..Analysis

This ordinance provides an additional consideration for common council approval of a new or renewal food dealer license for convenience stores, or for consideration of revocation or suspension of a food dealer license for a convenience store. The ordinance provides that the common council may consider over-concentration of convenience stores that tends to contribute to litter, vandalism, graffiti, curfew violations, excessive litter, harassment of passersby and other unlawful behavior in a particular neighborhood as grounds for denial, nonrenewal, revocation or suspension of a convenience store food dealer license.

..Body

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 68-4-11-h of the code is created to read:

68-4. Food Dealer License.

11. CAUSES FOR COUNCIL DENIAL, REVOCATION OR SUSPENSION OF LICENSE.

h. A showing that the licensed premises, or the premises proposed for licensing, is or will be a convenience store as defined in s. 68-4.3-1, whether or not exempt as provided in s. 68-4.3-3, and that the operation or continued operation of the premises at the proposed location will tend to contribute to neighborhood incidents and conditions identified in par. g as the result of an over-concentration of convenience stores in the neighborhood.

..Analysis

This ordinance establishes the following application filing requirements and approval procedures for permits for temporary extensions of licensed alcohol beverage premises for special events and special party permits:

1. Applications are to be made in writing on or before the filing deadlines established by the city clerk.
2. The city clerk shall accept an application from an applicant who files the application after the filing deadline provided the applicant first waives the right to an appeal of any adverse decision.
3. The application is referred to the common council member representing the district in which the premises is located.
4. Factors involving public health, safety and welfare are to be considered by the council member who may approve or deny the application.
5. Adverse decisions by common council members may be appealed to the licensing committee, if applications are timely filed.
6. The recommendation of the licensing committee to the common council shall be final, and the applicant shall have no right to a separate hearing before the common council.

In addition, this ordinance increases from \$75 to \$100 the application fee for any applications for permits for temporary extensions and special party permits filed after filing deadlines.

This report is written by Police Officer Gilbert Gwinn, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 08/17/08 at 12:14 am, Milwaukee police were dispatched to 1025 N Old World Third Street for a Battery complaint. Officers spoke to the caller/victim who stated she was in the tavern when she got into a verbal argument with another patron, which turned physical. The bouncers had both patrons leave the tavern. Police spoke to Adam Reed, who was security for the tavern and Reed stated both girls were arguing and when things got physical, both parties were asked to leave.

- =====
2. On 11/30/2008 at 12:30am, Milwaukee police were dispatched to a fight at 1023 N. Old World Third Street (Bootleggers). The complainant states he was involved in a fight on the dance floor inside the bar. Security removed all parties involved in the fight, which continued in the alley on the north side of the building. The caller was the only involved party to remain on the scene, he did not require or request medical attention.
  3. On 03/05/2009 a Milwaukee Police officer visited taverns on N. Old World Third Street in order to explain complaints the department had received regarding over service of alcohol to intoxicated patrons. On 03/07/2009, the same officer observed several patrons leave Bootleggers (1023 N. Old World Third Street). These patrons were intoxicated to the point they had trouble walking and vomited shortly after leaving the bar.

4. On 03/14/2009 at 1:10am, Milwaukee police responded to an open line 911 call at 1023 N. Old World Third Street (Bootleggers). Investigation revealed someone had used one of the phones at the bar to dial 911, but no caller could be located.
5. On 06/12/2009 at 11:25pm, a Milwaukee police officer observed a subject being escorted from 1025 N. Old World Third Street (Bootleggers) by security. This subject crossed the street, and then returned and attempted to re-enter the bar. When the officer and bar security prevented the subject from going back into the bar, he became angry attempting to strike one of the staff from the bar and resisting attempts by the officer to place him under arrest. Police report #091630165 filed.

As you know this information can be presented at renewal time. I will certainly place your complaint in the file so a hearing is triggered when the renewal comes up.

Have you actually witnessed customers coming over the wall and trespassing? Have the police been contacted so there is a paper trail of complaints? Do you have any photos?

You mention it is a weekly occurrence. I would suggest setting up some form of surveillance camera to capture this behavior. Video is very powerful evidence before the licensing committee.

I am not sure I understand why you contacted the fire inspector. This would appear to be a police matter if trespassing and vandalism is taking place.

Dear Bob, Longtime no contact, which means things are stable and I hope all is well. However, all things must pass. The rooftop deck at Bootleggers can only be described as a nuisance. You know my brother Dan lives upstairs. He has a private deck on our roof. It is a weekly occurrence that roof jumpers are trespassing from Bootleggers. This conduct carries over from last summer. Today we found his furniture rearranged, his hot tub manipulated, and empty intoxicants. A few weeks ago he woke to people running on our roof. This activity can not continue. We attempted direct contact with their manager Ben. Dan made contact with the fire inspector. Please do not construe this as in any way blaming her, we do understand her calendar being full. We achieved zero success. This conduct is not only trespassing and threatening but dangerous to the participants. We own four downtown parcels. Our contributions to the tax base are well documented. Please help us quell this illegal and dangerous activity. Please advise. Sincerely, Walter A. Paget (414) 617-7473

Mr. Puente,

(NO) License Renewal for the business - ~~prior~~  
This is a residential area & we  
would like to keep it that way.

\* There is way too much noise abroad  
from the business. Numerous Harley  
Davidson motorcycles coming &  
going all night long.

\* Patrons argue & fight in the  
parking lot which is audible with our  
doors closed. Have been woken numerous times.

\* Inevitably patrons staying after  
2AM closing time esp. the weekends.

\* Two years ago we had a  
beer bottle thrown thru our picture  
window.

\* Called bar owner about her  
litter from her customers esp. beer  
cans & broken bottles in the gutters.

\* The people she hires for snow  
plowing push the snow into the  
street & pushes in front of our house.

\* Spoke to the plow person & the  
bar owner about it but still occurs.

\* Parking on the street is an issue -  
Too many cars coming & going. Customers  
park too close to our driveway & in front

of the fire hydrant, near the  
corner.

\* Music can be heard thru closed doors.

This tavern is not a business  
you should have in a neighborhood  
with schools & a park nearby.

\* This is not the answer to taverns  
going smokeless in July 2010.  
There are homes all around the business.

\* More noise would be created by  
moving the drinking & music outside.

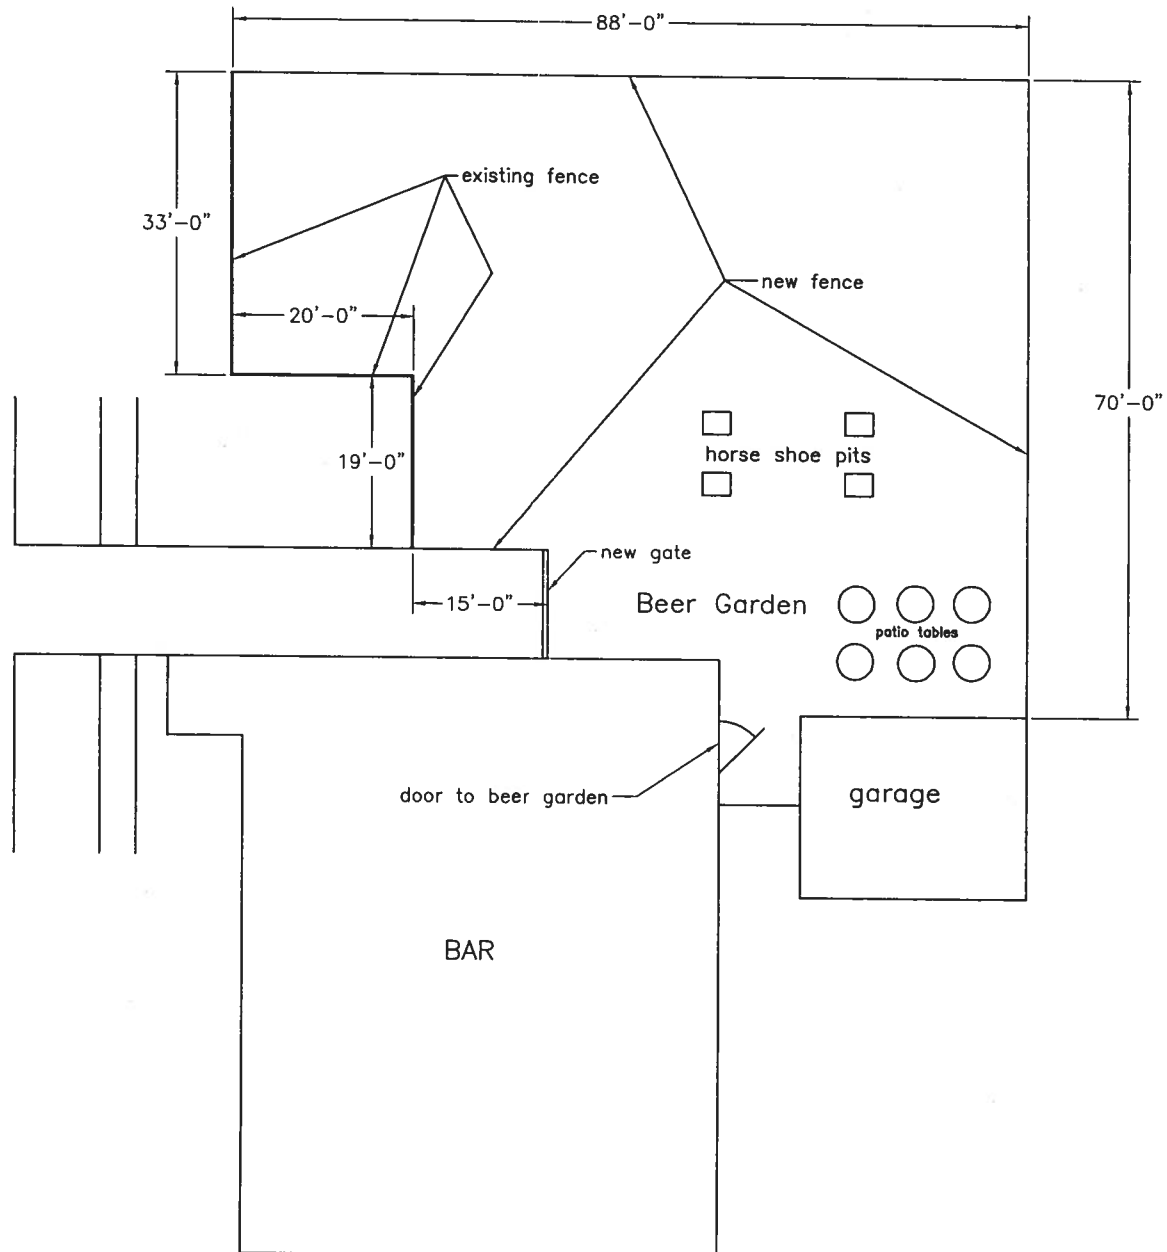

\* We have lived here for 40 YRS!  
Since she took over the business,  
there has been nothing but  
problems - clientele has changed!

Please call if you need more info.

**COMMITTEE MEETING NOTICE**

AD 14

Mary K. Hart, Agt.  
Hi Fi Cafe, LLC  
3006 S Wentworth Av  
Milwaukee, WI 53207

You are requested to attend a hearing which is to be held in Room 301-B, Third Floor, City Hall on:

**Tuesday, December 08, 2009 at 9:15 AM**

**Regarding:** Your Class 'B' Tavern application and request for the permanent extension of the premises to include 2642 S Kinnickinnic Av as agent for "Hi Fi Cafe, LLC" for "Hi Fi Cafe" at 2640 S Kinnickinnic Av.

There is a possibility that your application may be denied for the following reasons:

Neighborhood Objections to loitering, littering, loud music and noise, parking and traffic problems, drug and criminal activity, prostitution, trespassing, public urination, fights, shootings, vandalism, thefts, fitness of location based on the concentration of alcohol beverage outlets in the area, and conduct which is detrimental to the health, safety and welfare of the neighborhood.

Possible denial because: This proposed location is in an area that has previously been found by the Common Council to be over concentrated with alcohol outlets. Attached is the concentration of alcohol beverage outlets in the area map existing at the time of the determination of the over concentration based on an address of 2305 S. Howell Avenue. The Licenses Committee will consider concentration of alcohol beverage outlets as one question regarding the suitability of this location to be licensed as an alcohol beverage establishment. You may present evidence supporting your application. One issue that evidence should address is whether the licensure of this location is appropriate in light of the concentration of alcohol beverage outlets.

**Notice for applicants with warrants or unpaid fines:** Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Failure to appear at this meeting may result in the denial of your application. You will be given an opportunity to speak on behalf of the application and to respond and challenge any charges or reasons given for the denial. No petitions can be accepted by the committee, unless the people who signed the petition are present at the committee hearing and willing to testify. You may present witnesses under oath and you may also confront and cross-examine opposing witnesses under oath. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing. If you have difficulty with the English language, you should bring an interpreter with you, at your own expense, so that you can answer questions and participate in your hearing.

You may examine the application file at this office during regular business hours prior to the hearing date. Inquiries regarding this matter may be directed to the person whose signature appears below.

Limited parking for persons attending meetings in City Hall is available at reduced rates (5 hour limit) at the Milwaukee Center on the southwest corner of East Kilbourn and North Water Street. Parking tickets must be validated in Room 205, (City Clerk's Office) or the first floor Information Booth in City Hall.

PLEASE NOTE: Upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals through sign language interpreters or other auxiliary aids. For additional information or to request this service, contact the Council Services Division ADA Coordinator at (414) 286-2998, Fax - (414) 286-3456, TDD - (414) 286-2025.

**Subject:** 233 W CENTER ST. , a RENEWAL CLASS "A" MALT AND CIGARETTE & TOBACCO license was applied for on October 15, 2009 for LI'L GENERAL

To Whom It May Concern,

Please be advised that Li'l General has been a continuing problem in the Harambee Neighborhood.

I have witnessed public drinking from patrons of Li'l General that beg for money in the surrounding area and then purchase beer cans from this establishment. Persons involved in purchasing these beverages have committed crimes such as public urination, drinking in public, drinking the nearby Victory Park and on private properties nearby as well as crimes on property of nearby homes, mine being one of them. I have found on a number of occasions that these patrons of Li'l General hang out in the area and befriend residents of nearby housing resulting in an area whose quality of living is not high enough to recruit quality tenants and homeowners. I believe that the only way to stop this behavior is to prevent Li'l General from selling individual cans of beer as these can be easily afforded by some of their customers.

Please do not allow Li'l General to have a malt beverage license as they have continuously allowed the area to go downhill by selling individual beers to an element that does not help the area, including the Brooks Targeted Investment Neighborhood to the west.

Thank you for your consideration in this matter.

Sincerely,

Paul Bachowski

This report is written by Police Officer Gilbert Gwinn, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 07/05/2009 at 2:27am Milwaukee Police were dispatched to a shots fired complaint at 1202 East Clarke Street. While en route to conduct an investigation regarding the above complaint, officers were flagged down at Humboldt and Wright by a citizen who stated his vehicle had been shot at while parked in front of 2578 N. Dousman Street (Gee-Willickers Tavern). Investigation revealed the resident at 1202 East Clarke Street (Charles D. LIETERMANN) called police because he had heard shots fired in front of his house. Officers determined the dispatched assignment at 1202 East Clarke Street was the same as the assignment officers were flagged down for at Humboldt and Wright and was regarding shots fired inside, and in front of, 2578 N. Dousman Street. Additional investigation revealed that patrons inside the bar at 2578 N. Dousman St. (Gee-Willickers Tavern) got into a fight over how long a game of pool was taking to complete. One of the patrons produced a handgun from his waistband and fired one shot while inside the bar. This same patron then exited the bar and fired four more shots. No injuries were reported and incident report #091860034 was filed.

3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.

An insult between two men who knew each other for more than 40 years led to a shooting that left one dead at a south side tavern, according to a criminal complaint filed Wednesday.

According to the complaint, Victor De Alba-Sanchez shot Arturo Sanchez Sunday at Chivas, 644 S. 9th St., after the victim called him stupid and said De Alba-Sanchez had nothing to show for his 15 years of employment in the United States.

De Alba-Sanchez, 48, is charged with first-degree intentional homicide, use of a dangerous weapon. He is being held at the Milwaukee County Jail Wednesday on \$100,000 bail.

According to the complaint, De Alba-Sanchez, Sanchez, 48, and another man were drinking beer when the victim and the accused began arguing. The other man said the two often argued and teased each other.

De Alba-Sanchez told a detective he had known Sanchez since they were boys in Mexico.

He said he had been at Chivas since the previous evening, having slept in a bedroom near the bar's kitchen, and began drinking about 11:30 a.m. Sunday.

He said Sanchez arrived about 2 p.m. and that after several hours began to insult him for always being broke, while bragging about the real estate Sanchez owned.

He said he told the victim to stop, but Sanchez then threatened him.

De Alba-Sanchez retrieved a 9mm pistol from the bar's kitchen and pointed it at Sanchez's head.

He said he wanted to scare the victim, but that the gun "just went off."

De Alba-Sanchez fled and was arrested a short time later, according to the complaint.

**Regarding:** Your Class 'B' Tavern and Tavern Dance partnership applications for "Chiva's Bar" at 644 S. 9th St.

There is a possibility that your application may be denied for the following reasons:

See enclosed article from the Journal Sentinel dated May 6, 2009. Neighborhood Objections to loitering, littering, loud music and noise, parking and traffic problems, drug and criminal activity, prostitution, trespassing, public urination, fights, shootings, vandalism, thefts, homicides, operation of the premises in such a manner that it creates a public nuisance, and conduct which is detrimental to the health, safety and welfare of the neighborhood.

Possible denial because: This proposed location is in an area that has previously been found by the Common Council to be over concentrated with alcohol outlets. Attached is the concentration of alcohol beverage outlets in the area map existing at the time of the determination of the over concentration based on an address of 1501 W. Scott Street. The Licenses Committee will consider concentration of alcohol beverage outlets as one question regarding the suitability of this location to be licensed as an alcohol beverage establishment. You may present evidence supporting your application. One issue that evidence should address is whether the licensure of this location is appropriate in light of the concentration of alcohol beverage outlets.

**Notice for applicants  
with warrants or

An insult between two men who knew each other for more than 40 years led to a shooting that left one dead at a south side tavern, according to a criminal complaint filed Wednesday.

According to the complaint, Victor De Alba-Sanchez shot Arturo Sanchez Sunday at Chivas, 644 S. 9th St., after the victim called him stupid and said De Alba-Sanchez had nothing to show for his 15 years of employment in the United States.

De Alba-Sanchez, 48, is charged with first-degree intentional homicide, use of a dangerous weapon. He is being held at the Milwaukee County Jail Wednesday on \$100,000 bail.

According to the complaint, De Alba-Sanchez, Sanchez, 48, and another man were drinking beer when the victim and the accused began arguing. The other man said the two often argued and teased each other.

De Alba-Sanchez told a detective he had known Sanchez since they were boys in Mexico.

He said he had been at Chivas since the previous evening, having slept in a bedroom near the bar's kitchen, and began drinking about 11:30 a.m. Sunday.

He said Sanchez arrived about 2 p.m. and that after several hours began to insult him for always being broke, while bragging about the real estate Sanchez owned.

He said he told the victim to stop, but Sanchez then threatened him.

De Alba-Sanchez retrieved a 9mm pistol from the bar's kitchen and pointed it at Sanchez's head.

He said he wanted to scare the victim, but that the gun "just went off."

De Alba-Sanchez fled and was arrested a short time later, according to the complaint.

Greetings

This letter is sent to your office, in hope that it could help us get our neighborhood back, from all the bad problems this bar has created for us. The many problems we are having are in the 600 block of 9Th St. and with a corner bar by the name of Chivas.

- 1. Parking - The patrons of Chivas bar have taken our parking, on the weekend; I have had to park my vehicle a block or two away from my house, because it is crowded with cars from Chivas patrons. Houses in our neighborhood of 600 block of 9Th St. don't have a garage or driveway and we need to park in the streets.

- 2. Litter- Patrons of Chivas bar are always leaving bottles of beer and garbage on our sidewalks and gardens. On any weekend morning I pick up at least five to six bottles of miller- lite

- 3. Fights- People are constantly getting into fights and creating disturbance late at night, when coming out of Chivas bar

- 4. Loud music- On Fridays and Saturdays they have a DJ and sometimes live

music. I constantly have to call police because; the music is so loud that, I could hear it inside my house.

- 5. Drugs- I have seen undercover cops make arrest of Chivas patrons when making drugs transactions. I believe that there is strong drug activity going on in this bar.

- 6. Homicides- Back about ten or twelve years ago, a patron was shot dead as he was leaving the bar, and the latest happen this Sunday A 48-year-old man was shot in the head about 5:25 p.m. inside Chivas bar, in the 600 block of S. 9th St. The man was pronounced dead at the scene.

- 7. How many more problems do I have to list or people have to die before this bar is shot down for good? We need strong actions now before it is too late.

**REVISED**

Ana D. Bermudez, Agt.  
Ana B LLC  
2139 W Alvina Av  
Milwaukee, WI 53221

You are requested to attend a hearing which is to be held in Room 301-B, Third Floor, City Hall on:

**Tuesday, December 08, 2009 at 10:30 AM**

**Regarding:** Your Class 'B' Tavern and Tavern Amusement (Cabaret/Nite Club) renewal applications with change of entertainment and hours as agent for "Ana B LLC" for "Ba Ba Lu's Latin Mix" at 611 W National Av.

There is a possibility that your application may be denied for the following reasons:

See attached police report (all items previously considered.) Neighborhood Objections to loitering, littering, loud music and noise, parking and traffic problems, drug and criminal activity, prostitution, trespassing, public urination, fights, shootings, vandalism, thefts, operation of the premises in such a manner that it creates a public nuisance, failure of the applicant to comply with the original plan of operation as a restaurant, and conduct which is detrimental to the health, safety, and welfare of the neighborhood.

The proposed plan of operation contains a request for changes in the types of music, the types of entertainment and the hours of operation. If this plan of operation is approved with such entertainment, it will be incompatible with the normal activities of the neighborhood and lead to diminished property values, loitering, littering, parking and traffic problems, disorderly patrons, and have an adverse impact upon the health, safety and welfare of the neighborhood.

**Notice for applicants with warrants or unpaid fines:** Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Failure to appear at this meeting may result in the denial of your application. You will be given an opportunity to speak on behalf of the application and to respond and challenge any charges or reasons given for the denial. No petitions can be accepted by the committee, unless the people who signed the petition are present at the committee hearing and willing to testify. You may present witnesses under oath and you may also confront and cross-examine opposing witnesses under oath. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing. If you have difficulty with the English language, you should bring an interpreter with you, at your own expense, so that you can answer questions and participate in your hearing.

You may examine the application file at this office during regular business hours prior to the hearing date. Inquiries regarding this matter may be directed to the person whose signature appears below.

Limited parking for persons attending meetings in City Hall is available at reduced rates (5 hour limit) at the Milwaukee Center on the southwest corner of East Kilbourn and North Water Street. Parking tickets must be validated in Room 205, (City Clerk's Office) or the first floor Information Booth in City Hall.

No, he is not in favor of the Club Rain renewal and will fight against it. The place already has a formal objection on file so there will be a hearing at some point.

Re: Ba BaLU at 6 and National (SW corner area), she originally promised to run primarily a restaurant with liquor service available.

If you are having anyone checking the place out, try to determine if food service is actually the main event...or even available at night.

Enough places promise to run a restaurant and soon evolve into night clubs.

By the way, the operator filed late for renewal and will be required to close down at some point soon for the gap period. I am not sure offhand the final date of this license cycle but it is in the attachment I sent earlier.

Is it true your office is backing a new licensee at Club Rain. I have issues with that if you are and we need to take a look at that before it gets approved. the current licensee just stopped opening on Fridays due to all the problems they were having.

---

You are requested to attend a hearing which is to be held in Room 301-B, Third Floor, City Hall on:

**Tuesday, December 08, 2009 at 10:45 AM**

**Regarding:** Your Class 'B' Tavern and Tavern Dance renewal applications and NEW Tavern Amusement (Cabaret/Nite Club) applications for "Twist (formerly known as "Rain")" at 906 S. Barclay St.

There is a possibility that your application may be denied for the following reasons:

See attached police report. Neighborhood Objections to loitering, littering, loud music and noise, parking and traffic problems, drug and criminal activity, prostitution, trespassing, public urination, fights, shootings, vandalism, thefts, operation of the premises in such a manner that it creates a public nuisance, failure to comply with current plan of operation and music selections, sales and presence of underage, inappropriate use of police resources and conduct which is detrimental to the health, safety, and welfare of the neighborhood. Granting the Tavern Amusement (Cabaret/Nite Club) application will further exacerbate the previously listed objections, and will allow entertainment not compatible with the neighborhood, (i.e. a "gentleman's club".)

The License Division received your renewal application on November 28, 2009. Chapter 90-5-3 of the Milwaukee Code of Ordinances requires that all applications for alcohol beverage establishments be on file for a minimum of 14 days before the application can be granted by the Common Council, if the police investigation has been completed with no police attachment and no objection to the renewal application has been filed by any interested person, or 30 days if the police report contains a police attachment. Your application has both a police attachment and objections on file with the License Division. Due to the untimely filing of your renewal application, your application cannot be considered by the Common Council prior to the expiration date of your license. Additionally, if adverse action is recommended by the Licenses Committee, the earliest date that the Common Council may be able to consider your application is the next regularly scheduled Common Council meeting on January 20, 2010.

**Notice for applicants  
with warrants or  
unpaid fines:**

Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Failure to appear at this meeting may result in the denial of your application. You will be given an opportunity to speak on behalf of the application and to respond and challenge any charges or reasons given for the denial. No petitions can be accepted by the committee, unless the people who signed the petition are present at the committee hearing and willing to testify. You may present witnesses under oath and you may also confront and cross-examine opposing witnesses under oath. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing. If you have difficulty with the English language, you should bring an interpreter with you, at your own expense, so that you can answer questions and participate in your hearing.

As of last week the night club Rain had not renewed in a timely fashion (it is up now).

Rain. located area of Mineral and Barclay, has a troubled complaint history to a significant degree.

Rain would be renewed (if they apply) w/o a public hearing at the license committee.

Alderman Witkowiak-

Several recent "rumors" have been floated about Satin attempting to piggy back on an existing license to move forward with a different venue in Walker's Point. I am hearing all of this anonymously or threw some weird vehicles, nonetheless, they raise concern. All of the current rumors are directed at the Club Rain. Whether there is any truth to the rumors is impossible to say. So, to be cautious, I want to determine when the Rain license comes up for renewal... can you please let me know? If there are not any outstanding issues filed at Rain, I would like to know. If there are not, I may seek to file a letter of opposition against Rain to force a hearing so that we can ensure there is not an attempt to sneak anything through.

Please advise me on renewal date and whether they will be scheduled for a hearing or not so I can take steps accordingly.

Thanks-  
Juli

When the club closed the vehicle began to cruise the area. Approximately 75 vehicles were cruising, and 7 squads were dispatched to assist with traffic. Numerous intersections in the area were blocked with traffic jams. The complaint about cruising came from an Aldermanic service request, after complaints from neighbors of the community. All of the traffic came from Amistad because it was the only club closing at this time.

9. On 10-14-2005 at approximately 11:27pm Milwaukee police were sent to 2342 W North Ave. for a special assignment of cruising when the club closes. They spoke to the security personnel there about how the cars would leave the parking lot. Amistad Pavillon had about 150 cars in the parking lot. Once the vehicles left the lot, they cruised in the following areas: W North on the north, W. Milwaukee Police were also sent to Amistad, 2342 W North Ave. for cruising. They spoke to Thomas Holmes regarding the cruising problems and he stated that he would close the club at midnight. Officers counted 303 patrons leaving through the rear door of the club at midnight. It took about 1 hour to control the cruising by Amistad patrons around the area of Amistad. Amistad was the only club that closed at midnight in this area.
11. On 11-25-05 at 1:05am, officers conducted a licensed premise check at 2342 W. North Ave., Amistad. Officers located a loaded .380 caliber semi-auto pistol in a black case behind a concession stand counter on the west side of the building. Officers observed two B/F's sitting at the counter with the pistol directly next to them. They were identified as Tiana A. LANG-BREWER, 09-23-88 of 5729 N 97<sup>th</sup> St. and Adrianna D. KINCY, 01-05-88 of 410 W. Keefe Ave. Both females denied knowing what was in the case. Officers then spoke to Mr. Holmes who stated he had placed the gun by the girls because he was closing and did not want to forget to take the gun home. The gun was placed on inventory and Mr. Holmes was arrested for CCW and possession of an electric weapon. The DA no processed both charges.
12. On 12-25-05 at 10:59 pm, Officers were dispatched to Amistad for a large crowd that was getting out of control. Management stated to the police that the large crowd gathered and became disorderly due to people not being allowed into the bar because of capacity limits. The large crowd of several hundred people required additional units from another district to help assist in dispersing the crowd. Cruising also became a problem in the area.
13. On 02-16-06 at 12:28am, Officers conducted a tavern check at 2342 W. North Ave. Officers attempted to enter through the parking lot door but found it to be locked. Applicant became boisterous when receiving a citation for Immediate Entry for Police.

Finding: guilty

Sentence: fined \$343.00

Date: 6-29-06

Case: 06027251

Citation: 59170053

14. On 03-10-06 at 10:48pm, Milwaukee Police were patrolling the area and observed a large disturbance in the street at 2400 W. North Ave. Investigation revealed a fight took place inside the Amistad Pavillion which involved the owner of the bar. ( Thomas Holmes) A 15 year old boy is accused of hitting Thomas Holmes and fleeing the bar. Mr. Holmes, his son and bar security chased the 15 year old where Mr Holmes was observed hitting the 15 year old, causing a laceration above his eye. Mr. Holmes is also accused of pulling out a 9mm Beretta pistol and pointing it at the 15 year old boy and his sister. The gun was recovered by officers who noticed that Holmes still had it concealed under his shirt when officers arrived. Thomas Holmes was charged with 2 counts of ESBUDW and 1 count of CCW. Holmes also filed a battery charge regarding being punched by 15 year old. A check of CCAP reveals no pending charges from this incident. A call to the DA's offices showed no charge was ever issued.

This report is written by Police Officer Mary SIKORA, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

On 10/23/09 as part of the background check for this applicant, Wisconsin Department of Transportation records were accessed. The applicant's driver's license was in canceled status due to a false address of 4601 S. 1<sup>st</sup> St. #206.

I contacted a Fraud Investigator with the State of Wisconsin. The investigator informed me that this address was suspicious due to a large volume of people using it for their home address. In July 2008, The Wisconsin Department of Transportation sent out a letter of request to the applicant at 4601 S. 1<sup>st</sup> #206 asking him to come to one of their offices by August 2008, to show proof of residency and identity. There was no response to the letter and the applicant's driver's license was canceled.

On 10/28/09, I went to 4601 S. 1<sup>st</sup> #206 to attempt to interview the applicant. No one answered the door. A few minutes after I left, the applicant contacted my office indicating that he was praying and was not able to answer the door. He stated he lives at this address, but when I pressed him for information, he didn't speak English well enough and asked me to contact his brother Karnail Singh.

I contacted Karnail Singh, dob 09/09/58, address 4601 S. 1<sup>st</sup> St. #206, and informed him of why I was calling. He stated he remembers the letters from the Wisconsin Department of Transportation and that there was a mix up and he would contact his

brother and have him provide proof of residency. Karnail Singh stated his brother did live with him at that address.

On 11/02/09, I again contacted Karnail Singh by telephone to inform him that I have not received proof of residency for his brother. Mr. Singh asked what needed to be done. I advised him that an amendment listing the applicant's correct home address would need to be filed with the License Division. Karnail Singh then stated to me that his brother did not really live with him, but used their address as a mailing address and he told him he shouldn't do that. Karnail Singh stated he did not know where his brother lived and that he told him that he should be honest.

Mike--This is a letter regarding the Bartender Renewal License for Alan Stevens. Mr. Stevens was placed on probation on 6/2/09 for Possess With Intent THC (1135 grams) and Delivery of THC (442 grams). He was making a lot of \$ at this. He was just released from condition time and had release privileges which allowed him to work at a bar. When I saw the request for the licensing letter I was concerned about his employment at the Tracks, which is a bar/ restaurant, actually a bar that sells food. In the PSI and in talking to his agent he represented it as a restaurant, kind of misleading, making it sound more like a restaurant that happens to serve alcohol. According to Agent Carrie Peterson he has worked there for 7 years and is a manager. Given his convictions and the fact that he has a significant substance abuse history I don't think he should be working at a bar. I sympathize with the fact that he is a long-term employee, but we know that drugs are sold in bars all the time. In addition he told me he has only had a problem with marijuana, not alcohol, but according to the PSI he was abusing alcohol as recently as March of this year and has used numerous other drugs. He has completed 2 treatment programs. He called me right before I was going to send this letter, after Carrie called to tell him we could not approve his working at the bar. I told him I would give you the information and if you wanted to approve the license renewal I would be fine with that. This is tough, but I don't think a bar is the place for him to work if he wants to maintain sobriety. Please let me know what you think. If you want to approve the license I'll change and re-scan the letter. Thanks.
