Subject: Proposed Juvenile Detention Center

You don't often get email from rjlamontagne@yahoo.com. [Learn why this is important](#)

To whom it may concern -

As a resident of the Milwaukee area where this is detention center is being proposed, we DO NOT want this facility in our neighborhood. The Northwest of Milwaukee has become a complete mess and this will do nothing for this area outside of helping it remain a declining area. We have no thriving businesses, taxes continue to rise, a poor school system, rising crime, and now you are proposing that this facility be placed in our area? Absolutely NOT. I am saddened that this is even a question as we have no aldermanic representation and have to fend for ourselves while you all try to push this through. Shame on you! I promise that we will fight this and will protest as long as this remains an option. Many residents will be ready to fight this.

This is not welcome and we want to ensure that you make not that we DO NOT want this in our neighborhood. Thank you!
