

October 6, 2010

To The Honorable, the Common Council

Subject: 2011 Highway Safety Improvement Program
South 27th Street from a point north of
West Kinnickinnic River Parkway to a
Point north of West Howard Avenue

Dear Honorable Members:

The 2011 Highway Safety Improvement Program includes the improvement of traffic control signals and signs on South 27th Street from a point north of West Kinnickinnic River Parkway to a point north of West Howard Avenue. The Federal Program provides cost participation for the improvement of traffic control signals on South 27th Street at West Kinnickinnic River Parkway, West Oklahoma Avenue, West Ohio Avenue, West Morgan Avenue, and West Loomis Road.

The total estimated cost of the project is \$113,413.30, with an estimated grantor share of \$102,071.97, and an estimated City share of \$11,341.33.

We have, therefore, prepared the attached resolution, which authorizes the Commissioner of Public Works to execute a Local Force Account (LFA) – State contract with WISDOT that allows City forces to install and/or modify traffic control signals and signs on South 27th Street from a point north of West Kinnickinnic River Parkway to a point north of West Howard Avenue in the 8th, 11th, and 13th Aldermanic Districts.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
