

## **Community Intervention Task Force Mission Statement**

### **Version 1 – Member Chantia Lewis:**

Our mission is to find new solutions to provide safe engagement to the public, while utilizing the resources we have to the highest and best use, while building public trust for the residents

### **Version 2 – Member Jamaal Smith:**

The Community Intervention Task Force will actively seek out new solutions that support community social, emotional, and physical well-being through prevention strategies, education, and direct service, thus building public trust for residents.

### **Version 3 – Suggestions made at 11/8/21 meeting:**

<Committed to building public trust for residents,> the Community Intervention Task Force will actively seek out <alternative and> new solutions <for calls for service> that support community social, emotional, and physical well-being through prevention strategies, education, and <direct – or - emergency> service <, thus building public trust for residents.>
