

Est. 1963

*Ending the generational
cycle of addiction of
healing women and
strengthening families.*

Project Horizon Vision

To address the complex and evolving needs of women and families seeking recovery from substance use disorder and to improve their quality of life:

Meta House will create a **centralized, multi-dimensional recovery community** that supports the full spectrum of services needed to achieve (and thrive) in long-lasting recovery.

Overview of Existing Programs

Program & Current Location	Current Capacity	Future Capacity Goal
Inpatient / Residential Treatment Riverwest	35 Beds 150 clients a year	70 Beds 300+ clients a year
Outpatient Riverwest	70-100 clients a week	150 clients a week + additional services
Recovery Housing Harambee	27 Units 75 women/families	30 Units 80 women/families
TOTAL:	500+ Clients a Year	800+ Clients a Year

Meta House Facilities Today

1. Outpatient & Administrative Offices
(Riverwest – Main Campus)
2. Inpatient Treatment - 35 Beds
(Riverwest – Main Campus & Shorewood)
3. Recovery Housing Community – 28 Units
(Harambee)

Challenges with Existing Facilities

1. Outpatient & Administrative Building
2. Residential Treatment Buildings
3. Recovery Housing Community

Vision for the Future

- Scale Existing Model to Double Residential Treatment Beds and Expand Affordable Housing Options
- Incorporate Withdrawal Management & Medication Assisted Treatment
- Fold In System Partners Like Child Welfare & Drug Treatment Courts
- Integrate Additional High-Frequency Services to Drive Measurable Change
- Create a Nurturing Child Care Facility
- Develop Mission-Aligned Social Enterprise / Employment Opportunities
- Create Space for Leisure Activities Conducive to Recovery
- Launch Expanded Training Academy / Internship Program

What questions can we answer?
