I have worked in Milwaukee in the 13th Aldermanic District since 1980. I have been married for 25 years with 2 children, one is attending UWM and the other will be entering High School next fall.

I started working at Advance Transportation on S. 6th St. in the rating and billing department. Over the course of my career in the trucking industry I worked my way through the Cartage dept, Licensing, Fuel tax reporting and maintenance. In 1990 I was voted to the Board of Directors and became the Vice President of Maintenance. At the same time I pursued my pilot license and became one of the corporate pilots for the organization. In 1994 Advance merged with ANR Transportation and I was involved extensively in the negotiations of the merger for the Advance side. We combined the two companies ANR/Advance Transportation and became the largest Milwaukee based carrier grossing over \$250,000,000 in annual revenues. As Executive Vice President of the new organization I was responsible for all of the equipment maintenance, purchases along with Real Estate transactions.

In 1996 I decided to leave ANR/Advance and pursue my own business by partnering with my brother in what is now known as Lindner Logistics. We stay focused on building a strong business on the south side focusing on distribution and storage.

I became involved in the AGBA as I have watched the district progress over the years. I strongly believe we as a group can make a difference in this area by getting involved. My objective is to carry out the Mission of the AGBA and continue to work on the goals that have been set forth by our Board of Directors.

The objective of the Milwaukee Shines Solar Loan Program is to achieve at least 100 new solar energy installations throughout the city over the two-year grant period. - (e) Records of its marketing efforts shall be kept by City and available for review by Summit upon request.
- (f) City, with assistance from Summit, shall be responsible for ensuring that all marketing materials are compliant with applicable federal and state laws, including those that apply to the credit union.

Section 2.05: Summit Role in Loan Marketing. Summit will identify its existing members and prospective members in the target residential market sectors throughout the City of Milwaukee. Marketing efforts for Milwaukee Shines Solar Loan Program will be combined with the marketing efforts committed to in Summit Credit Union agreement with Me2, Milwaukee Energy Efficiency loan program.

- (a) Records of its marketing efforts shall be kept by Summit and will be available for review by City upon request.
- (b) Costs of the development, design, production and distribution of Summit marketing materials shall be borne by Summit.
- (c) Summit shall not use the name, emblem or official seal of City of Milwaukee without express written permission of the City.

Section 2.06: Fees. Summit shall pay City a program fee of 0.25% of the principal amount collected from each Loan pursuant to this Agreement to help sustain the Program after the initial grant period. This fee will be calculated based on the average balance outstanding in the program for the quarter multiplied by 0.0025 divided by four (4). Summit will pay this fee through a separate transfer to the Reflow Escrow Account on a quarterly basis. The fees under this section are "Program income."

ARTICLE III Escrow Accounts

Section 3.01: Escrow Accounts. Summit as Escrow Agent hereby establishes an escrow account, account number [] (the "Escrow Account") for City. The Escrow Account will be a Summit Money Market Plus account and will be funded and administered as provided in this Agreement. The escrow arrangement hereby established does not create a debtor-creditor relationship between the Parties, and all monies, funds, or assets of the Escrow Account shall be insured with the National Credit Union Administration (NCUA) to the extent permitted by law. The signature cards for the Escrow Account shall be forwarded to City for completion, and a signature shall be necessary for any withdrawal under Section 3.04(b) below.

Section 3.02: Funding of the Escrow Account.

- (a) Upon the signing by the Parties of this Agreement, City shall make a deposit into the Escrow Account in the amount of \$100,000.00, and Summit as Escrow Agent shall acknowledge to City receipt of such funds upon deposit.
- (b) City may, at its option, make subsequent deposits to the Escrow Account.

Section 3.03: Interest on Escrow Account. Interest shall be earned on and accrue to the Escrow Account at the interest rate applicable to Summit's Money Market Plus Account. If the top tier rate falls below 0.75%, Summit will notify City to discuss investment options. Any interest earned on the Escrow Account may be used by City to pay any liability by the Program to the US Treasury due to an advance of grant funds pursuant to 10 CFR s. 600.225. Any net interest shall be treated as Program income and transferred on a quarterly basis into the Reflow Escrow Account.

Section 3.04: Disbursements from Escrow Account. Disbursements from the Escrow Account shall be made by Summit as Escrow Agent as follows:

- (a) to the Reserve Account, as provided for in Section 4.02, below; and
- (b) to City, as provided for in Sections 3.05 and 3.06, below.
- (c) In no event, except as provided in Subsections (a) and (b) immediately above, shall funds to be disbursed or withdrawn from the Escrow Account.
- (d) No portion of the proceeds of a Loan may be used for refinancing of debt on Summit's books or for any debts incurred prior to the date a Loan is executed.

Section 3.05: Reprogramming Funds in the Escrow Account. Funds in the Escrow Account belong to City. Targets for lending are based on a 20:1 leverage so that, for a \$100,000 loan loss reserve with a Loan Loss Percentage of five percent (5%), Summit commits to fund up to \$2,000,000 of Eligible Loans under this Agreement. A target timeline and minimum loan target for funding Eligible Loans is as follows:

- (a) September 30, 2011: \$100,000 in Eligible Loans has been issued.
- (b) December 31, 2011: \$100,000 in Eligible Loans has been issued, with a cumulative loan total of \$200,000.
- (c) March 31, 2012: \$250,000 in Eligible Loans has been issued, with a cumulative loan total of \$450,000.
- (d) June 30, 2012: \$250,000 in Eligible Loans has been issued, with a cumulative loan total of \$700,000.
- (e) September 30, 2012: \$250,000 in Eligible Loans has been issued, with a cumulative loan total of \$950,000,000.
- (f) December, 31, 2012: \$250,000 in Eligible Loans has been issued, with a cumulative loan total of \$1,200,000.
- (g) March 31, 2013: \$400,000 in Eligible Loans has been issued, with a cumulative loan total of \$1,600,000.
- (h) May 31, 2013: \$400,000 in Eligible Loans has been issued, with a cumulative loan total of \$2,000,000.

If these targets are not met, City has the option, in its sole discretion, to re-allocate all or part of the funds remaining in the Escrow Account or held as loan loss reserves in the Reflow Escrow Account pursuant to Section 4.02 to a different credit enhancement option, such as but not limited to an interest rate buy-down or to direct cash incentives. In addition, City has the option, in its sole

discretion, to withdraw funds from the Escrow Account and/or Reflow Escrow Account to re-allocate to other eligible Program uses. To re-allocate and/or withdraw funds, City must submit in writing a showing that the targets set forth above, in this Section 3.05, have not been met and a request for release of the funds back to City for the purpose of re-allocation.

Section 3.06: Termination of Escrow Account. The Escrow Account shall terminate at 11:59 p.m. on May 31, 2013, or earlier pursuant to Section 10.01 or Section 10.21, or by mutual agreement of the Parties, at which time Summit as Escrow Agent shall notify City of any remaining balance in the Escrow Account and remit such balance to City at such financial institution as City may instruct at that time. However, City may extend the termination date by notifying Summit in writing prior to May 1, 2013.

Section 3.07: Reflow Escrow Account. Summit as Escrow Agent hereby establishes a segregated Escrow Account, account number [] (the "Reflow Escrow Account") for City. The Reflow Escrow Account will be a Summit Money Market Plus account and will be funded and administered as provided in this Agreement. All monies, funds, or assets of the Reflow Escrow Account shall be insured with the NCUA to the extent permitted by law. The signature cards for the Reflow Escrow Account shall be forwarded to City for completion, and a signature shall be necessary for any withdrawal.

Section 3.08: Funding of the Reflow Escrow Account. If and when total funds in the Reserve Account exceed five percent (5.00%) of the total outstanding principal of all Loans funded by Summit pursuant to this Agreement, Summit as the Escrow Agent shall remit such "excess" funds to the Reflow Escrow Account for City, except that at least \$10,000 above the five percent (5.00%) of total outstanding principal of all Loans funded by Summit shall be maintained in the account until its final termination. Such transfers shall occur quarterly following Summit's submittal of the applicable Quarterly Report.

Section 3.09: Interest on Reflow Escrow Account. Interest shall be earned on or accrue to the Reflow Escrow Account at the interest rate applicable Summit's Money Market Plus account. If the top tier rate falls below 0.75%, Summit will notify City to discuss investment. Interest earned on the Reflow Escrow Account shall be considered Program income.

Section 3.10: Disbursements from Reflow Escrow Account. Funds in the Reflow Escrow Account are property of City. Disbursements, re-programming, or withdrawals from the Reflow Escrow Account are at the sole option and discretion of City, except as to Program income and as otherwise noted in Section 4.02

Once funds are depleted, as defined as Escrow Account balances being less than the originated loans for the current month, funds may be disbursed from the Reflow Account equal to five percent (5.00%) of the new loans originated to the Reserve Account.

Section 3.11: Termination of the Reflow Escrow Account. The Reflow Escrow Account shall terminate at the same time as the Reserve Account in Section 4.06. At such time, Summit shall notify City of any remaining balance (including Program income) and remit all Program income to the City

of Milwaukee to the account identified in Section 4.02(c) and any balance to City at such financial institution as City may instruct at that time.

Section 3.12: Reporting. Summit will include the amount of principal, the interest rate for the Reflow Escrow Account, and the amount of Program income in its Quarterly Report and a summary of all other activity with Reflow Escrow Account.

ARTICLE IV Reserve Account for Residential Loans

Section 4.01: Reserve Account for Residential Loans. Summit as Escrow Agent hereby establishes a special loan loss reserve account, account number [] (the "Reserve Account") for City. This Reserve Account will be a Summit Money Market Plus account, the terms and conditions of which will be identified and described in a separate document from Summit to City. This Reserve Account shall be funded and administered as provided in this Agreement.

Section 4.02: Funding of Reserve Account. The Reserve Account will be funded by monies from the Escrow Account for eligible Loans (see Annex D for Eligible Project determination).

- (a) Ramp-up Period: For the first three (3) Eligible Loans, Escrow Account funds corresponding to an individual Loan shall be transferred from the Escrow Account to the Reserve Account in an amount equaling ninety percent (90%) of the Loan amount. Thereafter, the Reserve Account shall be funded at a rate of five percent (5%). A minimum of \$10,000 shall remain in the Reserve Account to cover any early Loss Amounts ["Minimum Reserve"] with such amount retained from the initial transfer of funds from the Escrow Account to the Reserve Account.
- (b) Funds transferred to the Reflow Escrow Account, except for Program income, shall be used as a loan loss reserve for at least one additional Loan, conditioned upon achieving the lending targets in Section 3.05. Funds in the Reflow Escrow Account used as a loan loss reserve corresponding to an individual Loan shall be transferred by Summit as Escrow Agent from the Reflow Escrow Account to the Reserve Account in the amount equaling the Loss Reserve Percentage of the principal amount of the Loan, as defined in Article I.
- (c) Summit as Escrow Agent shall transfer that portion of the Reflow Escrow Account that constitutes Program income to the City on a quarterly basis by transfer to an account identified by the City.

Section 4.03: Interest on Reserve Account. Interest shall be earned on and accrue to the Reserve Account at the interest rate applicable to Summit's Money Market Plus Account. If the top tier rate falls below 0.75% Summit will notify City to discuss investment options. Interest earned on the Reserve Account shall be considered Program income.

Section 4.04: Declaration of a Defaulted Loan; Use and Disbursement of Funds from the Reserve Account. All funds in the Reserve Account shall be available to Summit to cover the agreed Loss Share Percentage of Loss Amounts on Defaulted Loans. Any losses in excess of the Reserve Account will be paid for by Summit with no loss sharing.

- (a) A Loan will be deemed a Defaulted Loan if Loan payments are past due after Summit pursues its normal and usual collection procedures and processes which have triggered an acceleration of the Loan as evidenced by one of the following documents:

- i. A copy of the Notice to Cure required by the Wisconsin Consumer Act, Wis. Stats s.425.104 *et seq.* sent to the Loan borrower, a sample of which is attached as Annex F; or
 - ii. A copy of the borrower’s Bankruptcy filing.
- (b) Five (5) days after a Loan is deemed a Defaulted Loan, Summit as Escrow Agent will disburse funds from the Reserve Account to Summit, as lender, for the applicable amount, which shall equal the Loss Share Percentage multiplied by the amount of the loss for the applicable loan.
- (c) The Reserve Account is **not** a loan guarantee. When and if the Reserve Account has zero balance (no funds remaining), the City shall not be obligated to pay Summit for further losses on Defaulted Loans and all further losses on Defaulted Loans shall be fully to Summit’s own account. The liability of City for Loss Amounts on Defaulted Loans is strictly limited to the balances in the Reserve Account, and no additional liability shall be incurred as a result of this Agreement and Summit hereby releases and holds the City harmless from any such additional liability resulting from losses sustained from Defaulted Loans
- (d) The Risk Sharing Formula establishing the Loan Loss Percentage is defined as the percentage of the loss funded by the Reserve Account and the percentage of loss funded by Summit. The percentages will be driven by the FICO score of the borrower at the time of the loan origination. The Loan Loss Percentages are listed in the following table.

FICO Score Range	Loss by Reserve	Loss by Summit
690 and higher	70%	30%
650-689	80%	20%
610-649	90%	10%
Below 610	95%	5%

Applicants without a FICO score will be placed in the Risk Sharing Formula at the 650-689 level (if there are multiple borrowers, the highest FICO score will be used).

- (e) Recoveries on Defaulted Loans. Summit shall apply its normal and usual collection procedures and processes to the recovery of Defaulted Loans. In the event of recoveries on Defaulted Loans, Summit will deposit back to the Reserve Account the Net Recovered Amount multiplied by the Loss Share Percentage. The Net Recovered Amount shall equal the gross amount of the recoveries less reasonable collections costs. Summit shall retain documentation in its files evidencing any such reasonable collections costs, and upon request, present such documentation to CITY.

Section 4.05: Access to Account information: Summit shall provide, upon request by City, access to information on the balances and transaction upon any occurrence of balance change or other change of status to either an Escrow Account or a Reserve Account. In addition, Summit will provide City, upon request, access to information to review the Escrow Account, Reserve Account and Reflow Escrow Account in addition to regular monthly reporting on the balances and transactions in these accounts under section 7.02. However, disbursement of funds shall only occur from an Escrow Account in accordance with Section 3.04, Reflow Escrow Account in accordance with Section 3.10 and from a Reserve Account in accordance with Section 4.04.

Section 4.06: Termination of Reserve Account: The Reserve Account shall terminate on the date when Summit notifies Summit as Escrow Agent that the last Loan under this Agreement has been fully paid. At such time—before May 31, 2013—Summit as Escrow Agent shall notify City of any remaining balance (including interest) and remit such balance to City at such financial institution as City may instruct at that time. If it is after May 31, 2013, Summit as Escrow Agent shall notify the City of Milwaukee of any remaining balance (including interest) and remit such balance to the City to the account identified in Section 4.02(c).

ARTICLE V Reporting

Section 5.01: Quarterly Reporting.

- (a) Summit will provide City the data and a Quarterly Report summarizing the data and loan activity in that quarter within ten (10) business days of end date of each calendar quarter (quarter end dates are 3/31, 6/30, 9/30, and 12/31). Within 15 business days of contract signing, City and Summit will finalize the data points and transfer protocol (e.g Excel, CSV file, etc.) of that data that need to be sent to City, and the information to be included in the aggregated Quarterly Report. The Quarterly Report shall, at a minimum, aggregate the number of new solar Loans financed by Summit for the preceding quarter. The data sent to City will indicate the payment performance on all outstanding Loans, collections if any, and on all other activities on the Escrow Account and Reserve Account, any inchoate losses or acceleration notices, which Loans have been paid in full, and any funds in the Reserve Account corresponding to those paid Loans that will be transferred to the Reflow Escrow Account. Data to be sent to City and aggregated information to be included in the Quarterly Report is attached as Annex A. The Quarterly Report shall separately identify the amount of Program income in the Reflow Escrow Account.
- (b) Within ten (10) business days of receipt by City of each data transfer and/or aggregated Quarterly Report, if City does not communicate its disapproval of the data transfer and/or the Quarterly Report, in whole or in part, the data and/or Quarterly Report is considered final.
- (c) In the event Grantor requires City to submit additional information or revised data and/or Quarterly Reports, Summit agrees to provide such data within ten (10) business days of City's written request.
- (d) Each Quarterly Report, in the agreed upon format, shall be considered as appended to this Agreement as Schedule 1.

Section 5.02: Resolution of Data Transfers and Quarterly Reports. If City disapproves in writing of a data transfer or a Quarterly Report within the ten (10)-day period following its receipt of the data transfer and Quarterly Report, then:

- (a) City shall immediately state to Summit its reasonable cause for such disapproval and request from Summit such additional information as needed to resolve the matter in question;
- (b) Summit shall provide additional information as requested by City to support and document its data transfer and/or Quarterly Report; and
- (c) Summit and City shall immediately use their best efforts to complete the mutually acceptable corrected data transfer and/or Quarterly Report.

Section 5.03: Use of Data and Quarterly Reports. City may use aggregated information, not specific individual loan information or Personal Data, contained in the data transfer and/or Quarterly Reports

to report publicly or otherwise on any aspect of the Program. City may also request Summit to create more detailed reports such as identifying aggregate Loans by borrower income and other relevant information to help promote and evaluate the Program. No specific Personal Data information shall be included in such reports.

ARTICLE VI Assignment and Assurances

Section 6.01: Negative Pledge. Neither Summit as lender, nor Summit as Escrow Agent, shall grant, assign, or otherwise create, or permit to exist, any assignment, lien, encumbrance, security interest, pledge, charge, privilege, or priority of any kind in or to the Escrow Account or the Reserve Account or any of the funds at any time or from time- to-time escrowed therein in favor of any person or entity other than City.

Section 6.02: Assignment by Summit. Notwithstanding the foregoing in Section 6.01, Summit may assign its rights under this Agreement with the prior written approval of City. Summit's assignment for the purposes of refinancing its solar Loan portfolio is contemplated, and CITY will support and cooperate with this effort. In the event of such assignment, City will direct Summit as Escrow Agent to effect and document such assignment and Summit as Escrow Agent will do so as directed by City.

Section 6.03: Escrow Agent Notice. Neither Summit as lender nor Summit as Escrow Agent has actual knowledge of any other assignment, lien, encumbrance, pledge, security interest, charge, privilege, or other priority of any kind related to the Escrow Account or the Reserve Account other than that created pursuant to this Agreement, and Summit as Escrow Agent shall give City prompt notice of any such interest other than that created pursuant to this Agreement of which a responsible officer of Summit, or Summit serving as Escrow Agent, obtains actual knowledge after the date hereof.

ARTICLE VII Administration of Account

Section 7.01: Account Administration. Summit shall administer the Escrow Account, the Reserve Account, and the Reflow Escrow Account and follow such procedures as it would in administering other accounts according to its standard practices.

Section 7.02: Monthly Statements. Summit shall provide to City on a monthly basis, and from time-to-time upon request as set forth in section 4.05, a statement with respect to the Escrow Account, the Reserve Account, and the Reflow Escrow Account of (i) the balance of funds as of the beginning and the end of, and (ii) all deposits and all withdrawals made during, the month or period covered by such statement. Except in the case of manifest error, each such statement shall be deemed correct and final upon receipt by City unless Summit as lender or Summit as Escrow Agent is notified in writing to the contrary within thirty (30) days after the date of such statement. City and Summit shall make a good faith effort to resolve any disputes involving balances, the transfer of funds, or the monthly reports. In the event of a failure to resolve a dispute on their own, the Parties will follow procedures in Section 10.05.

ARTICLE VIII Representations, Warranties, and Covenants

Section 8.01: Representations of Summit as lender and Summit as Escrow Agent. Summit as lender, and Summit as Escrow Agent, individually and jointly represent and warrant to City as follows:

- (a) Each has the requisite corporate power to own its assets, to conduct its business as presently conducted, and to enter into, and perform its obligations under, this Agreement.
- (b) Neither the making of this Agreement nor the compliance with its terms will conflict with or result in a breach of any of the terms, conditions, or provisions of, or constitute a default or require any consent under, any indenture, lien, mortgage, pledge, charge, conditional assignment, hypothecation, security interest, title retention, preferential right, trust arrangement, privilege, or priority of any kind, agreement, or other instrument or arrangement to which either Summit as Escrow Agent or Summit as lender is a party or by which it is bound, or violate any of the terms or provisions of either Summit as Escrow Agent or Summit's charter or any judgment, decree, or order or any statute, rule, or regulation applicable to either Summit as lender or Summit as Escrow Agent.
- (c) This Agreement has been duly authorized and executed by each of Summit as Escrow Agent and Summit as lender and constitutes the valid and legally binding obligation of each, enforceable against each in accordance with its terms.
- (d) There is not any consent, authorization, or approval of, or any registration or filing with, any government or governmental, administrative, fiscal, judicial, or government-owned body, department, commission, tribunal, agency, entity, or authority required under any law, regulation, order, decree, or judgment applicable to each of Summit as Escrow Agent and Summit as lender in connection with the making and performance of this Agreement.
- (e) The Escrow Account and all funds from time-to-time deposited therein are and shall be lawfully owned by City, free and clear of any assignment, pledge, lien, charge, encumbrance, or security interest, other than those granted by City in this Agreement for the purposes of transferring funds under Section 3.04.
- (f) The Reserve Account and all funds from time-to-time deposited therein are and shall be lawfully owned by City, free and clear of any assignment, pledge, lien, charge, encumbrance, or security interest, other than those granted in this Agreement.

Section 8.02: Summit's Indemnification Obligations. Summit as Lender, and Summit as Escrow Agent shall defend, hold harmless and indemnify the City of Milwaukee and their officials, agents, and employees, from and against any and all third-party claims for Damages arising out of, or relating to:

- (a) Any breach of any obligation for which Summit is responsible as an employer or contractor of its directors, officers, employees, agents, consultants, contractors and subcontractors;
- (b) Any breach by Summit (or its employees) of the obligations assumed under, or its representations, warranties or covenants set forth in, this Agreement;
- (c) Any gross negligence, or willful or intentional misconduct of Summit or its employees;
- (d) Summit's failure to pay and discharge any taxes (including interest and penalties) for which Summit is responsible pursuant to the provisions of this Agreement;
- (e) The obligations under this Article do not lapse upon termination of this Agreement. .

Section 8.03: City's Indemnification Obligations. City shall defend, hold harmless, and indemnify Summit and its officials, agents, and employees, from and against any and all third-party claims for Damages arising out of, or relating to:

- (a) Any breach of any obligation for which City is responsible as an employer or contractor of its

- directors, officers, employees, agents, consultants, contractors and subcontractors;
- (b) any breach by City (or its employees) of the obligations assumed under, or its representations, warranties or covenants set forth in, this Agreement;
- (c) any gross negligence, or willful or intentional misconduct of City or its employees;
- (d) City's failure to pay and discharge any taxes (including interest and penalties) for which City is responsible pursuant to the provisions of this Agreement;
- (e) City's failure to keep confidential any Personal Data of Summit members pursuant to Section 10.02 of this Agreement;
- (f) The obligations under this Article do not lapse upon termination of this Agreement.

Section 8.04: Indemnification Procedures. If an Indemnitee seeks indemnification under this Agreement, the Indemnitee shall give prompt notice to the Indemnitor concerning the existence of the indemnifiable event. The Indemnitor shall have the right, at its sole expense, to be represented by counsel of its choice, which must be reasonably satisfactory to the Indemnitee, and to defend against, negotiate, settle or otherwise deal with any claim for indemnification which relates to any Damages indemnified against hereunder; provided, however, that the Indemnitor shall have acknowledged in writing to the Indemnitee of the Indemnitor's unqualified obligation to indemnify the Indemnitee for any Damages for which the Indemnitee is entitled to indemnification under Section 8 of this Agreement. If the Indemnitor elects to defend against, negotiate, settle or otherwise deal with any claim for indemnification which relates to any damages indemnified against hereunder, it shall within ten (10) calendar days (or sooner, if the nature of the indemnification claim so requires) notify the Indemnitee of its intent to do so. If the Indemnitor (a) elects not to defend against, negotiate, settle or otherwise deal with any indemnification claim which relates to any damages indemnified against hereunder, (b) fails to notify the Indemnitee of its election as herein provided, or (c) contests its obligation to indemnify the Indemnitee for such damages under this Agreement, then the Indemnitee may defend against, negotiate, settle or otherwise deal with such indemnification claim. If the Indemnitee defends any indemnification claim, then the Indemnitor shall reimburse the Indemnitee for the expenses of defending such indemnification claim upon submission of periodic bills. An Indemnitee's failure to give prompt notice shall not constitute a waiver of the Indemnitee's right to indemnification and shall affect the Indemnitor's indemnification obligations only to the extent that the Indemnitor's rights are materially prejudiced by such failure or delay. Notwithstanding anything to the contrary set forth herein, (i) an Indemnitee may participate, at its own expense, in any defense and settlement directly or through counsel of its choice, and (ii) the Indemnitor will not enter into any settlement agreement on terms that would diminish the rights provided to the Indemnitee or increase the obligations assumed by the Indemnitee under this Agreement, without the prior written consent of the Indemnitee. If the Indemnitor elects not to defend any claim as is required under this Agreement, the Indemnitee will have the right to defend or settle the claim as it may deem appropriate, at the cost and expense of Indemnitor, and Indemnitor will promptly reimburse the Indemnitee for all costs, expenses, settlement amounts and other Damages.

Section 8.05: Insurance Requirement. Summit agrees to keep in force during the entire period of this Agreement, insurance in the form and in the amount sufficient, in the opinion of City, to protect City against loss in connection with claims alleging injury or damages arising out of Summit's performance under this Agreement. Prior to the commencement of Summit's performance hereunder, Summit shall cause its insurance representative to furnish City full and complete original certificates of insurance, specifying City as the Certificate Holder, from its carrier showing the amounts and kinds of insurance coverage carried, and that the coverage will not be cancelled without thirty (30) days advance written notice to City. The certificate of insurance shall be attached as Annex H to this Agreement.

Summit agrees to notify City, in writing, in the event of cancellation or changes in its insurance coverage. Such written notification shall be given no later than five (5) business days from the effective date of cancellation or change.

Section 8.06: Covenants of City and Summit. City and Summit shall each submit to Summit as Escrow Agent a certification under oath by its corporate secretary or other equivalent officer attesting to the authority of the officer duly designated by each to issue instructions for purposes of this Agreement and setting forth their full names, their respective positions and specimen signatures. All orders, instructions, requests, or certifications of such duly designated officers shall be in writing, and Summit as Escrow Agent may rely upon, and shall be fully protected and discharged from any responsibility or accountability in acting in accordance with such orders, instructions, requests, or certifications that City and Summit hereby warrant to be valid, binding, and duly authorized by its respective governing body.

Each Party shall notify the other party of any material changes in the mode of operation, change of premises, significant negative change in financial position, as well as any litigation or proceedings before any court or administrative agency that may adversely affect its ability to fulfill its contractual obligations under this Agreement.

ARTICLE IX The Escrow Agent

Section 9.01: General.

- (a) Summit as Escrow Agent shall not deal with the Escrow Account, the Reserve Account, and the Reflow Escrow Account and the funds in each respective account, except in accordance with (i) this Agreement, (ii) written instructions given in conformity with this Agreement, or (iii) instructions agreed to in writing by City. It is understood that this Agreement expressly sets forth all of the duties and obligations of Summit as Escrow Agent with respect to the Escrow Account, the Reserve Account, and the funds in each respective account. In the event that any of the terms and provisions of any other agreement between or among any of the Parties conflict or are inconsistent with any of the terms and provisions hereof for purposes of

determining the duties and obligations of Summit as Escrow Agent under this Agreement, the terms and provisions of this Agreement shall govern and control in all respects.

- (b) Summit as Escrow Agent shall not have any liability with respect to any action taken by it arising out of or in connection with this Agreement except for its own negligence, fraud, or willful misconduct.
- (c) This Agreement is for the exclusive benefit of the Parties and their respective successors and permitted assigns and shall not be deemed to give, either express or implied, any legal or equitable right, remedy, or claim to any other entity or person whatsoever.
- (d) If, at any time, Summit as Escrow Agent is served with any judicial or administrative order, judgment, decree, writ, or other form of judicial or administrative process that in any way affects an Escrow Account, a Reserve Account, or any of the funds in those Accounts (including but not limited to order of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of any of the funds), Summit as Escrow Agent is authorized to comply therewith in any manner as it or its legal counsel of its own choosing deems appropriate. If Summit as Escrow Agent complies with any such judicial or administrative order, judgment, decree, writ, or other form of judicial or administrative process, Summit as Escrow Agent (except in the case of Summit as Escrow Agent's gross negligence, fraud, or willful misconduct) shall not be liable to any of the parties or to any other person or entity even though such order, judgment, decree, writ, or process may be subsequently modified or vacated or otherwise determined to have been without legal force or affect.
- (e) In no event (except in the case of Summit as Escrow Agent's negligence, fraud, or willful misconduct) shall Summit as Escrow Agent be liable (i) for any consequential, punitive, or special damages, (ii) for the acts or omissions of its nominees, correspondents, designees, subagents, or sub-custodians, or (iii) for an amount in excess of the value of the funds.
- (f) Summit as Escrow Agent shall not be responsible in any respect for the form, execution, validity, value, or genuineness of documents or securities escrowed hereunder, or for any description therein, or for the identity, authority, or rights of persons executing or delivering or purporting to execute or deliver any such document, security, or endorsement.

Was loan rejected because of credit worthiness or incomplete application?	Indicate if the loan was rejected based on credit worthiness or an incomplete application.
If loan was rejected based on credit worthiness, select the reason that is most applicable to the loan applicant.	Select the reason most applicable to the loan applicant: Delinquent past or present credit obligations, Bankruptcy past or present, Excessive obligations in relation to income, Insufficient credit file, Credit score below minimum requirement, No FICO score
RESIDENTIAL LOAN TERMS	This section is for collecting information related to the residential loan terms.
Which loan product was used to finance the retrofit? (As listed in the LOAN PRODUCT INFO Tab)	List the loan product offering that the applicant used to finance the retrofit.
Loan Approved Date (mm/dd/yyyy)	If the loan was approved, please enter the date when the loan was funded.

Loan Term (# of Months)	The loan term is the period of time agreed upon by the lender and the borrower to repay the loan.
Fixed Interest Rate (%)	The amount of interest charged on a monthly loan payment, expressed as a percentage.
Initial Interest Rate if Variable (%)	The initial interest rate is the rate stated in the adjustable rate mortgage (ARM) note that will be in effect from the date of the first monthly payment for the ARM. RESIDENTIAL UNDERWRITING CRITERIA	This section is for collecting information related to residential underwriting criteria.
Annual Income (\$)	The annual income of the lendee is part of the process of analyzing a loan application to determine the amount of risk involved in making the loan.

Middle Credit Score (FICO)	FICO is an abbreviation for Fair Isaac Corporation and refers to a person's credit score based on credit history. Lenders and credit card companies use the number to decide if the person is likely to pay his or her bills. A credit score is evaluated using information from the three major credit bureaus and is usually between 300 and 850. When evaluating a borrower's eligibility for a loan, financial institutions typically pull the borrower's credit history which contains all three scores. Since the scores may vary slightly, here we ask for the second highest credit score (median), in order to standardize reporting.
Debt-to-Income Ratio (Front End)	Debt-to-income ratio is a comparison or ratio of gross income to housing and non-housing expenses. With the FHA, the mortgage payment combined with non-housing debts should not exceed 41% of income. The front-end debt-to-income ratio is calculated with housing debts.
Debt-to-Income Ratio (Back End)	Debt-to-income ratio is a comparison or ratio of gross income to housing and non-housing expenses. For example, with the FHA, the monthly mortgage payment should be no more than 29% of monthly gross income (before taxes). The back-end debt-to-income ratio is calculated with non-housing debts.
Property Valuation (\$ or n/a)	Property valuation is an estimation of the current market value of a property.
Outstanding Mortgage Debt (\$)	Please enter any debt the homeowner may already have prior to applying for the loan. This may be a car loan or credit card debt that is not yet paid.
Outstanding Home Equity Line (\$)	Home equity line of credit is a mortgage loan, usually a second mortgage, allowing a borrower to obtain cash against the equity of a home, up to a predetermined amount.
Outstanding Other Debt (\$)	Please enter any debt the homeowner may already have prior to applying for the loan. For example, these may include debts on a car loan or credit card. Definitions will depend on the financial institution.
Existing Liens on Property (\$)	A lien is a legal claim against property that must be satisfied when the property is sold.
Loan-to-Value Ratio	Loan-to-value ratio is a percentage calculated by dividing the amount borrowed by the price or appraised value of the home to be purchased; the higher the LTV, the less cash a borrower is required to pay as down payment.
Previous bankruptcy or foreclosure in past 7 years? (1 if yes)	Please indicate if the applicant has previously filed for bankruptcy or had a property foreclosed in the last 7 years.
Other (write here to specify)	If there are other important residential underwriting criteria that are not already captured by this section, please describe them here.

Annex B
Financing Terms, Conditions, and Underwriting Criteria – Residential Loans

Eligible Customer(s): means a resident owner(s) of single family residences or owner-occupied multi-family residences up to three dwelling units located within City of Milwaukee, Wisconsin. An owner must own the property as an individual natural person, not as an LLC, trust, or other form of ownership.

Eligible Borrower: has the meaning set forth in Article I of this Agreement.

Program Lender: Summit Credit Union

Use of Proceeds & Eligible Projects: Pursuant to this Agreement Loans must fund Eligible Projects. Multi-family residences qualify for Eligible Loans if and only if they are occupied by an Eligible Customer and comply with Program requirements.

Minimum Loan: \$1,000

Maximum Loan: \$20,000

Minimum Down Payment: No down payment is required.

Loan Term: Not to exceed 15 years.

Fees: Summit shall charge the necessary UCC-1 Financing Statement fee to the Escrow Account for each Eligible Loans, so an individual Eligible Borrower does not pay that fee. No other fees shall apply.

Payment Schedule: Payments will be fully amortized, fixed monthly amounts of principal and interest, beginning with the initial payment.

Interest Rate: Summit will be applying the following interest rates to these loans and they will be underwritten as unsecured credits. Interest rates shall be based on the Prime rate as published in the Wall Street Journal as of the date of the loan application approval plus an adder of 2.25% for Loans with a term over 60 months. For Loan with a term of 60 months or less, the interest rate shall be on the Prime rate as published in the Wall Street Journal plus an adder of 1.50%.

Rates are subject to change based on the formulas noted above or by agreement of the Parties to change those formulas. The Parties agree to develop alternate rate formulas that may be included in this Agreement. Any changes in rates will be communicated to City. Rates will be fixed for each loan at the time of loan application approval and for 90 days after such approval unless the interest rate should decrease during that period, in which case the loan shall be made at the lower interest rate plus appropriate adder.

Prepayment Option: Interest on all loans is calculated using the simple interest approach, and loans will not include any penalties for pre-payment.

Loan Disbursement: Loans will be disbursed only payable to the Approved Installer(s). Summit is allowed to distribute loan funds based on an agreed upon contractor schedule if so desired. Each Loan disbursement on each project will be contingent upon prior written approval by Eligible Borrower and Approved Installer(s), and a written approval from Focus on Energy based upon an Accepted Small System Incentive Registration, an example of which is set forth in Annex E. To receive final payment, Approved Installer(s) will provide a copy of final approved City inspections, We Energies interconnection agreement, and final bill of project costs.

Loan Security: All loans may be secured by a UCC-1 filing, and otherwise these loans will be treated as unsecured loans from an underwriting perspective.

Loans will also be indirectly secured by the pledge of loan loss reserve funds.

Loan Repayment: Repayment will be expected to come from the Eligible Borrower’s monthly income. Borrowers will be fully obligated to repay the credit via the promissory note and any associated filing to perfect Summit’s interests.

Should the Eligible Borrower default on repayment, the Loss Reserve Account will be drawn upon to cover a portion of the loss.

Underwriting Criteria:

The underwriting criteria to be used by Summit both for automatic approval and for reconsideration of Loan applications initially denied are as follows. First line approval as follows:

	FICO	690 AND UP	689-650	649-610	609 AND DOWN
Characteristic	Comparison

Term	Less than or equal to	180 months	180 months	180 months	180 months
Number of Trade lines in credit report	Greater than or equal to	2	3	5	5
Debt to Income	Less than or equal to	.45	.40	.35	.30
# of Open Collections		2	1	0	0

Number of Public Records	Less than or equal to	2	0	0	0
There are no delinquent property taxes owed the City on the property where the work will be performed	Applies to all borrowers in all FICO score categories				

Loans not meeting these guidelines will be individually reviewed by Summit. Compensating factors and strengths of the borrowers may be considered (such as: anticipated savings in energy bills, degree of change to monthly financial obligations, remaining disposable income or a strength in one particular characteristic), and loans may still be approved by Summit based on strength of those compensating factor(s) offsetting another weakness.

Loan Origination Procedures and Schedule:

- Loan applications must be submitted to one of Summit’s branches.
- Applications may be submitted in person, by fax, by email, or by mail. The application must note the street address of the subject property and the owner(s) of the subject property.
- An approved Loan application shall only be effective for ninety (90) days after the date of approval by Summit. After that time an applicant must file a new application for a Loan. An initial Loan application shall include the following:
 - An estimate of the cost of the intended work, a general description of the potential Eligible Project including Eligible Measures, and an estimate of the amount of potential financing requested.
 - Income documentation: current pay stub, evidence of retirement/investment income, or for self-employed applicants a full, signed copy of their last federal income tax return (unless the applicant is a current member of Summit with such information already on file) and other information necessary to complete the Summit loan application..
 - Summit will underwrite the complete loan application and associated documentation, and will have a benchmark to respond back to the applicant within ten (10) minutes of the application. The number of applications received, approved and denied shall be reported to City as part of Summit’s Quarterly Report. For declined applications, the reasons for decline will be disclosed only to the applicant. All initial loan application approvals shall be conditioned upon Summit’s receipt of the final bill for the installed cost(s) of Eligible Measures for an Eligible Project from the Approved Contractor(s) signed by the borrower and Approved Contractor and a signed, fully completed Installation Completion Certificate. An initial conditional Loan approval shall include an amount that includes a ten percent (10%) cost overrun contingency. An initial conditional Loan application approval shall only be effective for ninety (90) days within which the Eligible Project must be completed and all of the requirements for a final contract approval have been satisfied.

- Summit shall not execute a final loan agreement with an Eligible Borrower or make payment to an Approved Contractor(s) until it has received final Eligible Project costs and received a fully signed Installation Completion Certificate. Once Summit has executed a final Loan agreement with the Eligible Borrower, Summit shall pay the Approved Contractor(s) within 48 business hours of the signing of said Loan Agreement if a Right to Cancel pursuant to Chapter 423 of the Wisconsin Statutes is not applicable and within six (6) business days of the signing of the final Loan agreement if a Right to Cancel pursuant to Chapter 423 if Summit is uncertain whether a Right to Cancel pursuant to Chapter 423 applies to the Loan agreement.
- Loan documents for execution by the Eligible Borrower and Summit will normally be available the following business day of an approved application. Loan closing will occur in a Summit branch or where there are multiple borrowers in a limited geographic area that is not easily accessible to a Summit branch office at a location identified by Summit that is convenient to those borrowers. City may request that Summit close Loans in this latter situation as appropriate.

Resolution authorizing the Department of Administration-Office of Environmental Sustainability to enter into a cooperation agreement with Summit Credit Union to deliver the Milwaukee Shines Solar Loan Program, to expend funds out of the Milwaukee Shines contribution account, and to establish a revenue account to receive maintenance fees for this grant program.

..Analysis

This resolution authorizes the Department of Administration-Office of Environmental Sustainability to enter into a cooperation agreement with Summit Credit Union to deliver the Milwaukee Shines Solar Loan Program. The Solar Loan Program augments other Milwaukee Shines activities that are funded from the U.S. Department of Energy Solar America Cities program, totaling \$860,543, to spur interest and investment in solar energy.

The Milwaukee Shines Solar Loan Program will utilize \$120,000 in donated funds from We Energies, a Milwaukee Shines partner, with \$100,000 utilized as the loan loss reserve with Summit Credit Union to support \$2 million in solar loans, and \$20,000 utilized as an incentive for the first 20 residents who participate in the Milwaukee Shines Solar Loan Program. The objective of the Milwaukee Shines Solar Loan Program is to achieve at least 100 new solar energy installations throughout the city over the two-year grant period. The Milwaukee Shines Solar Loan Program agreement with Summit Credit Union will create a maintenance fee through the loan transactions that will help maintain the program.
