Dear Commissioners:

I respectfully nominate Heavy Equipment Operator (HEO) Steven P. Radomski to the exempt position of Mobile Integrated Healthcare Program Operations Coordinator. My reasons for recommending him for promotion are found below.

HEO Radomski has 17 years of service with the department. He was appointed as a Firefighter in February of 2005, became a paramedic in May of 2006, promoted to Heavy Equipment Operator in September of 2014, and certified as a Community Paramedic in March of 2020.

HEO Radomski has been acting in the capacity of the MIH Operations Coordinator since August of 2020, making process improvements which have contributed to improved efficiency and accuracy. HEO Radomski is skillful in compilation, assessment, and presentation of data, which is required to illustrate program accountability, success, and grant procurement. His substantial experience as a community paramedic affords him unique insight to successfully promote the benefits of the Community Paramedic Program to community stakeholders, citizens, and the MFD members, with a team-cooperative attitude.

HEO Radomski has served Milwaukee and the MFD in numerous ways during his career including:

- Mobile Integrated Health Community Paramedic
- Tactical Emergency Medical Services Team (current member)
- Incident Command Post Team and Peer Support Team (past member)
- Participated as a mentor in the Milwaukee Rescue Mission's New Journey Program, and the Wisconsin Challenge Academy

HEO Radomski is skilled in project management, with a commitment to providing system-improvements to benefit the quality of life for the community he serves. I recommend Heavy Equipment Operator Steven P. Radomski for promotion to the position of Mobile Integrated Healthcare Program Operations Coordinator.

Sincerely,

AARON LIPSKI
Chief
