Hello-

As a homeowner for over 20+years in the neighborhood of the proposed new Youth Detention Center I am appalled with the recent decision to place this center in the heart of our residential community. We are not a light industrial area as some have stated in the media, we are families that pay some of the highest property taxes in the city of Milwaukee, diverse in cultures and really care about our community. The city of Milwaukee will see a quick exodus of home ownership in this neighborhood and will quickly become another blighted area with renters that simply do not care anything about the properties.
