RE: Re-exempt the position of Chief Assessor- 1LX

Commissioners,

The Assessor's office is requesting the approval to re-exempt the position of Chief Assessor. This position became vacant on September 11th, 2021, when the prior incumbent retired after 30 years of service to the Assessor's Office. Authority to refill this position was approved by the Common Council's Finance and Personnel Committee on October 10th, 2021.

The Chief Assessor is responsible for assisting the Commissioner of Assessments with the administration of the duties necessary for the successful operation of an assessment office. They assume direct administrative charge of all facets of the entire assessment program. This position is the Deputy Commissioner and acts in capacity of the Commissioner when the Commissioner of Assessments is unavailable.

The Chief Assessor reviews and makes determinations regarding property tax exemption statuses, supervises the appeal process for the office and works with the Assessment Appeals Director and staff to draft reports and present testimony, and keeps abreast of law changes that affect assessments and will testify on behalf of the City in assessment related matters that affect the City. We are therefore requesting that this position be re-exempted; comparable to similar classifications in other City Departments.

Your favorable consideration of this request is greatly appreciated.

Sincerely,

Steven A. Miner
