License Premise Report

Letteer, David J 016078

03/07/2021

This license premise report is written by PO David LETTEER, assigned to District 5; Late Power Shift, Sq. 5468 with PO Russell MACRAE.

On 03-07-21 at 9:46 p.m., officers were dispatched to the Gas N Go Gas Station, located at 1909 W. Hopkins St., which is a licensed premise in the city of Milwaukee. The call was for a shotspotter of two rounds fired at the location, then the call was updated to a shooting.

Milwaukee Police Department

749 W. State Street Milwaukee, WI 53233

414-933-4444

Case #:210660170

OtherEvent #: 21-LP-0748

Upon arrival, officers determined that there was no shooting, but that there was a victim sitting on the sidewalk in the gas station parking lot, with an individual who was punched in the face several times, as well as struck in the head with a pistol. The suspect in this incident is unknown and did not demand anything from the victim.

As the investigating officers were conducting the initial investigation, PO MACRAE began reviewing the video and located at the time of 9:47 p.m., the victim exits the store, buying milk. The victim is walking back to his vehicle, when a black male wearing a dark colored clothing, with fur around the hood, dark colored pants with a white face mask, with a design on it. The black male walks up to the victim, punches him in the face and strikes him with a handgun. As the suspect does this, the victim falls to the ground and the suspect then runs east out of the parking lot.

As the suspect is exiting the parking lot, the suspect retrieves a dark colored handgun from his right jacket pocket and fires the handgun in the direction of the victim, striking the sidewalk and a cardboard sign. The victim was not shot during this incident.

While PO MACRAE was reviewing the video, I spoke to the clerk Sandhu A. SINGH (w/m 04-11-67), who stated he began work at 9:15 p.m. tonight. He stated he had customers in the store and was checking them out, when he heard pops and looked out the gas station window, when someone was running east out of the lot. He could not describe the person and did not see what happened. It should be noted, upon the arrival of the police, SINGH was able to show us two spent casings, which were resting on the sidewalk, just to the east of the gas station.

While marking the casings, I located copper jacketing from a bullet near the spent casings.

PO MACRAE was able to retrieve the video, which was ultimately saved to a DVD disk and inventoried.

PO MACRAE contacted the listed agent and informed him of this incident and the filing of this report.

End of report.
