To whom it may concern:

As long-time residents of the Downer Avenue neighborhood and also long-time parishioners at St Mark's on Hackett, we strongly support the proposed apartment complex and new church parish hall.

With the excellent neighborhood-friendly architecture of both projects, the increased density in the area will be a significant boost to the well-being of shops on Downer and provide more usage of our beautiful Lake Park.

The proposed construction is a win-win for the neighborhood and St Mark's.
