Re: Resolution Authorizing Payment of a Judgment  
for costs in *City of Milwaukee v. NL Industries, et al.*

Dear Council Members:

Enclosed is a resolution recommending payment of a judgment for court costs in the above-referenced lawsuit. We ask the resolution be introduced and referred to the Committee on Judiciary and Legislation for its recommendation.

In 2001, the City of Milwaukee engaged several law firms under a contingency agreement to sue various paint and lead manufacturers for creating a public nuisance by manufacturing and selling lead paint. In the end, the jury ruled in favor of the companies and their verdict was upheld on appeal. On January 8, 2008, local counsel for defendants obtained a judgment against the City of Milwaukee in the amount of \$31,114.16 for court costs. There is a dispute between the City and the law firms concerning who is obligated to pay the court costs under the contingency agreement.

Since the date of judgment, interest has been accruing on this amount in the sum of \$10.23 per day. Accordingly, we recommend that this judgment be paid by the City to avoid further interest charges. We have estimated a payment date of December 15, 2009 and have figured the total payment to be \$38,346.77. We ask to meet with

To the Honorable  
Common Council of the  
City of Milwaukee  
November 2, 2009

the Judiciary and Legislation Committee in closed session to discuss with you the City's recourse concerning this payment.

Very truly yours,

GRANT F. LANGLEY

      Address        1616-18 S Cesar E Chavez Dr

Dear Alderman Hamilton:

The owner of the above-referenced property has applied for a Vacation of In Rem Judgment. The Department of Neighborhood Services has no outstanding orders or charges and does not object to the request, provided the applicant files an updated recording application for this property.

There is a pending Recording Enforcement fee of \$300.00 for the property located at 1801 S 11<sup>th</sup> St, which is also owned by the applicant. The Department requests that this fee be paid.

Sincerely,

  
Lynne Steffen  
Business Operations Manager

I do not have anything for any of these addresses nor any of the other ones that you have sent in the past. In the future I will send you an e-mail back letting you know if the lead program has any outstanding items for each address. That way you will have something to add to your file. Thanks and keep up the enthusiasm for these. Such a refreshing perspective (he he he..)

Re: Communication from Attorney Jon Cermele, Cermele & Associates, S.C.  
for legal fees for Police Officer Kelly Parker  
EC 2649

Dear Council Members:

Returned herewith is a document filed by Attorney Jon Cermele for attorney's fees for representing Police Officer Kelly Parker. The claim is in the amount of \$649.00 for 5.90 hours of service billed at the rate of \$110.00 per hour. We ask that this matter be introduced and referred to the Committee on Judiciary & Legislation.

We have reviewed this claim and advise that in our opinion, the time spent was reasonable. Legal representation was occasioned by a criminal investigation. No criminal charges were brought against the officer on whose behalf this claim was filed.

As we have advised you under similar circumstances in the past, the Common Council has discretion to reject this claim or to pay it in whole or in part. Sec. 895.35, Stats., *Bablitch and Bablitch v. Lincoln County*, 82 Wis. 2d 574 (1978).

**Subject:** EC 2649; claim for P.O. Kelly Parker

Jon,

This is another of the claims listed on your October 14 letter. It got held up because the billing reflects a "previous balance" of \$675.00 in addition to the amounts itemized in the bill, which total only \$649.00. We have no previous claim for Parker for \$675.00. We have no itemized statement of the services provided to support the claimed "previous balance" of \$675.00. We need to resolve this issue before we act on the claim.

Thanks,

Jan Smokowicz

Allegations Regarding Mr. Koua Moua  
Date of Incident: February 17, 2008  
Location of Incident: 6400 Block of West Florist Avenue**

Dear Mr. Leonhardt:

Pursuant to Article 58 of the 2007-2009 Collective Bargaining Agreement between the City and the Milwaukee Police Association, the City should request that this claim be placed on the Common Council Committee agenda within 180 days of its receipt.

The above-named police officer has retained us to represent him in connection with the above-referenced matter.

Consistent with its policy, the City Attorney's Office has refused to represent him and, as he was performing the duties of his office at the time of the events giving rise to the incident, this claim is hereby made on his behalf for the indicated legal fees. This incident involved a traffic stop.

DDA Reddin reviewed the matter and did not issue charges against the officer. Attached is a copy of DDA Reddin's letter and an itemization of the time and services rendered.

Thank you.

Attorney at Law

Re: Complaint of Koua Moua

Dear Mr. Eisenberg:

As you will recall, the Wisconsin Department of Justice, Division of Criminal Investigation (DCI), at this office's request, conducted an independent investigation into your client's allegations that the force used against him in his arrest by Milwaukee Police on February 17, 2008, was excessive.

That investigation is complete, and has concluded that the force used was not excessive. After reviewing the DCI reports and conclusions, a copy of which I enclose, our office agrees with those conclusions and considers the investigation into your client's allegations closed.

Very truly yours,

Re: Communication from Attorney Jon Cermele, Cermele & Associates, S.C. for  
legal fees for Police Officer Shawn Humitz  
EC 2655

Dear Council Members:

Returned herewith is a document filed by Attorney Jon Cermele for attorney's fees for representing Police Officer Shawn Humitz. The claim is in the amount of \$3,346.60, including \$24.60 in disbursements for 30.20 hours of service billed at the rate of \$110.00 per hour. We ask that this matter be introduced and referred to the Committee on Judiciary & Legislation.

We have reviewed this claim and advise that in our opinion, the time spent was reasonable. Legal representation was occasioned by the filing of a citizen's complaint against the officer and sergeant with the Fire and Police Commission. The complaint was dismissed by the Commission.

As we have advised you under similar circumstances in the past, the Common Council has discretion to reject this claim or to pay it in whole or in part. Sec. 895.35, Stats., *Bablitch and Bablitch v. Lincoln County*, 82 Wis. 2d 574 (1978).

Very truly yours,

  
GRANT F. LANGLEY

OK.

I UNDERSTAND THAT A HEARING DID OCCUR ON 9/12, BUT WAS TRUNCATED BECAUSE OF THE AGREEMENT.

THE ENTRY ON 9/13, WAS MISDATED. IT WAS SUPPOSED TO BE FOR 9/12, AND SIGNIFIES ATTY. SCOTT JESS ATTENDING THE SAME HEARING. SORRY FOR THE CONFUSION.

HOWEVER, MY RECORDS SHOW YOU WERE NOT CHARGED FOR MR. JESS' ATTENDANCE AT THE 09/12 HRG. YOU WERE ONLY CHARGED FOR 1 LAWYER, THAT BEING MR. GRANITZ. IF YOU ADD UP THE HOURS, IT SHOULD MAKE SENSE. THE BILL SHOWS 35.20 HOURS, BUT THE TOTAL AMOUNTS TO ONLY \$3,322. AT \$110/HR. THAT EQUATES TO 30.2 HOURS CHARGED. FOUR OF THOSE "FREE" HOURS WERE ASSOCIATED WITH THE 9/13 ENTRY, AND ONE WAS ASSOCIATED WITH THE 08/29 ENTRY.

HOPE THIS SATISFIES YOUR CONCERNS.

LET ME KNOW IF THERE ARE ANY OTHER QUESTIONS.

Jon,

This claim relates to the representation of P.O. Shawn Humitz responding to a complaint by Kimberly Eubanks. Tobin's dismissal order of September 15, 2008 indicates that the matter was dismissed because the parties met and agreed to Eubanks' withdrawal of the complaint on September 12. Your bill indicates 4.5 hours of work for that date for "Travel to City Hall; attend citizen complaint hearing; return travel." While I might understand that amount of time, even without the hearing going forward, I do not understand the next entry: "9/13/2008 Travel; attend citizen complaint hearing; return travel 4.00." It appears the second entry is clearly in error.

Please advise.

Thanks,

Jan Smokowicz

Complaint No.: 06-26  
Date of Incident: May 24, 2006**

Dear Mr. Leonhardt:

Pursuant to Article 58 of the 2007-2009 Collective Bargaining Agreement between the City and the Milwaukee Police Association, the City should request that this claim be placed on the Common Council Committee agenda within 180 days of its receipt.

The above-named police officer has retained us to represent him in connection with the above-referenced matter.

Consistent with its policy, the City Attorney's Office has refused to represent him and, as he was performing the duties of his office at the time of the events giving rise to the incident, this claim is hereby made on his behalf for the indicated legal fees. This incident involved a traffic stop.

The Fire and Police Commission dismissed the complaint. Attached is a copy of the dismissal notice and an itemization of the time and services rendered.

Thank you.

Sincerely,

RE: Greg Jacoby  
C.I. File No.: 09-S-326

Dear Mr. Jacoby:

We have received your claim in the amount of \$4,865.00, relating to your vehicle and items that were allegedly destroyed and associated costs when your vehicle was disposed of by the City of Milwaukee Tow Lot.

Our investigation reveals that your 1984 Pontiac was towed to the tow lot on July 24, 2009 after it had been involved in an accident. You claim you believed that people had 30 days to pick up their cars. The tow lot records reflected that notification was mailed to you and Cheryl Mantz on July 25, 2009 at 1441 South 63<sup>rd</sup> Street, Apt. #1, West Allis, WI 53214 indicating that it would be disposed of in 15 days, which is permitted by law. This is the information on file with the Wisconsin Department of Motor Vehicles. The vehicle was recycled on August 10, 2009. The records also made no indication that the owner came in to view the vehicle prior to being recycled. Since the City was not negligent in this matter and your vehicle was recycled in accordance with applicable laws, the City cannot accept liability and we are denying your claim.

In response to letter denying my claim, dated October 1, 2009. I never received written notification from the city lot on July 25<sup>th</sup>, 2009. As a matter of fact, the first time I went to see my car, the city lot people claimed my car was not there without even looking it up to see if it was there. I have a witness that can verify this. I came to view my vehicle one I discovered that the vehicle was there several times. I was denied access to my vehicle because I did not have the car title, even though I told them the registration was in the car. I believe the city was negligent in this matter. I have no such letter in my possession that says my car will be destroyed. I have a witness that will testify that I went to the city lot at least 3 times to recover my car.

In closing, I feel the City of Milwaukee is responsible for my monetary claim. I feel my claim is reasonable and I am prepared to hire a lawyer to represent me in resolving this matter to my satisfaction.

Sincerely.

C.I. File No.: 09-S-286

Dear Ms. Lopez:

We have received your claim in the amount of \$606.80, relating to damages allegedly sustained to your vehicle and associated tow fees when your vehicle was towed on April 2, 2009.

Our investigation reveals that your 2007 Pontiac was towed to the City of Milwaukee Tow Lot for Obstructing A Traffic Lane. Our office also confirmed the vehicle's arrival with the tow lot manager. The investigation further revealed that the citation issued with this towing incident was dismissed on May 12, 2009; as a condition of this dismissal you agreed not to seek reimbursement of the towing fees.

The City is tendering the rest of your claim to C.H.I. Towing, the towing contractor for the City. You will receive a copy of this letter under separate cover. Since you entered into the above noted agreement and the City is tendering the damage portion of the claim, we are denying your claim.

*C.I. File No.: 09-S-286*

October 6, 2009

Dear City Attorney Grant F. Langley,

I am responding to your letter(s) regarding the claim I filed regarding damages to my vehicle that occurred as a result of negligent towing; a complete stranger ended up with my damaged car in their possession for three days, to supposedly fix it at their discretion, and consequently damaged my speakers, advanced the Mp3 track, and cracked the spoiler in my fairly new and well kept car. I am not certain as to what they fixed because of steering damage (axel and wheel pole) or alleged they changed the tire and feel unsafe about my car.

Contrary to the interpretation made by the Deputy City Attorney, I do not allege that the speakers were stolen, but that the fairly new speakers on my 2007 vehicle were blown by negligent use, and do not sound like they did before they towed my car. I had paid \$95.00 (for a tow) to get it, but was left without a vehicle, having no idea actually where it was and who was driving it. They left clear evidence that they drove it around, messed with my music; the speakers do not sound the same, and they played games with me over the telephone threatening to fix the tire and steering wheel pole damage with junkyard parts at their discretion. I had pleaded with them to have it fixed at a GM dealer. But, instead they kept it for three days and used it; then they drove it to me at a public library; it was not delivered to me by a tow truck.

I should have a right to a refund; I was not allowed to retrieve it from the city tow lot where I accordingly paid the \$95.00.

A tow truck did not bring me my car, to the public library. Nevertheless, this was embarrassing; I was interrupted in the middle of a class I was teaching in the community meeting room inside the Capitol Library.

I do not feel safe driving my car since this happened because I have no idea what they fixed or replaced and the dealer mechanic could not find anything, as of late. I feel unsafe.

My car did not have any numbers marked on it, indicating that it had ever been towed.

When I got into my car, I discovered that they changed the station on my radio and that the MP3 disc that was playing had advanced about two hours of playing tracks. This means the car was driven around a great distance.

When I had parked it on Wisconsin Avenue (from where it had been towed), I had 1/2 tank of gas. When I started the car at the library, I only had a quarter tank of gas left. This too, indicates the car was driven. When I inspected the exterior, I discovered a nick/crack in my spoiler that wasn't there previously, to the car 'getting stolen for a joyride'.

I reiterate the speakers in car do not sound the same. It seems that the person(s) who used my car for three days, blew the speakers out, and this may explain why my MP3 disc was not on the track where I had left it.

I consider those two days of not having my car as auto theft. I demand a refund of the \$95.00 I paid to retrieve my car from the tow lot on 38th and Lincoln, as I was without a car for three days and it was never in the possession of the city tow lot to merit me having to pay any money in order to get it back.

Now that I am informed of the consequence of the deal made with the City Attorney for dismissing the ticket of \$55.00, I realize that I made a huge error by taking that deal. I do not argue that I deserved the parking ticket, and did want to pay it.

Also, as suggested by the City Attorney, I requested rental car compensation. I request reimbursement to replace the speakers, to fix the spoiler and for a rental car. I will pay the parking ticket; hence I am asking \$551.08, the total reflecting the difference of the merited parking ticket and the tow fee.

I appreciate your time and effort in resolving this issue, whether the next step be going to a hearing, or if we can arrive at an immediate solution through my clarification of the circumstances surrounding this claim.

I may be reached at 414-243-2383, anytime.

Sincerely yours,

July 29, 2009

To whom it may concern,

I am filing a claim against the City of Milwaukee, which complies with Sec. 893.80, Stats because my car was damaged, and it did not make it to the City tow lot, when I went to pay \$95.00 (for a tow) to get it, on the same day, 4/2/09.

When I first noticed that my car was gone, I called the city and was told that my car had been taken to the lot on 38th and Lincoln. Then I rushed over there before 6pm and paid the \$95.00 (TOW # 1398682) to get my car out, and waited. Then after waiting for my car, the tow lot employees alleged that the towing company they contracted, Fah Towing and Storage LLC had damaged my car while towing it and it is "undriveable"; but Fah Towing would be willing to repair it, at their cost.

The tow lot employees had taken my keys and would not show me my damaged car because the gate was closed (where they alleged my car was). I asked to see the damages to my car, and they said it was too late. They said "the towing company damaged the axel and wheel pole". My father was present as a witness to this.

Then I called FAH and told them it would have to be repaired at a GM authorized Pontiac dealer because it is a new car under the bumper to bumper and power train warranty, which would be nullified if any unauthorized repairs are done by a non GM mechanic. FAH said they would be shopping around junkyards to get parts needed to fix it. I told them I do not agree to this. We continued to argue this issue over the telephone throughout the evening and the following morning.

CITY OF MILWAUKEE  
2009 JUL 31 PM 1:19  
DONALD D. LEONHART  
CITY CLERK

Next I learned that FAH took my 'undriveable' car, which, according to the City of Milwaukee Tow Lot, had tire and steering damage (axel and wheel pole) to some storage lot on N. Teutonia and told me they would be charging me for storage until I pick it up. Then I kept calling, trying to speak to the person in charge, whom according to the city tow lot employees, is someone who goes by the name "G".

Then after being without my car for three business days, a FAH employee, Alex, who had been driving my car without my permission, said his boss refuses to take my car to be fixed at a GM dealer and said I would have to take it myself, to the GM dealer and pay to get it fixed. The boss would not answer my calls. I had been trying to work things out, but every time I called FAH, they say they 'only listen to what their boss tells them to do'. The boss was some higher up person, who would not speak to me and was never available. They said they 'do not know what it is like to have a warranty because they never owned a new car' and basically patronized me about my demand to have my car properly repaired.

Then all of the sudden Alex called me, the next day, on 4/5/09 regarding my car. I told him that I was at the Capitol Library, and that I had to walk and take the bus, in the cold, to get there. Then all of the sudden, he came to the library, gave me my keys and said my car was parked outside, which he had driven it there, and 'it was no longer damaged'. I did not give anyone permission to drive my car. Alex tried to convince me that the City had confused my car with another car they had damaged.

But why did the City give this person my keys?

A tow truck did not bring me my car, to the public library. Nevertheless, this was embarrassing; I was interrupted in the middle of a class I was teaching in the community meeting room inside the Capitol Library.

I do not feel safe driving my car since this happened because I have no idea what they fixed or replaced and the dealer couldn't find anything, as of late. I feel violated.

My car did not have any numbers marked on it, indicating that it had ever been towed. When I got into my car, I discovered that they changed the station on my radio and that the MP3 disc that was playing had advanced about two hours of playing tracks. This means the car was driven around a great distance.

When I had parked it on Wisconsin Avenue (from where it had been towed), I had 1/2 tank of gas. When I started the car at the library, I only had a quarter tank of gas left. This too, indicates the car was driven. When I inspected the exterior, I discovered a nick/crack in my spoiler that wasn't there previously, to the car 'getting stolen for a joyride'.

Also the speakers in car do not sound the same. It seems that the person(s) who used my car for three days, blew the speakers out, and this may explain why my MP3 disc was not on the track where I had left it. New car speakers will cost \$94.99, the cheaper of two estimates for speakers for my car year, make and model; see print out.

I consider those two days of not having my car as auto theft. I demand a refund of the \$95.00 I paid to retrieve my car from the tow lot on 38th and Lincoln, as I was without a car for three days and it was never in the possession of the city tow lot to merit me having to pay any money in order to get it back.

Enclosed you will find two estimates for the cost to repair the damage to my spoiler (Greenfield Pontiac, \$207.93 AND Auto Collision Specialists, \$212.26).

Also, as suggested by the City Attorney, there are two estimates for the cost to rent a car, similar to mine, from two car rental companies, for the three days I was missing my vehicle (Avis \$208.16 AND National \$246.42).

I request reimbursement for the tow-which never happened to make it to the possession of the city tow lot, and also money to replace the speakers, to fix the spoiler and for a rental car. The lesser of two combined estimates, with the least expensive speakers, and the tow, totals \$606.08. This is the total amount I am asking to settle this. I have enclosed copies of all pertaining estimates for your convenience

Please note that the return address on this document is my permanent mailing address.

I appreciate your time and effort in resolving this issue.

Angela M. Lopez

November 2, 2009

Dear Judiciary & Legislation Committee,

I am enclosing a copy of the receipt to repair my car, of additional damages that resulted from the contracted tow company having mishandled my car during a tow on 4/2/09, and keeping it from me for three days while they replaced damaged parts without my permission.

On 4/2/09-4/5/09 Fah Towing and Storage, had damaged my car and apparently drove it for three days, without my permission, and after arguing with me about where and how to repair it. They drove and returned the car to me at a public library and did not even mark any numbers on my car (never made it to the city tow lot?).

The tow lot employees had taken my keys and would not show me my damaged car because the gate was closed (where they alleged my car was). I asked to see the damages to my car, and they said it was too late. They said "the towing company damaged the axel and wheel pole". My father was present as a witness to this.

Previously, I had asked the city to seek reimbursement for the lesser of two combined estimates, with the least expensive speakers and a refund of the tow, which totals \$606.08; then I reviewed the information regarding the waived ticket and tow, and the amount I was asking was corrected to be \$551.08.

The city attorney had waived the parking ticket and advised me to write letters to the city to get reimbursed for the damages as well as missing my car for three days, and did not explain that I was not entitled to a refund of the tow (I had requested a refund of the tow in my initial complaint on the grounds that my car did not make it to the tow lot where I had paid \$95.00; instead FAH Towing and Storage had kept my car for three days, and did what ever they wanted to it.

Within my rights, I had requested reimbursement to replace the blown speakers, to fix the spoiler and for a rental car for three days, a total of \$551.08.

Since the tow, my car has damaged front swaybar kinks (characteristic of front end steering and tire pole damage), and uncommon for low mileage, which I had to have fixed on 11/2/09. Including the additional cost to repair my car, which \$245.26 is itemized on the enclosed receipt, I hereby ask a total amount of \$796.34 to fix the damages caused by FAH Towing.

Please be sure to correct the amount when my claim (090845) is heard on November 23, 2009 by you, the Judiciary & Legislation Committee.

I appreciate your time and effort in resolving this issue; I hope we can arrive at an immediate solution through my clarification of the circumstances surrounding this claim.

Sincerely yours,

  
Angela M. Lopez

RE: Carol Garson  
C.I. File No.: 09-S-126

Dear Ms. Garson:

We have received your claim in the amount of \$86.59, relating to damage sustained to your vehicle when it allegedly collided with a pothole along South 27<sup>th</sup> Street, between West Ohio Avenue and West Loomis Road on March 13, 2009.

Our investigation reveals the Infrastructure Services Division (ISD) reviewed their records and the records of the DPW Call Center regarding this incident. They found the ISD had patched along South 27<sup>th</sup> Street on a consistent basis. The winter weather has hampered the repair work and the ability of the patch materials to remain in the repairs. The ISD followed its normal procedures and it was acting within the City's discretion. Therefore, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

Very truly yours,

I would like to request a hearing on this case because I don't think that the weather hampered this pothole repair, as indicated in City Atty. Grant F. Langley's response to my complaint, which took six months to receive.

OFFICE OF

To Whom This May Concern:

On Friday March 13th, 2009 I was driving South on 27th Street & Ohio and was heading West on Loomis Road in the far righthand lane at 8:00 p.m., when my car hit a huge pothole; When my left front tire hit the hole, I heard a pop and thought to myself, I better not get another flat because the City Of Milwaukee didn't fill this in. By Saturday morning March 14<sup>th</sup>, 2009, my left front tire was as flat as a pancake. After Greenfield Auto Repair & Towing came to put the doughnut on, I went to Walmart and the technician told me that the tire couldn't be repaired because the pothole had made a hole in it, so replacement would be my only option; I'm asking for the cost of the tire, balancing, & road hazard which is \$86.59 and a copy of the bill is attached.

My name and address is as follows: Carol Garson, 4333 S. 50<sup>th</sup> St., Greenfield, WI. 53220 and my phone number is (414) 545-9907; If I'm not home, please leave a message and I will get back to you.

Dear Mr. Austin:

We have received your claim in the amount of \$377.00, relating to alleged damages to your vehicle when it collided with a pothole at North Holton Street and East Concordia Avenue on November 4, 2008.

Our investigation reveals that the Infrastructure Services Division and the Milwaukee Water Works records indicate that prior to November 4, 2008, the City had no notice of this hazard in the roadway and because of this lack of notice the City would not be liable. Therefore, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of the receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 200, Milwaukee, Wisconsin 53202, requesting a hearing.

RE: James Campion  
C.I. File No.: 09-S-185

Dear Mr. Campion:

We have received your claim in the amount of \$883.48, relating to damage allegedly sustained to your vehicle on May 8, 2009 when it collided with a pothole along eastbound West Bradley Road, near North 86<sup>th</sup> Street.

Our investigation reveals that the Infrastructure Services Division reviewed their records and the DPW Call Center records and found that prior to May 8, 2009, the City had no notice of this hazard in the roadway and because of this lack of notice the City would not be liable. Therefore we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

Very truly yours,

To file a claim against the City a claimant must comply with Section 893.80(1), Wis. Stats., a copy of which is printed on the reverse side of this instruction sheet. Generally the statute requires the claimant to submit to the City Clerk:

1. A document stating the circumstances of the claim which must be signed by the claimant, or his/her agent or attorney. This document should be filed within 120 days of the event.
2. A document stating the address of the claimant and a statement of the relief sought. If money damages are sought, a specific sum must be stated.

(The above information may be combined in a single document.)

The following information should also be submitted to allow the City to promptly act on your claim:

1. Proof of the amount of the claim by means of either itemized receipts or two itemized estimates.
2. A phone number where the claimant can be reached during business hours as well as the claimant's e-mail address, if any.
3. As detailed a description of the incident as possible, including the date, time and place.

All information should be submitted to:

City Clerk  
ATTN: CLAIMS  
200 E. Wells St., Room 205

### ADDITIONAL INFORMATION

Before you can file a lawsuit against the City of Milwaukee for reimbursement, State law requires that you first follow the claim procedures established by the City Clerk.

Filing a claim against the City does not automatically guarantee reimbursement from the City. However, the City examines each claim on an individual basis in determining if reimbursement is legally required.

In order to obtain reimbursement for a claim against the City, you must prove that the City or its employees acted unlawfully, or negligently.

Only the City Attorney or the Common Council and the Mayor can authorize payment of a claim against the City. Any other representations made by City employees are not legally binding on the City.

893.60 Claims against governmental bodies or officers, agents or employees; notice of Injury; limitation of damages and suits. (1) Except as provided in subs. (1 g), (1 in), (1 p) and (8), no action may be brought or maintained against any volunteer fire company organized under ch. 213, political corporation, governmental subdivision or agency thereof nor against any officer, official, agent or employee of the corporation, subdivision or agency for acts done in their official capacity or in the course of their agency or employment upon a claim or cause of action unless:

(a) Within 120 days after the happening of the event giving rise to the claim, written notice of the circumstances of the claim signed by the party, agent or attorney is served on the volunteer fire company, political corporation, governmental subdivision or agency and on the officer, official, agent or employee under s. 801.11. Failure to give the requisite notice shall not bar action on the claim if the fire company, corporation, subdivision or agency had actual notice of the claim and the claimant shows to the satisfaction of the court that the delay or failure to give the requisite notice has not been prejudicial to the defendant fire company, corporation, subdivision or agency or to the defendant officer, official, agent or employee; and

(b) A claim containing the address of the claimant and an itemized statement of the relief sought is presented to the appropriate clerk or person who performs the duties of a clerk or secretary for the defendant fire company, corporation, subdivision or agency and the claim is disallowed.

***Analysis by the Legislative Reference Bureau***

This bill makes numerous changes regarding municipal court administration, judges, and procedures. Municipal courts operate in the cities, villages, and towns of this state to enforce municipal ordinances. Generally, the procedures in municipal court are less stringent than in circuit court, and violations of ordinances may result in a civil forfeiture. The bill makes all of the following changes:

1. Makes municipal courts subject to the authority of the supreme court, through the chief judge of the judicial administrative district.

2. Requires, in addition to current law that requires only the adoption of an ordinance for a court to exist, that the court must submit written notice of the ordinance to the director of state courts and receive certification from the chief judge of the judicial administrative district.

3. Provides that the municipal court budget or line item be separate from the budget of all other municipal departments.

4. Allows a municipal court to appoint a social worker to assist the court in determining if a defendant lacks substantial mental capacity to understand the proceeding or to assist in his or her defense. Currently, the court may appoint a guardian ad litem in those situations. The new provision gives the court an

**SENATE BILL 383**

alternative choice of whom to appoint, and further clarifies that a determination of incompetency results in the suspension of the proceedings.

5. Requires municipal judges to be elected for four-year terms, rather than the two- to four-year terms as provided by ordinance under current law.

6. Gives municipal judges statewide jurisdiction.

7. Requires the municipality to provide the judge with an office or appropriate work space and removes the restriction on a municipal judge from having an office with a law partner.

8. Requires the municipality to authorize at least one clerk position for the municipal court and gives the municipal judge authority over the hiring, work responsibilities, and firing of court personnel. The bill provides that the judge's supervisory authority is a prohibited subject of collective bargaining for court personnel who are not employed by a city of the first class and requires the clerk to attend continuing education programs approved by the supreme court.

9. Requires the municipal judge to store all municipal court records in an appropriate facility designated by the municipality.

10. Requires a municipal judge to wear a black robe while presiding in a municipal court and prohibits the clerk from wearing anything that implies or indicates he or she is a law enforcement employee.

11. Prohibits the municipality from locating the municipal court or the court personnel within the municipal police department and gives the judge the authority to establish court hours, while requiring the municipality to provide an adequate courtroom for the municipal court.

12. Requires each municipal court to have a telephone number or extension separate from any other governmental department.

13. Allows service of the summons and complaint by first class mail, in addition to the current methods of service that are identical to those permitted in circuit court, but does not allow the suspension of a person's operating privilege or issuance of a warrant if the defendant was served by mail.

14. Requires the law enforcement officer or municipal employee who serves a summons and complaint to indicate the method of service on the documents filed with the court.

15. Clarifies that a citation or complaint may be used to start the municipal court action, and the action is commenced when the citation or complaint is filed with the court.

16. Includes in the citation or complaint a statement as to whether the judge mandates that the person make a personal appearance.

17. Includes in the citation or complaint the identification of a permit issued to the defendant or the license number of the defendant, if appropriate.

18. Allows a citation or complaint to be amended after the initial appearance of the defendant only at the discretion of the court after a hearing or at the trial by the court to conform to the evidence.

19. Requires the service of a copy of an amended complaint when amendment is made before an initial appearance.

**SENATE BILL 383**

20. Clarifies that a defendant may appear in municipal court in person or by submitting a written response to the citation or complaint, except when the court requires the defendant to appear in person.

21. Limits the time that a defendant may be detained in jail to 48 hours if the defendant failed to make an initial appearance or make a deposit, if the court issued a warrant to bring the defendant before the court.

22. Provides that the municipal court may schedule a pretrial conference in those cases where a trial has been requested, and if the parties come to an agreement at the conference, the court may approve the agreement or disapprove the agreement and proceed to trial.

23. Clarifies that when a transfer of a case is made because of a request for the substitution of a judge, the parties, including the prosecutor, remain the same, and the amount of the judgment, if any, is paid to the original municipal court from which the case was transferred.

24. Provides that if a municipal judge disqualifies himself or herself, the case shall be transferred to another judge in the same manner as a judge substitution transfer.

25. Allows a municipal judge who is to be temporarily absent, sick, or disabled, subject to the order of the chief judge of the judicial administrative district, to designate another municipal judge within the state to perform his or her duties. This provision replaces language that allowed the municipal judge to deliver the case to the circuit court for disposition. If the municipal judge was in the first judicial administrative district, currently the municipal judge could also designate, for a period of not more than 30 days, a municipal judge from within the state to perform his or her duties. If the municipal judge was from another judicial administrative district, current law allows the municipal judge to designate, for a period of not more than 30 days, a municipal judge from within that district to perform his or her duties.

26. Allows a chief judge of the judicial administrative district to designate any municipal judge within the state temporarily to perform the duties of municipal judge when there is a permanent vacancy in the office of municipal judge.

27. Requires the municipality to provide a prosecutor for municipal court cases and allows telephonic or audiovisual testimony at any proceeding.

28. Allows a municipal court to order community service work in lieu of restitution without needing the defendant's agreement but still needing the agreement of the person to whom the restitution is owed and the agreement of the organization where the community service work would occur.

29. Allows the municipal court to order a defendant to pay restitution for any nontraffic ordinance violation or for any drunk driving ordinance violation.

30. Clarifies that the municipal court may order the suspension of a defendant's operating privilege if the violation was related to the operation of a motor vehicle, which includes nonmoving traffic offenses, or if the judgment is ordered under the juvenile justice code. The bill gives a credit of not less than \$50 for each day of imprisonment.

31. Provides that a municipal court may order that a defendant be imprisoned for up to 90 days for failure to pay the amount of the judgment only if the defendant

**SENATE BILL 383**

has the ability to pay the judgment, has failed to perform community service, has failed to attend a hearing to determine if he or she is indigent, or has failed to complete a drug assessment of treatment program.

32. Allows the municipal court to order the assignment of up to 25 percent of the defendant's income, including lottery winning, for the payment of the judgment and provides procedural safeguards.

33. Changes the time frame for the court to pay any money the court receives to the municipal treasurer from 7 days to 30 days.

34. Removes the requirement that the transcript of a municipal court judgment include the vocation of the defendant.

35. Allows the reopening of a judgment at any time by either party under some of the specified conditions used in circuit court, rather than by only the defendant, and allows reopening a judgment within six months in certain situations.

36. Requires the court to reopen a default judgment on the motion of the defendant if the judgment was based on service by mail, while prohibiting any appeal of a default judgment.

37. Specifies that contempt of court involves intentional acts in the presence of the court that interfere with the proceedings or administration of justice or that impair the respect due to the court, or refusal of a witness to appear without reasonable excuse.

38. Increases the maximum penalty for contempt of court from a \$50 forfeiture to a \$200 forfeiture, allows imprisonment of up to 7 days, and provides that the penalty be imposed immediately after the contempt occurs only to preserve order in the court or protect the authority of the court and only after the person who committed the contempt is allowed to address the court.

39. Allows the municipal court to issue a warrant to bring a witness before the court for the contempt of court for failing to appear, to order the witness to testify, and to order the witness to pay the cost of apprehending him or her, plus any ordered forfeiture for the contempt.

40. Removes the requirement that a defendant execute a bond for payment of the judgment as a requirement for the appeal of a municipal court judgment and instead allows the municipal judge to determine if the defendant must execute a bond.

41. Clarifies that an appeal of a municipal court decision stays both the execution of the judgment and the enforcement of any order issued by the municipal court.

42. Provides that an appeal from a municipal court judgment where a trial has been held in the municipal court shall be on the record unless a party files a timely notice for a new trial. If a jury is requested, the bill provides that it be a six-person jury.

43. When an appeal has been filed in a case in which testimony has been recorded, requires the court to order that a transcript of the electronic recording be prepared and certified, at the expense of the requester.

**SENATE BILL 383**

44. Clarifies that if an appeal is taken and the appellate court orders the defendant to pay a forfeiture, costs, fees, or surcharges, those payments are made to the municipal court.
