PARCEL ADDRESS AND DESCRIPTION

Former Fletcher Elementary School, 9500 West Allyn Street and 9102 North 96th Street ("Property"), is a 60,754 square foot one-story school building built in 1973 on an 8.94-acre site. The Property has been vacant since 2009 and was determined underutilized in 2015. The Property was listed as Surplus on Milwaukee Public Schools ("MPS") Inventory of School Buildings in 2017. Under the requirements imposed by Section 119.61, Wisconsin Statutes, the Property was made available for sale to education operators only for a two-year period that began on January 27, 2016 ending in January 2018. During that period, three Letters of Interest were received to view the school and none chose to make a proposal to purchase the Property. The Property was then listed for sale for adaptive re-use in July 2018. Only one Proposal was received in 2019 and that sale failed to materialize. The Property was relisted in January of 2021. Proposals were received and evaluated on a continuous basis.
