Could I add two videos to my previous objection to the application by The Pabst Theater Group for a Class B Tavern and Public Entertainment Premises license at 1119 N. Marshall St.?

I'd like to play both of the following at the license hearing. Each is under 3 minutes. There's one video for the Villa Filomena, and one for The Fitzgerald. (Please download these, as appropriate, and add them to the file.)

Villa Filomena

https://www.dropbox.com/sh/8hr5p4lekfk4pcw/AADvmHxLyhcmC6OPCz5yN3iaa?dl=0&preview=Villa+Filomena+-+compilation.m4v

The Fitzgerald

https://www.dropbox.com/sh/0dwkiddw3ks38j4/AAAyT\_BbEBEWujExGy3xCaGCa?preview=The+Fitzgerald+-+compilation.m4v

These offer samples of noise and activity at the exterior of the property (from my vantage point, the at 1114 N. Marshall St.). It was clear from a neighborhood meeting on Thursday, August 18th that Mr. Witt of the Pabst Theater Group is more concerned with what's happening currently, under his new ownership; that's why I separated the two time periods by name. However, my position is that the business itself is problematic—a Class B Tavern with outdoor spaces, on a quiet residential street—so what's gone before (under the Villa Filomena name) is informative and pertinent. I think one could make the argument that this business extends well past its property line—into adjacent driveways, onto the sidewalk, and into the street. I'm sharing these videos to help lend focus and support to the various noise, property, and operational concerns of the surrounding community.

One complaint I heard from multiple attendees of the neighborhood meeting was post-event noise or activity, crowd dispersal, etc. I share that concern wholeheartedly. Imagine hearing that noise for the entire duration of an event; that's what I often experience as an apartment resident living across the street from this venue.

What are the exterior areas where noise is a problem? The 'lush garden terrace' (a.k.a. walled courtyard), the portico entrance and surrounding stone walkway, the front yard, and the adjacent driveways—anywhere that

guests congregate outdoors (as seen in the videos). This is all part of what's being sold to guests or clients on the company's website—the outdoor spaces and the surrounding East Side neighborhood.

This is what I see in the videos, all outdoors:

- wedding music (in garden terrace, amplified)
- pre-event music (amplified)
- guests arriving, being dropped off (sometimes by bus)
- outdoor ceremonies (with crowd response: "Woo!")
- outdoor celebrations (with amplified music)
- loud ambient noise from large gatherings on garden terrace
- post-event gatherings at front of property
- guests congregating in adjacent driveway (Marneau Apts.; 1129 N. Marshall St.)
- more informal gathering in Fitzgerald driveway
- guests leaving, catching rides (shouting in street, etc.)
- loud conversations or celebrations in garden terrace, into the night
- late-night truck deliveries (load in or load out, engines idling)

At the neighborhood meeting, Mr. Witt indicated that he and his company follow rules—if they're given rules to follow. What rules can be created to diminish these noise disturbances? What changes could be made to operations, or even to the exterior of the property or its acoustics?

To date, I've attended 3 license renewal hearings for this property (since 2018), always with the same basic issues regarding noise, music, and guest activities outside the venue. Why do routine license renewal hearings not trigger some sort of 'flag', warning, or obstruction when a business is in the process of being sold for the purpose of continuing or expanding operations under a new owner?

Please note that these videos represent the noise level as it occurs through the windows of my apartment across the street. They are best played at full volume and/or through headphones to get a reasonable approximation of the correct sound level.

Thank you.

Sincerely,

Dear Committee,

I am writing in reference to 4 license applications submitted by Banquet Services LLC and Pabst Theatre Group for operations at 1119 N Marshall Street known as Villa Filomena. I am writing in support of Banquet Services application on the proviso that the agreement titled Attachment A "Plan of Operation" previously agreed to by Banquet Services and its neighbors remains in force as part of the renewed license. See minutes of 7/16/19 Meeting: (https://milwaukee.legistar.com/LegislationDetail.aspx?ID=3969104&GUID=288FA87E-F33D-497E-8CA3-99D2D36472A2)

I am writing in opposition to the applications of Pabst Theatre Group because

 the proposed operation described in the application is inconsistent with the residential character of the neighborhood,

- the proposed operation violates the existing Plan of Operation which restricts usage and has been previously agreed to by the operator and its neighbors,
- 3) the proposed operation will negatively impact property values as a result of the noise, safety and parking issues created by the changed operation, and
- 4) the proposed operation will negatively impact the community as a whole as result of lower property values and reduced tax base.

I was concerned about Villa Filomena and its impact on property values when we purchased our unit in August of 2020. However my fears were put to rest with the existence of the Plan of Operations and the reputation the Villa had for maintaining good relations with their neighbors. Banquet Services has operated Villa Filomena as a wedding facility with only a few events per month. Noise has been kept to a minimum, with music lowered at 10pm and off by 11pm. The operations proposed by Pabst Theatre Group are something entirely different. DJ's and Bands with amplified music, Comedy Acts and Dancing permitted 7 days a week from 10am to 12am will change the character of this facility in unacceptable ways. The application has alcohol revenue planned to grow from the current 60% of revenue to 90%. And the daily cleaning by the current owner is planned to go to weekly performed by hired maintenance according to their application. This is a very different venue that will draw a very different crowd, create parking, noise and loitering issues for the neighborhood.

I strongly encourage the Committee to reject the application from Pabst Theatre Group.

Response to Notice of Public Interest

License Type: Class B Tavern and Public Entertainment

Premise Address: 1119 N Marshall St

I am writing to object to the application that has been made by the Pabst Theater Group for the above-mentioned address.

My " " illa Filomena, 1119 N Marshall.

Marshall St and the surrounding area is a quiet residential neighborhood. condo building is to the south. There is apartment building directly north and east.

When I moved to Marshall St, Villa Filomena was used for a church service on Sunday mornings and for evening weddings, mostly on the weekend. Eventually the weddings became a bit of a nuisance and the license was amended and limited by City Council action. Currently, the venue is very well managed for the most part. Weddings end at 10:00pm, attendees are asked to leave quietly, live, loud music is limited.

The proposal would have entertainment of various sorts at Villa Filomena with no apparent limitations. It would be operating 7 days a week and there does not seem to be any time restrictions. In addition, these events are not private events as weddings are. They are open to the public.

I respectfully request that you deny the license:

- 1. Public events will draw larger crowds and there is virtually no parking available on Marshall St after 5pm.
- 2. Marshall St is a residential area. The Pabst Theater group operates in areas that are either zoned commercial or mixed use. This is not the case here.
- 3. There is no need for a club/nightclub/event space in a residential area.
- 4. Who will monitor noise?
- 5. Who will control crowds?
- 6. Who will ensure that the overflow or people going for a smoke do not linger in the courtyard of Villa Filomena.
- 7. Who will clean up after events? Currently we have catering trucks who are sometimes working til midnight with their coolers running. In addition, trash (beer bottles, cigarette stubs et) have been found the next day on the street and sidewalk.

If you do approve this use, I request that its use be limited to weekends only. In addition, all events should end by 10:00. There should be no live music or DJs allowed. Crowds must be controlled so that there are not attendees lingering outside. No cigarette smoking or alcohol consumption should be allowed outside the location.

I am fully aware that the above restrictions will probably not work for the Pabst Theater Group. Therefore, I strongly request that you deny this application.

Thank you for your consideration

Subject: Re: Objections to Class B Tavern...Applicant: Richard J. Ryan, Agt. PTG Live Events LLC for Pabst Theater

Group at 1119 N Marshall St.

You don't often get email from

To Whom It May Concern,

My name

1. Marshall St., which is

to 1119 N Marshall St,

the proposed Class B Tavern and Public Linertainment Premises application by Richard J. Ryan, Agt., PTG

Events LLS for the business, Pabst Theater Group;

Therefore, I am a person of "greater interest" and I am submitting my objections to you regarding this proposed operation of license premises.

This aforementioned license should be denied due to the following objections:

1. This Tavern and Entertainment, Pabst Theater Group will negatively impact the children, families and residents of this location due to the noise and people loitering outside; there is no place for customers to go except on the sidewalk, which I've experienced firsthand when weddings have been hosted at 1119 N Marshall St; the loud, many drunk wedding guests would come outside to smoke, and spillover onto the driveway back that sometimes these people loitered and talk loudly; the acoustics of this area causes it to echo and amplify. On occasion, I heard loud, swearing arguments and sometimes an ambulance

stopped at this location. Thankfully, these weddings concluded no later than midnight, on the weekends.

2. Also, I've noted that when the Astor Hotel,
music, it was so loud, we could hear it with our windows closed! If such a live entertainment tavern is in business
it will be even more audible for us hardworking "greater residents", which will affect our sleep and wellbeing.

3. This entire block of Marshall is all residential, except for Villa Filomena at 1119 N Marshall St, which hosts wedding on occasion, that we "greater interest" residents tolerate because it's usually only on Saturday (and it's a wedding! family oriented) and then on Sundays quiet, churchgoing

people sometimes lease out the space and occupy for only several hours.

4. There are at least 3 daycare facilities within 2 blocks or less and MPS Lincoln Center of the Arts (820 E Knapp & Marshall St.) is 2 blocks away as well as the Friendship House (1029 N Marhsall St., only 2 buildings away) is located on the same block of this proposed operation of license; The Friendship House provides secure and safe housing for women and children who need emergency sheltering for various reasons. There are so many churches within a block or less of 1119; for example, the All Saints Cathedral Church right across the street from my home offers addiction group gatherings, which this tavern would adversely affect many who are trying to stay sober...there's another church right across from the Lincoln Center of the Arts, etc.

5. There is NO PARKING to accommodate the number of customers that could patronize this location! Therefore, it negatively impacts the well-being of the "greater interest" residents and the safety, if such residents are forced to park blocks away from their apartments/homes and places due stress on these residents to find safe, close parking to their homes. Currently, this block that I live on is part of the Commuter Impacted Parking Zone; Already, it's difficult enough for me and the "greater interest" residents to find street parking close to home and even more so in the winter time with Winter Parking Regulations and Snow Emergency rules limiting parking and many times there are random "tow away zone" signs placed which further limits street parkin (Once, I had to email for the city to take down a sign because they forgot to and I noted how few parking street parking spaces there were!) 1119 N Marshall St. does not have a parking lot nor a parking structure to offer its customers. From my experience, the closest I find parking to my home, is a block or more in non-winter months.

I am thankful that in my 30 years of living in this area of Milwaukee and having served MPS Montessori students and families for over 21 years, that I've never had to write one of these objection letters prior to today. If you or this Agent, Richard J. Ryan, visited my neighborhood at night, you would hear how peaceful and quiet it is. If you have any communication with Mr. Ryan, I strongly urge you to advise him to do more research on locations; Having lived in this part of Milwaukee for 30 years, I could find better venue locations!! I love music and support the arts, but this location adversely impacts us residents of "greater interest" and it is an all-residential block. I was very surprised a tavern, live entertainment venue would even be allowed to be considered to run a business on this block of Marshall St. I feel obligated to strongly object and urge you to deny this license for this "greater interest" community.

Thank you for your time and consideration.

Sincerely,

I received a Notice of Public Interest regarding the Villa Filomena property at 1119 N. Marshall Street. It looks as if The Pabst Theater Group is now getting involved, as they are requesting a new Class B Tavern and Public Entertainment Premises license for the property.

I don't quite know what this means. Have they purchased the property? Is it going to remain a facility for weddings and receptions? Is it going to become a concert or performance venue? Is activity going to increase?

I have attended public license hearings in the past regarding commercial activity at this property (by the current or previous owners) as a wedding and reception hall and its effect on the surrounding residential neighborhood—specifically, noise levels, often late at night. I have not been the only complainant in attendance.

While I recognize the Pabst Theater Group name as a professional organization, this application concerns me, as an increase in activity would tend to result in an increase in noise.

I the street from this property. Most of my issues relate to the outside or front of the property, particularly the noise produced by visitors and guests, hanging out or coming and going—behavior that is very difficult for any business to regulate or control. The serving of alcohol to patrons is a factor in that. (To a lesser extent, the industrial noise of loading and unloading for events can also be an annoyance.)

If the property were going to be sold, I wish it were for a different purpose. At previous hearings, it's always seemed as if the commercial usage of this property was a questionable choice but that council members were trying to consider and weigh the plight of the existing owners. With the involvement of the Pabst Theater Group, it seems as if this usage may become even more entrenched.

Part of the issue is the condition of the surrounding neighborhood. These are primarily old apartment buildings, constructed in the early 1900s and now run purely for profit by businesses (real estate companies such as '' others) that are unmotivated and uncompelled to maintain them to any modern standard. They are especially disposed to noise issues, both outside and inside. (In fact, I find it shocking that these businesses operate unlicensed, as they have a profound effect on the city and its residents.)

I strongly object to a Class B Tavern and Public Entertainments Premises being granted to Pabst Theater Group at 1119 N Marshall Street.

I am afraid the constant level of noise and rowdy behavior at that address will spoil all the living arrangements currently being enjoyed in that residential area. Many of us are older and have selected this area to enjoy our last years, although I believe any age group would be tremendously disadvantaged by being thrown into the midst of this kind of entertaining. We all have a right to be able to sleep at night. We all have a right not to have to leave our current homes for the peace we now enjoy.

Thank you for allowing my response.

We are writing to object to the Class B Tavern license application for this location (attached).

We

lirectly facing the venue.

Currently there are periodic weddings, mostly on weekends, at this venue where loud music can be heard during sleeping hours. If the operating hours or use were to be expanded to weekday hours or entertainment open to the general public, this venue could become extremely disruptive to this mostly residential neighborhood block. Noise and available parking would both be a major issue if open to the public events were held at this venue.

We ask that while considering approval of this license that careful consideration be given to restrictions on noise, requirement for noise insulation, limits on event types, limited parking availability, and/or limits to occupancy size.
