To the Members of the City Plan Commission,

I write to you in support of the zoning changes requested by DeMichele Company, LLC related to the northern portion of 2604-44 North Hackett Avenue. I believe that it is an entirely reasonable request and, furthermore, believe that it's a beneficial use of the land. It is a great opportunity to integrate denser housing into a vacant and little used space, without jeopardizing the character or quality of life of the neighborhood.

Thank you for your time,
Dan Buckler
