Hi,

I just wanted to voice my opinion that Milwaukee would BENEFIT from the proposed 55 unit apartments on N Hackett Ave.

Increasing density in downtown neighborhoods is a great thing for commerce and the environment.

It can help increase the tax base and decrease the number of unhoused.

I am a regular visitor and customer in that area (Yay Boswell Books and all the great businesses along Downer) and I might one day be a resident in that area.

Thanks for your time.

Sincerely,

Nick Heger
