### INITIAL INVESTIGATION

Koscielak, Sean R 028470

06/10/2021

This report is written by P.O. Sean KOSCIELAK assigned to District One's Early Power Shift Captain's Car (Squad 1268),

On Wednesday June 9th, 2021 at 11:24 A.M. I conducted follow up for CAD# 21-156-05-72 at 812 N Old World 3rd St (George Webb's Restaurant), which was a large fight that occurred on Saturday June 5th, 2021 at approximately 6:00 A.M.

On Scene I asked to speak with the manager, a black female approximately 25-30 years old came to the front of the restaurant and looked at me for a few seconds, I asked her if she was the manager, to which she stated yes. I then asked the manager if I could speak to her regarding a fight that occurred in her restaurant a few days ago, to which she responded "I don't want to, but I will". I asked the manager for her name, and she told me that she would not give me her information.

I asked the manager about the fight and she told me that she did not see the beginning of the fight because she was in the back area of the restaurant clocking in for her shift. The manager further said that she heard a fight begin so she stayed in the back and called the police and then left because she is a mother, has small kids at home and did not want to be involved in this incident. The manager then changed her story and said that she saw part of the fight and that she saw someone with blood on their shirt. The manager further said that there was a small group and a large group involved in the fight, and that after the fight the smaller group stayed on scene and spoke with the police that had arrived. I requested a copy of their surveillance video and the manager provided me with a phone number.

I further made contact with Melissa M BANTE (W/F 9-18-87) who also works for George Webb's at their business office at 1661 N Water St #205 who was able to provide me with a copy of their surveillance video from this incident in case a victim from this case arises. I placed a copy of the surveillance video on MPD Inventory # 21021241.

I watched the video and found at 6:01 A.M. a verbal altercation begins between a large group of approximately 12 adults and another group of approximately 5 adults. At this time the manager can be seen standing near the cash register with another employee, watching the argument. At 6:02 A.M. the manager can be seen making a phone call and watches as a physical fight begins at 6:03 A.M. between the two group, and the manager restrains several of the people involved in the fight from entering into the service area.

During the fight the staff members at George Webb's can be seen videotaping the fight on their cell phones, but none of these videos were reported to police, on of these videos later appeared on

At 6:04 A.M., the manager begins to allow frightened customers to take shelter in the kitchen as she appears to still be on the phone and watching the fight through the servers window.

During the fight approximately a dozen people were punching, kicking, stomping on and throwing restaurant items at each other.

When the fight ends at 6:07 A.M., the manager exits the back area and walks around the servers area.

At 12:00 P.M. I contacted the Licensed Agent Thomas L ALDRIDGE at the phone number of 262-893-1124 and left a voicemail identifying myself and requested that he call me back to talk about an incident that occurred at his business.

At approximately 12:15 A.M. ALDRIDGE called me back and spoke with me about the incident. I informed ALDRIDGE of the aforementioned information and ALDRIDGE stated that he is the only manager at that location and that the person I spoke with is only an employee of his. ALDRIDGE agreed that the employee was not cooperative with the Milwaukee Police Department, but that he expects his employees to cooperate. ALDRIDGE was very cooperative with me during the conversation and stated that he would speak with his employee regarding this incident.

ALDRIDGE explained that there are a lot of issues around his business and that he has put in place numerous policies and procedures such as having a timed locking mechanism on his entrance door from 12:00 A.M. until 5:00 A.M. so stop large groups from entering as well as to help with the COVID-19 restrictions.

ALDRIDGE stated that he will be adding a policy that mandates employee's cooperate with police.
