Notice of Online Quorum

Dropbox Link for the Jobs and Equity Work Group

**Starting Saturday, February 15, 2020 at noon, and Continuing Until midnight, March 31,
2020.**

A quorum of members of the City-County Task Force on Climate and Economic Equity: Jobs and Equity Work Group will be drafting a report using Dropbox, a web-based file hosting service, outside of the Work Group's regularly scheduled meetings. Below are links to Dropbox account which will allow members of the public to view, but not edit, the documents as they are being drafted.

Changes made to the documents will be tracked, such that members of the public will be able to see which members of the Work Group made which edits. Final edits and the final version of the documents will be discussed at future meetings of the Work Group, which the public will be noticed for. These links allow the public to see changes as they are being proposed, as well as access the draft document prior to its finalization at future meetings. These documents will be incorporated into the final document of the Task Force.

Members of the public who do not regular access to a computer may access the documents as they are being drafted by using the computers set aside for public use at the Milwaukee Public Library Central Library, located at 814 W Wisconsin Ave, Milwaukee, WI 53233, or at any other public library that permits members of the public to access computers that can connect to the Internet.
