- .4 The Contractor's and Subcontractor's capital expenses, including interest on the Contractor's and Subcontractor's capital employed for the Work;
- .5 Except as provided in Section 7.7.3 of this Agreement, costs due to the acts or omissions of the Contractor or Subcontractors, or failure of the Contractor, Subcontractors and suppliers or anyone directly or indirectly employed by any of them or for whose acts any of them may be liable to fulfill an obligation set forth in the Contract Documents;
- .6 Any cost not specifically and expressly described in Sections 6.1 to 6.7;
- .7 Costs, other than costs included in Change Orders approved by the Owner, that would cause the Guaranteed Maximum Price to be exceeded.
- .8 Intentionally omitted.
- .9 Rental costs of machinery and equipment, except as specifically provided herein;
- .10 Costs of removing condemned or rejected materials, resulting from the acts or omissions of the Contractor or Subcontractor;
- .11 Costs in excess of the normal costs for permits and licenses to the extent such costs resulted from Contractor's or Subcontractor's failure to timely obtain permits and licenses required to be obtained by Contractor or Subcontractor;
- .12 Intentionally deleted;

ARTICLE 9 DISCOUNTS, REBATES AND REFUNDS

§ 9.1 Cash discounts obtained on payments made by the Contractor shall accrue to the Owner if (1) before making the payment, the Contractor included them in an Application for Payment and received payment from the Owner, or (2) the Owner has deposited funds with the Contractor with which to make payments; otherwise, cash discounts shall accrue to the Contractor. Trade discounts, rebates, refunds, and amounts received from sales of surplus materials and equipment shall accrue to the Owner, and the Contractor shall make provisions so that they can be obtained.

§ 9.2 Amounts that accrue to the Owner in accordance with the provisions of Section 9.1 shall be credited to the Owner as a deduction from the Cost of the Work.

ARTICLE 10 SUBCONTRACTS AND OTHER AGREEMENTS

§ 10.1 Those portions of the Work that the Contractor does not customarily perform with the Contractor's own personnel shall be performed under subcontracts or other appropriate agreements with the Contractor. The Owner may designate specific persons from whom, or entities from which, the Contractor shall obtain bids. The Contractor shall obtain bids from Subcontractors, and from suppliers of materials or equipment fabricated especially for the Work, who are qualified to perform that portion of the Work in accordance with the requirements of the Contract Documents. The Contractor shall deliver such bids to the Architect and Owner with an indication as to which bids the Contractor intends to accept. The Owner then has the right to review the Contractor's list of proposed subcontractors and suppliers in consultation with the Architect and, subject to Section 10.1.1, to object to any subcontractor or supplier. Any advice of the Architect, or approval or objection by the Owner, shall not relieve the Contractor of its responsibility to perform the Work in accordance with the Contract Documents. The Contractor shall not be required to contract with anyone to whom the Contractor has reasonable objection.

§ 10.1.1 When a specific subcontractor or supplier (1) is recommended to the Owner by the Contractor; (2) is qualified to perform that portion of the Work; and (3) has submitted a bid that conforms to the requirements of the Contract Documents without reservations or exceptions, but the Owner requires that another bid be accepted, then the Contractor may require that a Change Order be issued to adjust the Guaranteed Maximum Price by the difference between the bid of the person or entity recommended to the Owner by the Contractor and the amount of the subcontract or other agreement actually signed with the person or entity designated by the Owner.

§ 10.2 Subcontracts or other agreements shall conform to the applicable payment provisions of this Agreement, and shall not be awarded on the basis of cost plus a fee without the Owner's prior written approval. If a subcontract is awarded on the basis of cost plus a fee, the Contractor shall provide in the subcontract for the Owner to receive the same audit rights with regard to the Subcontractor as the Owner receives with regard to the Contractor in Article 11.

(Paragraphs deleted)

ARTICLE 11 ACCOUNTING RECORDS; RIGHT TO AUDIT

11.1 Contractor agrees to make, keep and maintain in accordance with the Owner's financial reporting requirements and generally accepted accounting principles and practices consistently applied, complete books, records, invoices and records of payments relating to the Work while it is being performed and for a period of seven (7) years following completion of the Work, or such longer time as required based on the Owner's funding requirements. Contractor shall further comply with any and all HUD reporting requirements.

11.2 Owner and Owner's lender shall have the right to examine and/or audit, either directly or through its authorized representatives or agents, during business hours and for a reasonable period of time, all nonfinancial records, correspondence, instructions, specifications, plans, drawings, receipts, manuals and memoranda insofar as they are pertinent to any question relating to an audit. This right of inspection shall not apply to trade secrets or other proprietary information properly designated or asserted as such, or to any documents protected in good faith by Attorney-Client or Attorney Work Product privileges provided such claim of Attorney-Client or Attorney Work Product privilege is not made for purposes of thwarting the intent of this Section.

11.3 Owner and Owner's lender shall be granted access to all of Contractor's internal audit information relating to this Agreement, including reports of corrective actions taken as a result of such audit, but access shall not be granted to (i) general financial records not related to this Agreement except as may be solely necessary to verify the audit; or (ii) documents or other items protected in good faith by Attorney-Client or Attorney Work Product privileges provided such claim of Attorney-Client or Attorney Work Product privilege is not made for purposes of thwarting the intent of this Section.

11.4 Regardless of the time when the audit is conducted, in the seven year (or longer) audit period, if the audit determines overcharges by Contractor, Contractor shall repay Owner the amount of said overcharges.

ARTICLE 12 PAYMENTS

§ 12.1 Progress Payments

§ 12.1.1 Based upon Applications for Payment submitted to the Architect by the Contractor, and Certificates for Payment issued by the Architect, the Owner shall make progress payments on account of the Contract Sum, to the Contractor, as provided below and elsewhere in the Contract Documents.

§ 12.1.2 The period covered by each Application for Payment shall be one calendar month ending on the last day of the month.

§ 12.1.3 Payments are due and payable twenty-five (25) days from the date the Construction Manager's Pay Application is received by the Owner.

§ 12.1.4 Payments may be withheld from Construction Manager in accordance with Section 9.5.1 of the General Conditions.

§ 12.1.5 In exchange for final payment for all services and expenses under this Agreement, Construction Manager shall convey full and final lien waivers for its work under this Agreement and any of its consultants or subcontractors.

§ 12.1.5.1 Intentionally omitted.

§ 12.1.5.2 Intentionally omitted.

§ 12.1.5.3 Intentionally omitted.

§ 12.1.6 Provided that Owner has made payments of the amounts due to Construction Manager under this Agreement, Construction Manager shall keep the Project Site free from any liens by Construction Manager or any person or entity retained by Construction Manager, or their respective assigns. If, because of any act or omission of Construction Manager or anyone claiming through or under Construction Manager, any mechanic's or other lien, encumbrance or order is filed against Owner or the Project Site, Construction Manager shall, at Construction Manager's own cost and expense, cause the same to be canceled, bonded-over and discharged of record promptly after receiving notice thereof, and shall indemnify and hold Owner harmless from and against all costs, expenses, claims, losses or damages, including reasonable attorneys' fees, resulting therefrom or by reason thereof. No Uniform Commercial Code (UCC) or similar state statutory filings shall be made by Construction Manager, except upon express written consent of Owner.

§ 12.1.7 Subject to other provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:

- .1 Take that portion of the Guaranteed Maximum Price properly allocable to completed Work as determined by multiplying the percentage of completion of each portion of the Work by the share of the Guaranteed Maximum Price allocated to that portion of the Work in the schedule of values. Pending final determination of cost to the Owner of changes in the Work, amounts not in dispute shall be included as provided in Section 7.3.9 of the General Conditions. Contractor shall provide accounting documentation as proof of costs incurred for that portion of the Work that the Contractor self-performs and for all material/equipment expenses. For subcontracts that were competitively bid, the Guaranteed Maximum Price shall be determined by the percentage of completion of each portion of the Work by the share of the Guaranteed Maximum Price allocated to that portion of the Work. For subcontracts that were not competitively bid, accounting documentation shall be provided as proof of costs incurred for that portion of the Work;
- .2 Add that portion of the Guaranteed Maximum Price properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the Work, or if approved in advance by the Owner, suitably stored off the site at a location agreed upon in writing;
- .3 Add the Contractor's Fee, less retainage of five percent (5%) up to the time the Work is fifty percent (50%) complete and then zero percent (0%) thereafter. The Contractor's Fee shall be computed upon the Cost of the Work at the rate stated in Section 5.1.1 or, if the Contractor's Fee is stated as a fixed sum in that Section, shall be an amount that bears the same ratio to that fixed-sum fee as the Cost of the Work bears to a reasonable estimate of the probable Cost of the Work upon its completion;
- .4 Subtract retainage equal to the amount in the agreement between the Contractor and Subcontractor;
- .5 Subtract the aggregate of previous payments made by the Owner;
- .6 Subtract the shortfall, if any, indicated by the Contractor in the documentation required by Section 12.1.4 to substantiate prior Applications for Payment, or resulting from errors subsequently discovered by the Owner's auditors in such documentation; and
- .7 Subtract amounts, if any, for which the Architect has withheld or nullified a Certificate for Payment as provided in Section 9.5 of the General Conditions.

§ 12.1.7.1 The amount of each progress payment shall first include:

- .1 That portion of the Guaranteed Maximum Price properly allocable to completed Work as determined by multiplying the percentage of completion of each portion of the Work by the share of the Guaranteed Maximum Price allocated to that portion of the Work in the most recent schedule of values;
- .2 That portion of the Guaranteed Maximum Price properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the completed construction or, if approved in writing in advance by the Owner, suitably stored off the site at a location agreed upon in writing;
- .3 That portion of Construction Change Directives that the Architect determines, in the Architect's professional judgment, to be reasonably justified; and
- .4 The Contractor's Fee, computed upon the Cost of the Work described in the preceding Sections 12.1.7.1.1 and 12.1.7.1.2 at the rate stated in Section 5.1.1 or, if the Contractor's Fee is stated as a fixed sum in that Section, an amount that bears the same ratio to that fixed-sum fee as the Cost of the Work included in Sections 12.1.7.1.1 and 12.1.7.1.2 bears to a reasonable estimate of the probable Cost of the Work upon its completion.

§ 12.1.7.2 The amount of each progress payment shall then be reduced by:

- .1 The aggregate of any amounts previously paid by the Owner;
- .2 The amount, if any, for Work that remains uncorrected and for which the Architect has previously withheld a Certificate for Payment as provided in Article 9 of AIA Document A201–2017;
- .3 Any amount for which the Contractor does not intend to pay a Subcontractor or material supplier, unless the Work has been performed by others the Contractor intends to pay;
- .4 For Work performed or defects discovered since the last payment application, any amount for which the Architect may withhold payment, or nullify a Certificate of Payment in whole or in part, as provided in Article 9 of AIA Document A201–2017;
- .5 The shortfall, if any, indicated by the Contractor in the documentation required by Section 12.1.4 to substantiate prior Applications for Payment, or resulting from errors subsequently discovered by the Owner’s auditors in such documentation; and
- .6 Retainage withheld pursuant to Section 12.1.8.

§ 12.1.8 Except with the Owner’s prior approval, payments to Subcontractors shall be subject to retention of not less than five percent (5%) up to the time the Work is fifty percent (50%) complete and then zero percent (0%) thereafter which amount shall be reduced consistent with the reduction in Section 12.1.7.4. The Owner and Contractor shall agree upon a mutually acceptable procedure for review and approval of payments and retention for Subcontracts and, when necessary, shall adjust the percentage of retainage held on Subcontracts to a mutually agreeable amount.

(Paragraphs deleted)

§ 12.1.9 Except with the Owner’s prior approval, the Contractor shall not make advance payments to suppliers for materials or equipment which have not been delivered and stored at the site.

§ 12.1.10 In taking action on the Contractor’s Applications for Payment, the Architect shall be entitled to rely on the accuracy and completeness of the information furnished by the Contractor and shall not be deemed to represent that the Architect has made a detailed examination, audit or arithmetic verification of the documentation submitted in accordance with Section 7.1.4 or other supporting data; that the Architect has made exhaustive or continuous on-site inspections; or that the Architect has made examinations to ascertain how or for what purposes the Contractor has used amounts previously paid on account of the Contract. Such examinations, audits and verifications, if required by the Owner, will be performed by the Owner’s auditors acting in the sole interest of the Owner.

§ 12.1.11 No payment under this Agreement, either final or progress, shall release the Contractor from any obligation under the Contract Documents.

§ 12.1.12 The Owner reserves the right to withhold, on account of subsequently discovered evidence, subsequent observations or otherwise, the whole or any part of any payment which would otherwise be due under this Agreement, to such extent as (a) the Owner may have any claim or offset against the Contractor and/or (b) the Owner, in its reasonable opinion, has a loss or shall consider necessary to protect itself from loss because of any of the items enumerated in Section 9.5.1 of the General Conditions.

§ 12.2 Final Payment

§ 12.2.1 Final payment, constituting the entire unpaid balance of the Contract Sum, shall be made by the Owner to the Contractor when

- .1 the Contractor has fully performed the Contract, except for the Contractor’s responsibility to correct Work as provided in Article 12.2 of AIA Document A201–2017, and to satisfy other requirements, if any, which extend beyond final payment;
- .2 the Contractor has submitted a final accounting for the Cost of the Work and a final Application for Payment, which documents have been reviewed by Owner’s representative; and
- .3 a final Certificate for Payment has been issued by the Architect.

The Owner’s final payment to the Contractor shall be made no later than 30 days after the issuance of the Architect’s final Certificate for Payment, or as follows:

§ 12.2.2 The amount of the final payment shall be calculated as follows:

- .1 Take the sum of the Cost of the Work substantiated by the Contractor's final accounting and the Contractor's Fee, but not more than the Guaranteed Maximum Price.
- .2 Subtract amounts, if any, for which the Architect withholds, in whole or in part, a final Certificate for Payment as provided in Section 9.5 of the General Conditions or other provisions of the Contract Documents.
- .3 Subtract the aggregate of previous payments made by the Owner.

§ 12.2.2.1 Intentionally omitted.

§ 12.2.2.2 Intentionally omitted.

§ 12.2.2.3 The Owner's auditors will review and report in writing on the Contractor's final accounting within 30 days after delivery of the final accounting to the Architect by the Contractor. Based upon such Cost of the Work as the Owner's auditors report to be substantiated by the Contractor's final accounting, and provided the other conditions of Section 7.2.1 have been met, the Architect will, within seven days after receipt of the written report of the Owner's auditors, either issue to the Owner a final Certificate for Payment with a copy to the Contractor, or notify the Contractor and Owner in writing of the Architect's reasons for withholding a certificate as provided in Section 9.5.1 of the General Conditions. The time periods stated in this Section supersede those stated in Section 9.4.1 of the General Conditions. The Architect is not responsible for verifying the accuracy of the Contractor's final accounting.

§ 12.2.3 Intentionally omitted.

§ 12.2.4 If, subsequent to final payment, and at the Owner's request, the Contractor incurs costs, described in Section Article 7 and not excluded by Article 8, to correct defective or nonconforming Work, the Owner shall reimburse the Contractor for such costs, and the Contractor's Fee applicable thereto, on the same basis as if such costs had been incurred prior to final payment, but not in excess of the Guaranteed Maximum Price. If adjustments to the Contract Sum are provided for in Section 5.1.7, the amount of those adjustments shall be recalculated and appropriate credit given to the Owner in determining the net amount to be paid by the Owner to the Contractor.

§ 12.3 Interest

(Paragraphs deleted)

Amounts unpaid thirty (30) days from the Owner's receipt of the Construction Manager's approved Pay Application shall bear interest at twelve percent (12%) per annum
