I. INTRODUCTION

A. Background

In 1984, the Wisconsin legislature created 66.1109 (formerly S. 66.608) of the Statutes (see Appendix A) enabling cities to establish Business Improvement Districts (BIDs). The purpose of the law is “to allow businesses within those districts to develop, to manage and promote the districts and to establish an assessment method to fund these activities.” (1983 Wisconsin Act 184, Section 1, legislative declaration.)

The City of Milwaukee has received a petition from property owners which requests creation of a Business Improvement District for the purpose of revitalizing and improving the Atkinson Capitol Teutonia business area on Milwaukee's North Side(see Appendix B). The BID law requires that every district have an annual Operating Plan. This document is the initial Operating Plan for the proposed Atkinson Capitol Teutonia district. The BID proponents prepared this Plan with technical assistance from the City of Milwaukee Department of City Development.

B. Physical Setting

The vast majority of the ACT Triangle is made up of residential properties. Of the nearly 8,000 total parcels in and immediately surrounding the ACT Triangle, approximately 200 are commercial or industrial in nature. Thirty parcels are institutional (schools, churches, and municipal and government facilities). Eighty-four parcels are vacant lots, boarded up properties, or residential units owned by the City of Milwaukee, some other governmental unit, or a lending institution as a result of foreclosure, tax delinquency or public nuisance.

The overwhelming majority of the housing is single-family detached homes. The second most prevalent type of land use is duplex housing. There are a few three and four flat units. The area surrounding the intersection of West Capitol Drive, Atkinson Avenue and Teutonia Avenue supports a number of apartment buildings. The apparent largest of these, a 55 unit complex located at the intersection of Roosevelt Drive and Teutonia is a boarded up property.

An estimated 70% of the housing in the ACT area was built prior to World War II. Much of this housing stock was built in the 1920's and 1930's. While the housing stock is not in danger of falling down, it has become expensive to maintain. This has caused much maintenance to be deferred, and has led to blight conditions.

There is a significant portion of newer housing at the northeast corner of the ACT Triangle. This housing stock differs greatly from the majority of the community's

housing. It is brick or faced, and is evident of styles popular after World War II. Furthermore, lot and parcel sizes are larger in this section of the neighborhood.

The median value of a house in the ACT area in 1990 was estimated at \$36,718.00. Current estimates place the median value of a house in this neighborhood at \$46,110.00. This represents an increase of just over 25.5% in the eight years since the 1990 Census was conducted. Recent housing sales do not exactly support the estimated current housing value. Single-family residential sales in 1997 and 1998 averaged \$37,100.00. Duplex sales averaged just over \$42,550.00.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are shown on the map in Appendix C of this plan. A listing of the properties included in the district is provided in Appendix D.

III. PROPOSED OPERATING PLAN

A. Plan Objectives

The objective of the BID is to: The objective of the BID is to: Encourage new business development, expand current business activity and assist in redevelopment, promotion, and maintenance of the ACT commercial district.

Proposed Activities – Year One

Principle activities to be engaged in by the district during its first year of operation will include:

- a. Develop and implement new marketing strategy
- b. Create partnerships with public and private sector to enhance development and reinvestment.
- c. Enhance safety and security in the district.
- d. Maintain newly finished Streetscape project

B. Proposed Expenditures – Year One

The principal expense of the district in 2010 shall be used to fund business technical assistance and maintenance projects. The BID #29 will contract with Northwest Side Community Development Corporation to manage proposed activities for the BID. The BID will also help fund the ACT BID Day event

Proposed Budget

Atkinson Capitol Teutonia BID#29	
	2011 Budget
ADMINISTRATIVE SERVICES	
Contractual Services	
Support Staff	55,000.
Accounting Services	
2009 Audit	3000.
General Expenses	
Postage & Copies	1000.
Utilities	2000.
Streetscape Upkeep	9000.
PROGRAM ACTIVITIES	
Marketing/Advertising	7000.
ACT EVENTS	7000.
Business Assistance	8000.
TOTAL Proposed Budget for 2011	\$92,000.

C. Financing Method

It is proposed to raise 93,583.40 through BID assessments (see Appendix D). The BID Board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

D. Organization of BID Board

Upon creation of the BID, the Mayor will appoint members to the district board ("board"). The board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of BID assessments.

State law requires that the board be composed of at least five members and that a majority of the board members be owners or occupants of property within the district.

It is recommended that the BID board be structured and operate as follows:

1. Board Size – Five
2. Composition - At least three members shall be owners or occupants of property within the district. Any non-owner or non-occupant appointed to the board shall be a resident of the City of Milwaukee. The board shall elect its Chairperson from among its members.
3. Term - Appointments to the board shall be for a period of three years except that initially two members shall be appointed for a period of three years, two members shall be appointed for a period of two years, and one member shall be appointed for a period of one year.
4. Compensation – None
5. Meetings - All meetings of the board shall be governed by the Wisconsin Open Meetings Law.
6. Record Keeping - Files and records of the board's affairs shall be kept pursuant to public record requirements.
7. Staffing - The board may employ staff and/or contract for staffing services pursuant to this Plan and subsequent modifications thereof.
8. Meetings - The board shall meet regularly, at least twice each year. The board shall adopt rules of order (“by laws”) to govern the conduct of its meetings.

E. Relationship to the Atkinson Capitol Teutonia Business Association.

The BID shall be a separate entity from the Atkinson Capitol Teutonia Business Association, notwithstanding the fact that members, officers and directors of each may be shared. The Association shall remain a private organization, not subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the BID board. The Association may, and it is intended, shall, contract with the BID to provide services to the BID, in accordance with this Plan.

IV. METHOD OF ASSESMENT

A. Assessment Rate and Method

BID-eligible properties are assessed in the following manner:

1. An unimproved tax parcel is assessed at a rate of \$4/1,000 of assessed value up to a maximum BID assessment of \$1,500. No minimum assessment is applied to unimproved parcels.
2. There is a \$125 minimum assessment on all BID- eligible improved tax parcels valued at \$10,000 or less.

3. For improved tax parcels valued over \$10,000, the assessment is \$125 plus \$4/1,000 of assessed value for the amount over \$10,000, up to a maximum of \$1,500.

The principle behind the assessment methodology is that each property should contribute to the BID in proportion to the benefit derived from the BID. After consideration of other assessment methods, it was determined that assessed value of a property was the characteristic most directly related to the potential benefit provided by the BID. Therefore, a fixed assessment on the assessed value of the property was selected as the basic assessment methodology for this BID.

However, maintaining an equitable relationship between the BID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of high value properties, a maximum assessment of \$1500.per parcel will be applied.

As of January 1, 2008, the property in the proposed district had a total assessed value of over \$29 million. This plan proposed to assess the property in the district at a rate of \$4.00 per \$1,000.00 of assessed value, subject to the maximum assessment, for the purposes of the BID.

Appendix D shows the projected BID assessment for each property included in the district.

B. Excluded and Exempt Property

The BID law requires explicit consideration of certain classes of property. In compliance with the law the following statements are provided.

1. State Statute 66.1109(1) (f) 1m: The district will contain property used exclusively for manufacturing purposes, as well as properties used in part for manufacturing. These properties will be assessed according to the method set forth in this plan because it is assumed that they will benefit from development in the district.
2. State Statute 66.1109(5) (a): Property known to be used exclusively for residential purposes will not be assessed; such properties will be identified as BID Exempt Properties in Appendix D, as revised each year.
3. In accordance with the interpretation of the City Attorney regarding State Statute 66.1109(1) (b), property exempt from general real estate taxes has been excluded from the district. Privately owned tax-exempt property adjoining the district and which is expected to benefit from district activities may be asked to make a financial contribution to the district on a voluntary basis.

V. RELATIONSHIP TO MILWAUKEE COMPREHENSIVE PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population, or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

The district is a means of formalizing and funding the public-private partnership between the City and property owners in the Atkinson Capitol Teutonia business area and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City expected to play a significant role in the creation of the Business Improvement district and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1109 (3) (c) of the BID law.
5. Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the BID assessments.
6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

VI. PLAN APPROVAL PROCESS

A. Public Review Process

The Wisconsin Business Improvement district law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process will be followed:

1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
2. The City Plan Commission will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition a Class 2 notice of the public hearing will be published in a local newspaper of general circulation.
3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
4. The Economic Development Committee of the Common Council will review the proposed BID Plan at a public meeting and will make a recommendation to the full Common Council.
5. The Common Council will act on the proposed BID Plan.
6. If adopted by the Common Council, the proposed BID Plan is sent to the Mayor for his approval.
7. If approved by the Mayor, the BID is created and the Mayor will appoint members to the district board established to implement the Plan.

B. Petition against Creation of the BID

The City may not create the Business Improvement district if, within 30 days of the City Plan Commission's hearing, a petition is filed with the City containing signatures of:

Owners of property to be assessed under the proposed initial Operating Plan having a valuation equal to more than 40% of the valuation of all property to be assessed under the proposed initial Operating Plan, using the method of valuation specified in the proposed initial Operating Plan; or

Owners of property to be assessed under the proposed initial Operating Plan having an assessed valuation equal to more than 40% of the assessed valuation of all property to be assessed under the proposed Operating Plan.

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the BID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan.

Section 66.1109 (3) (a) of the BID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year One activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year One conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the BID law.

In later years, the BID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B.Amendment, Severability and Expansion

This BID has been created under authority of Section 66.1109 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the BID and this BID Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a BID so as to exclude or include as assessable properties a certain class or classes of properties, then this BID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act. This is specifically authorized under Section 66.1109(3)(b).
