DEAR MS. ROSETTI

Please be advised that we are closing our file on the above-captioned matter. Our investigative efforts have led us to conclude that the corporate defendant has been dissolved and/or is no longer in business and has no executable assets from which to satisfy this debt.

The file will remain in an inactive state on our computer. If at any time you should find any additional information to aid in the collection of this matter, please advise our office and we will reactivate the file and resume collection efforts.

If judgment has been entered on your behalf in this matter, please find below the judgment information for your records. If judgment has not been entered and you still intend to pursue this claim, please be advised that there are various "statute of limitations" deadlines (depending on the type of claim) beyond which you may be forever barred from bringing legal action for collection. If you should need help in determining the statute date, please contact our office. Any original documentation is attached.

Thank you for this opportunity to serve you. We look forward to handling your future collection matters.

#### Re: Resolution Authorizing Payment of the Uninsured Motorist Claim Of Eric Rom, C.I. File No. 06-L-81

Dear Council Members:

Enclosed is a resolution recommending settlement of the above-referenced claim, which we ask be introduced and referred to the Committee on Judiciary and Legislation for their recommendation.

Claimant, Eric Rom, through his attorneys, Cermele & Associates, S.C., alleges that on March 13, 2006, while on duty as a City of Milwaukee police officer, he was involved in a vehicle accident with an uninsured motorist, sustaining certain injuries and damages. The claimant has agreed to settle this claim for the amount of \$3,500.00.

Settlement of this claim is recommended based upon the reasons stated on the enclosed Settlement Draft Request from the law firm of Crivello, Carlson & Mentkowski, S.C. This firm has been retained to administer the City of Milwaukee's uninsured motorist self-insurance plan.

#### **REASON FOR REQUEST:**

Eric Rom, a City of Milwaukee Police Officer, was in the scope of his employment and operating a City of Milwaukee Police vehicle that was traveling westbound on West North Avenue with its emergency lights and sirens activated. As the City vehicle approached the intersection of West North Avenue and North 31st Street, the uninsured motorist, who was in the right hand lane of West North Avenue, failed to yield the right of way and changed lanes into the left lane, striking the police vehicle and causing the accident. As a result of conduct of the uninsured motorist, there is liability on the City of Milwaukee pursuant to §62.67 Stats., and the City of Milwaukee's Uninsured Motorist Self-Insurance Plan.

Dear Ms. Fisher:

You participated in mediation with the above-mentioned officers on Monday, October 20, 2008 at 1:00 p.m. Upon completion of the mediation, you stated that you would not sign the Resolution Agreement and wanted to think about.

On Thursday, October 23, 2008, Cindy Janusz of our office contacted you regarding the mediation. You indicated that you are still dissatisfied with the outcome of the mediation. Ms. Janusz informed you that there is not enough evidence with your complaint of any wrongdoing by the officers to pursue a trial against them. We are, therefore, closing our file on your complaint.

If you have any questions regarding our decision, please call Ms. Janusz at (414) 286-5055.

Dear Mr. Leonhardt:

The above-named police officer has retained us to represent him in connection with the above-referenced matter. Consistent with its policy, the City Attorney's Office has refused to represent him, and as he was performing the duties of his office at the time of the events giving rise to the incident, the claim is hereby made on his behalf for the indicated legal fees. This incident involved the arrest of a suspect.

The MPD initiated a criminal investigation in which the officer initially declined to give a statement without counsel. When he requested counsel, IAD compelled PO Harris to give a statement concerning the incident after issuing a PI-21. Later, the MPD did not bring criminal charges against the officer. We return the enclosed document which has been filed with the City Clerk and ask that it be introduced and referred to the Committee on Judiciary & Legislation with the following recommendation.

Claimant, Ronald Sherrill, 6446 West Fond Du Lac Avenue, Milwaukee, WI 53218 alleges that on February 3, 2009 he sustained damages when a City water main broke and the water, debris and mud damaged his parking lot. He claims damages in the amount of \$6,300.00.

Our investigation reveals that the Milwaukee Water Works records indicate that on February 3, 2009 at 4:02 a.m. they received a report of a leak in the street at 6430 West Fond Du Lac Avenue. A field investigator dispatched to the location confirmed a break in an 8 inch water main and immediately shut off the water. The Water Works notified the Department of Public Works-Sewers to open the catch basins, contacted digger's hotline to mark the underground facilities and requested a salt truck to decrease the accumulation of snow and ice in the area. A Water Works crew also responded and made the necessary repairs. The main was placed back in service. The crew back-filled and

blacktopped the excavation with a temporary asphalt patch. The Water Works was not negligent regarding their response, repair or minimization of damages. As such, the City would not be liable. Therefore, we recommend that this claim be denied.

Satin Wave, LLC - 6446 W. Fond du lac Avenue, Milwaukee, WI 53218

Re: Damages to Property Parking Lot - Tuesday, February 3, 2009 from Water Main Break(s), February 3, 2009 and March 12, 2009

This letter is written for the sole intent of filing a Claim with the City of Milwaukee for monetary relief to make repairs to my property parking lot, damaged on Tuesday, February 3, 2009 from a City of Milwaukee water main break. The damages were caused by one of two underground water main breaks that occurred at 6430 W. Fond du lac Ave. in Milwaukee on 2/3/09 and 6414 W. Fond du lac Ave. in Milwaukee on 3/12/09. My property is located at 6446 W. Fond du lac Ave.

On the morning of Tuesday, February 3, 2009, I received a phone call from my son, Ronal Sherrill, Jr. at approximately 5:00 a.m. He informed me that a water main broke at 6430 W. Fond du lac Ave. hours before daylight. He stated that Officers from District 7 -Milwaukee Police Department had responded. (Please see Police write-up attached.)

I arrived at approximately 5:40 a.m. to observe a blast of water shooting up from beneath the ground in front of 6430 W. Fond du lac Ave. I also observed that the flooding was so extensive. it covered my parking lot located at 6446 W. Fond du lac Ave., (one door north of where the main brake occurred) the sidewalk adjoining the lots and Fond du lac Ave. All were immersed and flooded with water. I telephoned District 7 - Milwaukee Police Department again, to ascertain whether the owner of the property had been notified. A worker from DPW arrived at approximately 5:50 a.m. and "marked" the area. A crew from the City of Milwaukee arrived at approximately 8:00 a.m. I observed the crew digging up the concrete in front of 6430 W. Fond du lac Ave. Much of the excess water, mud and debris that was pumped from beneath the ground level filled my parking structure and flowed east down into the alley way, and eventually into the streets onto Fond du lac Ave. (traveling north). See photos.

A **DPW** worker referred me to Bernice Flemming, a Water Claims Specialist for the City of Milwaukee Waterworks. After listening to my report of the incident, she offered to mail me "*Instructions for Filing A Claim*." Ms. Fleming advised me to contact my local Alderman to request assistance with clean-up of my lot. From February 3, 2009 through February 6. 2009, I observed freezing water settling on my parking lot, in front of my business, and behind my

property where the lot adjoins to the alley. Sub-zero temperatures and the time that lapsed before crews arrived created more critical problems. Tightening of the ground (due to cold weather and water pressure) caused a noticeable shift of the pavement. The water main erupted hours before DPW crews arrived, and water flowed through cracks in the street causing icy, hazardous road conditions and bubbling and buckling of the surface of my parking lot area.

On February 6, 2009, I spoke to Sherman Morton, Assistant to Alderman Joe Davis, Sr. I explained the reason for my call. The next week. I hand delivered photos of the damages and debris to Alderman Davis^{*} office. Mr. Morton received the photos, and assured me that he would arrange to have the mud, debris and water (now mounds of ice and extremely dangerous) removed. To date, no one has reported to my business for the purpose of cleaning up the ice and debris, nor have I received a follow-up phone call about the matter from the City of Milwaukee or Mr. Morton. See photos attached.

Per "*Instructions for Filing A Claim*" received from Bernice Flemming, Water Claims Specialist, I have indicated two Proposals, i.e., estimates for repairs necessary to correct the damages to my property. Written Proposals are also enclosed with this document.

We have received your claim in the amount of 4,436.10, relating to damage allegedly sustained to your vehicle on January 10, 2009 when it collided with a pothole while you were traveling northbound on  $33^{rd}$  Street just past North Avenue.

Our investigation reveals that the Infrastructure Services Division and the Sanitation Division records indicate that prior to January 10, 2009 the City had no notice of this hazard in the roadway and because of this lack of notice the City would not be liable. Therefore, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

CITY OF MILWAUKEE

My name is Ethel Massey-Tate. I am writing this letter concerning a very serious matter between myself and the City of Milwaukee because I have been financially injured because I have lost the use of my vehicle due to an unsafe street.

I was driving North on 33rd St and had just crossed North Avenue and experienced a big bump. Myself and my husband stopped and looked to see if there was any real damage but it was 6:30 P.M. on January 10, 2009 and too dark to see clearly a problem. There is a hole about 4-5 feet across and about 3-4 feet wide on the corner of 33rd between North and Meinecke. The hold is to the right of the Boys' and Girls' Club building on 33rd Street.

I proceeded on and I remembered that I had to go to Walgreen's on  $27^{\text{th}}$  and North on my way back so we went back to go to Walgreens. At that time I told my husband that since there was some lighting on the parking lot to see if he could notice anything wrong. Him not being a mechanic looked around the outer view of the car and did not notice any damage.

We went home and waited about 20 minutes for a car to move so that we could park. car behind us finally moved so we took a spot a couple of house up the street.

The next day we had dressed for church and my husband was starting the car to warm it a big and I was standing in the living room door looking out and wondering why it was  $r_{vo}$  taking so long and why the car was moving to slowly. He got out of the car and said that the car had a problem. He walked back to the parking space and noticed red fluids on the ground. I also noticed the fluids and notice that the spot we sat waiting for a park had lots of red fluids as well.

I told my husband that our transmission had been damaged and we would need to call someone to look at it and we left the car parked and called a friend later that evening to look at the car. We thought it may just be the transmission pan. Our friend stated that there is a crack in the cover of the transmission and more serious than a pan.

We start to check to see how much it would cost to replace the transmission and the prices are for above what we could afford and I call to get procedural information from

my alderman's office and was mailed out information of how to file this claim with the city.

This was our only working vehicle and it has cost even more expense paying to use other people vehicles and has effective our lives to the point we have problems keeping appointments and scheduled events.

I have enclosed two estimates as required. I have been told that this transmission is expensive and I can't afford to pay for it myself, being unemployed at this time.

Please consider this claim.

Sincerely, Ethel Massey-Tate

#### RE: Jeffrey Kusick C.I. File No: 09-S-57

Dear Mr. Kusick:

We have received your claim in the amount of \$230.00, relating to the windshield damage to your vehicle that was allegedly caused by snow and ice that was dislodged and/or thrown over the South  $92^{nd}$  Street bridge as you traveled east on I-94 on December 12, 2008.

Our investigation reveals that the Fleet Accident Report completed as a result of this alleged incident noted the bridge is outfitted with small safety fence fabric on either side, to a height of 8 feet above the sidewalk. The holes in the mesh are approximately 1 inch in size. The driver assigned to this route also denies causing any damage. Our office also spoke with the Support Service investigator that investigated this matter. He noted we followed standard plowing procedures. Since the City followed standard procedures and there is no proof that the City was negligent in this matter, it cannot accept liability and we are denying your claim.

#### REQUEST FOR HEARING TO APPEAL DECISION, CLAIM FILE #09S57

I would like to appeal the decision to deny my claim for \$230 to cover repair to my car windshield, which was damaged December 22, 2008.

As stated in my original claim letter dated January 29, 2009, my windshield was struck by what seemed to a clump of ice, perhaps with a rock in it, that fell from the 92nd Street bridge as I passed under it while driving east on I-94. I am aware that there is a fence on the bridge that is meant to prevent objects from falling below. However, I believe that repeated snow plowing and accumulation caused compacted snow or ice to be pushed through a space on the ledge where it supports a light pole there. Snow was being plowed on the bridge at the time the incident occurred. Something struck my windshield as I passed under the bridge, startling me with a loud noise and causing a large expanding crack that must be repaired. Fortunately the glass did not break entirely, I did not swerve into traffic, and nobody was hurt. All I ask is for my windshield repair cost to be covered. 12 AVM 6003

I will be happy to explain the situation in person so that you understand why I feel the City is responsible.

Thank you,

Jeffery Kusick

2009 FEB - 9 PM 3: 34

CITY OF MILWAUKLE

I am making a claim for \$230 against the City of Milwaukee for damages to my automobile windshield.

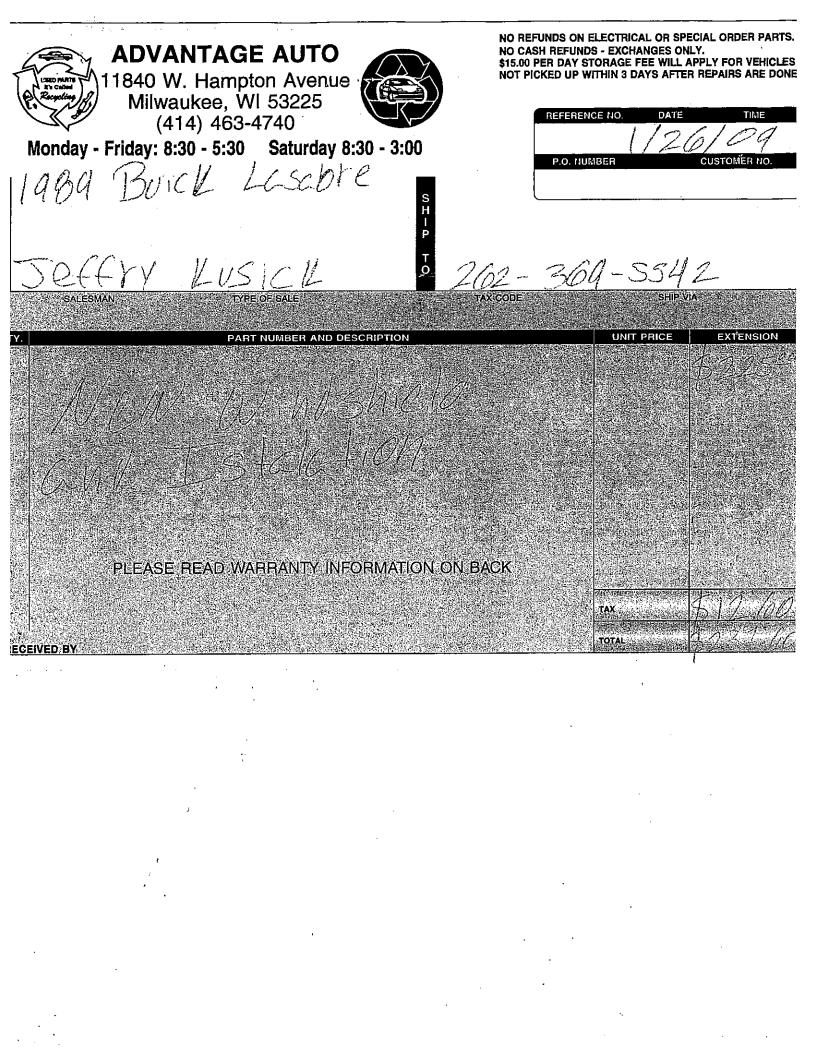

While heading east on Interstate 94 on the way to my job at Port of Milwaukee, I drove under the 92nd Street bridge and snow and ice fell onto my windshield from above. The 92nd Street bridge was being plowed at the time. The plow pushed the heavy snow through the safety fence on the side of the bridge, and the snow proceeded to fall and break loose ice hanging off the side of the bridge directly onto my automobile. The noise of the impact was extremely loud. This caused my windshield to crack, and the crack has since spread into a very large crack which will soon cause my windshield to cave in. This incident occurred on December 22 at 6:05 AM. I have attached copies of two itemized receipts for the replacement of my windshield and I am seeking reimbursement for the lesser amount. You can reach me during business hours at (262) 369-5542. 2009 FEB -9 AM 10: 20

Sincerely,

Jeffery Kusick

We have received your claim in the amount of \$380.00, relating to costs you incurred on April 19, 2009 when a backwater from the City's sewer backed up into your home at 5512 West Wells Street.

Our investigation reveals that the sewer in question is on a regular cleaning schedule. The last time the sewer was cleaned was on July 28, 2006. Because the sewer was on a regular cleaning schedule and the City of Milwaukee did not have any notice of any problems with the sewer, the City cannot be held liable and we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

Very truly yours,

GRANT F/ JANGLEY City Attomey

To Whom It May Concern:

On Sunday, April 19, 2009 my husband and I noticed the smell of methane coming out of our basement. My husband went down to the basement and found the basement drain was backed up, and the water level was rising. We immediately contacted Roto-Rooter who came out with their equipment, and at 165 feet still had no blockage in the line. While working, he also noticed that the water level had not decreased, but was continuing to rise. The Roto-Rooter technician looked into the sewer manholes in the street and noticed that the water level was only a few feet from the street surface.

We contacted the Department of Public Works and described our problem. That person transferred us to City Hall to have someone from Sewers come out to our address. When they came out, they determined there was blockage in the sewer system and they would get someone to "jet it out" as they said.

Once the blockage was opened our basement flooding receded, but not before sewer water reached across our basement floor, affecting but not submerging our major appliances, water heater, furnace, items in storage and a freezer containing food.

Please note the enclosed receipt from Roto-Rooter. We would like to file a claim for \$380.00 for after hours/weekend fees for service.

We have already begun the cleanup process and have contacted some businesses for estimates to the basement, but as we have two small children in the house, we need to address this immediately and have begun cleanup ourselves.

Sincerely,

Jan Palozo
