Subject: NO to the YOUTH PRISON

You don't often get email from delonpowell@sbcglobal.net. [Learn why this is important](#)

Im writing to voice my opposition to the proposed Youth Prison site on 76th and Good Hope. While there may be a need for a new site, the proposed one is NOT it. As a resident, we do not need that type of resource in our community. Many elderly people live nearby and we do not need the increased traffic in the area. NO ONE wants a PRISON in their back yard. It will only reduce property values in an otherwise stable radius. Further this is an attempt to take advantage of an area that has no representation. None of you would want this near your homes. Neither do we!
