# Hello,

My name is Patricia McGowan and I am a resident of the 9th aldermanic district in the city of Milwaukee. I am opposed to a juvenile prison being moved into our district, specifically at 7930 W. Clinton Ave. This district has seen minimal economic boost over the last few years after a long time downturn in business and the economy in this area. The placement of a prison will severely hamper any further economic growth in the area.

Further, the input from the people that live in the 9th aldermanic district has not been requested since former alderperson Chantia Lewis was in office. When input was requested from alderwoman Lewis, the residents of the 9th district were **opposed** to such a facility.

Common council members who have sponsored and/or support this prison project DO NOT live in our district. Honestly, I find it suspect that the common council no longer wants our input and wants to the juvenile prison in our district at a time when we do not have representation or any voice on the common council. I ask that each alderperson receiving this email be our voice.

Please vote **NO** to moving forward with building a juvenile prison the 9th aldermanic district. If you would like to discuss THIS matter further, please reply.
