[[the receipt of dental services or medical treatments or consuming food or beverages.]]

Part 3. Section 62-8-4-f of the code is repealed and recreated to read:

f. Persons engaged in athletic activities or cleansing related to athletic activities.

Part 4. Section 62-8-5 of the code is repealed and recreated to read:

5. PENALTY AND ENFORCEMENT. The health department may enforce this section.

a. The owner or operator of any building open to the public shall ensure all persons present in his or her building open to the public comply with sub. 1. The owner or operator of any building open to the public has the right to refuse entry or service to any person for failure to comply with sub. 1.

b. If the health department receives a complaint that any owner or operator of a building open to the public that permits a person to violate sub. 1 in his or her building open to the public, the health department may first send a letter to the owner or operator explaining the face covering mandate and his or her responsibilities as owners and operators of a building open to the public. If the health department receives an additional complaint at least one week after the initial letter being sent to the owner or operator of a building open to the public, the health department may attempt to follow up with such owner or operator with additional outreach either in person, over the phone or virtually with such owner or operator to discuss such owner or operator's responsibilities hereunder and develop strategies for compliance.

c. If the health department receives a third complaint that any owner or operator of a building open to the public permits a person to violate sub. 1 in his or her building open to the public after the health department has performed all outreach under par. b, the health department may conduct an onsite visit of the building open to the public. If a violation of sub. 1 is observed during such visit, the health department may submit a written statement attesting to the observed violation to the license division of the city clerk's office. The attestation shall be added to the owner or operator's license renewal application.

d. The health department may handle any complaints subsequent to the third in accordance with par. c.
