	Waiver Presented to F&P Committee on 10/06/2021		
Pending	Amendment #7: Extend the contract term for one (1) year, from 09/15/2022 through 09/14/2023 and increase the estimated contract total by \$750,000.00 from \$1,130,000.00 to \$1,880,000.00.	09/15/2022 through 09/14/2023	\$750,000.00
Total (including the pending amendment)			\$1,880,000.00

Purpose of Amendment:

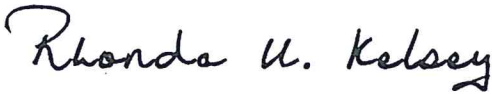

The purpose of this amendment is for the contract term of the City of Milwaukee Police Department's Vendor Service Contract for Trane Equipment Maintenance with Trane US, Inc. (Trane), to be extended for one (1) year, from 9/15/2022 to 9/14/2023, exercising the annual option to renew. Additionally, for the estimated contract total to be increased by \$750,000.00 from \$1,130,000.00 to \$1,880,000.00.

Justification for Waiver:

The services for equipment installed by Trane US, Inc. are proprietary and cannot be sub-contracted out. Trane's services are necessary to keep MPD buildings' cooling and heating terminal units running reliably. The additional funds will be used for ongoing maintenance costs, necessary building control upgrades, roof top unit and chiller repairs/replacement over the course of the contract life.

For this reason and in accordance with City Charter 16-05-4a, Finance and Personnel Committee approval is waived for services authorized by the Common Council.

For Sole Source Contract
Contract #E0000018202**

Background:

User Department:	Milwaukee Police Department (MPD)
Purchasing Agent:	Marina Litvinets
Contract Description:	Vendor Service Contract for National Integrated Ballistic Information Network (NIBIN)
Vendor Name and Location:	Forensic Technology, Inc. (Largo, FL)
Contract Term:	Five (5) years from the date of award
Requisition # and Date Received:	0000018202 & 04/20/2021
Original Contract Amount:	\$313,698.00 (FUNDED BY FEDERAL OPERATION LEGEND GRANT)
Expenditures to Date:	\$0.00
Current Contract Amount:	\$313,698.00

Purpose of Contract:

This is a request to allow the Milwaukee Police Department to dispense with the City's competitive bid process to award a Sole Source Vendor Service Contract for National Integrated Ballistic Information Network (NIBIN) to Forensic Technology, Inc. The estimated contract total is \$313,698.00, in accordance with Vendor's Proposal No. S-07660 and is funded by the Federal Operation Legend Grant. The contract term is five (5) years from the date of award.

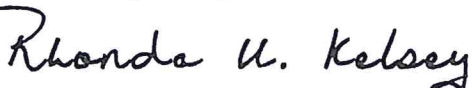

Justification for Waiver:

The NIBIN equipment is used to correlate spent bullet cartridges and connect them to other crimes and guns. This equipment has been extremely valuable in connecting criminal offenses to suspects and that information has been used to successfully prosecute the same suspects.

Only Forensic Technology, Inc., the exclusive manufacturer of the Integrated Ballistic Identification System (IBIS), can provide their proprietary products, IBIS Data Concentrator, IBIS Correlation Engine, as well as maintenance, upgrades and services, including data migration, moving and training services pertaining thereto. Furthermore, the IBIS is currently in use in the United States under the ATF NIBIN program and is the only technology that has undergone and passed the security standards needed for integration into NIBIN. Other ballistic identification technologies are not compatible with NIBIN.

For this reason and in accordance with City Charter 16-05-4a, Finance and Personnel Committee approval is waived for services authorized by the Common Council.

For Sole Source Contract
Contract #E0000018823**

Background:

User Department:	Department of Emergency Communications (DEC)
Purchasing Agent:	Marina Litvinets
Contract Description:	Vendor Service Contract for Argent Software Installation and Ongoing Maintenance
Vendor Name and Location:	ArgSoft Group, LLC (New York, NY)
Contract Term:	Three (3) years from 03/01/2022 through 02/28/2025 with two (2) options to extend for additional one (1) year periods
Requisition # and Date Received:	0000018823 & 03/10/2022
Original Contract Amount:	\$51,250.00
Expenditures to Date:	\$0.00
Current Contract Amount:	\$51,250.00

Purpose of Contract:

This is a request to allow the Department of Emergency Communications (DEC) to dispense with the City's competitive bid process to award a Sole Source Vendor Service Contract for Argent Software Installation and Ongoing Maintenance to ArgSoft Group, LLC. The estimated contract total is \$51,250.00, in accordance with Vendor's Quote dated 03/17/2022 (Exhibit 1). The contract term is for three (3) years from 03/01/2022 through 02/28/2025 with two (2) options to extend for additional one (1) year periods.

Justification for Waiver:

Argent Software is a network scheduling and monitoring tool that automates the monitoring of data center applications, databases, compliance, security, web and virtualization solutions for Java, SAP, SQL servers, and other data center solutions. Argent Software is supported 24 hours a day, 365 days a year. ArgSoft's Argent Basic Support products and services are proprietary and are only available from one (1) source.

The Milwaukee Police Department has been using Argent Software for all servers in their environment under Contract #E0000015637 which expires on 08/31/2022. As a result of the Milwaukee Police and Fire Departments' communication operations consolidation into the new Department of Emergency Communications, the DEC needs to procure their own contract to provide this service for their server equipment. MPD's contract will run concurrent with this new contract.

For this reason and in accordance with City Charter 16-05-4a, Finance and Personnel Committee approval is waived for services authorized by the Common Council.

For Single Source Contract
Contract #E0000018787**

Background:

User Department:	Department of Public Works – Infrastructure
Purchasing Agent:	Marina Litvinets
Contract Description:	Vendor Service Contract for Temporary Lighting on Good Hope Road
Vendor Name and Location:	Outdoor Lighting Const. Co., Inc. (Milwaukee, WI)
Contract Term:	From the date of award through 06/24/2022
Requisition # and Date Received:	0000018787 & 03/02/2022
Original Contract Amount:	\$132,817.40
Expenditures to Date:	\$0.00
Current Contract Amount:	\$132,817.40

Purpose of Contract:

This is a request to allow the Department of Public Works – Infrastructure to dispense with the City’s competitive bidding process to award a Single Source Vendor Service Contract for Temporary Lighting on Good Hope Road to Outdoor Lighting Const. Co., Inc. The estimated contract total is \$132,817.40, in accordance with Vendor’s Quote #RE5239118511 (Exhibit 1). The contract term is from the date of award through 06/24/2022.

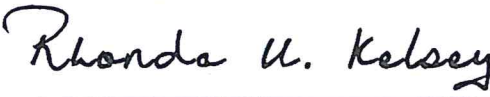

Justification for Waiver:

Outdoor Lighting Const. Co., Inc. will be setting temporary lighting on Good Hope Road and removing existing lighting that is in conflict with the Milwaukee County construction work. DPW has to move forward with this project to meet the Milwaukee County construction deadline to avoid the broad electrical outage on Good Hope Road between Range Line Road and westbound to the Rail Road. This project should be completed by June 24, 2022.

Initially, the Department of Public Works (DPW) – Infrastructure bid this project out twice under bid # 95-1-2021 and bid #28-1-2022. The only bidder for both bids did not furnish all the necessary documents and was determined to be unresponsive. Then DPW requested quotes from the following three (3) vendors: (1) Dedicated Contractors, LLC which was not able to provide a quote; (2) MP Systems which was unresponsive, and (3) Outdoor Lighting Const. Co., Inc. which provided a quote.

For this reason and in accordance with City Charter 16-05-4a, Finance and Personnel Committee approval is waived for services authorized by the Common Council.
