

U.S. Department of Homeland Security Infrastructure Report

Port Director Adam Tindall-Schlicht

Presentation to the Milwaukee Common Council

U.S. Department of Homeland Security (DHS)

In late summer 2021, the U.S. Department of Homeland Security (DHS)'s *Cybersecurity and Infrastructure Security Agency (CISA)* conducted a field analysis of Port Milwaukee.

In early 2022, DHS relayed the results via an Infrastructure Survey Tool (IST) analysis as well as an Infrastructure Visualization Platform (IVP) analysis.

The IST and IVP tools provide the Harbor Commission and Port staff with a roadmap for addressing security and safety vulnerabilities at the Port.

Summary of Findings: Protective Measures

Summary of Findings: Resilience Measures

Summary of Recommendations

- Improve collaboration with law enforcement/first preventers/responders
 - Host annual security plan review meetings
- Prepare a long-term mitigation plan specific to flooding
- Prepare a long-term plan specific to suspicious packages
- Prepare a long-term plan specific to Random Anti-Terrorism Measures
- Update the Port's emergency action plan on an annual basis
 - Specify and contract with an incident management command center (IMCC)

Summary of Recommendations *(cont.)*

- Request access to DHS Homeland Security Information Network (HSIN)
- Continually train Port employees, security on cardiopulmonary resuscitation (CPR)
- Provide DHS free training resources to Port staff, security and tenants
- Establish 100% perimeter security with fencing, improved signage
- Install opening gates for vehicular traffic with 24/7 monitoring
- Install opening gates for rail traffic with 24/7 monitoring

Summary of Recommendations *(cont.)*

- Reconsider entry controls at Kaszube's Park and Hoan Bridge
- Improve barrier system to mitigate high speeds on Jones Island
- Upgrade Port camera system to CCTV
- Update Port/City lighting system on Jones Island
- Establish electric power contingency plan with WE Energies

Recommended Next Steps

- Continued analysis of CISA results by Port staff
- Prepare application for DHS Port Security Grant Program (PSGP) to address most pressing concerns
 - Notice of Funding Opportunity, expected: May 13, 2022
 - Application deadline, expected: June 13, 2022
- Integrate CISA results into Port's Capital Asset Renewal Plan (CARP)
- Identify other strategic State, Federal grant opportunities to address CISA results
