Title

Resolution determining it necessary to make various assessable public improvements at various locations and appropriating funds for these purposes with the City engineering cost estimated to be \$222,000 for a total estimated cost of these projects being \$4,546,000.

Analysis

This resolution authorizes engineering studies and directs the Commissioner of Public Works to determine any benefits or damages which would result if the projects were to be constructed. After the Commissioner files his report, a Public Hearing will be held on those projects determined assessable. A resolution will be submitted after the Public Hearing authorizing construction. The City cost for engineering these projects is estimated to be \$222,000 with the total cost estimated to be \$4,546,000.

Body

Resolved, By the Common Council of the City of Milwaukee that it is necessary and in the public interest to do the following described work according to City specifications, and that such public improvements and resulting special assessments be made pursuant to Section 66.0703 and any other pertinent sections of the Wisconsin Statutes and in the manner directed by Section 115-42 of the Milwaukee Code of Ordinances:

Title

Resolution determining it necessary to make various nonassessable public improvements at various locations and appropriating funds for these purposes with the City engineering cost estimated to be \$519,000 for a total estimated cost of these projects being \$3,665,000.

Analysis

This resolution authorizes engineering studies on projects which by City Charter are nonassessable. After design plans and estimates of costs have been prepared, a resolution authorizing construction will be submitted to the Common Council. The City cost for engineering these projects is estimated to be \$519,000 with the total cost estimated to be \$3,665,000.

Body

Resolved, By the Common Council of the City of Milwaukee, that it is necessary and in the public interest to do the following described improvements according to City specifications:

3rd Aldermanic District

N. Maryland Ave. - N. Prospect Ave. to a point of N. Prospect Ave. (ST211100161): Concrete curb and gutter. (Nonassessable Reconstruction Paving Fund -- \$1,000). The total estimated cost for this project including the requested amount is \$36,000. This project is anticipated to be completed during the 2010 construction season.

E. North Ave. Sink Hole (SM495100160): (Nonassessable Sewer Maintenance Relay Fund -- \$1,000). The total estimated cost for this project including the requested amount is \$1,000,000. This project is anticipated to be completed during the 2010 construction season.

4th Aldermanic District

Title

An ordinance relating to watercraft speed limits in the outer harbor during special events.

Sections

Analysis

Section 118-80-3-g of the Code of Ordinances authorizes the harbor master to declare and enforce a temporary speed limit of 5 miles per hour, slow no wake, in the outer harbor or portions of the outer harbor before, during and after a lakefront fireworks display or other special event for which the harbor master determines the expected volume of watercraft traffic is such that operation above the speed of 5 miles per hour, slow no wake, will be unsafe.

Common Council File Number 070317, the ordinance that created s. 118-80-3-g, included a sunset clause which provided that the ordinance would be null and void after December 31, 2010. This ordinance repeals that sunset clause, thereby making permanent the harbor master's authority to declare and enforce the temporary speed limit during and after special events.

Body

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Part 2 of Common Council File Number 070317 is repealed.

Title

Resolution directing the Department of Administration - Office of Emergency Management and Homeland Security to apply for a Hazard Mitigation Grant to repair flood-damaged homes, or purchase and raze them.

Analysis

This resolution directs the Department of Administration - Office of Emergency Management and Homeland Security apply for a grant through the Hazard Mitigation Grant Program to repair flood-damaged homes, or purchase and raze damaged homes which are beyond repair.

The Wisconsin Division of Emergency Management, administrator of the grant program, estimates total Hazard Mitigation Grant Program awards for the state stemming from the rainstorms of July, 2010, will be approximately \$2.4 million. Preference for grant awards will be given to communities in counties which were declared federal disaster areas, including Milwaukee County.

These grants are competitive, and the state Division of Emergency Management expects grant applications will exceed available funds.

The City of Milwaukee will be expected to pay 12.5% if grants are awarded, while the State of Wisconsin will fund another 12.5% and the remaining 75% of grant funding will come from the Federal Emergency Management Administration.

Body

Whereas, Many homes in Milwaukee sustained substantial flood damage during the heavy rainstorms of July, 2010; and

Whereas, The Hazard Mitigation Grant Program ("HMGP") is established by the Federal Emergency Management Administration to make grant awards to communities like Milwaukee to help repair flood-damaged homes which represent hazards to the health and safety of residents, or to purchase and raze flood-damaged home hazards which are beyond repair; and

Whereas, It is in the City's best interest to apply for these HMGP grants as soon as

File #: 100509, Version: 0

possible even though the application deadline is nearly a year away on August 11, 2011, because:

- 1. HMGP grants are competitive and the Wisconsin Division of Emergency Management expects grant applications will exceed available funds.
- 2. The Wisconsin Division of Emergency Management expects to mail out preapplication forms in September, 2010, and these pre-applications will be reviewed, scored and ranked with only the highest ranked pre-applications invited to make formal HMGP grant applications.

; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Department of Administration - Office of Emergency Management and Homeland Security is directed to complete as soon as possible the Wisconsin Division of Emergency Management preapplication process for a grant through the Hazard Mitigation Grant Program to repair flood-damaged homes, or purchase and raze damaged homes which are beyond repair, and to complete any and all formal HMGP applications requested, or for which the City is eligible; and, be it

Further Resolved, All City departments will promptly comply with any requests to identify properties for flood damage mitigation, gather information needed for the grant application, analysis or perform other tasks requested by the Department of Administration - Office of Emergency Management and Homeland Security to complete the HMGP pre-application or formal application process in a timely fashion.

Substitute resolution to vacate the western portion of the east-west alley in the block bounded by North 29th Street, North 30th Street, West Clarke Street and West Wright Street and to accept a quit claim deed to dedicate land for alley purposes, in the 15th Aldermanic District.

Analysis

This substitute resolution vacates the above portion of alley in accordance with vacation proceedings under power granted to the City of Milwaukee by Section 62.73, Wisconsin Statutes, and Section 308-28, Milwaukee Code of Ordinances and authorizes acceptance of a quit claim deed to dedicate land for a new public alley exit. This vacation was initiated by D4BMJCM Limited Partnership, on behalf of The Next Door Foundation, to allow for the consolidation of lands to the north and south of the alley. Body

Whereas, It is proposed that the western portion of the east-west alley in the block bounded by North 29th Street, North 30th Street, West Clarke Street and West Wright Street be vacated pursuant to the provisions of Section 62.73, Wisconsin Statutes; and

Whereas, To maintain alley access for adjoining property after vacation, the petitioner, D4BMJCM Limited Partnership, has offered to convey land to the City of Milwaukee ("City") for dedication for public alley purposes and to construct the alley at its cost; and

Whereas, The Department of Public Works has been directed to prepare a coordinated report estimating all costs and benefit assessments that will be incurred with said vacation and dedication; and

Whereas, That as provided by Section 62.73, Wisconsin Statutes, a lis pendens must be filed with the Milwaukee County Register of Deeds; and

Whereas, Said vacation has been reviewed in accordance with Section 308-28, Milwaukee Code of Ordinances; and

Whereas, The City Plan Commission has approved acquisition and dedication of land for public alley purposes; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that said portion of alley as indicated by Exhibit A and bound and described by:

That part of a variable width east-west alley in the Southeast 1/4 of Section 13, Township 7 North, Range 21 East, lying between the east line of North 30th Street extended and the southerly extension of the east line of the West 4.00 feet of Lot 4 in Block 4 of Blocks 2 and 3 and Parts of Blocks 4, 5 and 6, Germania Park, a recorded subdivision, in said 1/4 Section is vacated; and, be it

Further Resolved, That the vacation is contingent upon the petitioner, D4BMJCM Limited Partnership, conveying property to the City by quit claim deed to dedicate a new north-south, 20.00-foot wide public alley in the block bounded by North 29th Street, North 30th Street, West Clarke Street and West Wright Street, described as follows:

The East 20.00 feet of the West 24.00 feet of Lot 4 in Block 4 of Blocks 2 and 3 and Parts of Blocks 4, 5 and 6, Germania Park, a recorded subdivision, in the Southeast 1/4 of Section 13, Township 7 North, Range 21 East; and, be it

File #: 100360, Version: 1

Further Resolved, That a notice of pendency of said vacation has been recorded at the Milwaukee County Register of Deeds and the Commissioner of the Department of City Development may request a release of the lis pendens without Common Council action if said vacation is not approved; and, be it

Further Resolved, That the Commissioner of Public Works and/or the City Engineer are authorized to implement the actions listed in the coordinated report relating to said vacation and when a money deposit is required, it must be deposited prior to implementing said actions; and, be it

Further Resolved, That as provided by Section 62.73, Wisconsin Statutes, said vacation shall not terminate the easements and rights incidental thereto acquired by or belonging to any county, town, village or city, or to any utility or person in any underground structures, improvements or services, as enumerated or otherwise existing in said description of land above described, both easements and rights and all rights of entrance, maintenance, construction and repair with reference thereto shall continue as if said portion of alley had not been vacated; and, be it

Further Resolved, That the City is authorized to accept a quit claim deed from D4BMJCM Limited Partnership and to dedicate the land for public alley purposes as illustrated on Exhibit A and as legally described above.

Drafter DCD:VLK:ear 09/02/10

September 1, 2010

To the Honorable Members of the Public Works Committee City of Milwaukee

Dear Committee Members:

File No. 100360 vacates the western portion of the east-west alley in the block bounded by North 29th Street, North 30th Street, West Clarke Street, and West Wright Street and acceps of a quit claim deed to dedicate a portion to dedicate land for alley purposes, in the 15th Aldermanic District.

This vacation was initiated by D4BMJCM Limited Partnership, on behalf of the Next Door Foundation, to allow for consolidation of lands to the north and south of the alley. A new alley leg will be constructed to allow for circulation through the alley.

The Department of Public Works Coordinated Report contains no stated objections to the proposed vacation. At the request of the Commissioner of Public Works, the petitioner has provided:

Construct new alley leg Relocate an alley light and a street light	\$37,500.00 \$3,650.00
Benefit assessments	\$975.90
Total	\$42,125.90

Since the proposed vacation is not in conflict with City plans, the City Plan Commission at its regular meeting on August 23, 2010, recommended approval of the subject file.

Sincerely,

Rocky Marcoux
Executive Secretary

Title

Resolution authorizing the Commissioner of Public Works to execute an agreement with the Wisconsin Department of Transportation for the programming and construction of the improvement of US 41 (Stadium Freeway) between West Lisbon Avenue and I-94, and to set up plan review costs, with Federal and State aid under the State Trunk Highway Program, with an estimated cost of \$20,000 for plan review, and being 100% City funded.

Analysis

This resolution directs the Commissioner of Public Works to execute a project agreement with the Wisconsin Department of Transportation for programming and construction of the improvement of US 41 (Stadium Freeway) between West Lisbon Avenue and I-94 under the State Trunk Highway Program. Approval of the agreement with the WisDOT will enable the project to be undertaken using 100 percent Federal/State aid for preliminary engineering and construction costs. The estimated total cost of the project is \$13,805,000 of which the City of Milwaukee's construction share for non-participating items is estimated to be \$5,000 and the grantor share is \$13,800,000. Approval for construction costs will be in a future resolution. City of Milwaukee costs for plan review, which will be funded 100 percent by the City of Milwaukee, are estimated to be \$20,000.

Body

Whereas, US 41 (Stadium Freeway) between West Lisbon Avenue and I-94 is scheduled for improvement in 2013 as part of the Wisconsin Department of Transportation's (WISDOT) State Trunk Highway Program; and

Whereas, The WISDOT will undertake the necessary preliminary engineering and plan preparation for the improvement; and

Whereas, The WISDOT has submitted an agreement to the City of Milwaukee for the programming and construction of the project with Federal/State aid under the State Trunk Highway Program; and

Whereas, Approval of the agreement by the WISDOT will enable the project to be undertaken with 100 percent Federal/State aid for preliminary engineering and construction costs, the City's share of the construction cost being based on a ratio of on-street parking permitted, coupled with items such as water and sanitary sewer adjustments being non-participating and funded 100 percent by the City of Milwaukee; and

Whereas, The City of Milwaukee may need to install traffic control and/or street lighting facilities in conjunction with this project, the cost of which will be included in future resolutions; and

Whereas, The state cannot proceed with any project cost overruns and/or changes in scope of more than five percent without prior DPW approval; and

Whereas, The DPW shall notify the Common Council of the City of Milwaukee at the next scheduled meeting of any such project cost overruns and/or changes in scope approved by DPW; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be 100 percent liable for any such project cost overruns and/or changes in scope as approved by the DPW; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be liable for any cost incurred by the State should the City decide to withdraw from the project; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works (CPW) is hereby authorized to execute the agreement for programming and construction of the improvement of US 41 (Stadium

Freeway) between West Lisbon Avenue to I-94 with Federal/State aid under the State Trunk Highway Improvement Program, a copy of which is attached to Common Council File No. 100500 and is incorporated in this resolution by reference as though set forth in full; and, be it

Further Resolved, That the CPW is hereby authorized to enter into an agreement with the WISDOT pertaining to the cost participation for the installation and/or modification of traffic control facilities and/or street lighting facilities in conjunction with the improvements of the aforementioned projects; and, be it

Further Resolved, That the CPW is hereby authorized to install the traffic control and/or street lighting facilities necessary in conjunction with the aforementioned projects, following the execution of the traffic control and/or street lighting agreements, the cost of which will be included in future resolutions; and

Further Resolved, By the Common Council of the City of Milwaukee that the Comptroller is hereby authorized to create within the Capital Improvement Fund, Grand and Aid Projects the necessary Project/Grant Chartfield Values for the plan review (State I.D. 1350-09-00) and transfer to this account the amount required under the grant agreement and City Accounting Policy but not to exceed a 10 percent increase of the total amounts reserved for grantor's share and local share of \$5,000, whichever is greater as follows:

To the Honorable, the Common Council

Subject: Project I.D. 1350-09-00

US 41 (Stadium Freeway) I-94 – Lisbon Avenue

Dear Council Members:

The Wisconsin Department of Transportation (WISDOT) has programmed the subject project for construction in 2013 as part of the State Trunk Highway Program.

US 41 (Stadium Freeway) between West Lisbon Avenue and I-94 lies within the City of Milwaukee. Consequently, we have received a project agreement from the WISDOT to be executed by the City for its programming and construction. Preliminary engineering and construction costs for this project will have 100 percent Federal/State participation. The City of Milwaukee will be responsible for its non-participating costs.

City of Milwaukee costs for plan review, estimated at \$20,000, and non-participating construction costs such as water and sanitary sewer adjustments, estimated at \$5,000, will be funded 100 percent by the City of Milwaukee.

Attached is a resolution which authorizes the Commissioner of Public Works to execute the project agreement with the WISDOT for the programming and construction of the subject project with Federal/State aid. This resolution also authorizes the City Comptroller to transfer funds to the project sub account for the plan review cost to be conducted by the City of Milwaukee.

Very truly yours,

TERMS AND CONDITIONS:

- The initiation and accomplishment of the improvement will be subject to the applicable Federal and State regulations.
- 2. The Municipality will pay to the State all costs incurred by the State in connection with the improvement which exceeds Federal/State financing commitments or are ineligible for Federal/State financing. The Municipality's concurrence is required before award of the contract for the improvement when the contracts exceed 5% of the estimate. The Municipality must also concur with contract modifications to contracts awarded by the State over \$25,000.00, unless the authorized representative of the State determines that a prompt change order is needed to preserve the work in progress, prevent extraordinary damage avoid unreasonable & costly delay, or other extraordinary condition of necessity, safety or emergency exists. The authorized representative of the State shall provide notice of the prompt change order to the Municipality or its authorized representative as soon as practicable thereafter and the Municipality shall pay its share of the prompt change order cost.
- 3. Funding of each project phase (preliminary engineering, real estate, construction, and other) is subject to inclusion in an approved program. Federal aid and/or State transportation fund financing will be limited to participation in the costs of the following items as specified in the estimate summary:
 - (a) The grading, base, pavement, and curb and gutter.
 - (b) Catch basins and inlets for surface water drainage of the improvement, with connections to the storm sewer main.
 - (c) Construction engineering incident to inspection and supervision of actual construction work.
 - (d) Signing and pavement marking, including detour routes.
 - (e) Storm sewer mains necessary for the surface water drainage.
 - (f) Construction of new sidewalks and driveways, replacement of sidewalks and private driveways resulting from roadway construction.
 - (g) New installations or alteration resulting from roadway construction of standard State street lighting and traffic signals or devices.
 - (h) Real Estate for the improvement.
 - (i) Preliminary engineering and state review services.
- 4. Work necessary to complete the improvement to be financed entirely by the Municipality or other utility or facility owner includes the following items:
 - (a) New installations of or alteration of sanitary sewers and connections, water, gas, electric, telephone, telegraph, fire or police alarm facilities, parking meters, and similar utilities.
- 5. As the work progresses, the Municipality will be billed for work completed which is not chargeable to Federal/State funds. Upon completion of the project, a final audit will be made to determine the final division of costs.
- If the Municipality should withdraw the project, it shall reimburse the State for any costs incurred by the State in behalf of the project.
- 7. The work will be administered by the State and may include items not eligible for Federal/State participation.
- 8. The Municipality shall at its own cost and expense:
 - (a) Maintain all portions of the project that lie within its jurisdiction for such maintenance through statutory requirements, in a manner satisfactory to the State and shall make ample provision for such maintenance each year.
- 9. Basis for local participation:

Funding for preliminary engineering - 100% State

Funding for construction of standard roadway items – 100% State

Analysis

This resolution authorizes the Commissioner of Public Works and Comptroller to execute a Project Agreement with the Wisconsin Department of Transportation for expansion of a traffic adaptive signal system under the Congestion Mitigation/Air Quality Program funds for project in the 8th, 11th, and 13th Aldermanic Districts. The total estimated cost of the project is \$570,000 with a grantor share of \$456,000, and a City share of \$114,000. The total estimated preliminary engineering cost for the project is \$150,000, with a grantor share of \$120,000 and a City share of \$30,000. Approval of construction costs will be in a future resolution.

Body

Whereas, Phase I of a proposed traffic adaptive signal system is currently under design for installation in 2011 in the area bounded by West Lincoln Avenue, West Morgan Avenue, South 43rd Street, and South 27th Street; and

Whereas, The submittal of a Congestion Mitigation/Air Quality (CMAQ) grant application for the Phase II expansion of the proposed traffic adaptive signal system to the Wisconsin Department of Transportation (WISDOT) was approved by the Common Council under File Number 061545; and

Whereas, Preliminary approval has been requested and received from WISDOT, along with a Project Agreement to be executed by the City of Milwaukee, for the programming and construction of the project under the 2011 CMAQ Program; and

Whereas, WISDOT has submitted a Project Agreement for execution by the City of Milwaukee for the design and construction of:

Congestion Mitigation/Air Quality Program Expansion of Traffic Adaptive Signal System

August 18, 2010

To the Honorable, the Common Council

Subject: Congestion Mitigation/Air Quality Program

Expansion of Traffic Adaptive Signal System

Dear Council Members:

The Wisconsin Department of Transportation (WISDOT) has transmitted the attached Project Agreement to be executed by the City of Milwaukee for programming and construction of the expansion of a traffic adaptive signal system in the area bounded by West Lincoln Avenue, West Morgan Avenue, South 43rd Street, and South 27th Street.

The proposed improvements will reduce congestion at the traffic signals included in the project by adjusting traffic signal timings according to changes in traffic flow. The total estimated cost of the project is \$570,000, with a grantor share of \$456,000 and a City share of \$114,000. The estimated preliminary engineering cost of the project is \$150,000, with a grantor share of \$120,000 and a City share of \$30,000.

We have prepared and recommend adoption of the attached resolution authorizing the Commissioner of Public Works and the City Comptroller to execute the Project Agreement. The resolution also directs the City Comptroller to transfer funds to the project sub-account for the City's share of preliminary engineering costs.

Very truly yours,

Terms and Conditions:

- 1. The initiation and accomplishment of the improvement will be subject to the applicable State and Federal laws, rules, and regulations, as referenced in the document A Sponsor's Guide to Non-Traditional Transportation Project Implementation.
- The construction of the CMAQ project will be in accordance with the appropriate standards unless an exception to standards is granted by the Federal Government or WisDOT prior to construction. The entire cost of the construction project, not constructed to standards, will be the responsibility of the Project Sponsor unless such exception is granted.
- 3. The Project Sponsor will assume all responsibility for complying with germane environmental requirements for the CMAQ project.
- 4. Where applicable, all contracts will be let by competitive bid and awarded to the lowest responsible bidder. All contracts for design related services shall be awarded and administered in accordance with the requirements of 23 CFR 172 and procedures published in the Wisconsin Department of Transportation Facilities Development Manual (FDM), Chapter 8, Consulting Services.
- 5. The work eligible for Federal and State participation will be administered by the Project Sponsor and/or WisDOT. The authority for the Federal Government and the State to delegate this responsibility is described in ISTEA of 1991, P.L. 102-240, as amended by the Transportation Equity Act for the 21st Century (TEA-21).
- 6. The Project Sponsor will assume all responsibility for complying with the applicable Disadvantaged Business Enterprise (DBE) goal assigned to this project. The DBE goal is waived if the Project Sponsor constructs the project with its own permanent staff and if the project is not subcontracted out.
- 7. The maximum participation of Federal financing will be limited to 80% of the actual eligible project cost or the Total Cost Distribution of CMAQ Funds, as shown on page 1 of this agreement, whichever is less.
- 8. The Project Sponsor will assume all responsibility for retaining a complete project file that includes not only construction documentation but also copies of letting documents, all local and WisDOT submittals and approvals contained in these instructions and other pertinent documents to support project procurement, development, implementation and cost and any other item required by 49 CFR part 18 and submitting such information, upon request, in order to receive reimbursement. The Project Sponsor will keep all project records and have them available for inspection by representatives of the Federal Government and WisDOT and will furnish copies thereof when requested.
- 9. Federal Single Audits of the Project Sponsor:
 - a) The Project Sponsor shall have a single organization audit performed by a qualified independent auditor if required to do so under Federal law and regulations. (See Federal Office of Management and Budget (OMB) Circular No. A-133.)
 - b) This audit shall be performed in accordance with federal OMB Circular No. A-133 and State single audit guidelines issued by the Wisconsin Department of Administration (DOA).
 - c) The Project Sponsor will keep records of costs of construction, inspection tests and maintenance done by it to enable the federal government and the state to review the amount and nature of the expenditure for those purposes. Such accounting records and any other related records shall be retained for three years from the date of final payment. If any litigation, claim, or audits are started before the expiration of the three year period, the records shall be retained until all litigations, claims or audit findings involving the records have been resolved.

State Disbursements:

- a) Payment by WisDOT to the Project Sponsor shall be made on a quarterly basis upon presentation of vouchers for expenditures incurred during prior quarterly periods of the project duration subject to the allowable maximum payment, as referenced above in Section 7.
- b) A final adjustment of state payments will be made upon completion of WisDOT's audit of the project. If WisDOT's audit establishes that WisDOT paid more than its share of the eligible project costs, the Project sponsor shall refund to WisDOT upon demand a sum equal to the overpayment.
- 11. The Project Sponsor will maintain, at its own costs and expense, all portions of the project that lie within its jurisdiction.
- 12. In connection with the performance of work under this Project Agreement, the Project Sponsor agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability as define in S. 51.01(5), sexual orientation or national origin. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. Except with respect to sexual orientation, the Project Sponsor further agrees to take affirmative action to ensure equal employment opportunities. The Project Sponsor agrees to post in conspicuous places, available for employees and applicants for employment, notices to be provided by the employment officer setting forth the provisions of the nondiscrimination clause.
- 13. Responsibility for Damage and Tort Claims: The Project Sponsor and the Project Sponsor's surety shall indemnify and save harmless the State, its officers and employees, from all suits, actions or claims of any character brought because of any injuries or damages received or sustained by any person, persons or property on account of the operations of the Project Sponsor; or on account of or in consequence of any neglect in safeguarding the work; or because of any act or omission, neglect or misconduct of the Project Sponsor; or because of any claims or amounts recovered for any infringement by the Project Sponsor of patent, trademark or copyright; or from any claims or amounts arising or recovered under the Worker's Compensation Act, relating to the Project Sponsor's employees; or any other law, ordinance, order or decree relating to the Project Sponsor's operations. So much of the money due the Project Sponsor under and by virtue of the contract as shall be considered necessary by WisDOT for such purposes, may be retained for the use of the State; or, in case no money or insufficient money is retained, the Project Sponsor's surety may be held until such suit or suits, action or actions, claim or claims for injuries or damages as aforesaid shall have been settled and suitable evidence to that effect furnished to WisDOT; except that money due the Project Sponsor will not be withheld when the Project Sponsor produces satisfactory evidence that the Project Sponsor is adequately protected by public liability and property damage insurance. The Project Sponsor also shall comply with all of the above requirements indemnifying and saving harmless the county, town, or municipality in which the improvement is made and each of them separately or jointly and officers and employees.

The State shall not be liable to the Project Sponsor for damages or delays resulting from work by third parties. The State also shall be exempt from liability to the Project Sponsor for damages or delays resulting from injunctions or other restraining orders obtained by third parties except where the damage or delay is a direct result of an injunction or restraining order obtained by a citizen's action alleging violations of 42 U.S.C. 4331 - 4332, 23 U.S.C. 138 or Public Law 91-646.

It shall be the Project Sponsor's responsibility to see that all of the contract operations incident to the completion of the contract are covered by public liability and property damage liability insurance so the general public or any representative of the contracting authority may have recourse against a responsible party for injuries or damages sustained as a result of the contract operations This requirement shall apply with equal force, whether the work is performed by the

Project Sponsor, by a subcontractor or by anyone directly or indirectly employed by either of them.

- a) The word, "surety" in the above paragraphs refers to the issuer of a payment and performance bond under section 779.14 Wis. Stats. (1997-1998).
- b) Nothing in this section should be construed as a waiver of any statutory defenses that may be available to any governmental party.
- 14. No term or provision of the Project Agreement or any of its attachments may be changed, waived or terminated orally but only by an instrument in writing signed by both parties to the Project Agreement.
- 15. The project must be completed within three years from the acceptance date of the Project Agreement by WisDOT central office. Extensions are available upon approval of a written request by the Project Sponsor to WisDOT. The written request shall explain the reasons for project implementation delay and revised timeline for project completion.
- 16. The Project Sponsor, also known as the primary participant, as that term is defined in 49 CFR Part 29, certifies to the best of its knowledge and belief, that it and its principals, as that term is defined in 49 CFR Part 29:
 - Are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded by any State of Wisconsin or Federal department or agency;
 - b) Have not, within a three year period preceding this agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated above;
 - d) Have not within a three-year period preceding this agreement had one or more public transactions (Federal, State or local) terminated for cause or default; and
 - e) That all grantees or contractors, also known as lower tier participant as that term is used in 49 CFR Part 29, have certified in writing that neither they or their principals are presently debarred, suspended, proposed for debarment have been declared ineligible, or have voluntarily been excluded from participation in this or any other Federal, state or local transaction by any Federal, State or local department, agency or official.

Title

Resolution relative to the cost participation and installation of traffic control signal improvements on South Cesar Chavez Drive from West Greenfield Avenue to West National Avenue under a Highway Safety Improvement Program project in the 12th Aldermanic District at a total estimated cost of \$149,739.22, with an estimated grantor share of \$134,765.30, and an estimated City share of \$14,973.92.

Analysis

Resolution relative to the cost participation and installation of traffic control signal improvements on South Cesar Chavez Drive from West Greenfield Avenue to West National Avenue under a Highway Safety Improvement Program project in the 12th Aldermanic District at a total estimated cost of \$149,739.22, with an estimated grantor share of \$134,765.30, and an estimated City share of \$14,973.92, and to install these improvements upon execution of the agreement. This resolution also authorizes the Comptroller to establish and transfer funds to the appropriate accounts for the project. The total estimated cost of the entire project is \$149,739.22, with a grantor share of \$134,765.30 and a City share of \$149,973.92.

Body

Whereas, The Project Agreement for the installation of traffic signal improvements under the 2010 Highway Safety Improvement Program (HSIP) was approved by the Common Council under File Number 040020; and

Whereas, The HSIP is intended to reduce the number and severity of vehicle and pedestrian crashes; and

Whereas, The intersection of South Cesar Chavez Drive and West Mineral Street meets federal warrants for signalization, and the installation of a new traffic control signal will provide a safer exchange of right-of-way at the intersection; and

Whereas, The installation of a High Intensity Activated Walk (HAWK) beacon to replace the pedestrian traffic control signal on South Cesar Chavez Drive south of West Scott Street will improve pedestrian and vehicular safety at the crossing as well as at the nearby signal at West Scott Street; and

Whereas, The total estimated cost of this project is \$149,739.22 for traffic control signal improvements; and

Whereas, Ten percent of the participating costs, or \$149,739.22, is not reimbursable and is included in the Division's 2010 Capital Purpose Project/Grant Number ST320100000; and

Whereas, Ninety Percent of the participating project cost, or \$134,765.30, is reimbursable from the Wisconsin Department of Transportation (WISDOT), and should be earmarked for this project in the 2010 Capital Grant and Aids Projects Fund Project/Grant Number SP032100100; and

Whereas, The State cannot proceed with any project cost overruns and/or changes in scope of more than 5% without prior Department of Public Works approval; and

Whereas, The Department of Public Works shall notify the Common Council of the City of Milwaukee at the next scheduled meeting of any such project cost overruns and/or changes in scope approved by the Department

of Public Works; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be 100% liable for any such project cost overruns and/or changes in scope as approved by the Department of Public Works; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be liable for any costs incurred by the State should the City decide to withdraw from the project; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works and the Comptroller are authorized to enter into a funding agreement and are directed to execute the contract with WISDOT for the installation of traffic control signal improvements under a Highway Safety Improvement Program project with unit prices based on a predetermined estimate prepared under the Federal/State aided highway program, a copy of which is attached to this resolution, and is incorporated into this resolution as though set forth in full; and, be it

Further Resolved, That upon approval of this contract, that the Commissioner of Public Works is directed to install and modify traffic control facilities at existing traffic control signals on South Cesar Chavez Drive from West Greenfield Avenue to West National Avenue, including the installation of a new traffic control signal at the intersection of South Cesar Chavez Drive and West Mineral Street and the installation of a HAWK beacon to replace the existing pedestrian traffic signal on South Cesar Chavez Drive south of West Scott Street; and, be it

Further Resolved, That upon approval of this contract, the City Comptroller is hereby authorized to create within the Capital Grant and Aid Projects Fund the appropriate Project/Grant Chartfield Value for this project; and transfer to these accounts the amount required under the agreement and City accounting policy, but not to exceed a ten% increase of the total amounts reserved for the grantor's share and local share or \$5,000, whichever is greater as follows:

South Cesar Chavez Drive-West Greenfield to West National Avenue

August 18, 2010

To the Honorable, the Common Council

Subject: 2010 Highway Safety Improvement Program

South Cesar Chavez Drive – West Greenfield Avenue to

West National Avenue

Dear Council Members:

The 2010 Highway Safety Improvement Program includes the improvement of traffic control devices on South Cesar Chavez Drive from West Greenfield Avenue to West National Avenue including the installation of a new traffic control signal at West Mineral Street and the installation of a HAWK beacon to replace the existing pedestrian signal south of West Scott Street. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

The total estimated cost of the project is \$149,739.22. Ninety percent of the total cost, or \$134,765.30, will be funded by the Wisconsin Department of Transportation (WISDOT). The local share or \$14,973.92 will be provided through the Division's existing Capital Improvement Program.

We have, therefore, prepared the attached resolution, which authorizes the Commissioner of Public Works to execute a Local Force Account (LFA) – Local contract with WISDOT that allows City forces to install and/or modify traffic control facilities on South Cesar Chavez Drive from West Greenfield Avenue to West National Avenue in the 12th Aldermanic District.

Very truly yours,

Jeffrey S. Polenske, P.E. City Engineer

This agreement is made and entered into by and between the Wisconsin Department of Transportation, designated the "Department", and the above-identified county or municipality, designated the "Local Governmental Unit", represented by its designees for constructing the above-specified project. The Department finds and determines that it is more feasible and advantageous for highway purposes to construct the identified project with the Local Governmental Unit's organization, forces, and equipment. The Department and Local Governmental Unit mutually agree to the provisions on the attached pages, which are made a part of this agreement.

The Local Governmental Unit agrees to construct the described project in accordance with the requirements of the Department, the approved plans when required for such project, in accordance with the Standard Specifications for Road and Bridge Construction and approved supplements as may be applicable, and in accordance with the special provisions made a part of this agreement. The word "contractor" as used in the specifications and special provisions shall, when applicable, be deemed to mean the Local Governmental Unit.

The provisions of Subsection 108.11 of the Standard Specifications, Liquidated Damages, are deleted from this agreement.

The Local Governmental Unit is authorized by the Department and agrees to provide for the purchase, delivery, and storing of all materials required except those excluded from this agreement, the furnishing or necessary rental of all equipment and small tools, and the furnishing of all labor necessary to expeditiously complete the work, and to pay all costs incurred pursuant to this agreement.

The Department agrees to reimburse the Local Governmental Unit for actual costs of equipment, labor and materials incurred in performing the work up to the agreement amount or as amended by agreement change orders.

The Department agrees to pay to the Local Governmental Unit and the Local Governmental Unit agrees to accept in full, settlement for the work performed under this agreement:

- The actual cost of labor, at rates currently paid by the Local Governmental Unit for similar work in the area, materials and incidental expense furnished or incurred by the Local Governmental Unit pursuant to this agreement, such payment to be based on a Detailed Statement of Expenditures, submitted monthly with the Monthly Report of Expenditures, or the Final Report of Expenditures upon completion of all work included in the agreement and verified by the Local Governmental Unit and by the Department.
- The recognized costs incident to the employment of labor under this agreement (such as worker's compensation insurance, unemployment and retirement contributions and time off with pay) computed and requisitioned in accordance with established policy.
- 3. An allowance for the use of equipment, tools and incidentals for the work under this agreement. Such allowance shall be in accordance with the provisions of, and at the rates either:

- (a) Specified in the Cost Agreement between the Department and the Local Governmental Unit in effect when the work is performed, except for the conditions, changes or additions as listed below, or as may be otherwise provided in the Special Provisions of this agreement; or.
- (b) Specified in the attached Equipment Rate schedule, or as may be otherwise provided in the special provisions of this agreement.

These payments shall be based on a Detailed Statement of Expenditures, submitted monthly with the Monthly Report of Expenditures, or the Final Report of Expenditures upon completion of all work included in the agreement and verified by the Local Governmental Unit and by the Department.

The rates established apply on equipment in good working order. Allowance will be made only for the time during which the equipment is in actual use on the project; no allowance will be made for equipment wholly inadequate or inefficient or in excess of the requirements of the work.

In connection with the performance of work under this agreement, the contractor agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability as defined in s.51.01(5) Wis. Stats., sexual orientation, or national origin. This provision shall include, but not be limited to. the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor further agrees to take affirmative action to ensure equal employment opportunities. The contractor agrees to post in conspicuous places, available for employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the nondiscrimination clause.

The Local Governmental Unit agrees to furnish, on the Detailed Statement of Expenditures, an accurate distribution of the costs between the various items of work.

The estimated unit costs of materials being used on this agreement are listed as attached.

Title

Resolution relative to the cost participation and installation of pedestrian countdown timers at eighty-five connecting highway traffic signal controlled intersections under a Highway Safety Improvement Program project in various Aldermanic Districts at a total estimated cost of \$433,890.03, with an estimated grantor share of \$390,501.03, and an estimated City share of \$43,389.00.

Analysis

Resolution relative to the cost participation and installation of pedestrian countdown timers at eighty-five connecting highway traffic signal controlled intersections under a Highway Safety Improvement Program project in various Aldermanic Districts at a total estimated cost of \$433,890.03, with an estimated grantor share of \$390,501.03, and an estimated City share of \$43,389.00, and to install these improvements upon execution of the agreement. This resolution also authorizes the Comptroller to establish and transfer funds to the appropriate accounts for the project. The total estimated cost of the entire project is \$433,890.03, with a grantor share of \$390,501.03 and a City share of \$43,389.00.

Body

Whereas, The Project Agreement for the installation of traffic signal improvements under the 2010 Highway Safety Improvement Program (HSIP) was approved by the Common Council under File Number 090888; and

Whereas, The HSIP is intended to reduce the number and severity of vehicle and pedestrian crashes; and

Whereas, The installation of pedestrian countdown timers at eight-five connecting highway traffic signal controlled intersections will improve pedestrian safety by providing pedestrians with the time remaining in the flashing "Don't Walk" before the start of the yellow signal, resulting in fewer pedestrian conflicts with vehicles: and

Whereas, The total estimated cost of this project is \$433,890.03 for traffic control signal improvements; and

Whereas, Ten percent of the participating costs, or \$43,389.00, is not reimbursable and is included in the Division's 2010 Capital Purpose Project/Grant Number ST320100000; and

Whereas, Ninety Percent of the participating project cost, or \$390,501.03, is reimbursable from the Wisconsin Department of Transportation (WISDOT), and should be earmarked for this project in the 2010 Capital Grant and Aids Projects Fund Project/Grant Number SP032100100; and

Whereas, The State cannot proceed with any project cost overruns and/or changes in scope of more than 5% without prior Department of Public Works approval; and

Whereas, The Department of Public Works shall notify the Common Council of the City of Milwaukee at the next scheduled meeting of any such project cost overruns and/or changes in scope approved by the Department of Public Works; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be 100% liable for any

such project cost overruns and/or changes in scope as approved by the Department of Public Works; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be liable for any costs incurred by the State should the City decide to withdraw from the project; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works and the Comptroller are authorized to enter into a funding agreement and are directed to execute the contract with WISDOT for the installation of traffic control signal improvements under a Highway Safety Improvement Program project with unit prices based on a predetermined estimate prepared under the Federal/State aided highway program, a copy of which is attached to this resolution, and is incorporated into this resolution as though set forth in full; and, be it

Further Resolved, That upon approval of this contract, that the Commissioner of Public Works is directed to install pedestrian countdown timers at eighty-five connecting highway traffic signal controlled intersections at locations indicated on the map attached to this resolution; and, be it

Further Resolved, That upon approval of this contract, the City Comptroller is hereby authorized to create within the Capital Grant and Aid Projects Fund the appropriate Project/Grant Chartfield Value for this project; and transfer to these accounts the amount required under the agreement and City accounting policy, but not to exceed a ten% increase of the total amounts reserved for the grantor's share and local share or \$5,000, whichever is greater as follows:

Countdown Grant #1 (85 Connecting Highway Intersections)

August 18, 2010

To the Honorable, the Common Council

Subject: 2010 Highway Safety Improvement Program

City of Milwaukee, Various Intersections Countdown Timers #1

Dear Council Members:

The 2010 Highway Safety Improvement Program includes the installation of pedestrian countdown timers at eighty-five traffic signal controlled connecting highway intersections. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

The total estimated cost of the project is \$433,890.03. Ninety percent of the total cost, or \$390,501.03, will be funded by the Wisconsin Department of Transportation (WISDOT). The local share or \$43,389.00 will be provided through the Division's existing Capital Improvement Program.

We have, therefore, prepared the attached resolution, which authorizes the Commissioner of Public Works to execute a Local Force Account (LFA) – Local contract with WISDOT that allows City forces to install pedestrian countdown timers at eighty-five traffic signal controlled connecting highway intersections in various Aldermanic Districts.

Very truly yours,

Jeffrey S. Polenske, P.E. City Engineer

The Local Governmental Unit agrees to construct the described project in accordance with the requirements of the Department, the approved plans when required for such project, in accordance with the Standard Specifications for Road and Bridge Construction and approved supplements as may be applicable, and in accordance with the special provisions made a part of this agreement. The word "contractor" as used in the specifications and special provisions shall, when applicable, be deemed to mean the Local Governmental Unit.

The provisions of Subsection 108.11 of the Standard Specifications, Liquidated Damages, are deleted from this agreement.

The Local Governmental Unit is authorized by the Department and agrees to provide for the purchase, delivery, and storing of all materials required except those excluded from this agreement, the furnishing or necessary rental of all equipment and small tools, and the furnishing of all labor necessary to expeditiously complete the work, and to pay all costs incurred pursuant to this agreement.

The Department agrees to reimburse the Local Governmental Unit for actual costs of equipment, labor and materials incurred in performing the work up to the agreement amount or as amended by agreement change orders.

The Department agrees to pay to the Local Governmental Unit and the Local Governmental Unit agrees to accept in full, settlement for the work performed under this agreement:

- 1. The actual cost of labor, at rates currently paid by the Local Governmental Unit for similar work in the area, materials and incidental expense furnished or incurred by the Local Governmental Unit pursuant to this agreement, such payment to be based on a Detailed Statement of Expenditures, submitted monthly with the Monthly Report of Expenditures, or the Final Report of Expenditures upon completion of all work included in the agreement and verified by the Local Governmental Unit and by the Department.
- The recognized costs incident to the employment of labor under this agreement (such as worker's compensation insurance, unemployment and retirement contributions and time off with pay) computed and requisitioned in accordance with established policy.
- An allowance for the use of equipment, tools and incidentals for the work under this agreement. Such allowance shall be in accordance with the provisions of, and at the rates either:

- (a) Specified in the Cost Agreement between the Department and the Local Governmental Unit in effect when the work is performed, except for the conditions, changes or additions as listed below, or as may be otherwise provided in the Special Provisions of this agreement; or
- (b) Specified in the attached Equipment Rate schedule, or as may be otherwise provided in the special provisions of this agreement.

These payments shall be based on a Detailed Statement of Expenditures, submitted monthly with the Monthly Report of Expenditures, or the Final Report of Expenditures upon completion of all work included in the agreement and verified by the Local Governmental Unit and by the Department.

The rates established apply on equipment in good working order. Allowance will be made only for the time during which the equipment is in actual use on the project; no allowance will be made for equipment wholly inadequate or inefficient or in excess of the requirements of the work.

In connection with the performance of work under this agreement, the contractor agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability as defined in s.51.01(5) Wis. Stats., sexual orientation, or national origin. This provision shall include, but not be limited to. the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation: and selection for training, including apprenticeship. The contractor further agrees to take affirmative action to ensure equal employment opportunities. The contractor agrees to post in conspicuous places, available for employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the nondiscrimination clause.

The Local Governmental Unit agrees to furnish, on the Detailed Statement of Expenditures, an accurate distribution of the costs between the various items of work.

The estimated unit costs of materials being used on this agreement are listed as attached.

Resolution authorizing the Commissioner of Public Works to execute a License Agreement with the Soo Line Railroad Company d/b/a Canadian Pacific Railroad, to permit the railroad to occupy City-owned right of way for bridge and track maintenance.

Analysis

This resolution authorizes the Commissioner of Public Works to execute a License Agreement with the Soo Line Railroad Company.

Body

Whereas, The Soo Line Railroad Company d/b/a Canadian Pacific Railroad has requested permission from the City of Milwaukee to occupy portions of City right of way to perform maintenance activities on railroad facilities; and

Whereas, The City right of way is excess land, not needed for transportation purposes; and

Whereas, The Soo Line Railroad Company has drafted License Agreement, 32032-01 which explicitly gives the railroad permission to occupy the lands for the purposes identified in the agreement, said agreement is attached to this file and made part of this resolution; now, therefore be it

Title

Resolution relative to application, acceptance and funding of a 2010 and 2011 Vehicle Miles of Travel Monitoring Grant.

Analysis

This resolution authorizes the Commissioner of Public Works to apply for, accept and fund a 2010 and 2011 Vehicle Miles of Travel Monitoring Grant project from the Wisconsin Department of Transportation in the amount of \$92,655. The purpose of the project is to collect traffic count data to monitor traffic flow patterns in the City of Milwaukee.

Body

Whereas, The City of Milwaukee appears to be eligible for grant funds from the Wisconsin Department of Transportation to provide expanded monitoring of roadway usage levels and travel characteristics in the City of Milwaukee; and

Whereas, The operation of this grant project from October 1, 2010 to September 30, 2011 would cost \$92,655 and would be provided by the grantor; now, therefore, be it

Resolved, by the Common Council of the City of Milwaukee, that the Commissioner of Public Works and Comptroller are here by authorized to make application to the Wisconsin Department of Transportation through execution of the agreement attached and incorporated in this resolution; and, be it

Further Resolved, That the Department of Public Works shall accept this grant without further approval unless the terms of the grant change as indicated in Section 304-81 of the Milwaukee Code of Ordinance; and, be it

Further Resolved, That the City Comptroller is authorized to:

1. Commit Funds within the Project/Grant Parent of the 2010 Special Revenue Grant and Aid Projects Fund the following amounts for the program/project titled 2010 and 2011 Vehicle Miles of Travel Monitoring Project:

To the Honorable, the Common Council

Subject: 2010 and 2011 Vehicle Miles of Travel Monitoring Grant

Dear Council Members:

In compliance with requirements of the Clean Air Act Amendment, the Wisconsin Department of Transportation is required to closely monitor traffic levels and changes in traffic patterns on the highway system in the Southeastern Wisconsin Ozone Non-attainment Area. To meet these requirements, WISDOT has requested to use City of Milwaukee traffic count data collected under our annual traffic counting program, and to expand the program as needed to meet the stricter data collection standards imposed on them. As part of their request, funding will be provided for all traffic counts beyond those normally collected by the City, as well as all necessary training for City employees involved in the traffic data collection. Similar grants have been provided to the City by WISDOT for this purpose on an annual basis since the inception of this program in 1993. Traffic volume counts to be completed in 2010 and 2011 include counts on roadways in the southern and central portions of the City.

The estimated cost of the expanded traffic count program for 2010 and 2011 is \$92,655 which will be funded by the Wisconsin Department of Transportation.

We have prepared and recommend adoption of the attached resolution, which authorizes the City Engineer to apply for and accept funding for the 2010 and 2011 Vehicle Miles of Travel Monitoring Grant, and to perform all work outlined in the Grant agreement. The resolution also authorizes and directs the City Comptroller to establish all necessary accounts, and to make appropriations to these accounts in the amounts set forth in the Grant agreement.

Very truly yours,

Jeffrey S. Polenske, P.E. City Engineer

Project/Program Title: 2010-11 Vehicle Miles of Travel Grant

Grantor Agency: Wisconsin Department of Transportation

Grant Application Date: October 1, 2010 through September 30, 2011

Anticipated Award Date: October 1, 2010

Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations);

As required by the Clean Air Act Amendment, the Wisconsin Department of Transportation must monitor highway usage in the Southeastern Wisconsin Ozone Non-Attainment Area. As an indicator of reductions in vehicle usage needed to meet emission reduction goals, the DOT must monitor changes in traffic demand on the arterial roadway system in Southeastern Wisconsin. Traffic counts must therefore be taken on each arterial roadway segment, and on a sample of local roadways, to determine current roadway usage levels. To meet these requirements, Wisconsin DOT has requested to use traffic count data obtained by the City of Milwaukee under its annual traffic count program, and to expand the program as necessary to provide coverage of the entire City. Funding for all traffic counts beyond those nonnally completed by the City, as well as training for City employees involved in the collection of traffic count data, will be provided by Wisconsin DOT under this grant project.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

The program funds expansion of the City's traditional traffic count program to more closely monitor travel trends in the City of Milwaukee, which will allow a more complete, concise and timely evaluation of the impact of the City's effort to reduce single occupant vehicle use in the City.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

The additional funding received under similar Grants provided by Wisconsin DOT during past years has allowed the City to nearly double the number of counts typically completed on an annual basis. While allowing the City and DOT to monitor the impact of vehicle emission reduction efforts, the expanded count program has also provided improvement to the City's traffic data base. Current traffic count data is more readily available for facility design and operational needs, and has consistently reduced the costs of many projects completed by eliminating data collection needs.

4. Results Measurement/Progress Report (Applies only to Programs):

Not applicable.

5. Grant Period, Timetable and Program Phase-out Plan:

The Grant is to cover work beginning October 1, 2010, to be completed by September 30, 2011. Training of City staff in current traffic count procedures and technology will occur in fall of 2010 and in early April of 2011. Traffic count data collection will begin in October 1, 2010 with traffic counts scheduled to be taken in the southern portions of the City, and at any remaining locations in the northern portion of the city not completed during the prior year's program. All 2010 counts are to be completed by late October/early November of that calendar year. All 2010 data reduction and analysis required is to be completed by December 31 of that calendar year. In spring of 2011 any traffic counts left from the 2010 season will be completed. Traffic counts had been completed under similar projects beginning in 1993. The traffic data collected in the southern portions of the city will be compared by DOT with traffic counts taken in this area in 2007 to determine any changes in traffic patterns in the area. It is anticipated that grant funding will again be available for the Federal fiscal year, beginning in September, 2011.

AGREEMENT BETWEEN THE WISCONSIN DEPARTMENT OF TRANSPORTATION DIVISION OF HIGHWAYS AND TRANSPORTATION SERVICES AND THE CITY OF MILWAUKEE

PROJECT I.D. 0093-13-32

This Agreement made and entered into by and between the Wisconsin Department of Transportation, hereinafter called the DEPARTMENT, and the City of Milwaukee, Department of Public Works, hereinafter called the CITY, provides for those services described in detail below.

To meet the travel monitoring requirements included in the Federal Clean Air Act Amendments (CAAA) of 1990, the DEPARTMENT, the Wisconsin Department of Natural Resources (DNR), the Federal Highway Administration (FHWA), and the Federal Environmental Protection Agency (EPA), noticed in 1993 that actual vehicle miles of travel (VMT) would be determined in the Southeastern Wisconsin Air Quality Non-Attainment Area, using the Department's established coverage traffic count program, enhanced with a sample of local function roads and an expanded control count program. This resulted in a 50% increase in counting effort by the DEPARTMENT's District 2, not including any counts within the City of Milwaukee.

Because the CITY had a long established traffic count program, the DEPARTMENT deemed it advisable to have the CITY expand its existing program to the enhanced program standards, rather than have the DEPARTMENT duplicate or replace the CITY's efforts.

It is the intent of this Agreement that the CITY provide the enhanced traffic counting services for roadways within jurisdictional boundaries of the City of Milwaukee. The scope of the 2010-11 enhanced traffic counting work to be performed by the CITY is indicated by the following estimates of traffic counting services and costs:

The City of Milwaukee, Department of Public Works, Infrastructure Services Division shall:

- Perform 48-hour weekday traffic volume counts on all links of routes in the City of Milwaukee functionally classified as arterials and collectors. For purposes of this agreement, a link is defined as a segment of a functionally classified route between intersections with two other routes classified as arterials or collectors.
- 2. Perform 48-hour weekday traffic counts on a randomly selected sample of local function routes in the City of Milwaukee, with specific count locations to be defined by the DEPARTMENT.

- 3. Counts to be taken during calendar year 2010 will be in the northern, and counts to be taken during calendar year 2011 will be in the southern portions of the City of Milwaukee.
- 4. Provide 7-day control counts during the four seasonal quarters of the year. Nine counts will be required for each functional classification of roadway (arterial, collector, and local). The City's "Key Count" program will be used as part of this control count program.
- 5. Provide the necessary vehicle for the transportation of personnel and equipment assigned to the 2010 count program.
- 6. Provide the DEPARTMENT, within 2 weeks of count completion, one copy of all count data sent by email, and send copies of Traffic COMP III Field Reports, for all counts.
- 7. The counts defined in items 1 and 2 above will be distributed over a 3-year cycle. This agreement is intended to cover work completed during the period October, 2010 through September 30, 2011.

The cost of these services, by billing period, are summarized as follows:

October 1 through December 31, 2010	\$26 , 472
January 1 through March 31, 2011	\$13,239
April 1 through June 30, 2011	\$26,472
July 1 through September 30, 2011	\$26,472

Work specified and eligible for reimbursement under this Agreement will commence on October 1, 2010. It is expected that all 2010 field data collection covered under this contract will be completed by November 30, 2010, with all data collected to be delivered to the District office by December 31, 2010. All 2011 field data collection covered under this contract will be completed by September 30, 2011 with all data collected to be delivered to the district office by October 31, 2011.

The DEPARTMENT will provide reimbursement of actual costs for services and items provided by the City for the enhanced traffic count program. However, total reimbursement to the CITY shall not exceed \$92,655 without prior agreement and approval of both parties for any additional services provided. Cost reimbursement shall be full compensation for all wages, fringe benefits, proratables and incidentals included in the work, and shall include training and training related travel for a maximum of 4 CITY workers in traffic data collection policies, procedures and recommended practices of the DEPARTMENT as necessary for successful project completion. The costs included in this contract reflect costs that exceed the CITY's normal traffic count program.

The DEPARTMENT will supplement, on a loan basis, the CITY's present 13 portable traffic count machines, to a combined total of 30 to 34 machines. The DEPARTMENT will be responsible for the repair of the supplemental machines. The DEPARTMENT will provide the peripheral equipment, hardware and software needed to operate the machines, and a compatible lap-top personal computer for the downloading of data.

The use of CITY forces is considered to be in the public interest because the CITY currently operates a traffic count program, is familiar with the conditions and characteristics of the area to be counted, and have trained staff available to perform all necessary work.

The City will charge actual costs incurred and attributable to the aforementioned services as follows:

October 1 through December 31, 2010	I.D.	0093-13-32
January 1 through March 31, 2011	I.D.	0093-13-32
April 1 through June 30, 2011	I.D.	0093-13-32
July 1 through September 30, 2011	I.D.	0093-13-32

Billings to the DEPARTMENT shall consist of a statement of charges, supported by a description of items and services provided. Bills will be submitted quarterly, beginning December 31, 2009, within 14 calendar days of the end of the periods described above.

Resolution regarding Backup Power Generation for the Linnwood Purification Plant.

Analysis:

This resolution authorizes and directs the Commissioner of Public Works to award a contract for professional services for Backup Power Generation for the Linnwood Purification Plant to Black & Veatch Corporation. The executed contract will include the professional services of design, preparation of plans and specifications and construction management during the construction and installation associated with generators at the site.

Body:

Whereas, The Common Council, through the approval of the 2008 Water Works Capital Improvement Budget, provided funding for Backup Power Generation at the Linnwood Purification Plant which includes the services of design, preparation of plans and specifications and construction management during the construction for and installation of generators as well as procurement and installation of generators for the Linnwood Purification Plant; and

Whereas, It is impractical to develop precise bidding specification for these services; and

Whereas, Resolution File No. 041281 authorized the Commissioner of Public Works to issue a Request for Proposals and award a contract for professional services for the electric power reliability study for the Milwaukee Water Works; and

Whereas, After a competitive selection process, Black & Veatch Corporation was selected to perform the electric power reliability study for the Milwaukee Water Works; and

Whereas, Black & Veatch Corporation successfully completed the contract work that resulted in the conceptual approach accepted by the Milwaukee Water Works; and

Whereas, Resolution File No. 071421 authorized awarding a contract to the firm of Black & Veatch Corporation for professional services associated with providing backup power for the Riverside Pumping Station; and

Whereas, Black & Veatch Corporation has substantially completed the professional services associated with the Riverside Pumping Station Backup Power Generation Project; and

Whereas, Continuing with the firm of Black & Veatch Corporation allows Milwaukee Water Works to realize both cost and schedule efficiencies due in a large part to Black & Veatch Corporation's association with and response to City requirements and requirements of a Homeland Security

Resolution rescinding various special privileges that are no longer necessary.

Analysis

This resolution rescinds various special privileges granting permission for items to encroach into the public right-of-way because said items have been removed from the public right-of-way or are now permitted by the Milwaukee Code of Ordinances.

Body

Whereas, Said special privileges granted permission for various encroachments in the public right-of-way; and

Whereas, The special privileges listed below are no longer necessary because the subject items have be removed from the public right-of-way by the owner or are now permitted by the Milwaukee Code of Ordinances; and

Whereas, Property owners notified the Department of Public Works that they no longer need the special privilege granted them because the items had been removed from the public right-of-way; and

Whereas, The Milwaukee Code of Ordinances has been amended to allow some additional encroachments into the public right-of-way; and

Whereas, In order to release property owners from the insurance and annual special privilege fee requirements placed on the property owner as part of the granting of a special privilege, the Common Council needs to pass a resolution rescinding special privileges which are no longer needed; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the following special privilege resolutions are hereby rescinded:

To the Honorable, the Common Council

Dear Council Members:

Attached please find a resolution which rescinds special privileges that are no longer necessary because the items have been removed from the public right-of-way or the Milwaukee Code of Ordinances now permits the items to occupy the public right-of-way.

For items that have been removed from the public right-of-way, the Department of Public Works received notification from the property owners regarding the item removal. Site visits were made to confirm that the items in question have been removed from the public right-of-way satisfactorily.

Common Council Ordinance Number 091615 amended Chapter 245 of the Milwaukee Code of Ordinances to allow additional items to occupy the public right-of-way. Department of Public Works special privilege records were reviewed with respect to the amendments made to Chapter 245. Special privileges granting permission for items now permitted under Chapter 245 of the Milwaukee Code of Ordinances are included in the attached resolution to be rescinded.

Only the Common Council can rescind its resolutions. Thus, in order to release the special privilege grantees from the annual fee and insurance requirements of their special privileges, which are no longer needed, the attached resolution has been drafted. Additionally, the attached resolution, if passed, will allow for efficient management of special privileges.

Very truly yours,

Jeffrey S. Polenske, P.E. City Engineer

Title

Substitute resolution amending a special privilege for change of ownership to S-G Northport Apartments LLC for bollards for the premises at 2801 West Custer Avenue, in the 1st Aldermanic District.

Analysis

This resolution amends a special privilege for change of ownership to S-G Northport Apartments LLC for bollards for the premises at 2801 West Custer Avenue.

Body

Whereas, S-G investments requested permission to install and maintain nine bollards in the public right-of-way; and

Whereas, Permission for said bollards granted in 1992 under Common Council Resolution File Number 921293; and

Whereas, Subsequently, six of the bollards were removed from the public right-of-way; and

Whereas, S-G Northport Apartments LLC now owns the property; and

Whereas, For the liability for said bollards to be formally transferred to the current property owner, the Common Council needs to adopt an amending resolution; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Common Council Resolution File Number 921293 is hereby rescinded; and, be it

Further Resolved, That S-G Northport Apartments LLC, 9272 North Pelham Parkway, Milwaukee, Wisconsin 53217-1360, is hereby granted the following special privilege:

To keep and maintain three, concrete-filled bollards in the south, 24-foot wide sidewalk area of West Custer Avenue. Two of said bollards are centered approximately 21.5 feet north of the southline of West Custer Avenue and 401 and 411 feet east of the eastline of North Teutonia Avenue. The third bollard is centered approximately 14 feet north of the southline of West Custer Avenue and 293 feet east of the eastline of North Teutonia Avenue. All of said bollards are 5 inches in diameter and 3 feet in height.

Said above-mentioned bollards shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Said bollards shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

; and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege the grantee, S-G Northport Apartments LLC, shall:

- 1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
- 2. File with the Commissioner of Public Works a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more

than one person in any one accident and \$10,000 covering property damage to any own owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. The insurance policy shall provide that it shall not be cancelled until after at least thirty days' notice in writing to the Commissioner of Public Works.

- 3. Pay to the City Treasurer an annual fee, which has an initial amount of \$35.00. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
- 4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works and curb, pavement or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
- 5. Waive the right to contest in any manner the validity of Section 66.0425 of the Wisconsin Statutes (1999), or the amount of the annual fixed fee, payable on or before July 1st of each year.
- 6. Put this special privilege into use within one year after approval by the Common Council of the City of Milwaukee; failing to do so in the time specified, the Commissioner of Neighborhood Services shall have the authority to seek, by resolution, revocation of said special privilege.

Subject: Common Council Resolution File Number 091613

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 091613, being an amendment to a special privilege for change of ownership to S-G Northport Apartments LLC for bollards for the premises at 2801 West Custer Avenue.

S-G investments requested permission to install and maintain nine bollards in the public right-of-way in order to prevent truck traffic using loading docks on the north side of West Custer Avenue from driving over the curb and rutting the public sidewalk area on the south side of West Custer Avenue. Permission for said bollards granted in 1992 under Common Council Resolution File Number 921293. Subsequently, six of the bollards were removed from the public right-of-way. It should be noted that there is no paved public sidewalk in the south sidewalk area of West Custer Avenue.

We are not aware that the presence of said bollards has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will amend the ownership of the above special privilege, will amend the quantity of bollards of the above special privilege, and will formally allow said bollards to continue to occupy the public right-of-way.

Title

Substitute resolution amending a special privilege to Dos Locos LLC for removal of a masonry building façade and for addition of a sloped concrete step for the premises at 2252-66 North Prospect Avenue, in the 3rd Aldermanic District. Analysis

This resolution amends a special privilege to Dos Locos LLC for removal of a masonry building façade and for addition of a sloped concrete step for the premises at 2252-66 North Prospect Avenue.

Body

Whereas, Dos Locos LLC requested permission to keep and maintain a masonry façade and a covered walk in the public right-of-way; and

Whereas, Permission for said items was granted in 2001 under Common Council Resolution File Number 000964; and

Whereas, Subsequently, the building facade was removed from the public right-of-way; and

Whereas, A site visit revealed the presence of a ramped step projecting into the public right-of-way; and

Whereas, Said ramped step may only legally encroach into the public right-of-way by granting of a special privilege resolution adopted by the Common Council; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Common Council Resolution File Number 000964 is hereby rescinded; and, be it

Further Resolved, That Dos Locos LLC, 2266 North Prospect Avenue, Suite 604, Milwaukee, Wisconsin 53202, is hereby granted the following special privileges:

- 1. To construct and maintain a ramped, concrete step projecting 1 foot 7 inches into the south sidewalk area of East North Avenue. Said 6-foot long step is centered at a point approximately 67 feet east of the eastline of North Prospect Avenue.
- 2. To keep and maintain an 8-foot wide covered walk at the 2207 East North Avenue entrance to the building at 2266 North Prospect Avenue. Said covered walk is centered approximately 67 feet east of the easterly line of North Prospect Avenue and projects approximately 14 feet into the 17-foot wide south sidewalk area of East North Avenue. Each leg is braced with a diagonal support that is bolted to the ground 6 inches from the leg and that is attached to the outside of each leg at a point 4 feet about the adjacent sidewalk.

Said covered walk shall generally be constructed in accordance with the policies set forth in Common Council Resolution File Number 62-1211-a, adopted July 24, 1962. The covered walk frame shall be designed and supported to withstand snow and other loads of not less than 25 pounds per square foot applied in any direction. No guy wire brackets or diagonal braces shall be permitted lower than 8 feet above the sidewalk level except as described above. The coverings shall be of approved material. All fixtures and materials for illumination of the covered walks shall be indicated on the construction plans and approved prior to installation. No sign or advertising device shall be hung from, attached to, printed or painted on any part of the covered walks. The name, street number, or character of the business may be indicated only on the vertical portion of the covering and shall not exceed 8 inches in height.

Said above-mentioned items shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works

File #: 070173, Version: 1

and Department of Neighborhood Services.

Said items shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

; and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege the grantee, Dos Locos LLC, shall:

- 1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
- 2. File with the Commissioner of Public Works a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more than one person in any one accident and \$10,000 covering property damage to any own owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. Both bond and insurance policy shall provide that they shall not be cancelled until after at least thirty days' notice in writing to the Commissioner of Public Works.
- 3. Pay to the City Treasurer an annual fee, which has an initial amount of \$88.75. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
- 4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works and curb, pavement or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
- 5. Waive the right to contest in any manner the validity of Section 66.0425 of the Wisconsin Statutes (1999), or the amount of the annual fixed fee, payable on or before July 1st of each year.
- 6. Put this special privilege into use within one year after approval by the Common Council of the City of Milwaukee; failing to do so in the time specified, the Commissioner of Neighborhood Services shall have the authority to seek, by resolution, revocation of said special privilege.

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 070173, being an amendment to a special privilege to Dos Locos LLC for removal of a masonry building façade and for addition of a sloped concrete step for the premises at 2252-66 North Prospect Avenue.

Dos Locos LLC requested permission to keep and maintain a masonry façade and a covered walk in the public right-of-way and permission for said items was granted in 2001 under Common Council Resolution File Number 000964. Subsequently, the building façade was removed from the building and the public right-of-way. During a site visit, a ramped step was found to project into the public right-of-way of East North Avenue. This ramp, which appears to have been present for a number of years, is included in the attached special privilege resolution.

We are not aware that the presence of said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will formally allow said items to continue to occupy the public right-of-way.

Title

Substitute resolution granting a special privilege to Wired Ventures Brady LLC to construct and maintain a barrier free access ramp and two sets of steps in the public right-of-way for the premises at 928-32 East Brady Street, in the 3rd Aldermanic District.

Analysis

This resolution grants a special privilege to Wired Ventures Brady LLC to construct and maintain a barrier free access ramp and two sets of steps in the public right-of-way for the premises at 928-32 East Brady Street.

Whereas, Wired Ventures Brady LLC is requesting permission to construct and maintain a barrier free access ramp projecting into the public right-of-way; and

Whereas, A site visit revealed the presence of two sets of steps projecting into the public right-of-way; and

Whereas, Said items may only legally encroach into the public right-of-way by granting of a special privilege resolution adopted by the Common Council; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Wired Ventures Brady LLC, c/o Elan Peltz, 1528 North Paulina Street, Suite 1A, Chicago, IL 60622, is hereby granted the following special privileges:

- 1. To construct and maintain a wooden barrier free access ramp with handrails projecting 3 feet 7 inches into the west sidewalk area of North Astor Street. Said 5-foot 8-inch wide ramp is centered approximately 23 feet north of the northline of East Brady Street.
- 2. To construct and maintain two sets of concrete steps projecting into the north, 13-foot wide sidewalk area of East Brady Street. The east set of steps is centered approximately 57 feet west of North Astor Street, measures 8 feet long and projects 2 feet 6 inches into the public way. The west set of steps is centered approximately 67 feet west of North Astor Street, measures 4 feet 5 inches long and projects 3 feet 4 inches into the public way.

Said above-mentioned items shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Said items shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

; and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege the grantee, Wired Ventures Brady LLC, shall:

- 1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
- 2. File with the Commissioner of Public Works a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more than one person in any one accident and \$10,000 covering property damage to any own owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. Both bond and insurance policy shall provide that they shall not be cancelled until after at least thirty days' notice in writing to the Commissioner of

Public Works.

- 3. Pay to the City Treasurer an annual fee, which has an initial amount of \$139.13. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
- 4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works and curb, pavement or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
- 5. Waive the right to contest in any manner the validity of Section 66.0425 of the Wisconsin Statutes (1999), or the amount of the annual fixed fee, payable on or before July 1st of each year.
- 6. Put this special privilege into use within one year after approval by the Common Council of the City of Milwaukee; failing to do so in the time specified, the Commissioner of Neighborhood Services shall have the authority to seek, by resolution, revocation of said special privilege.

Subject: Common Council Resolution File Number 090767

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 090767, being a resolution to grant a special privilege to Wired Ventures Brady LLC to construct and maintain a barrier free access ramp and two sets of steps in the public right-of-way for the premises at 928-32 East Brady Street.

The applicant is requesting permission to construct a portion of a barrier free access ramp in the public right-of-way. The ramp and handrails project 3 feet 7 inches into the west, variable width sidewalk area of North Astor Street at a point approximately 23 feet north of the northline of East Brady Street. It should be noted that the ramp and handrails do not project into the paved public sidewalk.

A site visit revealed the presence of two sets of steps within the north, 13-foot wide sidewalk area of East Brady Street. The east set of steps is centered approximately 57 feet west of North Astor Street, measures 8 feet long and projects 2 feet 6 inches into the public way. The west set of steps is centered approximately 67 feet west of North Astor Street, measures 4 feet 5 inches long and projects 3 feet 4 inches into the public way. It appears that these sets of steps have been present in the public right-of-way for a number of years.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to project into the public right-of-way.

Very truly yours,

Title

Substitute resolution amending a special privilege for change of ownership to Milwaukee-MLK LLC for a fence with brick columns and for addition of a covered walk and private light fixtures for the premises at 2053 North Martin L. King Jr. Drive, in the 6th Aldermanic District.

Analysis

This resolution amends a special privilege for change of ownership to Milwaukee-MLK LLC for a fence with brick columns and for addition of a covered walk and private light fixtures for the premises at 2053 North Martin L. King Jr. Drive.

Body

Whereas, Cornell Westmoreland requested permission to keep and maintain a fence with columns and two excess door swings to encroach into the public right-of-way; and

Whereas, Permission for said items was originally granted in 1993 under Common Council Resolution File Number 930404; and

Whereas, Subsequently, the Milwaukee Code of Ordinances was amended so that the excess door swings are now permitted in the public right-of-way; and

Whereas, A site visit revealed the presence of a covered walk and private light fixtures in the public right-of-way; and

Whereas, Said covered walk may only legally encroach into the public right-of-way by granting of a special privilege resolution adopted by the Common Council; and

Whereas, Milwaukee-MLK LLC now owns the property, and

Whereas, For the liability for said fence with columns to be formally transferred to the current property owner, the Common Council needs to adopt an amending resolution; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Common Council Resolution File Number 930404 is hereby rescinded; and, be it

Further Resolved, That Milwaukee-MLK LLC, 333 North Michigan Avenue, Suite 1700, Chicago, Illinois 60601, is hereby granted the following special privileges:

- 1. To keep and maintain a 4-foot tall ornamental fence with four, 6-foot tall brick columns projecting 6 feet 6 inches into the south, 20-foot wide sidewalk area of West Lloyd Street. The fence commences at a point approximately 39 feet west of the westline of North Dr. Martin L. King Jr. Drive and extends west 111 feet 6 inches.
- 2. To keep and maintain four private light fixtures mounted to the tops of the four brick columns of Item #1.
- 3. To keep and maintain a 5-foot wide covered walk projecting 13 feet into the south, 20-foot wide sidewalk area of West Lloyd Street. Said covered walk is centered approximately 88 feet west of the westline of North Dr. Martin L. King Jr. Drive. The minimal vertical clearance between the skirt of the covered walk and the sidewalk below is 8 feet.

Said covered walk shall generally be constructed in accordance with the policies set forth in Common Council Resolution

File #: 090959, Version: 1

File Number 62-1211-a, adopted July 24, 1962. The covered walk frame shall be designed and supported to withstand snow and other loads of not less than 25 pounds per square foot applied in any direction. No guy wire brackets or diagonal braces shall be permitted lower than 8 feet above the sidewalk level. The coverings shall be of approved material. All fixtures and materials for illumination of the covered walks shall be indicated on the construction plans and approved prior to installation. No sign or advertising device shall be hung from, attached to, printed or painted on any part of the covered walks. The name, street number, or character of the business may be indicated only on the vertical portion of the covering and shall not exceed 8 inches in height.

Due to the distance away from of the covered walk from the curb, the grantee is not required to keep a "Loading Zone" or "No Parking" status adjacent to the covered walk as long as the covered walk occupies the public right-of-way.

Said above-mentioned items shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Said items shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

; and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege the grantee, Milwaukee - MLK LLC, shall:

- 1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
- 2. File with the City Clerk a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more than one person in any one accident and \$10,000 covering property damage to any own owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. Both bond and insurance policy shall provide that they shall not be cancelled until after at least thirty days' notice in writing to the City Clerk.
- 3. Pay to the City Treasurer an annual fee, which has an initial amount of \$1117.79. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
- 4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works and curb, pavement or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
- 5. Waive the right to contest in any manner the validity of Section 66.0425 of the Wisconsin Statutes (1999), or the amount of the annual fixed fee, payable on or before July 1st of each year.
- 6. Put this special privilege into use within one year after approval by the Common Council of the City of Milwaukee; failing to do so in the time specified, the Commissioner of Neighborhood Services shall have the authority to seek, by resolution, revocation of said special privilege.

Subject: Common Council Resolution File Number 090959

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 090959, being an amendment to a special privilege for change of ownership for a fence with brick columns and private light fixtures and for addition of a covered walk for the premises at 2053 North Martin L. King Jr. Drive.

Cornell Westmoreland requested permission to keep and maintain a fence with columns and two excess door swings to encroach into the public right-of-way. Permission for items was granted in 1993 under Common Council Resolution File Number 930404. Subsequently, the Milwaukee Code of Ordinances was amended so that the door swings are now permitted to project into the public right-of-way. A site visit revealed the presence of a covered walk and private light fixtures in the south sidewalk area of West Lloyd Street.

We are not aware that the presence of said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will amend the ownership of the above special privilege and will formally allow said items to continue to occupy the public right-of-way.

Title

Substitute resolution granting a special privilege to Lahal LLC to construct and maintain a concrete platform, step and handrails in the public right-of-way for the premises at 1301 West Atkinson Avenue, in the 6th Aldermanic District. Analysis

This resolution grants a special privilege to Lahal LLC to construct and maintain a concrete platform, step and handrails in the public right-of-way for the premises at 1301 West Atkinson Avenue.

Body

Whereas, Lahal LLC is requesting permission to construct and maintain a concrete platform, step and handrails in the public right-of-way; and

Whereas, Said items may only legally encroach into the public right-of-way by granting of a special privilege resolution adopted by the Common Council; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Lahal LLC, 1301 West Atkinson Avenue, Milwaukee, WI 53206, is hereby granted the following special privilege:

To construct and maintain a 5-foot wide concrete platform and step projecting 2 feet into the south, 20-foot wide sidewalk area of West Atkinson Avenue. The two handrails for said platform and step are made from 1-inch square pipe; project 1 foot 3 inches into the public way; and, at the widest part, are each 2 feet long. All of said items are centered about a point approximately 10 feet west of the westline of North 13th Street.

Said above-mentioned concrete platform, step and handrails shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Said items shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

; and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege the grantee, Lahal LLC, shall:

- 1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
- 2. File with the Commissioner of Public Works a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more than one person in any one accident and \$10,000 covering property damage to any own owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. Both bond and insurance policy shall provide that they shall not be cancelled until after at least thirty days' notice in writing to the Commissioner of Public Works.
- 3. Pay to the City Treasurer an annual fee, which has an initial amount of \$35.00. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
- 4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this

special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works and curb, pavement or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.

- 5. Waive the right to contest in any manner the validity of Section 66.0425 of the Wisconsin Statutes (1999), or the amount of the annual fixed fee, payable on or before July 1st of each year.
- 6. Put this special privilege into use within one year after approval by the Common Council of the City of Milwaukee; failing to do so in the time specified, the Commissioner of Neighborhood Services shall have the authority to seek, by resolution, revocation of said special privilege.

Subject: Common Council Resolution File Number 091561

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 091561, being a resolution to grant a special privilege to Lahal LLC to construct and maintain a concrete platform, step and handrails in the public right-of-way for the premises at 1301 West Atkinson Avenue.

The applicant is requesting permission to construct and maintain a concrete platform, step and handrails in the public right-of-way. The 5-foot wide concrete platform and step project 2 feet into the south sidewalk area of West Atkinson Avenue. The handrails for the platform and step project 1 foot 3 inches into the public way and are constructed of 1-inch square steel pipe. The handrails, at the widest point, extend 2 feet from the platform and step parallel to West Atkinson Avenue. It should be noted that the platform, step and handrails do not obstruct the paved public sidewalk and, so, will have minimal effect on pedestrian traffic along West Atkinson Avenue.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to project into the public right-of-way.

Very truly yours,

Title

Substitute resolution amending a special privilege for change of ownership to Rockwell Automation Inc for a security camera, non-code compliant canopy, overhead cables, underground duct package, and manhole for the premises at 136 West Greenfield Avenue, in the 12th Aldermanic District.

Analysis

This resolution amends a special privilege for change of ownership to Rockwell Automation Inc for a security camera mounted to a power pole, non-code compliant canopy, overhead cables, underground duct package, and manhole for the premises at 136 West Greenfield Avenue.

Body

Whereas, Allen-Bradley Company requested permission to keep and maintain manhole and underground duct package in the public right-of-way; and

Whereas, Permission for said items was granted in 1983 under Common Council Resolution File Number 74-2018-b; and

Whereas, Allen-Bradley Company requested permission to keep and maintain a security camera on a power pole, overhead cables, and a non-code compliant canopy in the public right-of-way; and

Whereas, Permission for said items was granted in 1983 under Common Council Resolution File Number 82-1408-a; and

Whereas, Rockwell Automation Inc. now owns the property; and

Whereas, For the liability for said items to be formally transferred to the current property owner, the Common Council needs to adopt an amending resolution; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Common Council Resolution File Numbers 74-2018-b and 82-1408-a are hereby rescinded; and, be it

Further Resolved, That Rockwell Automation Inc., 1201 South 2nd Street, Milwaukee, Wisconsin 53204, is hereby granted the following special privileges:

- 1. To keep and maintain a manhole in the west sidewalk area of South Barclay Street approximately 96 feet north of the northline of vacated East Lapham Street. Said manhole has approximate inside dimensions of 6 feet by 12 feet be 6.5 feet in height.
- 2. To keep and maintain an 18-inch by 24-inch duct package consisting of six, 4-inch diameter conduits encased in concrete. Said duct package commences at a point along the northline of vacated East Lapham Street approximately 24 feet east of the westline of South Barclay Street; then extends approximately 23 feet to the northwest to a point 10 feet east of the westline of South Barclay Street and 18 feet north of the northline of vacated East Lapham Street; and then extends north 78 feet to the manhole described in item #1 above.
- 3. To keep and maintain a non-code compliant concrete canopy projecting into the 10-foot wide, west sidewalk area of South 1st Street and the 8-foot wide, north sidewalk area of West Greenfield Avenue. Said canopy extends from a point 24 feet 6 inches west of the westline of South 1st Street to a point 24 feet 6 inches north of the northline of West Greenfield Avenue. Said canopy projects 7 feet 6 inches into the public right-of-way, in excess of the maximum 6 feet

File #: 091125, Version: 1

allowed by Section 245-7-4 of the Milwaukee Code of Ordinances. Additionally, the canopy projection is less than 2 feet from the curbline in the north sidewalk area of West Greenfield Avenue as required by Section 245-7-4 of the Milwaukee Code of Ordinances.

- 4. To keep and maintain a security camera mounted to a utility pole located within the north-south alley bounded by West Greenfield Avenue, West Orchard Street, South 1st Street and South 2nd Street. Said pole is centered along the westline of the aforementioned north-south alley at a point approximately 24 feet south of the southline of West Greenfield Avenue. Said camera is mounted to the pole at a minimum elevation of 15 feet.
- 5. To keep and maintain two overhead cables for the aforementioned camera of item #4. Said cables commence at the power pole located in the north-south alley in the block bounded by West Greenfield Avenue, West Orchard Street, South 1st Street and South 2nd Street, which is centered along the west alley line and a point approximately 24 feet south of the southline of West Greenfield Avenue. The cables extend north to the northline of West Greenfield Avenue for a total distance of 90 feet.

Said above-mentioned items shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Said items shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

; and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege the grantee, Rockwell Automation Inc., shall:

- 1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
- 2. File with the commissioner of public works a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more than one person in any one accident and \$10,000 covering property damage to any own owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. The insurance policy shall provide that they shall not be cancelled until after at least thirty days' notice in writing to the commissioner of public works.
- 3. Pay to the City Treasurer an annual fee, which has an initial amount of \$406.21. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
- 4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works and curb, pavement or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
- 5. Waive the right to contest in any manner the validity of Section 66.0425 of the Wisconsin Statutes (1999), or the amount of the annual fixed fee, payable on or before July 1st of each year.
- 6. Put this special privilege into use within one year after approval by the Common Council of the City of Milwaukee; failing to do so in the time specified, the Commissioner of Neighborhood Services shall have the authority to seek, by resolution, revocation of said special privilege.
- 7. Join and continue to be a member of Digger's Hotline, the one call system that operates in the Milwaukee area, as long as there are private underground facilities in the public right-of-way as required in Section 182.0175(lm)(6) of the Wisconsin Statutes.

Dear Honorable Members:

Returned herewith is Common Council Resolution File Numbers 091125, 091126, 091127 and 091128, being amendments to special privileges for change of ownership to Rockwell Automation Inc.

Common Council Resolution File Number 091125 changes the owner to Rockwell Automation Inc. for a security camera mounted to a utility pole, a non-code compliant canopy, overhead cables, an underground duct package, and a manhole for the premises at 136 West Greenfield Avenue. Permission for the security camera, canopy and cables was granted in 1983 under Common Council Resolution File Number 82-1408-a. Permission for the manhole and duct package was granted in 1983 under Common Council Resolution File Number 74-2018-b. It should be noted that Allen-Bradley Company, which initially constructed the manhole and duct package in 1963, took back possession of these items from Grede Foundries Inc in 1983.

Common Council Resolution File Number 091126 changes the owner to Rockwell Automation Inc. for raised planters and underground conduits for the premises at 1401 South 3rd Street and 1402 South 4th Street. Permission for said items was granted in 1999 under Common Council Resolution File Number 990648. The attached special privilege resolution also grants permission for two concrete pillars to occupy the public right-of-way.

Common Council Resolution File Number 091127 changes the owner to Rockwell Automation Inc. for an access card reader and associated underground conduit encroaching into the public right-of-way for the premises at 1201 South 3rd Street. Permission for said items was granted in 1998 under Common Council Resolution File Number 980386. The attached special privilege resolution also grants permission for a bollard in the public right-of-way.

Common Council Resolution File Number 091128 changes the owner to Rockwell Automation Inc. for a private underground electrical duct package and water pipes in the public right-of-way for the premises at 1201 South 2nd Street. Permission for said items was granted in 1996 under Common Council Resolution File Number 960958.

We are not aware that said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolutions, which, if adopted, will amend the ownership of the above special privileges and will formally allow said items to continue to occupy the public right-of-way.

Title

Substitute resolution amending a special privilege for change of ownership to Rockwell Automation Inc for raised planters and underground conduits and for addition of two concrete pillars for the premises at 1401 South 3rd Street and 1402 South 4th Street, in the 12th Aldermanic District.

Analysis

This resolution amends a special privilege for change of ownership to Rockwell Automation Inc for raised planters and underground conduits and for addition of two concrete pillars for the premises at 1401 South 3rd Street and 1402 South 4th Street.

Body

Whereas, Allen-Bradley LLC requested permission to construct and maintain two raised concrete planters and underground conduits in the public right-of-way; and

Whereas, Permission for said items was granted in 1999 under Common Council Resolution File Number 990648; and

Whereas, Rockwell Automation Inc. now owns the property; and

Whereas, For the liability for said underground conduits and raised planters to be formally transferred to the current property owner, the Common Council needs to adopt an amending resolution; and

Whereas, A site visit revealed the presence of two concrete pillars in the public right-of-way; and

Whereas, Said pillars may only legally encroach into the public right-of-way by granting of a special privilege resolution adopted by the Common Council; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Common Council Resolution File Number 990648 is hereby rescinded; and, be it

Further Resolved, That Rockwell Automation Inc., 1201 South 3rd Street, Milwaukee, Wisconsin 53204, is hereby granted the following special privileges:

- 1. To construct and maintain two, 2-foot wide concrete pillars projecting 4 inches into the west, 20-foot wide sidewalk area of South 3rd Street. Said pillars are centered along the westline of South 3rd Street approximately 45 and 25 feet south of the southline of West Greenfield Avenue.
- 2. To keep and maintain a 16-foot diameter raised concrete planter projecting 7 feet 4 inches into the west, 20-foot wide sidewalk area of South 3rd Street. Said 6-inch tall planter is centered 10 feet south of the southline of West Greenfield Avenue. Approximately 22 feet 10 inches length of the 6-inch wide planter edge encroaches into the public right-of-way.
- 3. To keep and maintain a 16-foot diameter raised concrete planter projecting 5 feet 11 inches into the east, 18-foot wide sidewalk area of South 4th Street. Said 6-inch tall planter is centered 11 feet south of the southline of West Greenfield Avenue. Approximately 18 feet 7 inches length of the 6-inch wide planter edge encroaches into the public right-of-way.
- 4. To keep and maintain two, 2 ½-inch diameter conduits crossing under the north-south alley in the block bounded by West Greenfield Avenue, West Orchard Street, South 3rd Street and South 4th Street. The conduits cross the alley at points approximately 8 feet and 35 south of the southline of West Greenfield Avenue. Said conduits, which are, at minimum, 3

File #: 091126, Version: 1

feet below grade, contain irrigation piping.

5. To keep and maintain two, 2 ½-inch diameter conduits crossing under the north-south alley in the block bounded by West Greenfield Avenue, West Orchard Street, South 3rd Street and South 4th Street at a point approximately 30 feet south of the southline of West Greenfield Avenue. Said conduits, which are, at minimum, 3 feet below grade, contain electrical wiring.

Said above-mentioned items shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Said items shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

; and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege the grantee, Rockwell Automation Inc., shall:

- 1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
- 2. File with the commissioner of public works a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more than one person in any one accident and \$10,000 covering property damage to any own owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. The insurance policy shall provide that they shall not be cancelled until after at least thirty days' notice in writing to the commissioner of public works.
- 3. Pay to the City Treasurer an annual fee, which has an initial amount of \$81.70. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
- 4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works and curb, pavement or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
- 5. Waive the right to contest in any manner the validity of Section 66.0425 of the Wisconsin Statutes (1999), or the amount of the annual fixed fee, payable on or before July 1st of each year.
- 6. Put this special privilege into use within one year after approval by the Common Council of the City of Milwaukee; failing to do so in the time specified, the Commissioner of Neighborhood Services shall have the authority to seek, by resolution, revocation of said special privilege.

Subject: Common Council Resolution File Numbers 091125, 091126, 091127 & 091128

Dear Honorable Members:

Returned herewith is Common Council Resolution File Numbers 091125, 091126, 091127 and 091128, being amendments to special privileges for change of ownership to Rockwell Automation Inc.

Common Council Resolution File Number 091125 changes the owner to Rockwell Automation Inc. for a security camera mounted to a utility pole, a non-code compliant canopy, overhead cables, an underground duct package, and a manhole for the premises at 136 West Greenfield Avenue. Permission for the security camera, canopy and cables was granted in 1983 under Common Council Resolution File Number 82-1408-a. Permission for the manhole and duct package was granted in 1983 under Common Council Resolution File Number 74-2018-b. It should be noted that Allen-Bradley Company, which initially constructed the manhole and duct package in 1963, took back possession of these items from Grede Foundries Inc in 1983.

Common Council Resolution File Number 091126 changes the owner to Rockwell Automation Inc. for raised planters and underground conduits for the premises at 1401 South 3rd Street and 1402 South 4th Street. Permission for said items was granted in 1999 under Common Council Resolution File Number 990648. The attached special privilege resolution also grants permission for two concrete pillars to occupy the public right-of-way.

Common Council Resolution File Number 091127 changes the owner to Rockwell Automation Inc. for an access card reader and associated underground conduit encroaching into the public right-of-way for the premises at 1201 South 3rd Street. Permission for said items was granted in 1998 under Common Council Resolution File Number 980386. The attached special privilege resolution also grants permission for a bollard in the public right-of-way.

Common Council Resolution File Number 091128 changes the owner to Rockwell Automation Inc. for a private underground electrical duct package and water pipes in the public right-of-way for the premises at 1201 South 2nd Street. Permission for said items was granted in 1996 under Common Council Resolution File Number 960958.

We are not aware that said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolutions, which, if adopted, will amend the ownership of the above special privileges and will formally allow said items to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E. City Engineer

Substitute resolution amending a special privilege for change of ownership to Rockwell Automation Inc for an access card reader and associated underground conduit and addition of a bollard for the premises at 1201 South 3rd Street, in the 12th Aldermanic District.

Analysis

This resolution amends a special privilege for change of ownership to Rockwell Automation Inc for an access card reader and associated underground conduit and addition of a bollard for the premises at 1201 South 3rd Street.

Body

Whereas, Allen-Bradley Inc. requested permission to construct and maintain an access card reader and associated underground conduit for a, then new, parking garage; and

Whereas, Permission for said items was granted in 1998 under Common Council Resolution File Number 980386; and

Whereas, Rockwell Automation Inc. now owns the property; and

Whereas, For the liability for said access card reader and associated underground conduit to be formally transferred to the current property owner, the Common Council needs to adopt an amending resolution; and

Resolved, By the Common Council of the City of Milwaukee that Common Council Resolution File Number 980386 is hereby rescinded; and, be it

Further Resolved, That Rockwell Automation Inc., 1201 South 2nd Street, Milwaukee, Wisconsin 53204, is hereby granted the following special privileges:

- 1. To keep and maintain an access card reader in the north sidewalk area of West Madison Street. Said card reader is centered approximately 140 feet east of the eastline of South 4th Street and 3 feet south of the northline of West Madison Street.
- 2. To keep and maintain underground conduit connecting the access card reader described in Item #1 to the adjacent parking garage. Said conduit is centered approximately 140 feet east of the eastline of South 4th Street. The conduit commences at the northline of West Madison Street and projects 3 feet to the south to the aforementioned access card reader.
- 3. To install and maintain a bollard in the north sidewalk area of West Madison Street. Said bollard is centered approximately 140 feet east of the eastline of South 4th Street and 4 feet south of the northline of West Madison Street.

Said above-mentioned items shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Said items shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed,

Returned herewith is Common Council Resolution File Numbers 091125, 091126, 091127 and 091128, being amendments to special privileges for change of ownership to Rockwell Automation Inc.

Common Council Resolution File Number 091125 changes the owner to Rockwell Automation Inc. for a security camera mounted to a utility pole, a non-code compliant canopy, overhead cables, an underground duct package, and a manhole for the premises at 136 West Greenfield Avenue. Permission for the security camera, canopy and cables was granted in 1983 under Common Council Resolution File Number 82-1408-a. Permission for the manhole and duct package was granted in 1983 under Common Council Resolution File Number 74-2018-b. It should be noted that Allen-Bradley Company, which initially constructed the manhole and duct package in 1963, took back possession of these items from Grede Foundries Inc in 1983.

Common Council Resolution File Number 091126 changes the owner to Rockwell Automation Inc. for raised planters and underground conduits for the premises at 1401 South 3rd Street and 1402 South 4th Street. Permission for said items was granted in 1999 under Common Council Resolution File Number 990648. The attached special privilege resolution also grants permission for two concrete pillars to occupy the public right-of-way.

Common Council Resolution File Number 091127 changes the owner to Rockwell Automation Inc. for an access card reader and associated underground conduit encroaching into the public right-of-way for the premises at 1201 South 3rd Street. Permission for said items was granted in 1998 under Common Council Resolution File Number 980386. The attached special privilege resolution also grants permission for a bollard in the public right-of-way.

Common Council Resolution File Number 091128 changes the owner to Rockwell Automation Inc. for a private underground electrical duct package and water pipes in the public right-of-way for the premises at 1201 South 2nd Street. Permission for said items was granted in 1996 under Common Council Resolution File Number 960958.

We are not aware that said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolutions, which, if adopted, will amend the ownership of the above special privileges and will formally allow said items to continue to occupy the public right-of-way.

Title

Substitute resolution amending a special privilege for change of ownership to Rockwell Automation Inc for a private underground electrical duct package and water pipes in the public right-of-way for the premises at 1201 South 2nd Street, in the 12th Aldermanic District.

Analysis

This resolution amends a special privilege for change of ownership to Rockwell Automation Inc for a private underground electrical duct package and water pipes in the public right-of-way for the premises at 1201 South 2nd Street. Body

Whereas, Allen-Bradley Company requested permission to construct and maintain water pipes and an underground electrical duct package in the public right-of-way; and

Whereas, Permission for said items was granted in 1996 under Common Council Resolution File Number 960958; and

Whereas, Rockwell Automation Inc. now owns the property; and

Whereas, For the liability for said items to be formally transferred to the current property owner, the Common Council needs to adopt an amending resolution; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Common Council Resolution File Number 960958 is hereby rescinded; and, be it

Further Resolved, That Rockwell Automation Inc., 1201 South 2nd Street, Milwaukee, Wisconsin 53204, is hereby granted the following special privileges:

- 1. To keep and maintain a concrete encased duct package containing four electrical conduits. Said duct package commences at the eastline of South 2nd Street at a point approximately 250 feet south of the southline of West Washington Street; then extends 130 feet to the southwest to a point 17 feet west of the westline of South 2nd Street and 40 feet north of the southline of West Scott Street; and then extends south to the southline of West Scott Street for a total distance of 168 feet. Said duct package is 1 foot tall, 2 feet wide and a minimum of 3 feet 6 inches below grade.
- 2. To keep and maintain two, 18-inch diameter ductile iron water pipes. Said water pipes commence at the eastline of South 2nd Street at a point approximately 250 feet south of the southline of West Washington Street; then extend 130 feet to the southwest to a point 17 feet west of the westline of South 2nd Street and 40 feet north of the southline of West Scott Street; and then extend south to the southline of West Scott Street for a total distance of 168 feet. Said water pipes are a minimum of 9 feet below grade.

Said above-mentioned items shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Said items shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

; and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege the

File #: 091128, Version: 1

grantee, Rockwell Automation Inc., shall:

- 1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
- 2. File with the commissioner of public works a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more than one person in any one accident and \$10,000 covering property damage to any own owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. The insurance policy shall provide that they shall not be cancelled until after at least thirty days' notice in writing to the commissioner of public works.
- 3. Pay to the City Treasurer an annual fee, which has an initial amount of \$1008.00. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
- 4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works and curb, pavement or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
- 5. Waive the right to contest in any manner the validity of Section 66.0425 of the Wisconsin Statutes (1999), or the amount of the annual fixed fee, payable on or before July 1st of each year.
- 6. Put this special privilege into use within one year after approval by the Common Council of the City of Milwaukee; failing to do so in the time specified, the Commissioner of Neighborhood Services shall have the authority to seek, by resolution, revocation of said special privilege.
- 7. Join and continue to be a member of Digger's Hotline, the one call system that operates in the Milwaukee area, as long as there are private underground facilities in the public right-of-way as required in Section 182.0175(lm)(6) of the Wisconsin Statutes.

Title

Substitute resolution granting a special privilege to Wayne Hickson to construct a barrier free access ramp in the public right-of-way for the premises at 2400 South 9th Place, in the 12th Aldermanic District.

Analysis

This resolution grants a special privilege to Wayne Hickson to construct and maintain a barrier free access ramp in the public right-of-way for the premises at 2400 South 9th Place.

Body

Whereas, Wayne Hickson is requesting permission to construct and maintain a barrier free access ramp projecting into the public right-of-way; and

Whereas, Said barrier free access ramp may only legally encroach into the public right-of-way by granting of a special privilege resolution adopted by the Common Council; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Wayne Hickson, 2400 South 9th Place, Milwaukee, Wisconsin 53215, is hereby granted the following special privilege:

To construct and maintain a concrete barrier free access ramp with platform and handrail projecting 4 feet into the south 15-foot wide sidewalk area of West Hayes Avenue. Said ramp and platform commence at the eastline of South 9th Place and extend east 35 feet 5 inches. At its tallest, the platform and ramp are approximately 32 inches above grade. The entire structure is supported by a concrete footing 36 inches below grade.

Said above-mentioned ramp shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Said ramp shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

; and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege the grantee, Wayne Hickson, shall:

- 1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
- 2. File with the City Clerk a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more than one person in any one accident and \$10,000 covering property damage to any own owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. Both bond and insurance policy shall provide that they shall not be cancelled until after at least thirty days' notice in writing to the City Clerk.
- 3. Pay to the City Treasurer an annual fee, which has an initial amount of \$175.36. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
- 4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works

Subject: Common Council Resolution File Number 091237

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 091237, being a resolution to grant a special privilege to Wayne Hickson to construct and maintain a barrier free access ramp in the public right-of-way for the premises at 2400 South 9th Place.

The applicant is in the process of converting a residential property into a commercial daycare facility for infants and toddlers. As part of the conversion and as required to operate this type of facility, Mr. Hickson is requesting permission to construct and maintain a barrier free access ramp. Said owner obtained a Department of Public Works Permit to construct the ramp, which projects 4 feet into the south, 15-foot wide sidewalk area of West Hayes Avenue. The ramp, which is topped by a 3-foot tall handrail, commences at the eastline of South 9th Place and extends east 35 feet 5 inches.

We are not aware that the presence of said barrier free access ramp will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said ramp to project into the public right-of-way.

Title

Substitute resolution granting a special privilege to Community Advocates Inc. for an overhead door housing and convex mirror to occupy the public right-of-way for the premises at 728 North James Lovell Street, in the 4th Aldermanic District. Analysis

This resolution grants a special privilege to Community Advocates Inc. for an overhead door housing and convex mirror to occupy the public right-of-way for the premises at 728 North James Lovell Street.

Body

Whereas, 728 N Lovell LLC requested permission to keep and maintain monitoring wells in the public right-of-way as part of an environmental remediation project for the subject premises that is under the oversight of the State of Wisconsin Department of Natural Resources; and

Whereas, Permission for said monitoring wells granted in 2006 under Common Council Resolution File Number 060547; and

Whereas, Subsequently, Chapter 245 of the Milwaukee Code of Ordinances was revised to allow monitoring wells in the public right-of-way that are part of a remediation project recognized by an agency of the State of Wisconsin; and

Whereas, Community Advocates Inc. now owns the property; and

Whereas, A site visit revealed the presence of an overhead garage door housing and convex mirror projecting into the public right-of-way; and

Whereas, Said door housing and mirror may only legally encroach into the public right-of-way by granting of a special privilege resolution adopted by the Common Council; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Common Council Resolution File Number 060547 is hereby rescinded; and, be it

Further Resolved, That Community Advocates, 744 North 4th Street, Suite 200, Milwaukee, Wisconsin 53203, is hereby granted the following special privileges:

- 1. To construct and maintain an overhead door housing for a garage door projecting into the northern east-west alley in the block bounded by North James Lovell Street, West Wells Street, West Wisconsin Avenue and North 6th Street. The door housing is comprised of two components and is located along the southline of said alley. The western section contains the controls for the door and projects 2 feet into the alley, commences at a point approximately 126 feet east of the eastline of North James Lovell Street and extends 2 feet to the east. The east section solely houses the garage door and projects 1 foot 6 inches into the alley, commences at a point approximately 124 feet east of the eastline of North James Lovell Street and extends east 19 feet 6 inches.
- 2. To install and maintain a convex mirror mounted to a neighboring building at the northline of the north east-west alley in the block bounded by North James Lovell Street, West Wells Street, West Wisconsin Avenue and North 6th Street. Said mirror is centered approximately 137 feet east of the eastline of North James Lovell Street and occupies an area in the public right-of-way that is 2 feet 6 inches long and 1 foot 6 inches wide.

Said above-mentioned items shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works

and Department of Neighborhood Services.

Said items shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

; and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege the grantee, Community Advocates Inc, shall:

- 1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
- 2. File with the City Clerk a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more than one person in any one accident and \$10,000 covering property damage to any own owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. Both bond and insurance policy shall provide that they shall not be cancelled until after at least thirty days' notice in writing to the City Clerk.
- 3. Pay to the City Treasurer an annual fee, which has an initial amount of \$58.98. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
- 4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works and curb, pavement or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
- 5. Waive the right to contest in any manner the validity of Section 66.0425 of the Wisconsin Statutes (1999), or the amount of the annual fixed fee, payable on or before July 1st of each year.
- 6. Put this special privilege into use within one year after approval by the Common Council of the City of Milwaukee; failing to do so in the time specified, the Commissioner of Neighborhood Services shall have the authority to seek, by resolution, revocation of said special privilege.

Subject: Common Council Resolution File Number 091427

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 091427, which grants a special privilege to Community Advocates Inc. for an overhead door housing and convex mirror to occupy the public right-of-way for the premises at 728 North James Lovell Street.

This special privilege resolution replaces a previous special privilege that was granted to 728 N Lovell LLC in 2006 under Common Council Resolution File Number 060547 for monitoring wells for the subject premises. While the monitoring wells are still present, the Milwaukee Code of Ordinances Chapter 245 has been revised to allow the monitoring wells to occupy the public right-of-way.

A site visit revealed the presence of an overhead garage door housing and convex mirror in the east-west alley abutting the northline of the subject premises. The door housing projects between 2 feet and 1 foot 6 inches into the south side of the alley, while the mirror is located directly across the alley from the garage door and is mounted unto a neighboring building. Both items are centered approximately 137 feet east of the eastline of North James Lovell Street.

We are not aware that the presence of overhead door housing and mirror has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will formally allow said items to continue to occupy the public right-of-way.

Title

Substitute resolution amending a special privilege for change of ownership to Brewery Project LLC for an overhead sign and bridge structure over West Juneau Avenue for the premises at 1009 North Juneau Avenue, in the 4th Aldermanic District.

Analysis

This resolution amends a special privilege for change of ownership to Brewery Project LLC for an overhead sign and bridge structure over West Juneau Avenue for the premises at 1009 North Juneau Avenue.

Body

Whereas, Pabst Brewing Company requested permission to keep and maintain two pedestrian bridges over the public right-of-way and to install a sign on each bridge; and

Whereas, One bridge and sign was located over North 9th Street and the second bridge and sign is over West Juneau Avenue; and

Whereas, Permission for said items was originally granted in 1906 and subsequently granted in 1948 under Common Council Resolution File Number 47-3142; and

Whereas, Subsequently, North 9th Street was vacated and, in addition, the sign and bridge were removed; and

Whereas, Common Council Resolution File Number 47-3142-a amended the file to account for the vacation of North 9th Street; and

Whereas, Brewery Project LLC now owns the property; and

Whereas, For the liability for said sign and bridge structure to be formally transferred to the current property owner, the Common Council needs to adopt an amending resolution; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Common Council Resolution File Numbers 47-1342 and 47-1342-a are hereby rescinded; and, be it

Further Resolved, That Brewery Project LLC, 710 North Plankinton Avenue, Suite 1200, Milwaukee, Wisconsin 53203, is hereby granted the following special privilege:

To keep and maintain a sign on a 10-foot wide bridge structure crossing the 70-foot wide right-of-way of West Juneau Avenue at a point approximately 10 feet west of the westline of North 10th Street. The sign, which is electrified, measures approximately 9 feet 6 inches tall and 45 feet long. Said sign and bridge structure are a minimum elevation of 65 feet above the roadway below.

Said above-mentioned sign and bridge structure shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Said sign and bridge structure shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services

File #: 091492, Version: 1

; and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege the grantee, Brewery Project LLC, shall:

- 1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
- 2. File with the City Clerk a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more than one person in any one accident and \$10,000 covering property damage to any own owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. Both bond and insurance policy shall provide that they shall not be cancelled until after at least thirty days' notice in writing to the City Clerk.
- 3. Pay to the City Treasurer an annual fee, which has an initial amount of \$315.64. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
- 4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works and curb, pavement or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
- 5. Waive the right to contest in any manner the validity of Section 66.0425 of the Wisconsin Statutes (1999), or the amount of the annual fixed fee, payable on or before July 1st of each year.
- 6. Put this special privilege into use within one year after approval by the Common Council of the City of Milwaukee; failing to do so in the time specified, the Commissioner of Neighborhood Services shall have the authority to seek, by resolution, revocation of said special privilege.

Subject: Common Council Resolution File Number 091492

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 091492, being an amendment to a special privilege for change of ownership to Brewery Project LLC for an overhead sign and bridge structure over West Juneau Avenue for the premises at 1009 North Juneau Avenue.

Pabst Brewing Company requested permission to keep and maintain two pedestrian bridges over the public right-of-way and to install a sign on each bridge structure with one bridge and sign being located over North 9th Street and the second bridge and sign being over West Juneau Avenue. Permission for said items was originally granted in 1906 and subsequently granted in 1948 under Common Council Resolution File Number 47-3142. Subsequently, North 9th Street was vacated and Common Council Resolution File Number 47-3142-a amended the file to account for the street vacation. Only the sign and bridge structure over West Juneau Avenue still exists.

We are not aware that the presence of sign and bridge structure has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will amend the ownership of the above special privilege and will formally allow said sign and bridge structure to continue to occupy the public right-of-way.
