Dear Commissioner Johnson,

On December 14, 2021, CCFN 211262 was approved, a substitute resolution relating to metrics to evaluate the efficacy of the Office of Violence Prevention (OVP). This resolution, sponsored by myself and Alderwoman Coggs, states that the Health Department is to report these metrics to the Common Council by April 30, 2022.

Please provide, in writing, any available metrics at your earliest convenience. I also ask that your office provides a status update on the expenditure of the \$8.4 million from the State and \$3.27 million from the City allocated to OVP in American Rescue Plan Act funds.

Sincerely,

Michael J. Murphy
