PP Piercings Plus 4412 W. Center street will be up for renewal in October

Objections

one 53210 on of the highest in Human Trafficking, This is normalizing young high school girls to be identified as a sex object, (PP Piercings is located next to the high school),

porstitution has increased in the alley way near his business is on the increase,

He (the owner, has an open sign on 24 seven an after hours clients he only turns off the tattoo sign when the tattoo guy leaves leaving us in belief that he is doing business all night long.

He was doing business during the COVID Stay at home

He added a vent from his place at the bottom of the door at foot step level blowing perfume and whatever out of the building. Health issue for COVID and for asthmatics,

Also a building code violation as anyone can throw a firebomb into the vent and burn the inside of the building.

Parking: they park their cars and the owner may arrive in one of three cars, gray SUV, GMC logal painted out black SUV. or a new motorcycle. Then a woman arrives, the tattoo guy arrives, all park in front, the customer parking place, forcing the customers to park in front of driveways, bus stops and alleyways all clearly marked as no parking. Customers get angry for being ticketed then trash the area, and break windows and tag the neighbors garage.

Since PP Piercings licence was awarded last October, that building has had 4 homicides, three shootings, one car torched, two cars smashed into the building causing the school to go into lock down. due to midday assault rifle gun battles. This area has not had a homicide in roughly 25 years yet directly after the licensing, within two months after his legal presence there were 4 homicides, three shootings, one car torched.

This adult body piercing business is located kiddy corner from Washington High School, very young children have to walk past it to go to the candy store, THIS IS NOT THE AREA FOR AN ADULT BODY PIERCING BUSINESS of this nature. Who and what are being brought into the neighborhood subjecting this community and High School to such violence? The people coming into the area are told this community is the hood, the ghetto, we and Whasington high school deserve a better shake than this in our community.

Subject: Objection to license renewal for Piercings Plus @ 4412 W. Center St, Milwaukee 53210

To whom it may concern:

I am writing to object to the renewal of the license for Piercings Plus at 4412 W Center Street, Milwaukee WI 53210.

_____, and _____ have worked hard to maintain a strong, vibrant neighborhood with strong connections to Washington High School. _____ have several young families on the _____ and _____ wish to maintain a strong family-oriented environment. The arrival of Piercings Plus has had a measurable detrimental effect on our efforts to maintain a safe and vibrant neighborhood.

With the arrival of Piercings Plus, there has been an increase of nuisance activities, including loud noise, foul odors emanating from the building (from a vent on the door), and parking violations in the alley between 44th and 45 Street north of Center Street and on Center Street itself, with customers from Piercings Plus occasionally parked in the bus stop on Center Street and in front of neighbor's garages. Worst of all, there has been an uptick in violence, including an increase in the number of homicides in this area that is simultaneous with the arrival of Piercings Plus.

As you may know, 53210 had the largest number of human traffickers according to the report on human trafficking based on police statistics published by the Homicide Review Commission in 2013. There have been reports of a heightened amount of sex trafficking associated with the arrival of Piercings Plus, and so the proximity of this business to Washington High School and to the young families on our block therefore remains a grave concern to area residents.

Our neighborhood desperately needs your help as we strive to establish a more family-friendly community with a large number of young families on our block and to maintain a positive and welcoming relationship with the Washington High School community.

Thank you very much for your efforts to support our neighborhood.

Sincerely yours,

Please note Sunday afternoon coming home I found a wht SUV blocking access to

Now i had a long talk with the ticket officers and as we were talking the cars came and blocked drive and ended up filling the no pking area, bus stop. That officer then became agitated, as they had lots of legal parking. I am hoping they can work more with this area because they said that this area will become a disaster area when the weather gets warmer.

Rainey the time to make a step for communities is now. This corner from Sherman and Center to 51st and Center can be improved and made relatively safe, it is a focal point for the Sherman Park community, safety and improvement. Rainey only you can take progressive action that will make a difference. I hope you do not wait until it is too late.

Also notice trash by curbs these stores, along with other stores on Center, sweep their trash onto the streets. A BIG DETERRENT TO HAVING GOOD BUSINESS OPEN UP SHOP IN OUR AREA.

Now here is an odd thing, I have been allowing a short amount of time to go by before I call the car into traffic but as soon as I do make a call, these cars then decide to leave r area so I tried vairing the time on these cars and consistently they move as soon as I call them in. It could be 5 minutes, it could be 35 minutes, like the silver GMC as soon as I call it in, the owner shows up a minute later. COINCIDENCE IF THERE IS INDEED SOMETHING GOING ON WITH THE TRAFFIC PEOPLE AND THE STORE I WILL EVENTUALLY FIND OUT AND BY THE WAY I WAS PLACED ON HOLD FOR SEVEN MINUTES BY THE DISPATCH OPERATOR BEFORE SHE GAVE ME THE CONFIRMATION NUMBER.

This bus stops right back door, illegal parking in no parking bus area or driveway and the bus does not or should I say can not stop.
Teens use this bus stop on a regular basis. Mothers with children use this bus stop, seniors use this bus stop and use driveway.

Suggestions PP Piercings Plus might try to schedule customers, or have a security person ensuring his customers do not park in no parking areas. No one ever comes out and says or I just read in PP Piercings that no parking means me too and has come out to move their vehicle. from a no parking area.

Jay's is harder to monitor as they come and go.

That white cat is sitting half in drive, you can see the sign on the post, now if a bus were to come by he would not be able to stop. Look where the bus area is, almost to back door. Busses are much longer today than they were 40 years ago.

Subject: Re: Streets filled with cars 4 gun shots

I went to P+P Piercings yesterday afternoon around 2:30 and spoke to [redacted] about your parking concerns. He has numerous signs informing his customers not to park in the alley or in the drive West of the business. [redacted] stated he tells his customers to park accordingly, and I see nothing else within the realm of reason he can do to assist your concerns. If people that frequent his business park illegally, then the call has to be made to the dispatch at parking enforcement.

Although the police department can deal with parking concerns on occasion, this is the primary responsibility of DPW-parking operations and parking concerns should be brought to their attention.

In regard to the shots fired calls, a D3 squad was sent there yesterday, recovered and did recover casings. I will be reaching out to Captain Johnson at D3 to have increased patrols to deal with the shots fired and drug dealing concerns you brought forth.

As always, in order to get a property or business in a nuisance status there has to be calls generated in the dispatch center and then these have to be linked to either the property or business. I see no reason at this time to place P+P Piercings in this nuisance status due to [redacted] attempts to deal with the parking issue. The license committee also needs documented calls linking issues to the business for any kind of licensing suspension or revocation.

Your parking concerns have been forwarded to the officers at D7 on several occasions and they get there when they can, but as you are well aware, other calls for service are given priority.

If you have issues with the MPD dispatch center, their supervisor extension is 935-7472.

Some suggestions I have to address the parking concerns are some kind of barrier between drive and the alley or signage placed on property/garage of no parking. I do not know if there are any grant funds to assist in the costs of these suggestions, but that may be an option. Changing signage on street signs (bus stop or no parking), road change design (bump-outs) or changing the alley to a one-way S/B would have to be addressed to city government.

Respectfully,
Capt. Sunn

Dear licence dept.

I am requesting you suspend the licenses of these businesses as their customers are violating my civil right to leave home or return to home because their customers block access to garage. This is daily and it is constant and it is basically the same cars they are repeaters even though there is plenty of parking around and on the other side of the no parking area.

Yesterday I had to wait 10 min. so I was late with my rideshare person because a car was blocking my ability to swing from my garage without hitting him.

In the morning a customer walked behind a vehicle as was leaving/ backing out of garage and he pulled his pants down to moon, yes he was in full bloom and he is a hefty guy. Now the question is when something violent occurs who will be sued? I will have a book of pictures, videos, and a book of **no action taken.**

Alderman Rainey you promised that the security lights would be working at this building never happened! Prostitution, hang out and drugs are on the Increase. PP Piercings clients continue to block my garage and park in the no parking area in the evenings and in the allies.

Licence Dept. you gave these guys a license after PP Piercings got your official ok we had 5 homicides now the traffic ticket officers have called into the police about guys and girls hanging at 4412 W. Center at the alley.

Assaults in the area are on the increase. Accidents are already on the rise here.

WHEN ARE YOU GOING TO TAKE ACTION !!!! WHEN ARE YOU GOING TO STOP THE HARASSMENT FROM THESE BUSINESS? HOW FAR WILL THIS GO BEFORE YOU START ACTION AGAINST THIS BEHAVIOR? WHO WILL GET HARMED AND THEN WHO WILL THE FAMILIES SUE FOR LACK OF ACTION?

I have shown you videos and pictures of customers from these businesses of cars and threats of customers who believe that my property belongs to the stores.
All is legally marked tow away but they continue to use my property even when they have legal parking in front of the stores.

I am told that Ald. Rainey is issuing Promotional parties which seem to be almost twice a week at these businesses, and the people coming become erratic drivers cruising around the building, fighting, and is their parking area.
Last Saturday not only did these incidents occur but hangout and also fights were in the alleyway. My neighbor, said they had a shootout also. I heard the fight and got some pictures of it. Called it in but it took an hour before reaching back. Fortunately no one was hurt.

So how do promotional parties work, do you not have to have security and facilities for safety and fire? Will this become a legal loophole for clubs to form under the guise of a grocery store or cell phone store? I know Rainey is promoting his hip hop but should that not be done at a facility that has parking and can house the event safely? This has been happening weekly for almost three months now.

So has permits for promotional shows been issued to any of these businesses in the last three months:

????????????????????????????????????

Are such permits being issued by Alderman Rainey?

Please let me know, if there are some shady events going on then appropriate steps can be taken.

The customers of PP Piercings plus 4412 W. Center St. continue to block drive, drivers unwilling to move unless pressed and I am getting tired of asking these people to please move their cars. In this state of presence one of these strangers may take a gun out on me. I am asking that you please take action, this is not too difficult. One of the easier jogs out there today. Licensing please review the short memories of these businesses. It seems they comply for short periods and then return to their past habits.

These businesses seem to have short memories, Jays customers continue to park in tow away zones/no parking blocking drive so I can't get out of drive.
Rainey I am asking you to reconsider these businesses licences until they start monitoring, or hire security for their hang out and the illegal use of toaway and bus stops
MILW POLICE, OFFICERS YOU CAN PUT A STOP TO THIS AND I WISH YOU WOULD.
THE HANGOUT AND THE DISREGARD FOR RESIDENTS, BUS STOPS AND THE HIGH SCHOOL
WILL END UP IN ANOTHER DEATH. ALDERMAN RAINNEY THIS DISTRICT OF YOURS CAN NOT
CONTINUE WITH MORE UNNECESSARY HOMICIDES.

These businesses continue to abuse property, with trash around - garage, blocking drive, throwing food on garage, parking behind garage, Gunshots going off when I clean the alleyway from these stores' garbage. Their customers hanging around on neighboring properties. This is the beginning of calamities. Now another vehicle no a truck blocking entrance way to garage.

While i was videoing this truck i noticed a few kids across the street which Mom by the Garage door and saw a man tinkering with the garage when the Mom said we had better leave before I called the police, the guy pulled out a joint and lit it. This turned out to be a nothing, it could have been a garage break in issue.

Police engagement would be a preventative, But 7th is plagued with shootings and homicides. so Rainey you need to ensure these types of issues with these businesses do not continue so police are not streached.

Police you need to take the short time to correct these issues before this next heat wave, so no one shoots someone.

Dear people:

Licence committee, Mayor, Rainey, police,

I have not slept in three days and I am getting very very crankie, from the loud cars cruising on Center, from my neighbor on my right playing loud music and from my neighbors down the block in Stampers end, now the fireworks, I am short in patience.

NOW the parking is still an issue, today I had a vet appointment, I came out and found this Dorito commercial truck parked by my apron of my drive, no parking, tow away. Jays Grocery continues to use my drive for their loading zone! This flaunting is abusive, an exercise of no respect for this area or the people who live here. not a loading zone nor is it a private parking space for this store. I had to wait until some of the cars moved so I could get out. I was late for my appointment which meant I had to wait with my dog in the car until I they could fit me in.

Why does this place not understand that no parking is no parking, private property is not theirs for the taking.

Please look at this picture with all parking issues, this red Nissan arrived shortly after 11am this morning. I noticed it because the car was blaring music, they sat there and at 11:40am I decided to get a better look at the car to check out the loud music. At that moment they turned off the music and, enter PP Piercings. I left my home, got back at 3:45 the red Nissan and the car behind it was still parked in the customer parking spot. That is just about 4 hours in a two hour limit parking spot. At 7:30pm the car was still sitting there.

At 7pm a woman walked in without any intro or knock or bell - I caught her and asked her to leave my house immediately took her by the arm and escorted her out. I told her never, never, walk into someone's home without permission again, she could have been shot or my dog might have gotten to her. She said she was going to PPPiercings which is 4412 W. Center on the door does not look like 4412.

I get on the 4402 for parking hangout which led to 5 homicides in 2019, now PPPiercings is also responsible for the hangout.

Prostitution is on the rise I pick up condoms every morning, sometimes bras and underwear. This is the traffic that is becoming common place, all near the high school.

The hang out in cars is increasing, There are fights around the building, some returning with guns. School will begin soon and the hangout around this building is becoming volatile.

Subject: possible shooter

Last night around 11:15 pm little puppy had to go outside. I opened the backdoor, stepped out with him and noticed a silver intinity SUV sitting in front of PP Piercings with its lights on. I watched for a bit because PP Piercings should have been closed by 8pm. I wondered if he was doing late night business or if someone was casing his business for a possible breakin.

I was trying to see if there was a driver in the car, the windows were darkly tinted, at that point the driver and slowly started moving his car. He slowly moved his car next/parallel to me by the yard and stopped moved next to the garage and flattened my body against the garage to skew his angle as truly believed he was going to shoot. called 911 and at that point he saw using phone and made a fast U turn and headed east.

This is one reason why cars parked in no parking or at this place of business which should be closed is dangerous.

I am not sure what the intent of the car was or if it was affiliated with PP Piercings 4412 W. Center, or with 4410, 4402 W. Center, (All one building) but assuming the car was casing out this business leaves me concerned for his safety and for my safety.

Alderman this is why parking in your 7th district and particularly at this business complex is so crucial for safety reasons. This is why the parking situation at these businesses needs to be a factor when considering a license for a single business converted into three businesses without any regards to customer parking. These are dangerous times and I am never sure if these customer cars blocking drive and bus stop will pull out a gun.

The pic. of the white car shows a man with a bottle of lite half empty. He drove up drinking and left the vehicle ill parked drinking.

They park next to / garage entrance and drink waiting for customers from the stores to come out. I pick up bottles of alcohol every day.

Alcohol, drugs and guns are bad mixes in this area.

Please look at pictures. You are all familiar with the problems of subdividing a small building that has limited parking in the front of the building. The East side businesses hang signs indicating where customer parking is. Restaurants also do the same. The west side has many more cars than yesteryear the zoning then was appropriate. Now we have the flash shopping text and soon you have a congregation of devoted shoppers, and in the negative a flash mob of lutors.

How to solve these issues, my belief is to get them on the same page and to motivate a pact of unity. Businesses may not understand that perspective, they are in our neighborhoods for one thing and that is making money. Neighborhood stores need to fit into the communities and understand their impact and learn to work with the residence.

I think that is what we are working on here. How to get everyone to agree that especially during these trying times. Collaboration is a key stepping stone in creating safety and balance for long term sustenance of the community and the business.

Mr. [redacted] has been working with me moving the illegal parkers out. [redacted] is working with me, he is helping to convince people that parking other than the garage and bus stop is far safer for all. Now we have PP Piercings, and the Metro Cell phone store to bring into the fold. 4410 and 4412 W. Center. Stores are all one building subdivided. Unfortunately the Metro Cell needs no LICENSE so convincing the new owner to work in compliance with one another will be a tough sell.

Attached are pictures of a car that was booming so loud that my doors were shaking. I looked out and saw this car parked in the alley, Almand came out to help move the car but no one was in the car. Turned out to be the owner of the metro Cell and an employee. The employee was angry and very loud.

These are explosive times and we need to really work together, City employees, Aldermen, businesses, police and the residents. I view this area as an experimental situation. Pulling all departments together, all involved factors for a common goal, good business and good business practices with helpful neighbors.

I really do not believe we will make it any other way.
