Re: ***Ezell, et al. v. Maio, et al.***
Case No. 11-C-160

Dear Council Members:

Enclosed is a proposed resolution and fiscal note authorizing payment of a settlement amount regarding the above-referenced matter. We request that the enclosed documents also be referred to the appropriate committee or committees for review.

Tervel Ezell and his mother, Serena Ezell, brought suit regarding events which stem from the arrest of Tervel Ezell, which occurred on or about March 12, 2004 at Burroughs Middle School. In short, Mr. Ezell had been running through the school and creating a disturbance with other students. A representative of the school called the Milwaukee Police Department for assistance. Officer Maio was one of the officers who responded. Mr. Ezell was taken into custody and handcuffed. Mr. Ezell maintains that the officer used excessive force while handcuffing Mr. Ezell. The officer maintains that Mr. Ezell was struggling with him, and that he only used that force necessary to get Mr. Ezell handcuffed. In any event, the varying statements of the witnesses created a significant question of fact regarding the use of force issue, and the issue would therefore likely have to proceed to jury trial.

However, the court ordered that we mediate the case. Mr. Ezell suffered some scrapes and bruises, but his primary complaint was that during the handcuffing process, his head was slammed into a wall, and that as a result, he received a concussion and experienced headaches for a long period of time. Mr. Ezell was treated by his family physician, along with a neurologist, regarding this condition. His medical bills totaled approximately $3,000.00.

Because of the unpredictability of trial, and the City's risk for exposure to not only compensatory damages, but also to punitive damages and attorney's fees, a modest settlement amount was negotiated during mediation. That amount was $10,000.00. We recommend that this matter be settled for that amount. Consistent with our recommendation, we have enclosed an appropriate resolution for your consideration.

Very truly yours,

Case No. 10-C-601

Dear Council Members:

Enclosed is a proposed resolution and fiscal note authorizing payment of a settlement amount regarding the above-referenced matter. We request that the enclosed documents also be referred to the appropriate committee or committees for review.

Whon Phrakousonh and his mother, Delores Estrada, brought suit regarding events which stemmed from a traffic stop, which occurred on or about July 17, 2009. In short, Whon was a passenger in a car that was stopped by MPD officers. Plaintiffs both maintain that officers unlawfully stopped Whon, and used excessive force while handcuffing Whon. The officers maintain that the traffic stop was lawful, and that they only used that force which was necessary to get Whon handcuffed. In any event, the varying statements of the witnesses created a significant question of fact regarding the use of force issue, and that issue would therefore likely have to proceed to jury trial.

However, the court ordered that we mediate the case. Whon suffered some scrapes and bruises, but his primary complaint was that during the handcuffing process, his back was "stomped on," and that as a result, he experienced back pain and headaches for a long period of time. Whon was treated by his family physician, along with a neurologist, regarding this condition. His medical bills totaled approximately $20,000.00.

Because of the unpredictability of trial, and the City's risk for exposure to not only compensatory damages, but also to punitive damages and attorney's fees, a modest settlement amount was negotiated during mediation. That amount was $25,000.00. We recommend that this matter be settled for that amount. Consistent with our recommendation, we have enclosed an appropriate resolution for your consideration.

Re: Resolution to approve settlement agreement in the matter of *Bernson v. City of Milwaukee and Kurt Kezeske,* U.S.D.C. Case No. 10C00009 (a/k/a *Wisconsin Carry, Inc., et al v. City of Milwaukee, et al*)

Dear Council Members:

Enclosed please find a resolution to approve a proposed settlement agreement in the matter of *Bernson v. City of Milwaukee and Kurt Kezeske*, which is pending in the United States District Court for the Eastern District of Wisconsin under the above referenced case number.

The litigation concerns a claim advanced by David Bernson and an organization called Wisconsin Carry, Inc., that Mr. David Bernson's arrest and the seizure of his gun on June 6. 2009 violated Mr. Bernson's constitutional rights. The complaint was originally filed on January 8, 2010 and included other municipalities and other defendant officers. The allegations in the original complaint included challenges based upon unreasonable search and seizure and also alleged that the Wisconsin Gun Free School Zone Act was unconstitutional. On May 31, 2011, the Court granted a motion to sever claims, and plaintiff Bernson amended the complaint as a sole plaintiff alleging claims against the City of Milwaukee and Officer Kezeske.

The settlement calls for payment of $6,500 full payment of all damages including attorney fees and costs in exchange for a complete release of all claims that could have been brought by against the City, the Officer Kezeske or any other Milwaukee police officer concerning the June arrest and gun seizure. There is no admission of liability.

The City Attorney requests referral to the Judiciary and Legislation Committee for a meeting in closed session for purposes of conferring with the City Attorney pursuant to §19.85(1)(g), followed by open session for action as part of the regular agenda.

Very truly yours,

GRANT F. LANGLEY

Title
Resolution relating to assessment by the U.S. Postal Service of continued postal services in the Milwaukee central city, and urging the Postmaster General and the U.S. Postal Regulatory Commission to maintain affordable, secure and dependable postal services in the City.
Analysis
The U. S. Postal Service (USPS) has announced its intention to assess whether discontinuance or conversion of 5 post offices in the City of Milwaukee is appropriate given factors that include workloads, customer demand and availability of alternative services. These 5 post offices are identified as the Mid City, Parklawn, Teutonia, Hampton and Dr. Martin Luther King facilities, all located in primarily African-American neighborhoods serving approximately 160,000 City residents.

This resolution urges the Postmaster General and the U.S. Postal Regulatory Commission to maintain the full spectrum of affordable, dependable and secure USPS services now available to residents of the City, and particularly those residents of the inner-city who rely upon physically

accessible services, timely mail delivery, and post office box services.
Body
Whereas, The U. S. Postal Service (USPS) has announced plans to study the potential closure or conversion of 41 post offices in the State of Wisconsin including 5 in the inner-city of Milwaukee known as the Mid City, Parklawn, Teutonia, Hampton and Dr. Martin Luther King Post Offices; and

Whereas, The 5 City post offices under consideration for closure serve neighborhoods with a population of approximately 160,000 residents, more than 80% of whom are African-American and where the median annual household income is less than $30,000; and

Whereas, The USPS was established under provisions of the U.S. Constitution, and is charged under the principles of universal service obligation (USO) to provide a range of products, access to services and facilities, delivery frequency, affordable and uniform pricing, service quality, and security of the mail; and

Whereas, Many residents of the affected neighborhoods do not have easy access to transportation and must rely upon postal service centers within walking distance or within close proximity to homes and businesses; and

Whereas, The 5 City post offices under consideration for closure provide approximately 3,400 postal boxes to area residents and businesses, and many of these residents and businesses rely on postal boxes for permanent mailing addresses due to frequent changes in housing and business location; and

Whereas, Closure of City post offices will likely result in a loss of jobs in the inner-city at a time of economic recession that disproportionately affects the lives and livelihoods of inner-city residents; and

Whereas, The USPS has announced that the process for studying potential closure or conversion of post offices will be conducted over a period of 120 to 160 days and decisions may be made as early as the end of November, 2011; and

Whereas, The USPS has also announced that public meetings will be held in the City to provide for community input in the decision-making process; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Postmaster General and the U.S. Postal Regulatory Commission are urged to maintain full postal services in the City that provide all residents with uniform access to affordable, secure and dependable mail delivery, postal boxes, and related services; and, be it

Further Resolved, That the USPS is urged to provide meaningful opportunities for public input in the process of studying potential closure or conversion of post offices in the City, including the timely scheduling of public meetings accessible to all residents; and, be it

Further Resolved, That residents, business owners and all others interested in maintaining and promoting access to affordable, dependable and secure postal services in the City are urged to express their concerns to the USPS by contacting the Postmaster General, the U.S. Postal Regulatory Commission and the Milwaukee Postmaster and to attend and participate in public meetings on these matters; and, be it

Further Resolved, That the City Clerk shall provide copies of this resolution to members of the Wisconsin Congressional delegation representing the residents and interests of the City, the U.S. Postmaster General, the U.S. Postal Regulatory Commission, and the Milwaukee Postmaster.

RE: Steven Buccellato
C.I. File No.: 11-S-64

Dear Mr. Buccellato:

We have received your claim in the amount of $194.44, relating to damage allegedly sustained to your vehicle on March 6, 2011 when it collided with a hole in the road while you were traveling southbound on North Franklin Place between Ogden and Knapp.

Our investigation reveals that the Milwaukee Water Works (MWW) records indicate that on February 19, 2011 they repaired a water main break at 1313 North Franklin Place. Their crew followed standard procedures in the repair and placement of a temporary asphalt patch. The subsequent wet weather and traffic may have caused the repair to settle. The permanent patch is typically placed at a later date. The MWW received no complaints about the site until receipt of this claim.

In addition, the Infrastructure Services Division records indicate that prior to March 6, 2011 they had no notice of this hazard or of any on the roadway in the area.

The City was not negligent in this matter. As such, the City would not be liable. Therefore, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of the receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

Very truly yours,

To Whom It May Concern:

On the evening of March 6, 2011, at approximately 6:00 pm, while traveling south on North Franklin Place, between Ogden and Knapp, I drove over an unavoidable pot hole that measured three feet in length, with a depth of 2.5 inches. This pot hole cause catastrophic damage to my right front tire, making it necessary to purchase a new tire. I will forgo the cost of towing the car to the service station, but I am looking to recoup the cost of the tire. I called three different places to find the cheapest replacement, which was installed at no charge. That being said, I am looking to have the cost of $194.44 reimbursed by the city.

I have enclosed a copy of the receipt from Firestone Auto, which clearly states the date of service as March 8, 2011. I also have photo evidence of the pot hole on my mobile phone. I can make these photos available to you upon request.

Thank you for your urgency in this matter, as I am not in a liquid financial position to afford constant repairs to my car when they are due to the negligence of those we trust to govern.

To whom it may concern:

On May 12th, 2011 my car was towed due to unpaid parking citations by the City of Milwaukee. Inside the car were two 8GB Ipod Touches, one belonging to myself, and one to my girlfriend, Stephanie La Haye. Both items were stowed in an interior compartment just under the CD deck. When we retrieved the car, both items were missing.

After receiving the letter from the City of Milwaukee informing us that our claim was denied, I immediately decided appeal the decision. Much of the City's reasoning is based upon totally, undoubted trust of City Employees. This is not to say that have doubt in the City of Milwaukee's Civil Servants, but one solid fact that this case is built upon, and the entire reason for denying our claim, was left out.

The letter I received states, "The vehicle was locked at the time of the tow. The forms completed at the time of the tow, arrival, and release at the tow lot, do not indicate that these items were visible. The items inside a vehicle towed to the lot are not inventoried. Since there is no evidence to supports your belief that the items were taken from the vehicle during the tow and storage process, the City cannot accept liability." While many of these points are valid, one major problem stands; the car was unlocked when returned back to me. If the doors were locked when my car was, and unlocked when it was returned, that they must have been opened by someone other than myself.

I have great respect for the City of Milwaukee employees, but was truly disappointed in this verdict. I feel that the investigation lacked enthusiasm and the City's decision to deny my claim was hasty and rash. Both Stephanie and I are college seniors, working full time to pay for our education. While these items may seem simple and easily replaced, it's the principle of the matter: someone who is employed by the city, in which we work, live, and pay taxes, stole our belongings. Please reconsider your decision to deny our claim and reopen this case for further investigation. Thank you for your time.

Sincerely,

Nathan T. Tusler

Hi,

I had my 1999 silver Mitubushi Galant towed May 10th 2011. I retrieved my car from the lot to find two of my ipods, which never leave my car, missing. There was no damage on the outside of the car, which leads me to believe that a lock was popped on one of my doors at some point by someone who was handling it. They were both Ipod 8GB Touches. I can not seem to find the serial number for either, but i am in the process of trying to recover them. I am not upset that my car was towed because that is my own fault and i understand that. The fact that the ipods are missing leaves me disappointed and angry with the city of Milwaukee. I understand that the odds of me getting my ipods back are slim to none but hopefully we can come to an agreement upon compensation. I am also enclosing a copy of the complaint and investigation form.

Thanks,
Nathan Tusler

C.I. File No.: 11-S-146

Dear Mr. Tusler:

We have received your claim in the amount of $458.00, relating to the alleged theft of two IPOD 8GB Touches from the 1999 Mitsubishi when it was towed to the City of Milwaukee Tow Lot.

Our investigation reveals that the vehicle was towed on May 11, 2011 for being Illegally Parked/Unpaid Citations. The vehicle was locked at the time of the tow. The forms completed at the time of the tow, arrival and release at the tow lot, do not indicate that these items were visible. The items inside a vehicle towed to the tow lot are not inventoried. Since there is no evidence to support your belief that the items were taken from the vehicle during the tow and storage process, the City cannot accept liability. Therefore, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

To Whom It May Concern:

My name is Marlon L Townsend I am writing this letter as an appeal to the City's decision to deny my claim of the damage done to my 2011 Dodge Nitro when it was towed by the City of Milwaukee. The City's decision states that there were already scratches and dents all over my vehicle, which is completely false. I purchased my vehicle in November of 2010, brand new; it was towed in February of 2011 and there was no scratches or dents and still is none to this day. I have attached pictures of my vehicle today as proof that the only damage to my vehicle is the front end damage in which my claim is for. In addition I have attached a copy of the letter of denial for my claim highlighting the false statements. Finally I have attached proof of when I purchased my vehicle. As a result of this appeal I am still seeking to the amount in which previously stated of $899.87. A prompt response is greatly appreciated.

To Whom It May Concern:

On February 16, 2011 my vehicle a 2011 Dodge Nitro, license plate 187SKK, was towed to the Milwaukee Tow Lot, 3811 West Lincoln Ave., because of unpaid parking tickets. On February 16, 2011 I paid my unpaid parking tickets and towing fee in order to have my vehicle released to me and I drove it off the tow lot that day. On February 18, 2011 I noticed some damage to the front end of my vehicle that was not there before it was towed, as the vehicle is only three months old. I have attached a picture of this damage that I probably did not notice right away because of the salt and dirt that was on my vehicle. I would like to know in a timely fashion what steps I have to take in order to have these damages repaired at the tow lot's or towing company's expense.

Thank you,
Marlon Townsend

RE: Marlon Townsend
C.I. File No.: 11-S-76

Dear Mr. Townsend:

We have received your claim in the amount of $899.87, relating to damage to your vehicle's front end that allegedly occurred during the towing of the vehicle to the City of Milwaukee Tow Lot.

Our investigation reveals that your 2011 Dodge was towed to the tow lot for Prohibited Night Parking. The PI-27 form that was completed prior to the vehicle being towed, noted scratches and dents all over. Since it appears that this damage did not occur during the towing of your vehicle, the City cannot accept liability and we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of the receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

Very truly yours,

RE: Peggy Horn
C.I. File No.: 11-V-79

Dear Ms. Horn:

We have received your claim in the amount of $2,001.44, relating to damage caused to your vehicle on February 4, 2011 when a City vehicle allegedly struck it at 1647 West Leroy Avenue.

Our investigation reveals that the Fleet Accident Report completed as a result of this alleged incident noted the damage is not consistent with damage caused by a garbage truck. Our office spoke with the Support Services investigator assigned to this incident. He noted, your vehicle also had red paint on it in addition to the noted yellow paint. He said the City vehicles do not have any red on them and other large trucks use this alley. Since there is no evidence to support your belief a City truck caused your loss, the City cannot accept liability and we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of the receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

Very truly yours,

RE: Peggy Horn
C.I. File No.: 11-V-79

Dear City Attorney:

When the Support Services investigator came out to look at my vehicle he did see red paint in addition to the yellow paint. However, the red paint was from a separate incident in early June where my daughter scraped her red car against my car along with our next door neighbor's van bumper.

Therefore, I am appealing this decision and requesting a hearing. My previous claim is true.

Sincerely,

Peggy Horn

Attn City Clerk:

I am filing a claim against the City of Milwaukee for the amount of $2,001.44 for damages sustained to my vehicle when it was hit by a City of Milwaukee garbage truck. My white 2001 Toyota Corolla was parked in front of my garage in the alley behind my residence at 1647 West Leroy Avenue, Milwaukee, 53221. On the morning of Friday, February 4, 2011, at 7:30am, I drove my children to school with my other vehicle which was also parked in front of my garage. There was NO damage to my 2001 Toyota at that time. My white 2001 Toyota Corolla was pretty much covered in snow from the recent blizzard. When i returned from driving my children to school I parked my other vehicle in the front of my residence. I did not go out my back door to my garage until the following morning, Saturday, February 5, 2011 around 10:00am. At that time I did some more shoveling and moved my garbage cans back to where they usually sit, right next to my garage. At that time I noticed that my 2001 Toyota had been hit and saw the damage, along with yellow paint from a garbage truck. As you can see from the enclosed pictures, the height of the damage on my vehicle is consistent with that of a much larger vehicle, in this case, a garbage truck. The incident obviously took place during the day on Friday, February 4, 2011, when our garbage was picked up.

Enclosed are two estimates, along with several pictures of the damage. My phone number is 414-708-4261. If you have any questions, please call. I look forward to having this problem resolved quickly.

Sincerely,
Peggy Horn

RE: Daniel R. Strom
C.I. File No.: 11-S-48 Appeal

Dear Mr. Langley:

Thank you for the response to my claim from February 1, 2011. I would like to request a hearing in the matter.

I would like to clarify my claim as discussed with Mr. Carini. The claim is not on how the MWW responded or how quickly it responded. My claim is about the way the street was marked with the barricades.

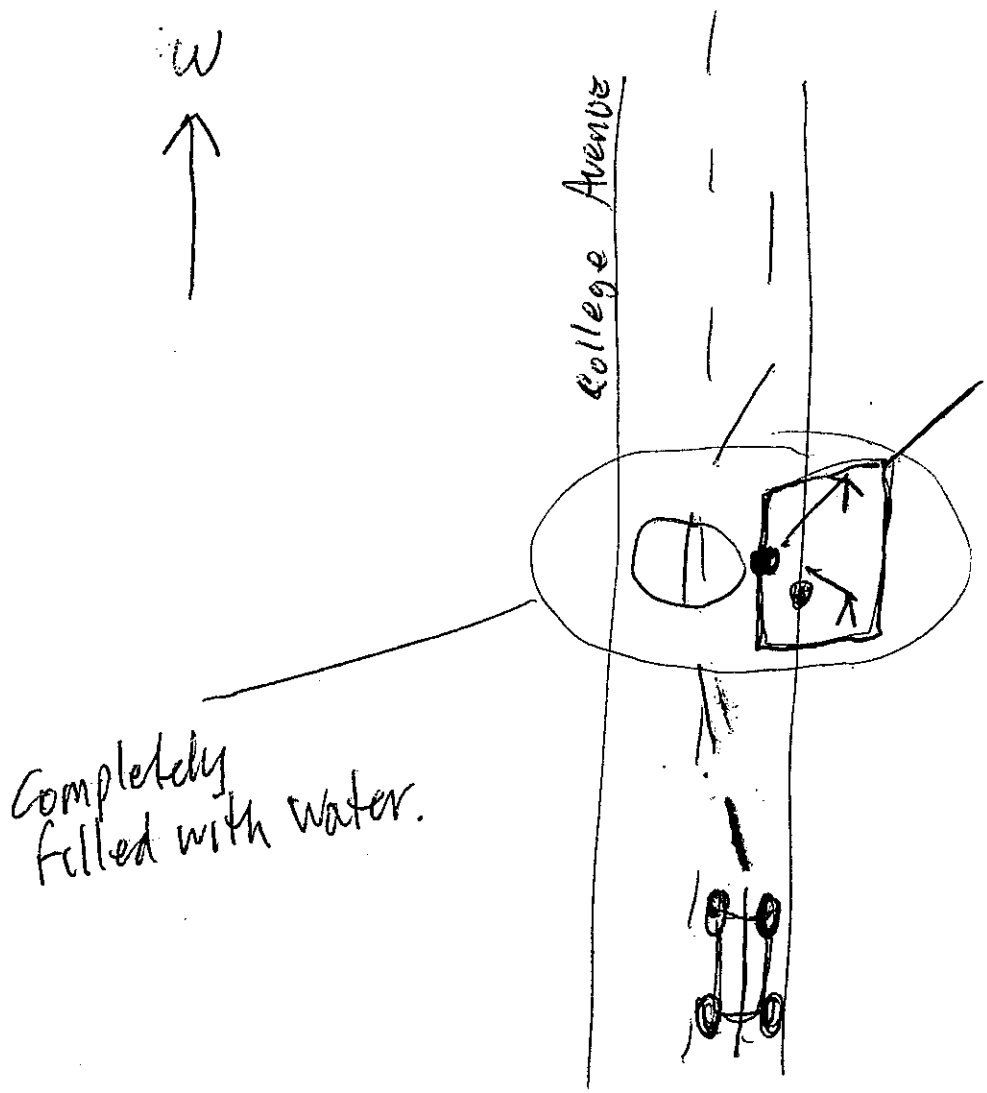

The barricades were on the north side of the street. This was so clearly marked you had to move around the barricades into on-coming traffic. The hole was actually in the center of the road, not where the area was marked by barricades. The water was high enough across the road that you could not see the hole. Please see attached drawing.

I assumed the problem persisted within the marked area (barricades) not 5-10 feet away in the middle of a major street. Please reconsider your decision in this matter.

I look forward to your response.

Best regards,

Daniel Strom

Description of the accident:

Traveling north on S. 27TH turning west on to College Avenue. Kept traveling west and noticed water standing on north side of the street. Moved towards the center line slowly and felt the car fall and bounce with the tire flattening. This happened on 30TH and College Avenue. Drove a block and turned into the apartment complex to change the tire. This happened at 7:10 am on Tuesday February 1st, 2011. While I was changing my tire I seen/ heard 10 different cars falling into the same hole. After changing the tire, another person and I went by the hole and put our hands in it and it measure passed the elbow. While we were doing that someone with a Milwaukee yellow workers truck came and put some barricades out. I Called Greendale, Greenfield, Milwaukee County Sherriff's department and they all mentioned I should contact Milwaukee's City Clerk and that is when I was directed to the internet site to begin the process.

The claimant said that there was a water main break in this area

RE: Daniel R. Strom
C.I. File No.: 11-S-48

Dear Mr. Strom:

We have received your claim in the amount of $381.22, relating to damage allegedly sustained to your vehicle on February 1, 2011 when it drove over a sinkhole from a water main break at 30th and College Avenue.

Our investigation reveals the Milwaukee Water Works (MWW) responded on February 1, 2011 to a report of a leak in the roadway. The MWW investigator shut the main off. A MWW distribution crew then responded to the site, notices were served to the property owners and repair work was commenced and completed. The crew also completed the temporary pavement repair related to this incident in preparation of permanent surface repairs at a later date by the City of Milwaukee, Department of Public Works. The MWW responded to the water main break in a timely manner, and all City departments followed their standard procedures regarding the repair activities, as such, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of the receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

Very truly yours,

RE: Danielle Goodwin
C.I. File No.: 11-S-199

Dear Ms. Goodwin:

We have received your claim in the amount of $114.05, relating to damage allegedly sustained to your vehicle on April 27, 2011 while it was parked in the garage at 2333 North 49th Street.

Our investigation reveals that the Police Facilities records indicate that they had a number of parking spaces barricaded to protect vehicles from falling concrete and material leaking through several joints. As soon as they knew that barricades had been improperly moved by someone to park in these spaces, they moved the barricades back. There is no evidence that the City was negligent in this matter. As such, the City would not be liable. Therefore, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of the receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

City Clerk,

I am filing a claim to seek reimbursement of $114.05 for damage to my vehicle while on city property. On April 27, 2011, I arrived at work at 7:30am and parked in the employee parking garage located at District 3 police station at 2333 N. 49th St. I parked my vehicle in parking space number 260. When I returned to my vehicle at the end of my shift at 3:30pm the back windshield was completed covered with a gray residue. This gray residue was liquid cement and lime that was dripping from the parking garage. The parking garage has several holes and cracks and when it rains this residue drips. This residue splattered onto my trunk and roof as well. I took the car to the car wash immediately and some residue was removed but a great portion remained. The parking space number 260 that I parked in was not blocked off with a no parking sign. I also filed a Memorandum with my supervisor the next day on April 28,2011 regarding this incident.

I took my vehicle to three auto body repair shops to get an estimate on repair. 1st shop was Meticulous with an estimate of $114.05. 2nd Toyota with an estimate of 114.05. 3rd shop Pinkey's Capital Auto Body with an estimate of $1883.65.

Sincerely,

Danielle Goodwin

RE: Vehicle damage

Dear Mr. Langley:

I wish to appeal your decision of file # 11-S-113.

I ask that you re-review the photos that were taken at the time the incident occurred. I feel your decision is unjustified and incorrect for the following three reasons.

1. Evidence (photos) of location not repaired at time stated, and vehicle damage as a result of.
2. If the (ISD) actually repaired the location, weather conditions or not. There wouldn't have been an incident, and no need to submit a claim. (it's still a Milwaukee county street with issues)
3. News clip stating how many claims Milwaukee was receiving for pothole issues shortly after the time my claim was submitted. (coincidence)

If you sill feel my claim is invalid, I wish to meet with you at the location in question, to resolve any questions you may have regarding this matter.

Regards,

Steve Isley

To whom it may concern,

This letter is to file a claim for damage to my vehicle VIN# 19UUA765X8A025070, caused by poor road conditions on 3/24/11 at approximately 7:30 am

I was driving westbound on Good hope Rd. and hit a large pot hole on I-45 freeway overpass.

The damage was to passenger side front wheel and tire. The tire immediately went flat after striking the pothole. I pulled over and changed the tire, placing the spare on in order to get to work.

When changing the tire I noticed the wheel had a significant bend and needed replacement also. Enclosed is a copy of the estimate and repair order.

Any questions please feel free to contact me at 219-508-4183

Regards,

Steve Isley

The claimant said that the loss happened W/B on Good Hope Rd. - Just East / Before 110th St. (NOT on the I-45 Overpass)

RE: Steve Isley
C.I. File No.: 11-S-113

Dear Mr. Isley:

We have received your claim in the amount of $716.25, relating to damage allegedly sustained to your vehicle on March 24, 2011 when it collided with a pothole while you were traveling westbound on Good Hope Road just east/before 110th Street.

Our investigation reveals the Infrastructure Services Division (ISD) reviewed their records and those of the DPW Call Center relative to this incident. They found that on March 12 and March 15, 2011 the ISD received a report about potholes in this general area. They patched them, using standard procedures, on March 17, 2011. The subsequent winter weather conditions hampered the repair work and the ability of the patch material to remain in the repairs. On March 25, 2011, after this alleged incident, they received another report about a pothole in this general area. They patched it on March 28, 2011. Prior to this, the City had no notice of this hazard and because of this lack of notice the City would not be liable. Therefore, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of the receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

Very truly yours,

GRANT F. LANGLEY
City Attorney

RE: Robert E. Jesko
C.I. File No.: 11-V-38

Dear Mr. Jesko:

We have received your claim in the amount of $878.22, relating to damage to your parked vehicle on February 11, 2011 at 12:30 p.m. when you allege that it was struck by a passing City van at Fond du Lac and Tamarack.

Our investigation reveals that the Fleet Accident Report completed as a result of this alleged incident notes that the van was parked at the City job site at that time. There were no fresh damage marks on the van. In addition, our drivers deny causing the damage. Finally, your witness is not neutral. There is no evidence to support your belief that a City van caused the damage. As such, the City cannot accept liability. Therefore, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

Very truly yours,

Re: Resolution Relating to the Claim of CARLATA WESLEY
C.I. File No. 11-L-29

Dear Council Members:

We return the enclosed document which has been filed with the City Clerk, and ask that it be introduced and referred to the Committee on Judiciary & Legislation with the following recommendation.

Claimant, Carlata Wesley, 7865 Appleton Avenue, #1B, Milwaukee, WI 53218, alleges that on or about February 23, 2011 her 2006 Chevrolet Cobalt was towed to the City of Milwaukee Tow Lot and was damaged during the towing process. She also alleges that the tow lot personnel failed to advise her of the oil pan damage prior to her driving the vehicle away. She seeks damages in the amount of $20,000.00.

Our investigation reveals that C.H.I. Towing, Inc., the City's towing contractor, acknowledged the oil pan damage. This portion of the claim has been tendered to them under separate cover. We have provided a copy of said letter for your reference.

The investigation further reflected that the oil pan issue was addressed by a notation on the vehicle's windows that stated "do not start." The claimant was also advised by the tow lot staff that this vehicle should be picked up by C.H.I. once her private tow contractor removed the vehicle from the tow lot. Since the tow lot was not negligent in this matter, we recommend denial of this claim.

Very truly yours,

Re: Resolution Relating to the Claim of JAMES WILCOX
C.I. File No. 11-L-63

Dear Council Members:

We return the enclosed document which has been filed with the City Clerk, and ask that it be introduced and referred to the Committee on Judiciary & Legislation with the following recommendation.

Claimant, James Wilcox, 4360 North 14th Street, Milwaukee, WI 53209, alleges through his attorney, Wagner, Falconer & Judd, Ltd., 325 North Corporate Drive, Suite 100, Brookfield, WI 53045, that on April 4, 2011 he sustained injuries when he fell into an open and unbarricaded manhole near North 14th Street and Congress. They further claim that a construction crew for K.S. Energy Services, Inc. had been working at the location on behalf of the City. They claim damages in the amount of $50,000.00.

Our investigation reveals that the Infrastructure Services Division (ISD) reviewed their records relative to this incident. They found that the ISD had no work in the intersection of North 14th Street and West Congress Street on or around April 4, 2011. The review also found that Wisconsin Gas Company, 5400 North Green Bay Avenue, Milwaukee, WI 53209-9933 was issued Public Way Excavation Permit No. 201106-0066 for work in this area. It is possible that K.S. Energy Services, Inc. was working for them. Since the City was not engaged in this work, it cannot be held liable. Therefore, we recommend that this claim be denied.

NOTICE OF CLAIM

Mr. Ronald D. Leonhart

City Hall Room 205

Re: Notice of Claim
Our Client/Claimant: James Wilcox
4360 N. 14th Street
Milwaukee, WI 53209
Date of Accident: April 4, 2011
Defendants: City of Milwaukee; K.S. Energy Services, Inc.

Dear Mr. Leonhart:

PLEASE TAKE NOTICE, Our office has been retained by James Wilcox for purposes of pursuing a claim against the City of Milwaukee and K.S. Energy Services, Inc. for personal injuries sustained by Mr. Wilcox arising out of an accident that occurred on or about April 4, 2011, in Milwaukee, Wisconsin. Pursuant to Wisconsin Statutes Section 893.80 we are hereby providing notice of Mr. Wilcox's claim.

On or about April 4, 2011, James Wilcox, legally blind, was walking to a bus stop near the corner of Congress and 14th Street. As he approached the corner of Congress and 14th Street, he fell into an open manhole where a construction crew for K.S. Energy Services, Inc. had been working on behalf of the city. The crew failed to place any warnings or obstructions to direct patrons around the open hole which led to Mr. Wilcox falling approximately six feet down into the hole.

Mr. Wilcox sustained serious injuries including injuries to his left knee, back and his left hip all of which are still being treated to control swelling and pain. It is too early in his treatment to know the extent of his injuries and/or whether they are permanent in nature.

WHEREFORE, the claimant, James Wilcox, hereby provides notice of his claim and claims relief against the City of Milwaukee in an amount of $50,000.00 to compensate him for his personal injuries, costs and pain and suffering resulting from the above-referenced accident.

Sincerely,

WAGNER, FALCONER & JUDD, LTD.

Re: Resolution Relating to the Claim of JAMES L ROBERTSON and TERRY L. ROBERTSON
C.I. File Nos. 11-S-127 and 11-S-127-1

Dear Council Members:

We return the enclosed document which has been filed with the City Clerk, and ask that it be introduced and referred to the Committee on Judiciary & Legislation with the following recommendation.

Claimants, James Robertson, 3104 West Wells Street, Apt. 107, Milwaukee, WI 53208, and Terry L. Robertson, 3241 North 50th Street, Milwaukee, WI 53216, allege that during 2007-2008 the City illegally evicted them from their family's property located at 2933 West Burleigh Street and improperly acquired ownership of it. The City later had the property demolished. They allege that the City violated various rights belonging to them and each claim damages in the amount of $90,000.00.

Our investigation reveals that this notice of claim was filed on May 5, 2011. Wisconsin Statute § 893.80 (1)(a) requires that a notice of the circumstances of the claim must be filed within 120 days after the happening of the event giving rise to the claim. This notice was not filed timely as regards any alleged wrongdoing before 2010.

Regarding the claim, the Department of City Development (DCD) records indicate that, due to delinquent property taxes from 2004 and 2005, the City acquired the property in a tax foreclosure on August 13, 2007. At that time the property was owned by Euphrazine Robertson and James H. Robertson. An interior inspection was scheduled on September 9, 2007. On that date, the DCD staff was able to obtain the names of the occupants but was denied entry to complete a building condition report. The occupants, James Robertson and Terry Robertson, were sent notices dated September 17, 2007 to vacate for non-cooperation. The building was successfully vacated with the assistance of the Milwaukee County Sheriff eviction squad on December 17, 2007. In the spring of 2008, the property was publicly marketed for sale. There was no success. Due to vandalism, the

property's marketability diminished and a recommendation was issued to have the property razed and removed. The property was razed on November 19, 2010.

The Department of Neighborhood Services (DNS) records indicate that they were involved with the property on two separate occasions. They issued Order No. 5748311 on July 27, 2006 requiring the garage to be razed due to various defects. The property owner, James H. Robertson, failed to comply with the order. Subsequently, the DNS had the garage razed pursuant to Wisconsin Statute § 66.0413. As a result of the interference from the owner, the police were present. At the request of the DCD, the DNS was also later involved in the demolition of the house which was, at that time, vacant and secured. They also note that the claimants' allegations regarding the DNS employees are inaccurate.

The City followed proper procedures in these matters and did not violate various rights belonging to the claimants. The claim is untimely as to a number of the alleged harms. As such, the City would not be liable. Therefore, we recommend that this claim be denied.

Very truly yours,

But the court date was at court house. When I got there the Clerk of court told me that they had already made there decision. Ask her wasn't anybody that I could talk to or make another court date. She told me no. I never forget that day because first day it snow in Milwaukee in 08.

I never was given a chance to talk to anybody. Because all these matters happened why I was in prison. So we not knowing anything about how to go by getting some help. Only thing that lawyer and Paul Schultz told me that I needed some money. Never understood why they put us out in December and wanted us to come down to the court house in January.

I would to finish this by saying father James Robertson who worked for the city of Milwaukee, and my Mother Euphonize Robertson that work all her life. Our property was pay off in 1985. We lived there forty years. Wasn't given a chance to keep something that was suppose to be in our family for the rest of lives. We lost lots of good memebers and values that wasn't able to get out of the property. My oldest daughter still and has not accept that their grandparents house is just a pile of dirt. Re: Resolution Relating to the Claim of WE ENERGIES (2010226178)
C.I. File No. 11-S-9

Dear Council Members:

Enclosed please find a proposed resolution. We ask that it be introduced and referred to the Committee on Judiciary & Legislation, with the following recommendation.

Claimant, WE Energies, by Mary Ritenour, Claims Analyst, Claims Room P418, P.O. Box 1132, Milwaukee, WI 53201-1132, allege that on December 13, 2010 their electrical equipment was damaged by the Infrastructure Services Division (ISD) during excavation activity at 812 East State Street. They claim damages in the amount of $9,748.63.

Our investigation reveals that the ISD reviewed their records relative to this incident. They found that they observed all of the hotline markings at this location, as they were presented by WE Energies' locating contractor.

The locating contractor incorrectly hotlined WE Energies facilities. The contractor was unable to determine if the facilities were live or abandoned. Since the ISD was acting with the information provided by the locating contractor employed by WE Energies, the City cannot accept liability and we recommend denial of this claim.

Re: Resolution Relating to the Claim of JAKE LEWIS, JR.
C.I. File No. 11-L-38

Dear Council Members:

We return the enclosed document which has been filed with the City Clerk, and ask that it be introduced and referred to the Committee on Judiciary & Legislation with the following recommendation.

Claimant, Jake Lewis, Jr., 524 West Burleigh Street, Milwaukee, WI 53212, alleges that on January 13, 2011, a Milwaukee Water Works (MWW) employee stole $45,000 from a glass jar that was used to store the money in the basement of his home.

Our investigation reveals that the MWW came to the home on the date in question and conducted a meter exchange. The MWW records reflected that they had no contact with Mr. Lewis until he stopped into their offices regarding an adjustment to his municipal services bill. The MWW refused to make any adjustments and Mr. Lewis became angry at this denial.

The MWW also reviewed their records relative to the meter exchange. The only item removed from the home was the old water meter and the involved technician did not see the alleged jar containing the money. Since claimant did not present any evidence to support his belief and the MWW followed standard procedures in this matter, we recommend that this claim be denied.

Dear Sir or Madam:

On January 13, 2011, two city workers entered into my home and I was not notifying of this until two weeks later. They went into my basement to do something to the meter. Next to the meter on the top of my wall I had $45,000 stored in a glass jar hidden under some dirt.

I went into my basement two weeks later and noticed my belongings were moved. So I looked for my money and it was not there. I asked my Daughter if she was in the basement, at that time she mentioned two men came to check the meter. Immediately I had my son drive me to the Milwaukee Water Works and talked to a female supervisor about my money missing. She recommended I file this complaint.

I have made several calls to different managers / supervisors regarding this matter. I did call manager Tim Garczinski on several occasions and left my name and number and he never returned any of my calls. I kept calling and I finally got to talk to Jeff Novak about the missing things from my basement. He said one of the men that entered into my basement was George. I requested Jeff to give George my phone number, so I could talk to him regarding my missing items. I never received any return calls from Jeff or George.

The two city workers that entered into my home on January 13, 2011 did not leave any receipt as to what they did to the meter. So therefore I can not supply you with a receipt. My phone number is (414) 264-2217.

Sincerely,

Jake Lewis Jr.

Re: Resolution Relating to the Claim of SCOTT and MARGO MEIER
C.I. File No. 11-L-45

Dear Council Members:

We return the enclosed document which has been filed with the City Clerk, and ask that it be introduced and referred to the Committee on Judiciary & Legislation with the following recommendation.

Claimants, Scott and Margo Meier, 5615 West Martin Drive, #306, Milwaukee, WI 53208, allege that on/about May 16, 2011 their vehicle was damaged by a City tree falling on it while parked at 5602 West Martin Drive. They claim damages in the amount of $6,563.93.

Our investigation reveals that the Forestry Section was notified of a tree down on a car on May 15, 2011 at the noted location. The responding crew found a City tree was uprooted and had fallen on the claimants' car. They removed the tree from the vehicle. The Forestry Section's records further noted they responded to numerous requests regarding broken branches due to the windy conditions that day.

The Forestry Section reviewed its records and found the trees in this area were last pruned in January, 2006 pursuant to the City's cyclical pruning program. On May 15, 2011, the tree was found to be alive, but showed signs of below ground decay. This below-ground decay, unfortunately, could not have been noted in Forestry Section's review of trees. In addition, the Forestry Section records showed they had not received any complaints, service requests regarding any potential hazards for the preceding five years.

The City had no notice of the root condition and this loss occurred during windy conditions, based on these facts, we recommend denial of this claim.

Very truly yours,

GRANT F. LANGLEY
City Attorney

Monday June 6, 2011

We went out to use our car on Monday May 16, 2011 and found our car had a broken rear window, a broken rear view mirror and back tail light broken along with other scratches and dings. In the back seat of our car we found a note from the Milwaukee City Forestry department on how to go about filing a claim for the above damages.

Our car has been deemed unfit to drive due to the blown out back window and broken rear tail light. We are in need of an immediate car rental/replacement. We are asking for a rush on the action of the claim and car rental/replacement as we have a long road trip planned for the 4th of July weekend and are in need of adequate safe transportation for our family.

Your immediate action to this matter is greatly appreciated.

Enclosed please find two repair estimates as required to file a claim and a copy of the original letter placed in the back seat of our car.

Sincerely Scott and Margo Meier Scott + Margo Meier

3. Only one estimate is required to determine the amount of loss for an insurance claim.

4. By law, you can have your car repaired at any facility you choose.

Re: Resolution Relating to the Claim of LAUREN JOYCE
C.I. File No. 11-L-35

Dear Council Members:

We return the enclosed document which has been filed with the City Clerk, and ask that it be introduced and referred to the Committee on Judiciary & Legislation with the following recommendation.

Claimant, Lauren Joyce, 4455 South Rachel Lane, New Berlin, WI 53151, alleges through American Family Insurance, by its representative Robert Harvey, 6000 American Parkway, Madison, WI 53783, as subrogee, and AFNI Insurance Services, by its representative Rick Herrera, P.O. Box 3068, Bloomington, IL 61702, as additional subrogee, that on March 12, 2011 a water main break near 2060 North Humboldt Avenue caused a sink hole. The hole filled with water and sucked their insured's vehicle into it. They claim damages in the amount of $6,033.95. We recognize that while the subrogee's claims are separate, they are from the same loss and have the same rights.

Our investigation reveals that the Milwaukee Water Works (MWW) records indicate that on March 12, 2011 at 8:25 p.m. their control center received a citizen report of a leak in the street at 2105 North Riverboat Road. The MWW dispatched a field investigator who responded and confirmed a break in a 42-inch water main at 2060 North Riverboat Road at North Humboldt Avenue. They immediately turned off the water and shut down the main. The MWW also dispatched additional supervisors and distribution crews to respond for clean up and site restoration. The crews secured the area with barricades until the necessary repairs could be made to the water main.

The water main which cracked and created a very large sinkhole at this location, is a cast iron pipe which, though installed in 1927, was within its expected service lifetime of 75 to 100 years. During the course of their lifetime, water mains will experience

unpredictable breaks. In this instance, there were no prior problems with the main. The MWW hired Rawson Contractors to conduct the extensive repairs to it.

The MWW had no prior notice of any defect, responded to the main break in a timely manner, followed standard procedures and took appropriate action. As such, the City would not be liable. Therefore, we recommend that this claim be denied.

Very truly yours,

GRANT F. LANGLEY
City Attorney

AN ACT ***to create*** 38.12 (12), 66.0138 and 120.12 (28) of the statutes; **relating to:** funding postretirement health care benefits of local government employees.

Analysis by the Legislative Reference Bureau

Currently, cities, villages, towns, counties, school districts, and technical college districts (local governments), provide health care benefits for their employees. Some also provide postretirement health care benefits for their employees.

This bill prohibits a local government from providing health care benefits to any employee hired on or after the bill's effective date for use upon the employee's retirement unless the cost of the benefit is fully funded on an actuarial basis.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 38.12 (12) of the statutes is created to read:

38.12 **(12)** HEALTH CARE BENEFITS FOR RETIREES. If the district board provides any health care benefits, for use upon retirement, to an employee hired on or after

the effective date of this subsection .... [LRB inserts date], the district board shall ensure that the cost of the benefits is fully funded on an actuarial basis.

SECTION 2. 66.0138 of the statutes is created to read:

66.0138 Health care benefits for retirees. (1) In this section, "political subdivision" means a city, village, town, or county.

(2) If a political subdivision provides health care benefits, for use upon retirement, to an employee hired on or after the effective date of this subsection .... [LRB inserts date], the political subdivision shall ensure that the cost of the benefits is fully funded on an actuarial basis.

SECTION 3. 120.12 (28) of the statutes is created to read:
