Room 205, City Hall

SUBJECT: 3RD ALD. DIST. - FILE #211358  
INSTALL STOP SIGN ON EAST BRADFORD AVENUE  
AT NORTH WAHL AVENUE

Dear Alderman Kovac:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northwest and southwest corners of the intersection in the form of hedges that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

Jerrel Kruschke, P.E.  
City Engineer
