Grounds. He found the entry on Sunday,08/05/2007 at 12:00pm and called the police. David Ortiz did not provide any probable cause suspect information. Mr.Ortiz notified the Fleet manager James K.Strehlow w/m 05/23/1957 who responded to the scene. James Strehlow provide police a preliminary loss estimate. He will call when a detailed inventory of stolen items is ready. Mr.Strehlow's direct office number is 286-2741.Further investigation is pending.

## Supplement

This report is written by PO Devennette PRINCE assigned to District Six. On Sunday, July 31, 2007, Sq. 6131 (PRINCE) was dispatched to an entry complaint at the Municipal Garage 2142 W. Canal. Upon arrival I was met by employees KING Wayne L. and GUNTHER Fred. KING stated he was notified by ORTIZ David C. w/m 08/24/59, 3234 S. Delaware, 481-4901, that the rear garage door to the building was open.

I interviewed ORTIZ who stated he came to the garage to gas up his city vehicle when he noticed the garage door was open. States he then notified his supervisor who responded to the scene.

I interviewed GUNTHER who stated the building was over 40,000 square feet and it would take a while to determine if any property was taken. I re-interviewed GUNTHER the following day and he stated some tools were taken but it was a minimal amount with an estimated value of \$1200.00. He stated the auditors would provide a detailed list but was unsure when it would be completed. GUNTHER stated the doors are monitored with card readers however the reader was malfunctioning and could not determine the times the door was entered.

I notified District Six Acting Lieutenant/ Sergeant Timothy WILGER who authorized an identification technician to respond to the scene. Sq. 1723 ID Tech SANFORD responded and took 4 photographs but was unable to obtain any latent prints.

The case is pending.
