premise, the suspects fired several shots at the victims, striking 3 persons, killing 1 of the victims on scene. This nuisance activity is contrary to MCO 80-10-2-c-1-L.

As a consequence, the premises may be subject to a special charge for the cost of future enforcement for any of the nuisance activities listed in MCO § 80-10-2-c that occur at the premises. Residential rental properties may be subject to an inspection by the Department of Neighborhood Services for compliance with the building maintenance and zoning code pursuant to MCO § 200-53.

You are directed to respond to my office within 10 days of receipt of this notice with an acceptable, written course of action that you will undertake to abate the nuisance activities occurring at the premises, or file an appeal. You may appeal this nuisance determination to the Administrative Review Appeals Board. Any appeal must be in writing and a processing fee will be charged. Please contact the Office of the City Clerk at (414) 286-2231 for additional information.

If you elect to provide a written course of action, I shall evaluate it to determine if it is a reasonable attempt at abating the nuisance activity.

Prior to responding with a written course of action, it is highly recommended that you obtain records relating to police responses regarding the premises. You may obtain these records from the Computer Aided Dispatch System (CADS) at the Open Records Section of the Milwaukee Police Department (District Three Station, 2333 North 49th Street, Second Floor) Monday, Wednesday and Friday between 8:00 AM and 3:30 PM. There is a cost of 25 cents per page for these records.

Please review the following examples of nuisance abatement measures that you may include in your written course of action to abate the nuisance activity. These suggestions are not exclusive, may not apply to the issues at your particular premises, and you may propose other nuisance abatement measures that would be appropriate under your particular circumstances.

- Participate in the Department of Neighborhood Services' Landlord Training Program and make a good faith effort to apply the knowledge from the course and attend refresher classes. Information on this training program may be obtained by calling (414) 286-2954.
- Exchange names and telephone numbers with the owners and operators of neighboring premises.
- Participate in a local block watch, neighborhood association, landlord compact and property management association.
- Attend the monthly crime prevention meetings conducted by the local Milwaukee Police District Community Liaison Officer who can be contacted at (414) 935-7228.

proposed adult resident receives a written application; and, conduct background checks of all prospective adult tenants and residents.

- Institute the use of a written lease for each adult tenant that include provisions relating to disorderly behavior, noise, garbage disposal, use of common areas, illegal activity, tenant responsibility for guest conduct, and the prohibition of sub-leasing and long-term guests. Timely enforce any lease violations.
- Review the tenancies of all the current residents in the property. This may include the termination of tenancies and reapplication by existing tenants for new tenancy.
- Regularly inspect the interior of the property to confirm that the residents are your tenants, confirm that the premises are actually used as a residence, and to determine if the doors and windows have been fortified or the premises outfitted with surveillance or delivery mechanisms.
- Monitor the property for evidence of drug activity. This may include observation of clear corner cuts of baggies strewn about, excessive quantities of plastic sandwich baggies found in odd places, presence of numerous weight scales or communication devices and drug paraphernalia such as unusual pipes, empty cigar wrappers, burned hollow tubes, etc.
- Install "No Loitering" signs in the front and rear of the exterior of the property. This signage permits police to cite loitering individuals in the yard and sidewalk area.
- Install "No Trespassing" signs in the front and rear of the exterior of the property. This signage permits police to cite trespassers in commercial properties.
- Install a sign with your name and contact information in a common area requesting law enforcement contact you if they are responding to a call for service at the premises.
- Record all rental properties owned by you with the Department of Neighborhood Services as required by local ordinance.
- Participate in the E-Notify system for email updates regarding the premises.
- Regularly file open records requests for Milwaukee Police Department Computer Aided Dispatch System (CADS) reports regarding the property.
- Institute a standing complaint with the local Milwaukee Police district station that will allow the police department to remove any individuals loitering on the property.
- Draft and serve a no trespassing order against identified nuisance persons and provide the local police district station a copy of the served order.
- Provide the local police district station with an updated current tenant list.

If you propose a course of action which is rejected by me or fail to timely respond to this request, and a subsequent nuisance activity occurs on or after 13 days after receipt of this notice, the premises will be subject to placement of a special charge as a lien on the property by the Commissioner of the Department of Neighborhood Services for the cost of any police services and enforcement.

Once you have been billed for the costs of police services and enforcement for three or more separate nuisance activities within one year of the date of this notice of nuisance premises, the premises may be designated a chronic nuisance, pursuant to MCO § 80-10-6, and each and every subsequent incident of

nulstance activity at the premises may be deemed a separate violation and result in a citation being issued to you for failure to abate the nuisance activity. Each citation would subject you to a forfeiture of not less than \$1,000.00 or more than \$5,000.00. Upon default of payment of a chronic nuisance citation you would be subject to imprisonment in the county jail or house of correction for a period of not less than 40 days or more than 90 days for each violation.

LICENSED PREMISES CHECK

Vodicka, Kevin E 018950

05/05/2021

This report is written by P.O. Kevin VODICKA assigned to District Two, Day Shift Community Prosecution Unit. On Tuesday, May 4, 2021, at or about 8:20 PM, Squads 2228 (P.O. Imani SPREWER and P.O. Justin MERRITT) and 2166 (P.O. Oscar ESPITIA and I) along with Wisconsin Dept. of Revenue Special Agents KING and WALDHERR conducted a tavern inspection at La Caleta, located at 1801 S Muskego Av.

Upon arrival officers observed an unlicensed bartender in the bar portion of the premises with several patrons. I then located a licensed employee, HERNADEZ-GASPAR, in the restaurant portion of the premises seated with a customer surrounded by numerous empty beer bottles. An audit of product purchases was conducted by Agents KING and WALDHERR. The audit revealed that the the licensee could not provide an invoice for any of the beer or liquor at the premises as required. Agents KING and WALDHERR confiscated 62 sealed liquor bottles and 65 boxes of beer in various sizes. No contaminated bottles were found. I did observe any additional violations and no citations were issued.

Attached is a copy of the field report.

SALAZAR, P.O. Matthew DIENER, ACA Heather HOUGH, Araceli ARVELLO of Safe and Sound, and I met with the agent Omar MONREAL and an employee/bartender Miguel HERNANDEZ-GASPAR of La Caleta, located at 1801 S Muskego Av, regarding the premises being designated as a nuisance property. The designation included a recent homicide, armed robbery, and other firearm related incidents.

The meeting started with a recap of the nuisance designation with HERNANDEZ-GASPAR stating that he had read and explained the letter to MONREAL and the two of them had come up with an abatement plan. MONREAL stated that the property owner had deferred drafting an abatement plan to him (MONREAL) but that the property owner was aware of the designation. The reasons for the denial of the plan were explained to MONREAL which included not addressing calling for police services, not training employees, not checking for weapons, and not preventing loitering outside of the premises.

MONREAL stated that the premises has armed and licensed security. Officers brought up the concern that there had been 6 shotspotter calls at the premises with only one incident where there was a corresponding 911 call and only one incident where casings were located. MONREAL stated that he did not believe his armed security were involved in these incidents but instead stated the tenants in the apartment above were. MONREAL stated that he has brought concerns about the tenants to the property owner but the issues have not been resolved. MONREAL did not deny that the location is frequented by various gang members but that the problem patrons are not repeat customers.

MONREAL was unable to explain why his employees have not called for police when violent crimes or firearm incidents have occurred within the premises or directly around it.

Officers explained that security at the location would need to do a better job with preventing loitering outside of the premises and preventing incidents before they occur. Officers also noted that bartenders need to ensure that they are not over-serving patrons.

Captain SALAZAR stated that a new plan would be considered if presented within 10 business days and that the owner of the premises needs to submit the abatement plan. Suggestions were made regarding a new plan; however, the licensee was reminded that the drafting of an abatement plan is ultimately the responsibility of the property owner and licensee.
