To the Honorable
Michael J. Murphy, Chair
Committee on Finance & Personnel
Common Council-City Clerk
City Hall Room 205

Dear Alderman Murphy:

I am writing in regard to a request from the Fire and Police Commission to amend a service contract with Mr. Eugene Oldenburg. Mr. Oldenburg is a consultant, providing coordination services for the Southeast Wisconsin State Communications Interoperable (SCIP) plan, which will ensure fully interoperable emergency communications and implementation of a regional communications plan in compliance with State requirements. Mr. Oldenburg's specific tasks include:

- Establishment and coordination of a regional planning commission
- Presentation of workshops, and
- Technical guidance to the 8-County Southeast Wisconsin Region

The original contract amount was \$45,000.00. This contract amendment request requires approval by the Finance & Personnel Committee because it meets the criteria set forth in Common Council File No. 090352 – A substitute charter ordinance relating to review and approval of single and sole contract amendments that was recently adopted in October of 2009.

The charter ordinance requires Finance & Personnel Committee approval of existing single or sole source contract amendments when the original amount of the contract added to the amended amount of the contract, is \$50,000 or greater.

Attached to this letter is a document that provides background information regarding this contract amendment request.

I look forward to addressing any additional questions or concerns that you might have.

Sincerely,

Rhonda U. Kelsey
City Purchasing Director
