Title

Resolution to cancel real estate taxes levied against certain parcels bearing various key numbers on the 2009 tax roll, plus interest applicable to date of repayment, if appropriate.

Analysis

This resolution requires the cancellation of taxes because of Board of Review reductions in assessments on certain parcels, the issuance of checks to the City Treasurer or taxpayer as applicable, and the proper reductions of State Tax Credits by journal entries.

Body

Whereas, Assessments were made against certain parcels of real estate for the year 2009 as contained in Common Council Resolution File No. 091645; and

Whereas, The Board of Review has decreased these assessments as shown in this file; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, That the proper city officers are authorized and directed to issue city checks in the amounts as shown in this file, payable to the City Treasurer or taxpayer as applicable, to be refunded to the taxpayer where appropriate, plus interest at the rate applicable pursuant to Section 70.511 of Wisconsin Statutes, for an appeal that was filed as shown in this file, applicable from date of payment to date of repayment, said amounts to be charged to the Remission of Taxes Fund, 0001 Org 9990 Program 0001 Sub-class S163 Account 006300, and said checks to be delivered to the Customer Services Unit of the Treasurer's Office for disbursement; and, be it

Further Resolved, That the proper city officers are authorized and directed to reflect the reduction in State Tax Credits as shown in this file by means of journal entries, charging the Remission of Taxes Fund, 0001 Org 9990 Program 0001 Sub-class S163 Account 006300, and crediting the State Tax Credit Fund; and, be it

Further Resolved, That interest for Key No. 392-1941-110-7 shall be applicable from date of payment to November 21, 2009 for the year 2009, and, be it

Further Resolved, That delinquent interest and penalties on any account covered by this resolution are hereby canceled.

The Honorable, The Common Council City of Milwaukee

Dear Members of the Common Council:

Attached is a resolution to cancel real estate taxes levied against certain parcels bearing various key numbers on the 2009 tax roll, plus interest applicable to date of repayment, if appropriate.

Reductions have been made in the assessments of these properties by the Board of Review under authority of Section 70.511 (2), Wisconsin Statutes. It is now necessary to accomplish the reduction of taxes by means of the attached resolution.

Your favorable approval of the attached resolution is respectfully requested.

Yours very truly,

Mary P. Reavey Assessment Commissioner

Title

Substitute resolution directing the City Clerk to contract for consulting/lobbying services.

Analysis

This resolution directs the City Clerk to contract up to \$24,000 from the City Clerk's professional services account for consulting/lobbying services related to the planning, design and construction of the Downtown Streetcar Circulator funded in part by the \$54.9 million in federal transportation funds which Congress has appropriated to the City of Milwaukee.

Body

Whereas, \$91.5 million in federal transportation funds for Milwaukee local transit projects have remained unspent since 1991; and

Whereas, As part of a federal omnibus bill signed by the President on March 11, 2009, Congress appropriated \$54.9 Million of those funds to the City of Milwaukee for a downtown streetcar line and appropriated \$36.6 million to Milwaukee County for buses; and

Whereas, Ssince March, 2009, the City of Milwaukee has been engaged in the planning and design of the Downtown Streetcar Circulator under the jurisdiction of the Federal Transit Administration which is the federal agency that oversees the expenditure of federal transit funds including the \$54.9 million appropriated to the City of Milwaukee; and

Whereas, It would be in the best interest of the City of Milwaukee to employ a lobbyist/consultant experienced in dealing with the Federal Transit Administration to assist the City of Milwaukee in the planning, design and construction of the Downtown Streetcar Circulator and, in particular, advising the city on the most prudent and expeditious use of the \$54.9 million; and

Whereas, Additional funding opportunities have arisen and will arise which would enable to the City of Milwaukee to expand the size and scope of the Downtown Streetcar Circulator and a lobbyist/consultant experienced in dealing with the Federal Transit Administration would assist the City of Milwaukee in securing those additional funds; and

Whereas, The funds for lobbying/consultant services shall come from the City Clerk professional services account to ensure Common Council participation in the lobbyist/consultant's activities; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that up to \$24,000 shall be appropriated from the City Clerk's professional services account for lobbying services related to the development of a downtown streetcar line, and that the City Clerk is directed to enter into a contract for such lobbying services in accordance with the prospectus for scope of services attached to this file.

Transportation Federal Lobbying Prospectus

The City of Milwaukee Common Council is seeking an experienced professional lobbyist to represent the City in dealing with the Federal Transit Administration related to developing a downtown streetcar line in the City of Milwaukee. Activities will include presenting policy recommendations to the Federal Transit Administration and other federal government agencies and officials; monitoring legislation and policy as it pertains to transportation programs and administration; and securing public sector funding.

Specific to dealing with federal transportation issues, the lobbyist must have demonstrated experience lobbying the Federal Transit Administration, sound knowledge of public policy, clear understanding of the legislative process, solid political networks, knowledge of key agency programs and staff, familiarity with current federal transportation programs and issues, effective communication skills, and a successful track record in securing federal appropriations on behalf of public sector clients.

Scope of Work: Lobbyist

The lobbyist will interact with the Federal Transit Administration and be responsible for monitoring, identifying and prioritizing opportunities and challenges for the Common Council with respect to expenditure of federal funds already allocated for a downtown streetcar line and obtaining additional federal funding to support the line.

Activities may include:

- 1. Develop and implement strategies to increase federal funding for a downtown streetcar line.
- 2. Identify and act appropriately on federal legislative proposals that may impact on a proposed downtown streetcar line in the City of Milwaukee.
- 3. Lobby Federal Transit Administration officials relating to the Common Council's position on federal transportation legislation, support for additional federal funding to support a Milwaukee downtown streetcar line, and other matters of interest.
- 4. Draft legislation, appropriation requests and amendments, as necessary.

- 5. Provide assistance to Common Council members and staff in arranging and conducting visits and meetings with Federal Transit Administration officials.
- 6. Maintain close working relationships with the Common Council's staff and in-house lobbyists.
- 7. Provide regular briefing reports for the Common Council on key issues and legislative activity.

This resolution directs the City Clerk to contract up to \$24,000 from the City Clerk's professional services account for consulting/lobbying services related to the planning, design and construction of the Downtown Streetcar Circulator funded in part by the \$54.9 million in federal transportation funds which Congress has appropriated to the City of Milwaukee.

..Body

Whereas, \$91.5 million in federal transportation funds for Milwaukee local transit projects have remained unspent since 1991; and

Whereas, As part of a federal omnibus bill signed by the President on March 11, 2009, Congress appropriated \$54.9 Million of those funds to the City of Milwaukee for a downtown streetcar line and appropriated \$36.6 million to Milwaukee County for buses; and

Whereas, Since March, 2009, the City of Milwaukee has been engaged in the planning and design of the Downtown Streetcar Circulator under the jurisdiction of the Federal Transit Administration which is the federal agency that oversees the expenditure of federal transit funds including the \$54.9 million appropriated to the City of Milwaukee; and

Whereas, It would be in the best interest of the City of Milwaukee to employ a lobbyist/consultant experienced in dealing with the Federal Transit Administration to assist the City of Milwaukee in the planning, design and construction of the Downtown Streetcar Circulator and, in particular, advising the city on the most prudent and expeditious use of the \$54.9 million; and

Whereas, Additional funding opportunities have arisen and will arise which would enable to the City of Milwaukee to expand the size and scope of the Downtown Streetcar Circulator and a lobbyist/consultant experienced in dealing with the Federal Transit Administration would assist the City of Milwaukee in securing those additional funds; and

Whereas, The funds for lobbying/consultant services shall come from the City Clerk professional services account to ensure Common Council participation in the lobbyist/consultant's activities; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that up to \$24,000 shall be appropriated from the City Clerk's professional services account for lobbying services related to the development of a downtown streetcar line, and that the City Clerk is

directed to enter into a contract for such lobbying services in accordance with the prospectus for scope of services attached to this file.

Memorandum

Date: April 8, 2010

To: Robert J. Bauman

From: Jeffrey F. Boothe

Re: Proposal for Services

This memorandum is intended to follow-up our meeting on March 16th in Washington, DC and subsequent e-mails requesting that I prepare a scope of services to assist the city of Milwaukee.

Initial Phase of the Engagement

Per our conversation, I understand the need of the city to develop a project advancement and approval strategy with the Federal Transit Administration (FTA) to advance the streetcar project in light of the provision by Congress of \$54.9 million in the Interstate Construction Estimate (ICE) program. It is my understanding that the project is not yet in the New Starts program and the request of \$24.99 million though the Urban Circulator program would enable the project to remain outside of the New Starts project rating and evaluation process. However, given the total cost of the project, FTA may seek to apply some elements of the New Starts project review process to the project.

Per your e-mail, the current need of the city of Milwaukee is to reach agreement with the FTA regarding what actions are necessary at the local level to advance the project into preliminary engineering (PE), to enter into agreement with FTA regarding the scope of environmental review under the National Environmental Policy Act (NEPA) and to secure agreement with FTA to allow the project to proceed utilizing a design-build contract. This scope would include a visit to Milwaukee to tour the project and meet with individuals familiar with the project to educate me regarding the alignment, environmental issues, initial engineering issues and the status of local match for the federal funds. I would also request any project related documents prepared to-date in support of the request to enter into PE so that I could review what has been submitted to FTA in support of the request. I propose fees of \$20,000 plus the following expenses for this phase of the engagement: air travel to Milwaukee, per approval of the city; hotel, travel and meals while in Milwaukee; and, any copying expenses, phone calls and local travel while in Washington, DC.

Services Not Covered Under this Phase of Engagement

This scope does not include negotiation of a Project Development Agreement (PDA), Project Construction Grant Agreement (PCGA), Full Funding Grant Agreement (FFGA) or comparable

grant agreement with the FTA. This would be covered by a subsequent engagement with the city of Milwaukee.

Potential Services to be Provided Under a Future Engagement

The proposed scope does not cover the services set forth below. We would like to discuss which of these services would be of assistance to the city of Milwaukee subsequent to approval into PE. We would structure a proposal per your need. Moreover, whether the engagement is directly with the city or through the entity selected by the city for the next phase of project development would be determined by the city and dictated by the services requested. For example, if the subsequent scope includes legislative or agency advocacy services, these services should be provided under a direct engagement with the city for lobby compliance purposes.

- Federal Transit Administration I work extensively with both career and political staff at the FTA to resolve project related issues as the project advances through the Small Starts/New Starts process or the parallel process that FTA may establish given the unique nature of the federal funding for the project. I would set up meetings with the Administrator and career staff for the city, as appropriate, and present issues and potential resolution of those issues as the project winds through the FTA project review process. I have also negotiated several Full Funding Grant Agreements for transit properties.
- **Procurement** We have negotiated several design-build or similar contracting arrangements for projects funded by the Federal Transit Administration and have extensive knowledge of the FTA procurement requirements that apply to those contracts.
- Identify Federal Funding Opportunities As we discussed, there are emerging funding opportunities at the federal level. In addition to New Starts/Small Starts funding, we are seeing more opportunities to apply for grants at the Department of Transportation (DOT) through the TIGER program, at FTA since Congress does not earmark all of the New Starts/Small Starts monies, and at the Department of Housing and Urban Development (HUD) with the emerging focus on livability and sustainability that takes the form of integrated housing and transportation planning as well as challenge grants to areas willing to make hard choices to locate transit, affordable housing, greater densities, parking limitations and adopt zoning ordinances. We are able to both identify and then help the City position the project to secure funding as these opportunities emerge.
- Legislative To the extent necessary, we are able to educate Congressional staff about the New Starts/Small Starts program and be your advocate with them on behalf of the project. On behalf of the New Starts Working Group, I prepared a 40 page guide titled, Congressional Staff Handbook on New Starts, that walks Congressional staff through each stage of the New Starts/Small Starts process, explains the process, explains the terms used by FTA and outlines where and how their Member of Congress or Senator should engage the FTA on behalf of the project. If additional funding is needed, we can assist the city to seek project funding through annual earmarks, the surface transportation authorization, or annual grant opportunities announced by federal agencies.

Jeffrey F. Boothe represents public and private sector clients in the area of federal transportation law. He has substantial experience in representing public transit authorities and metropolitan areas through the Federal Transit Administration ("FTA") approval process for new start projects, on matters relating to federal transportation policy and legislative and regulatory affairs, and transit oriented development.

Mr. Boothe earned a B.A. from Stanford University in 1977 and is a 1987 graduate from George Mason University Law School. Prior to graduation from law school, he served as a legislative assistant to Senator Mark O. Hatfield (R-OR) and as a professional staff member on the U.S. Senate Appropriations Committee.

Mr. Boothe is an active participant in several organizations that work with Congress and the federal agencies in the formation of surface transportation policy. Since 1995 he has chaired the New Starts Working Group ("Working Group"), which is a coalition of transit properties, cities and private sector companies which actively support expansion of federal funding for the construction of mass transit rail projects. The Working Group is extremely active in developing federal policy to ensure that growing metropolitan areas retain a broad array of surface transportation options to respond to concerns regarding climate change, transit oriented development, and promoting economic development to improve the quality of life for local citizens. The Working Group has also been active in shaping the FTA criteria for evaluating new start and small start projects.

He also serves as Executive Director of the Community Streetcar Coalition ("CSC"). The CSC is an organization of cities, transit authorities and architectural and engineering firms established to affect federal legislative and regulatory issues that impact the funding and advancement of streetcar projects nationwide. He served as counsel to the first transit oriented development project in Portland, Oregon, worked intimately on the statutory and regulatory framework for FTA's transit oriented development ("TOD") policies, and has represented clients seeking to use federal funds to undertake TOD projects.

He is an original board member and current vice chair of Reconnecting America, which was created to provide to promote an intermodal transportation to addressing the nation's transportation needs. Reconnecting America also houses the Center for Transit Oriented Development that is a leading industry voice in support of linking transit, housing and development at the local level and in Federal policy actions. He is a board member for the Center for Transportation Excellence, which was established to assist local areas to respond to transit critics and conduct successful elections for transit ballot initiatives.

He has substantial experience in representing public transit authorities to secure FTA bus and rail project approval. Specifically, he has been actively involved in working with Congress, the FTA, elected officials, transit authorities and business leaders in developing strategies to secure FTA approval for the following fixed guideway projects that are either completed and open for revenue service or that are currently under construction:

- o Portland Banfield Light Rail Project (1986)
- o Portland Westside Light Rail Project (1998)
- Portland Airport MAX Project (2001)
- O Portland Interstate Avenue Project (2004)
- O Sacramento Southline Phase I (September 2003)
- Washington Metropolitan Area Transit Authority Rail Car Acquisition (2006)
- O Charlotte South Corridor Light Rail Project (November 2007)
- Norfolk Light Rail Project (Fall 2011)

He has substantial experience at the project level working with project teams to help transit authorities and other project sponsors navigate the FTA New Starts and Small Starts requirements and develop successful approaches to secure FTA project approvals. He is currently working as part of project teams on the following projects to assist them in advancing through the FTA project approval process:

- O Sacramento Southline Phase II
- O Grand Rapids BRT Project
- o Grand Rapids Downtown Streetcar Project
- O Northern Indiana Commuter Rail District Southshore Extension
- O West Sacramento Sacramento Streetcar Project
- o MARTA General Planning (several project corridors)
- o Columbus Light Rail/Streetcar Project
- O Detroit Woodward Avenue Light Rail Project
- O Tampa Regional Rail Project
- Lansing Alternatives Analysis

Mr. Boothe has been instrumental in developing comments and leading industry efforts in response to the 2007 FTA published a Notice of Proposed Rulemaking (NPRM) regarding Major Capital Projects which sought to implement changes made to the New Starts program in the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU). He led industry opposition to those proposed changes that resulted in Congress blocking any funding to FTA in the FY 2008 and FY 2009 Transportation, Housing and Urban Development Appropriations Acts to advance to a final rule.

He was elected in 2005 to serve on the American Public Transportation Association ("APTA") Business Member Board of Governors. He is also an active member of the APTA Legislative, Legal Affairs and Policy and Planning Committees; the Major Capital Investment, Environmental and Land Use and Development Subcommittees; and the Surface Transportation Authorization Task Force.

ALD. BAUMAN

Title

Resolution authorizing expenditures for attendance at meetings of the National League of Cities' Transportation Infrastructure Steering Committee.

Analysis

Ald. Robert Bauman has been appointed a member of the National League of Cities' Transportation Infrastructure Steering Committee by the National League of Cities (NLC) President Ronald O. Loveridge. This resolution authorizes Ald. Bauman to attend meetings and to travel on official NLC business related to his role as a member of the NLC's Transportation Infrastructure Steering Committee, with funding for costs expended from the

City Clerk Office's Other Operating Services Account.

Body

Whereas, National League of Cities (NLC) President Ronald O. Loveridge has appointed Ald. Robert Bauman a member of the National League of Cities' Transportation Infrastructure Steering Committee; and

Whereas, It is a significant honor for the City of Milwaukee to have a member of its Common Council selected for this important post in the national organization that represents the interests of cities throughout the nation; and

Whereas, Participation on the NLC's Transportation Infrastructure Steering Committee will require the expenditure of funds for travel, lodging and related expenses; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Common Council authorizes the participation of Ald. Robert Bauman as a member of the NLC's Transportation Infrastructure Steering Committee; and, be it

Further Resolved, That the City Clerk is authorized to expend funds from the City Clerk Office's Other Operating Services Account (Account Number 0001-1310-R999-636500) for travel, lodging and per diem expenses related to Ald. Bauman's attendance and participation at meetings of the NLC's Transportation Infrastructure Steering Committee and related official NLC business in his role as a member of this committee.

Re: Resolution relating to the claim of Mary Arterbridge

C.I. File No.: 09-1-130

Dear Council Members:

Enclosed please find a proposed resolution. We ask that it be introduced and referred to the Committee on Judiciary & Legislation, with the following recommendation.

Claimant, Mary Arterbridge, 4924 North 26th Street, Milwaukee, WI 53209, and her insurance company, State Farm Insurance by Ned Beyer, P.O. Box 2375, Bloomington, IL 61702-2375, allege that on October 6, 2009, a dying City tree fell on Ms. Arterbridge's home. They claim damages in the amount of \$9,705.81.

Our investigation reveals that the Forestry Section (FS) received an emergency request for service on the date in question for this location. The FS removed the City tree from Ms. Arterbridge's home. The FS records further reflected they had marked this tree for removal on August 21, 2009, but had failed to remove it prior to this loss. The FS indicates that it should have conducted a further evaluation of this tree to reveal its priority hazardous condition before the branch fell.

Because settlement of this matter is deemed expeditious to the City of Milwaukee, we recommend payment of this claim in the amount of \$7,350.00 and have attached the appropriate resolution for your convenience.

Very truly yours,

GRANT F. LANGLEY City Attorney

Re:

Communication from Attorney Jon Cermele for legal fees for Police Officer David Gabbard

Dear Council Members:

Returned herewith is a document filed by Attorney Jon Cermele for attorney's fees for representing Police Officer David Gabbard. The claim is in the amount of \$385.00 for 3.50 hours of service billed at the rate of \$110.00 per hour. We ask that this matter be introduced and referred to the Committee on Judiciary & Legislation.

We have reviewed this claim and advise that in our opinion, the time spent was reasonable. Legal representation was occasioned by the filing of a citizen complaint against the officer with the Fire and Police Commission. The complaint was dismissed by the Commission.

As we have advised you under similar circumstances in the past, the Common Council has discretion to reject this claim or to pay it in whole or in part. Wis. Stat § 895.35, *Bablitch and Bablitch v. Lincoln County*, 82 Wis. 2d 574 (1978).

Complaint No.: 09-20

Date of Incident: July 28, 2009

Dear Mr. Leonhardt:

Pursuant to Article 58 of the 2007-2009 Collective Bargaining Agreement between the City and the Milwaukee Police Association, the City should request that this claim be placed on the Common Council Committee agenda within 180 days of its receipt.

The above-named police officer has retained us to represent him in connection with the above-referenced matter.

Consistent with its policy, the City Attorney's Office has refused to represent him and, as he was performing the duties of his office at the time of the events giving rise to the incident, this claim is hereby made on his behalf for the indicated legal fees. This incident involved a traffic stop.

The Fire and Police Commission dismissed the complaint. Attached is a copy of the dismissal notice and an itemization of the time and services rendered.

RE:

FPC Complaint No. 09-230

Corey Golden v. Police Officer David M. Gabbard

Dear Mr. Golden:

Your complaint has been received by the Fire and Police Commission. Upon receipt of a complaint, we conduct an intake investigation. During the intake investigation, complaints are screened according to established internal guidelines.

On August 7, 2009 you spoke with our investigator, Cheryl Patané, and agreed to mediation with Police Officer David Gabbard. The Milwaukee Mediation Center attempted to contact you via telephone and letter to schedule mediation. Due to no response from you, we are closing your complaint at this time.

If you have any questions regarding the actions we have taken, please contact Cindy Janusz of the Fire and Police Commission at (414) 286-5055.

Sincerely,

Michael G. Tobin Executive Director

Dear Ms. Riley-Glenn and Messrs. Riley:

Mediation was held on January 22, 2009 regarding the complaints listed above. We have been informed by the Milwaukee Mediation Center that mediation was unsuccessful because Alexis Riley did not attend, and Linda Riley-Glenn and Avan Riley left before mediation was completed.

Due to your unwillingness to complete mediation, or discuss why you did not attend, your complaints have been dismissed.

If you have any questions, please contact Cindy Janusz at (414) 286-5055.

Re:

Communication from Attorney Jon Cermele

for legal fees for Police Officer Wesam Yaghnam

Dear Council Members:

Returned herewith is a document filed by Attorney Jon Cermele for attorney's fees for representing Police Officer Wesam Yaghnam. The claim is in the amount of \$451.00 for 4.10 hours of service billed at the rate of \$110.00 per hour. We ask that this matter be introduced and referred to the Committee on Judiciary & Legislation.

We have reviewed this claim and advise that in our opinion, the time spent was reasonable. Legal representation was occasioned by the filing of a citizen complaint against the officer with the Fire and Police Commission. The complaint was dismissed by the Commission.

As we have advised you under similar circumstances in the past, the Common Council has discretion to reject this claim or to pay it in whole or in part. Wis. Stat § 895.35, Bablitch and Bablitch v. Lincoln County, 82 Wis. 2d 574 (1978).

RE: Complaint of Crill A. Evans v. Police Officer Wesam F. Yaghnam

FPC Complaint No. 08-116

Dear Ms. Evans:

Your complaint was forwarded to the Milwaukee Mediation Center for mediation with the above police officer. The Milwaukee Mediation Center sent you a letter with available dates for mediation and asked you to respond by September 25, 2009. Cindy Janusz of our office has attempted telephone contact with you to determine if you still wish to participate in mediation, but the cell number you gave us has a recording that states the number is incorrect. She also attempted to contact you at the work number you gave us but she was informed that you no longer work there.

Due to not being able to contact you, and you not contacting us, we are closing our file and dismissing the complaint against the police officer.

Sincerely,

Michael G. Tobin Executive Director

Complaint of Robert T. Smith v. Police Officer Gerald L. Schmidt

FPC Complaint No. 09-171

Dear Mr. Smith:

We have been informed by the Milwaukee Mediation Center that you are satisfied with the mediation that took place on September 29, 2009 with Police Officer Gerald Schmidt. Police Officer Schmidt will not receive any formal discipline as it relates to your complaint. The complaint does remain on file with the Fire and Police Commission for future reference.

Your input at the mediation is very helpful to us in revising the procedures the police officers follow while performing their jobs. The police officers participate in yearly updates to their training wherein these procedures are implemented.

Thank you for giving us the opportunity to assist you with your complaint. Feel free to contact us in the future, should the need arise. We are closing our file on your complaint.

Complaint of Carol L. Valeriano, Matthew B. Valeriano, Ralph Valeriano and Sonny D. Valeriano v. Police Officers Todd Bohlen, Dennis Justus, Allen Groszczyk and Marc Moore

FPC Complaint Nos. 07-94, 08-01, 08-03 and 08-106

Dear Ms. and Messrs. Valeriano:

We have been informed by the Milwaukee Mediation Center that mediation, which was held on February 27, 2009 with the above-referenced police officers, was unsuccessful because you left before it was completed.

Numerous telephone messages had been left for Carol Valeriano by Cindy Janusz to discuss why the family left mediation, but a telephone call was not returned. Due to your unwillingness to complete mediation, or discuss why you left, your complaint has been dismissed.

If you have any questions, please contact Cindy Janusz at (414) 286-5055.

Sincerely,

Michael G. Tobin Executive Director

Your Client: Walter Lowe RE:

C.I. File No.: 10-S-16

Dear Attorney Mueller:

We have received your client's claim in the amount of \$2,777.50, relating to funds that he allegedly remitted to the City of Milwaukee, which were not due, in payment of a special improvement bill for the property located at 4426 North 88th Street purchased by him in May, 2005.

Our investigation reveals that the Treasurer's Office records indicate that on May 25, 2005 a check for \$2,780.00 was received from Metropolitan Title Company. The check did not indicate it was intended to be applied to the outstanding contemplated special improvement. The Treasurer's Office applied it to outstanding real estate taxes. They received a second check from Metropolitan Title Company, that same day, for \$2,923.45. This was also applied to the outstanding taxes. The checks came in separate envelopes and were processed by two different employees on a batch update system. The second employee could not have known about the first payment received and applied that same day. Consequently, the second payment generated an over payment of \$2,780.00. This was refunded to the sellers, the homeowner of record at the time. A judgment has been entered against them but, at present, the City has not been able to collect the erroneous refund.

On May 4, 2007, \$2,777.50 was taken from the contemplated specials escrow account to pay off the special improvement bond. Your client never paid any funds towards this bond. The receipt submitted by your client only confirms this transfer. As such, the contemplated specials escrow account has not been reimbursed for the \$2,777.50 that was used to pay this bond.

Litchfield Cavo March 22, 2010 Page 2

The City followed proper procedure in this matter. As such, the City would not be liable. Therefore, we are denying your client's claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of the receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

Claim for return of funds paid for Property Located at 4426 N. 88th Street, Milwaukee

NOTICE OF CLAIM OF WALTER LOWE AGAINST THE CITY OF MILWAUKEE

The Claimant, Walter Lowe files this claim against the City of Milwaukee requesting the City return the payment of funds that he remitted to the City in payment of a special improvement bill for the property located at 4426 N. 88th Street in the City of Milwaukee in the amount of \$2,777.50, which amount was not in fact due to the City.

The claimant, Walter Lowe, purchased the property at 4426 N. 88th Street on May 23, 2005. The City of Milwaukee sent the claimant a bill for alley project No. 0885-0837-2 for this property on or around March 31, 2007, in the amount of \$2,777.50, which the claimant paid on May 4, 2007. A copy of the special improvement bill and the proof of payment the claimant received from the City evidencing his payment of this bill and the amount he paid is attached hereto as Exhibit "A".

The claimant has recently been working to refinance his property and learned that the special assessment that he paid in 2007 had actually been paid to the City at the time he purchased the property back in 2005. There was in fact no amount due to the City for this special assessment when the claimant remitted payment to the City in 2007. The claimant learned of these facts on December 1, 2009 when he was provided with a copy of the check that was sent to the City of Milwaukee by the Metropolitan Title Company in the amount of \$2,780.00, a copy of which check is attached hereto as Exhibit "B". The claimant also obtained a copy of the closing statement with respect to this property from the same title company, which confirms that the payment to the city of Milwaukee was for the same alley assessment. A copy of this statement is attached hereto as Exhibit "C".

Wherefore, the claimant requests payment from the City of Milwaukee in the amount of \$2,777.50, which is the amount that he paid on May 4, 2007 for the alley assessment. The City of Milwaukee had already received payment for this same assessment two years before that billing was issued to the claimant so the claimant is entitled to the return of these funds, which the claimant paid to the City and which the City accepted in error.

Dated this 19th day of January, 2010.

C.I. File No.: 10-S-31

Dear Ms. Lewandowski:

We have received your claim in the amount of \$3,861.00, relating to a diamond necklace that was allegedly tossed out with newspapers that were placed into your recycling cart on October 13, 2009. You also allege that the recycle cart was picked up the next morning.

Our investigation reveals that the Sanitation Division reviewed their records relative to this incident. They also reviewed your allegation that the recycled materials were picked up two weeks in a row due to a computer error. The records reflected that the recycled materials were picked up on October 6, 2009 and again on October 27, 2009.

Their records further reflected that they first learned of this alleged incident on October 26, 2009 when a call was placed to the call center. Since it appears the Sanitation Division was not negligent in this matter, the City cannot accept liability and we are denying your claim.

RE: Debra Lewandowski C.I. File No. 10-S-31

Dear City Clerk:

I wish to appeal the decision per your letter dated March 10, 2010.

According to your investigation with the Sanitation Division, recycled materials were picked up on October 6, 2009 and October 27, 2009. However, this information is not correct. An additional pickup occurred the morning of October 13th. This can be confirmed with Tom Wynn, Sanitation Supervisor for the area. He came to my residence the morning of November 5th and stated that the recycling cart was inadvertently collected two weeks in a row. He stated that this was due to a computer mistake. The Sanitation Division was negligent in this matter as recycling is to be picked up every 3rd week.

I do not recall the exact date I called the call center. This was due to the fact that I was so upset and distraught on the loss of a family heirloom. I did not know who to call or even what to do.

Sincerely,

Debra A. Lewandowski

City Clerk ATTN: Claims 200 E. Wells St. Ro

200 E. Wells St. Room 205 Milwaukee, WI 53202-3567

Dear City Clerk,

Instructions per this request were provided by Alderman Joe Dudzik, per my phone conversation.

Claimant: Debra A. Lewandowski

This letter states the circumstances of this claim:

Due to a computer error, an authorized recycling collection occurred on October 13th, 2009. In the newspaper section of container was recycled newspapers and a valuable necklace.

Early that morning, when I realized an empty container, was shocked, tried to compose myself, and later called Sanitation District to report loss. Spoke with Anthony Sherwin at 414-286-3500.

On November 5th, 2009, Tom Wynn, Sanitation Supervisor for my area, came to my house at 4050 So. 55th St., to explain that pickup was due to a computer error. Therefore, recycling cart was inadvertently collected two weeks in a row.

Additional information on claim:

Proof of amount of claim:

- A. Letter from Prescott Miller Jewelers stating total retail cost of \$3,861.00
- B. Letter from Fred Meyer Jewelers stating retail cost of chain \$470.00 and retail cost of diamond \$7,000.00 for total retail cost of \$7,470.00
- C. Copy of receipt from Ball Manufacturing Jewelers where 20" rice chain was purchased on 10-3-2005 amount paid \$125.66. This was a discounted price as store was going out of business. I do not have a receipt for the canary diamond as this was family heirloom and purchased many years ago.

Phone number claimant can be reached:

Home phone: 414-327-3144 Cell phone: 414-364-1438

Description of the incident:

Recycling bin collected early morning on October 5th, 2009. The evening of October 12th, I tossed papers in the recycling and in between the papers was necklace. The evening was very cold and dark, so retrieval would be the next morning when I could see items. The next morning I went outside, and I was shocked to seen emptied cart on sidewalk. Pickup is to occur every 28-30 days. Called Alderman Joe Dudzik to discuss and his assistant handled my calls. Later learned from Tom Wynn, Sanitation Supervisor

that a computer mistake occurred and the recycling container was emptied in error and he was very sorry.

I feel that the City of Milwaukee and employees acted negligently in that the computer records were not accurate and therefore the sanitation employees were in error in collecting the recycling bins.

I have filed an incident report with the Milwaukee Police Department if the lost jewelry is recovered.

0.1.110110...10 B

Dear Mr. and Mrs. Geiger:

We have received your claim in the amount of \$921.15, relating to damage to your vehicle that was allegedly caused by a City excavation operation at South 5th Street and West Walker Street on February 19, 2010.

Our investigation reveals that the Infrastructure Services Division (ISD) reviewed its records relative to this incident. They found the ISD engaged in emergency electrical repairs. There was no time to set "No Parking" signs due to the nature of the operation. The ISD spoke with the crew on scene that day and none of the members touched your vehicle. The crew was also adamant they caused no damage to the vehicle and no stone or concrete chip were observed. The crew also noted they placed themselves between the work area and your vehicle. Since there is not evidence to support your claim and the ISD followed its normal procedures, the City cannot accept liability and we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of the receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

Dear Grant,

I received your letter regarding your decision on my case, # C. I. File No: 10-S-70. I have pictures and cost of repairs for the damage done. In the pictures that I sent. They show mud and cement chips on the hood. And chip in hood.

I know some repairs are an emergency for the city. But more care needs to be taken in the future for protecting vehicles. You mentioned that the workers placed themselves between my car and the work. The work that was done was from the curb and forward 2'. My car's front end hung over the curb, so there was no room for someone to stand between the works. I'm requesting for a hearing date. Please contact me with the date and time so I contact my lawyer to attend.

INSTRUCTIONS FOR FILING A CLAIM AGAINST THE CITY OF MILWAUKEE

To file a claim against the City a claimant must comply with Section 893.80(1), Wis. Stats., a copy of which is printed on the reverse side of this instruction sheet. Generally the statue requires the claimant to submit to the City Clerk:

- A document stating the circumstances of the claim which must be signed by the claimant, or his/her agent or attorney. This document should be filed within 120 days of the event.
- 2. A document stating the address of the claimant and a statement of the relief sought. If money damages are sought, a specific sum must be stated.

(The above information may be combined in a single document.)

The following information should also be submitted to allow the City to promptly act on your claim:

- Proof of the amount of the claim by means of either itemized receipts or two itemized estimates.
- 2. A phone number where the claimant can be reached during business hours as well as the claimant's e-mail address, if any.
- As detailed a description of the incident as possible, including the date, time and place.

All information should be submitted to:

City Clerk ATTN: CLAIMS 200 E. Wells St., Room 205 Milwaukee, WI 53202-3567

ADDITIONAL INFORMATION

Before you can file a lawsuit against the City of Milwaukee for reimbursement, State law requires that you first follow the claim procedures established by the City Clerk.

Filing a claim against the City does not automatically guarantee reimbursement from the City. However, the City examines each claim on an individual basis in determining if reimbursement is legally required.

In order to obtain reimbursement for a claim against the City, you must prove that the City or its employees acted unlawfully. or negligently.

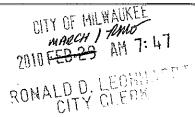

Only the City Attorney or the Common Council and the Mayor can authorize payment of a claim against the City. Any other representations made by City employees are not legally binding on the City.

On February 19, 2010, I had damage done to the hood, grill, and fender of my car. I arrived on the corner of 5th and Walker Street at 12:15pm. My wife and friends had a meeting luncheon to be held at Botanas Restaurant. As we were pulling into a metered parking space out front, two yellow city trucks pulled up on both sides of the street. We proceeded in to Botanans for lunch at 12:15 pm; the wait was to long so we walked to La Perla instead.

When we returned to our car, we noticed the city workers now working on the side walk in front the cars parked by the meters. I asked a worker why the meters did not have a DO Not Park Sign on them or barricades placed in the spot of the cars. He did not know. I should ask the boss who was by the truck. When he came over to talk to me, I had him look at the hood of my car that had cement chips, mud, and a chip and nick in the hood. He brushed his hand to remove the debris, but that just scratch the paint. The area on the side walk should have been marked for no parking. The work was done less than a foot in front of my car. I pointed out to him that the employee was jack hammering in front of my car. The side walk concrete was removed and a hole was dug. He said the work had to get done. I asked him who do I call to report this incident, and he gave me phone # 286-8282.

I took pictures with my cell phone of the damage to the front. I also wrote done the truck numbers of the two city trucks, # 26326 and #25403. I also have a repair bill from Authentic Auto for damage to my 2010 Audi A5 car. Enclosed are pictures and repair bill. You can reach me at any time at phone #303-9776 or email petemedivan@aol.com. My address is 1350 W. Armann Way, Oak Creek, WI 53110. Thank you for your help.

Your Insured. Randy Michalzik Your Claim No P0088314

Dear Ms Schumacher:

We have received your claim in the amount of \$855 34, relating to your interests and the interests of your insured arising from an August 5, 2009 loss when your insured's vehicle was damaged from falling debris while it was parked under the 16th Street viaduct, Milwaukee, WI.

Our investigation reveals that the Infrastructure Services Division indicates that at one time the viaduct spanned several railroad lines and it was subject to corrosive exhaust gasses from the locomotives. Structural steel above the rail lines was protected with a cement-based coating. Department of Public Works crews remove any apparent loose concrete under this viaduct once or twice per year. In addition, netting was placed below some of the bays where the protective coating was applied. These bays do have signs allowing parking for City employees only. These signs were put up due to patrons of a nearby casino parking in these spots. The City employees that park in these spots do so at their own risk. As such, the City cannot accept liability and we are denying your claim

Milwaukee County Case No: Our File No: 8022W-0315

CLFile No: 09-S-308

Dear Sir/Madam:

I write as an attorney for Secura Insurance Companies to request with regard to the above-mentioned matter to appeal the decision rendered by the City Attorney and request a hearing on this matter.

This dispute stems from damage incurred in a city parking area from our insured's vehicle. The vehicle was damaged from falling debris in the designed city employee parking area. According to our insured, when damage occurred his vehicle was in a location he was instructed to park, and to which he was required to obtain a permit. In addition it appears the City was aware of the falling debris from the viaduct, a serious safety hazard, yet still requested its employees to park in this location. We received the City of Milwaukee's denial letter on March 9, 2010. We therefore appeal this decision and request a hearing.

RE: C.I File No.: 09-S-308

Your Insured. Randy Michalzik Your Claim No P0088314

Dear Ms Schumacher:

We have received your claim in the amount of \$855 34, relating to your interests and the interests of your insured arising from an August 5, 2009 loss when your insured's vehicle was damaged from falling debris while it was parked under the 16th Street viaduct, Milwaukee, WI.

Our investigation reveals that the Infrastructure Services Division indicates that at one time the viaduct spanned several railroad lines and it was subject to corrosive exhaust gasses from the locomotives. Structural steel above the rail lines was protected with a cement-based coating. Department of Public Works crews remove any apparent loose concrete under this viaduct once or twice per year. In addition, netting was placed below some of the bays where the protective coating was applied. These bays do have signs allowing parking for City employees only. These signs were put up due to patrons of a nearby casino parking in these spots. The City employees that park in these spots do so at their own risk. As such, the City cannot accept liability and we are denying your claim

Claimant:

City of Milwaukee

Date of Loss:

08/05/2009

Dear Sir/Madam:

Enclosed please find our notice of claim and itemized statement of claim. We are making a claim against the City of Milwaukee for damages that were done to our insured's vehicle. Our insured indicated that a parking ramp area used for parking at his place of employment has been deteriating. On the above mentioned date, multiple pieces of the parking ramp crumbled and landed on his vehicle causing damage to the front end area. Our insured went to his vehicle the day in question and found debris laying on and near the front of his vehicle.

Pursuant to Wisconsin statutes, please notify us in the event the claim is disallowed.

Sincerely,

Jod/Schumacher

Re: Resolution Relating to the Claim of Claudia Gomez

Through Attorney Kohler & Hart, LLP

C.I. File No. 07-S-414

Dear Council Members:

We return the enclosed document which has been filed with the City Clerk and ask that it be introduced and referred to the Committee on Judiciary & Legislation with the following recommendation.

Claimant, Claudia Gomez, 1433 West Greenfield Avenue, Milwaukee, WI 53204, alleges through her attorney, Kohler & Hart, LLP, 735 North Water Street, Suite 1212, Milwaukee, WI 53202, that on October 17, 2007 she sustained injuries when she tripped and fell on an uneven sidewalk located at or near 1577 West Greenfield Avenue. They claim damages in the amount of \$87,247.57.

Our investigation reveals that the Infrastructure Services Division records indicate that prior to October 17, 2007 the City had no notice of this hazard in the sidewalk and because of this lack of notice the City would not be liable. Therefore, we recommend that this claim be denied.

Very truly yours,

GRANT F. LANGLEY City Attorney

CLAIMANT: CLAUDIA GOMEZ

1433 West Greenfield Avenue Milwaukee, Wisconsin 53204

You are hereby notified that the above named claimant, Claudia Gomez, by the law firm of Kohler & Hart, LLP, does hereby provide Notice of Circumstances to the City of Milwaukee ("City"), and make claim against the City, alleging that the City, by and through the negligence of the City of Milwaukee in its failure to maintain its sidewalks in good repair.

The circumstances of the injuries are as follows: On October 17, 2007, while walking on city property, the sidewalk located in front of 1577 West Greenfield Avenue, Ms. Gomez slipped and fell as a result of the uneven conditions of the sidewalk.

At all times material, the sidewalk was the property of and maintained by the City of Milwaukee.

As a direct and proximate result of the negligence of City of Milwaukee and its employees/agents, the claimant suffered serious and permanent injuries including but not limited to a dislocated right shoulder.

Please be advised that the claimant has retained Kohler & Hart, LLP and has an attorney lien right as prescribed by the statutes of the State of Wisconsin.

This is a notice of circumstances pursuant to Section 893.80(1) (a) of the Wisconsin Statutes. No claim for damages is made at this time.
