To the Honorable, the Common Council

Subject: Project I.D. 1350-09-00
US 41 (Stadium Freeway)
I-94 – Lisbon Avenue

Dear Council Members:

The Wisconsin Department of Transportation (WISDOT) has programmed the subject project for construction in 2013 as part of the State Trunk Highway Program.

US 41 (Stadium Freeway) between West Lisbon Avenue and I-94 lies within the City of Milwaukee. Consequently, we have received a project agreement from the WISDOT to be executed by the City for its programming and construction. Preliminary engineering and construction costs for this project will have 100 percent Federal/State participation. The City of Milwaukee will be responsible for its non-participating costs.

City of Milwaukee costs for plan review, estimated at \$20,000, and non-participating construction costs such as water and sanitary sewer adjustments, estimated at \$5,000, will be funded 100 percent by the City of Milwaukee.

Attached is a resolution which authorizes the Commissioner of Public Works to execute the project agreement with the WISDOT for the programming and construction of the subject project with Federal/State aid. This resolution also authorizes the City Comptroller to transfer funds to the project sub account for the plan review cost to be conducted by the City of Milwaukee.

Very truly yours,

Jeffrey S. Polenske, PE
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
