4. **Discuss the research areas that the Committee should focus on going forward including: MPD Data, status of recommendations in the original Collaborative Community Committee's "Report to the Community", ongoing activities of the FPC and MPD (SOP Changes, New Initiatives e.g., new traffic enforcement effort), and any other suggestions you may have.**
5. **Discuss semi-annual report of the Survey and Research Committee's activities for submission to the full CCC.**

In the event that Common Council members who are not members of this committee attend this meeting, this meeting may also simultaneously constitute a meeting of the Common Council or any of the following committees: Community and Economic Development, Finance and Personnel, Judiciary and Legislation, Licenses, Public Safety and Health, Public Works, Zoning, Neighborhoods & Development, and/or Steering and Rules. Whether a simultaneous meeting is occurring depends on whether the presence of one or more of the Common Council member results in a quorum of the Common Council or any of the above committees, and, if there is a quorum of another committee, whether any agenda items listed above involve matters within that committee's realm of authority. In the event that a simultaneous meeting is occurring, no action other than information gathering will be taken at the simultaneous meeting.
