Investigation revealed there had been a fight inside the bar and all the involved parties were pushed outside. A gunfight ensued, during which several rounds were fired into the air and two subjects chased each other while firing weapons. One round struck a vehicle. The armed security guard told officers that "shooting in the air and at people was not a danger towards anyone" so he didn't take action during the gun battle. Milwaukee police incident report # 163170011 filed.

3. On 09/29/2017 at 2:35am officers observed cars parked in the bus zone in front of 634 W. North Av. The officer began issuing parking citations and the owners began moving their cars. An officer drove past the business and found it to be closed. The officer received an email from Terence Smith, the manager, asking why they could not be open. The officer responded by email explaining the Class B Tavern license was expired and the application for a provisional license was denied. Smith responded to the email stating he would comply and that they would be doing some remodeling until the license was renewed.

6. On 03/17/18 at 3:15 am, Milwaukee Police were investigating a shooting at N. 6th Street and W. North Avenue when an officer observed blood and multiple bullet casings on the stairs outside 634 W. North Avenue (Level's on North). An officer entered the tavern and made contact with a subject, who identified himself as the manager, and asked him if he knew anything about the shooting. The manager stated that he did hear 2 gunshots, went outside, but did not observe anything. While the officer was interviewing the manager, the door of the woman's restroom opened and a male and female exited and was told to wait for detectives. The officer did observe blood inside the threshold of the door to the tavern which caused the officer to look around the establishment for more signs of blood. While doing this the manager became defensive and agitated, questioning the officer as to what he was doing. The manager told the officer who the owner of the business was and asked the officer to contact the owner because he was "just the manager". While waiting for detectives, the officer observed and heard the bar manager urinating in the sink behind the bar area. When detectives arrived, the bar manager became extremely uncooperative with them and kept repeating himself when asked questions. The agent was issued a citation.

Sentence: \$629.59 fine – **warrant issued for past due fine**
Date: 06/25/18
Case: 18037721

7. On 03/20/18 at 10:30 pm, Milwaukee Police conducted follow-up regarding a shooting which occurred outside of 634 W. North Avenue (Level's on North) on 03/17/18. Employees of the tavern lied to officers about the events surrounding the incident and only told the truth when officers confronted them with the fact that police knew the shooting victim entered the establishment after being shot. One of the employees also said that he was the Manager of the tavern but when he was asked for his "Class B" manager's license, he changed his story and told officers that he just stocks and cleans the bar. While conducting these interviews, officers could smell fried food being made and found that there was an employee, in the kitchen, standing next to an oil fryer. There were four baskets of wings frying in the deep fryers and a five gallon bucket of chicken wings defrosting in the sink. The employee stated that they were selling food items and he was "in charge" of the food. Officers later check to see if the tavern had a food dealers license and found they did not. A citation was issued.

Charge: Food Dealer License Required
Finding: Guilty
Sentence: \$719.00 fine – **warrant issued for past due fine**

Case: 18036628

8. On 03/21/18 at 8:30 pm, Milwaukee Police performed follow up at 634 W. North Avenue (Level's on North) regarding earlier contacts with police at the tavern (Items #6 and #7). The agent stated that he wanted to work with police on any problems that may be the result of the establishment. He was informed that the employees were uncooperative with officers during a shooting investigation, the manager urinated in a sink, and employees were cooking and selling food. The agent informed officers that he was unaware of these problems and the person urinating in the sink was not the manager but just a "helper". He was informed that a meeting needs to take place per the request of the Captain of the Fifth District in order to work out any problems and about the citation's he will be issued for the earlier violation observed by officers.
9. On 07/22/18 at 12:40 am, Milwaukee Police conducted a tavern check at 634 W. North Avenue (Level's on North). In past contacts with police, occupants would lock the entrance to the establishment and open it after several knocks. When officers approached the tavern during this check, patrons attempted to shut the door on officers but they were able to gain entry before the door was fully closed. As police gained entry, multiple subjects blocked the entrance and officers observed multiple subjects flee into the back rooms of the location. Officers checked the two bartenders for Class D Operators license but neither one could verify their license status. The maximum occupancy of the establishment is 62, but officer's body cameras revealed that the tavern appeared to be above that occupancy. There was armed security inside the tavern and officers did have a conversation with the agent. No citations were issued.
10. On 08/14/18 at 10:29 pm, Milwaukee Police conducted a tavern check at 634 W. North Avenue (Level's on North). Officers were met outside by the agent and they proceeded to enter the rear of the business which is a kitchen area. Officers observed in the kitchen that the agent had four fryers on and a large bucket of chicken in the sink defrosting under water. The agent was informed that he is not allowed to serve food because he did not have a proper license and he stated that he was not selling the food, it was for a party. Officers informed him that making chicken for a party is still in violation and he could receive citations if he does it again. The agent understood and said he would stop making chicken. The agent informed officers that his license was up for renewal and he has a meeting with the alderperson regarding his license.

License Premise Report

Letteer, David J 016078

10/10/2021

This license premise report is written by PO David LETTEER, assigned to District 5, Late Power Shift, Sq. 5468 Tavern Car with PO Russell MACRAE.

On 10-01-21 at 10:04 p.m., we assisted Wisconsin State Alcohol and Revenue agents on a tax warrant at Level's On North, located at 634 W. North Ave. This is a licensed bar in the City of Milwaukee. We were informed that the agent Jeffery HENDERSON owed the State of Wisconsin back taxes.

We went to the tavern and entered the establishment. The agent was present, as well as several other people, and a bartender. The establishment had its interior lights on, as well as the open sign. The main entrance door was also unlocked.

We entered with the State of Wisconsin Agents and Georgeann KING introduced herself to HENDERSON and informed him of our visit.

KING conducted an inspection of receipts and liquor on the premise. KING ultimately closed the tavern, informing HENDERSON he could not be open until the tax situation was taken care of and his sellers permit was reinstated. KING also seized the alcohol from the tavern due to no invoices or the alcohol was purchased from an unknown source.

KING seized the following liquor:

45 bottles of various brands of liquor/flavors - no invoice

36 bottles of various brands of liquor/flavors - no invoice

11 bottles of Miller Lite - no invoice

We found the Class D license which was posted was an old, expired license. I checked LIRA and found that HENDERSON does have a valid city of Milwaukee Class B License, which expires 12-14-21.

End of report.
