 PROCEDURAL MOTION

MOTION BY ALD. RAINEY

RELATING TO FILE NO. 211353

VERSION: SUBSTITUTE 1

TITLE: Substitute resolution relating to data on code violations and electrical fires.

ITEM NUMBER 53

COMMITTEE: Zoning, Neighborhood and Development Committee

MOTION

I move to remove the word “electrical” from both the final whereas clause and the resolved clause of this resolution.

ANALYSIS OF MOTION

This motion expands the scope of code-violation data collected by the Department of Neighborhood Services to include data on all code violations in various areas of the city, rather than limiting data collection to only electrical code violations.
