Subject: in support of file number 220401

Some people who received this message don't often get email from jamescope5855@gmail.com. [Learn why this is important](#)

I am writing in support of the above noted project (St Mark's Church addition and adjacent apartment building).

This project will add to the needed accessible housing on the east side, and add many new parking spaces, potentially freeing up street spaces.

In addition, it will help the church and its members greatly.

Please approve this project.

Thank you
