Hello, Jim.

I've attached our written appeal to the decision of the Historic Preservation Commission's denial of our Certificate of Appropriateness for retroactive approval of the painting of concrete on our home at 2339 N. Sherman Blvd., in the Sherman Boulevard Historic District. I have also attached photos of our painted home, stained glass windows, & photos of most (not all) of the homes within just 2 blocks of us that have painted masonry (LONG before we had it).

Thank you for your consideration.

Much peace,

Christie (& David) Melby-Gibbons
