Subject: Technical Correction for Salary Ordinance

Hi Tobie,

The Finance Committee approved File Number 100575 on September 17, 2010; the file included a Job Evaluation report for a position of Administrative Lieutenant of Police (Health and Safety). This position received a title and rate change; however the report inadvertently omitted the Salary Ordinance change for Pay Range 836. Please amend the Salary Ordinance to read as follow:

In the Salary Ordinance, under Pay Range 836, delete the title "Administrative Lieutenant of Police (Health and Safety)."

Thanks

Faranda (Faye)
